August Classes at the GFJ Tech Center!

All about Passwords *Thursday 8/8 from 1:00-3:00*

- A password that is easy to figure out is like leaving the key to your house under the doormat. This workshop will outline the five basic password rules. We will also discuss free password manager programs which store all your passwords in one secure, easily accessible place. Using a password manager is one of the top safety practices recommended by experts according to Consumer Reports.

Amazon Fire: the Affordable Tablet *Tuesday 8/20 from 3:00-5:00*

- The Fire, formerly called the Kindle Fire, is a tablet computer developed by Amazon.com. An overview of the Amazon Fire Tablet will be presented including how to navigate, organize and download apps. The latest Fire delivers faster performance, a bigger battery and more base storage than the previous version for almost half the price. Its screen is bright, the speakers are loud, and it offers expandable microSD storage and ample parental controls.

Computer Basics: Windows Desktop *Friday 8/30 from 2:00-3:00*

- Do you need help with basic computer skills? This one-hour class will introduce you to the Windows 10 desktop.

Computer Security Workshop *Wednesday 8/7 & 8/21 from 5:30-7:30*

- Want to learn how to be safe while online? Worried about your privacy? Come to this two-part workshop where we will help you understand the importance of being safe online and how to do that. We will take your questions and hope you're more aware of computer security once you've gone though both classes.

Learn to Sell on eBay *Tuesday 8/6 from 1:00-3:00*

- Forget the mess and work of a garage sale - sell your unwanted things on eBay! Come learn how to set up an account, take pictures, arrange payments and create appealing listings. You are welcome to bring a small item, or some pictures of something that you would like to sell on your camera or phone. **This class is for beginning eBay-ers!!!**

Microsoft Word Basics *Monday 8/19 from 5:30-7:30*

- This beginner's course goes over the basics to help create a Word document. We will look at how to format a page, change text, add images, etc. No prior knowledge of Word is necessary, but basic computer skills would help.

Welcome to Pinterest *Thursday 8/1 from 4:00-6:00*

- Pinterest makes it a snap to find, save and share thousands of ideas for crafts, decorating, remodeling, cooking, fitness, education, books, movies, and just about anything you may want to find on the Internet! You must have a working email account to use Pinterest!!

Launchpad @ GFJ *Every Tuesday from 5:00-7:00*

- Achieve your goals! On Tuesdays there is free tutoring and computer-based instruction available to help adults prepare for the TASC high school equivalency exam. Get the help you need to earn your high school diploma! Contact Craig Jefferson (jeffersoc.2014@gmail.com) or Jen Musa (musajm@sunybroome.edu) with questions or for more information.
