May Classes at the GFJ Tech Center!

Android Smartphone and Tablets: Tips (Part 2) Friday *5/11 from 1:00-3:00*

- This collection of tips will help you use some of the best features packed into your Android tablet or phone. Learn how to do more with your tablet or phone without spending money on apps and accessories. Please bring your charged Android tablet or phone with you to the workshop. A question and answer session will be included.

Facebook Settings for Safety and Privacy! *Thursday 5/31 from 4:00 - 6:00*

- Facebook can help you connect with family and friends, share pictures and stories, but how do you know if your account is safe? Come learn how to set up a Facebook account while keeping your identity safe and protecting your privacy. **Some basic computer skills and an email address are required.**

Get Paid for Shopping Online: Really! *Tuesday 5/22 from 1:00-3:00*

- If you shop online, why not get paid for it? One of the easiest ways to get more out of your buying experiences is to use cashback websites. They help you "earn back" the money you spend so you can make your shopping budget stretch further. This workshop will explain how these sites work. We will also cover some automatic coupon savings tools.

Intro to Google Photos *Monday 5/7 from 1:00 - 3:00*

- Don't keep your photos trapped on your phone or camera! This introductory class will show you how to easily save, edit and share your digital photos with Google Photos for free. *A GMail account is required. Please bring your GMail username and password.*

Learn to Sell on eBay *Friday 5/18 from 1:00 - 3:00*

- Instead of the mess and work of a garage sale, sell your unwanted things on eBay! Come learn the basics about listing on eBay, setting up accounts and creating appealing listings. You are welcome to bring a small item, or some pictures of something that you would like to sell on your camera or phone. **This class is for beginning eBay-ers.**

Using Free Websites for Genealogy Research—for Beginners *Tuesday 5/15 from 1:00-3:00*

- This workshop will introduce participants to FAMILYSEARCH (free) and to the ANCESTRY Library edition database (free to use in the library). Users can search U.S. census records, Social Security records, birth and death records, immigration records, military and other vital records for genealogical research. Tips on how to use GOOGLE for genealogy searches will also be presented. This workshop is targeted to BEGINNERS.
