## **Apps for Summer** Thursday 5/23 from 4:00-6:00

- Come share helpful and fun apps for gardening, travel and summer fun! Learn some new apps for iPhone and Android devices, and share those that you find useful. **Please note that some of the apps have been introduced in other Tech Center classes.**

## **Computer Skills: The Mouse** Friday 5/10 from 2:00-3:00

- Do you need help with basic computer skills? This one-hour class will introduce you to the computer's mouse.

## **Computer Skills: The Windows 10 Desktop** Friday 5/31 from 2:00 - 3:00

- Do you need help with basic computer skills? This one-hour class will introduce you to the Windows 10 desktop.

## **Free eBooks, Audiobooks and Magazines** Thursday 5/16 from 1:00 - 3:00

- Discover the great apps that the library offers for your smartphone or tablet. Bring your library card, library card password/pin, and your fully charged smartphone or tablet, and we'll get you started!

## **iPad/iPhone: Just the Basics** Friday 5/24 from 1:00 - 3:00

- This is an introductory tour of the Apple iPad and iPhone for beginners. Learn the basics of navigating, getting organized, and keeping an iPad or iPhone up to date. Please bring your fully charged iPad or iPhone to the workshop.

## **Meet Google Drive** Tuesday 5/14 from 1:00 - 3:00

- Google Drive is Google's cloud-based service that allows the user to create and store word documents, spreadsheets, slide shows, and more. All you need is a Google Gmail address and password to use this powerful storage system that lives online. **Please have an active Gmail address and password before class starts.**

## **Streaming Wars** Monday 5/20 from 5:30-7:30

- The future of entertainment is upon us, and movie studios, TV stations, and other entertainment businesses are fighting to get your money by creating their own streaming services. Learn what a streaming service is and how to access their content as well as who the top competitors are in the war on entertainment. The cut the cord era has now become the streaming wars!

## **Tips on Buying a Smartphone** Thursday 5/30 from 2:00 - 4:00

- There are so many different brands of smartphones out there, and it can be difficult to tell which one is the best for you. This class will go over the top smartphone brands and help you decide which is right for you. **This class is for patrons who do not have or need a new smartphone. It is not a class on how to use a type of smartphone.**

## **Launchpad @ GFJ** Every Tuesday and Thursday from 5:00-7:00

- Achieve your goals! On Tuesdays there is free tutoring and computer-based instruction available to help adults prepare for the TASC high school equivalency exam. Get the help you need to earn your high school diploma! Contact Craig Jefferson ([jeffersoc.2014@gmail.com](mailto:jeffersoc.2014@gmail.com)) or Jen Musa ([musajm@sunybroome.edu](mailto:musajm@sunybroome.edu)) with questions or for more information.
