January Classes at the GFJ Tech Center!

Bots, Phishers and Spam: The Struggle for Cyber Safety and Digital Literacy Saturday 1/19 from 1:00-3:00

- The skills of Digital Literacy - the ability to address harmful or misleading contents on the Internet, to communicate appropriately, to protect privacy and perform security measures - are crucial today as we consider how Artificial Intelligence, Internet threats and “fake news” affect how we view our world every day. This class will be a discussion of steps that we can take to surf safely, privately and critically.

Instagram Basics Monday 1/28 from 6:00-8:00

- The library has an Instagram account! Instagram is a photo and video-sharing social networking service and in this class we will be going over the basics and getting you connected with the library. **A smartphone or tablet is required to download Instagram App.**

Introduction to Windows 10 Friday 1/25 from 2:00-4:00

- Come to this class to learn the basics about Microsoft’s newest operating system, Windows 10, and its new browser, EDGE! We will explore settings and tips that will make Windows 10 easier for you. You may bring your laptop if you wish, but it is not required.

Twitter Basics Monday 1/7 from 6:00-8:00

- Twitter is all over the news lately. Come to this class and learn what twitter is and how it can be used to share your ideas with others.

Android Phones and Tablet Classes:

Android Phones and Tablets: Learn the Basics Tuesday 1/15 from 1:00-3:00

- Android is a popular operating system which is used on different mobile devices such as phones and tablets. Learn the basics of the Android operating system. This workshop will show you how to navigate through the various controls and effectively use an Android device. Please bring your fully charged Android device (phone or tablet) with you.

Android Phones and Tablets: Tips and Tricks Tuesday 1/29 from 1:00-3:00

- This collection of tips will help you use some of the best features packed into your Android phone or tablet. Learn how to do more with your tablet or phone without spending money on apps and accessories. Please bring your fully charged Android phone or tablet with you to the workshop. A question and answer session will be included.

iPad/iPhone Classes:

iPad/iPhone Basics Saturday 1/12 from 1:00-3:00

- This is an introductory tour of the Apple iPhone and iPad for beginners. Learn the basics of navigating, getting organized, and keeping an iPhone and iPad up to date. Please bring your fully charged iPad or iPhone with you.

iPad/iPhone: Tips and Tricks Saturday 1/26 from 1:00-3:00

- If you feel you have mastered the basics move on and learn how to customize your iPad or iPhone. This collection of tips will help you use some of the best features packed into Apple’s iPad and iPhone. Learn how to do more with your iPad and iPhone without spending money on apps and accessories. Bring your fully charged iPhone or iPad.

Launchpad @ GFJ Every Tuesday from 5:00-7:00

- Achieve your goals! On Tuesdays there is free tutoring and computer-based instruction available to help adults prepare for the TASC high school equivalency exam. Get the help you need to earn your high school diploma! Contact Craig Jefferson (jeffersoc.2014@gmail.com) or Jen Musa (musajm@sunybroome.edu) with questions or visit endicottged.com for more information.
