# July Classes at the GFJ Tech Center!

★ **iPad/iPhone Camera and Photos App: For Beginners** Wednesday 7/19 from 1:00-3:00

- Learn the basics of using the iPad/iPhone Camera and Photo app. Targeted to beginners, this workshop will cover taking photos along with basic editing. Organizing your photos and photo sharing will also be discussed. Be sure your device is charged and that your software is up to date.

★ **Security for Home Computers** Tuesday 7/25 from 1:00-3:00

- People often think of computer security as something technical and complicated. Actually, the most important stuff is actually very simple. This workshop will cover the basic, important things you should do to secure your home computer and make yourself safer online.

★ **Ten Amazing FREE Online Resources at [Gfjlibrary.org](http://Gfjlibrary.org)!** Monday 7/17 from 1:00-3:00

- The library's website, [gfjlibrary.org](http://gfjlibrary.org), is much more than just a place to look for books! There is also a whole world of learning opportunities and fun resources available free of charge to George F. Johnson Memorial Library patrons. In this class we will learn how to use the website to study a new language, learn computer skills at home, check out e-magazines—and so much more! ***Please bring your library card and PIN to class. If you don't know your PIN, please contact the circulation desk at (607) 757-5350.***

★ **Welcome to Windows 10** Thursday 7/13 from 2:00-4:00

- Come to this class to learn the basics about Microsoft's newest operating system, Windows 10, and the brand new browser, EDGE! We will explore settings and tips that will make Windows 10 easier for you. You may bring your laptop if you wish, but it is not required.
