November Classes at the GFJ Tech Center!

Discover Windows 10 Monday 11/18 from 5:30-7:30

- Windows 10 is here to stay as older operating systems by Microsoft are being discontinued. Build basic skills so you can start using a computer with this basic course on Windows 10.

Get Paid for Shopping Online: Really! Thursday 11/21 from 1:00-3:00

- Black Friday and Cyber Monday are traditionally the busiest shopping days of the year because they kick off the holiday season. If you shop online why not get paid for it? One of the easiest ways to get more out of your buying experiences is to use cashback websites. They help you “earn back” the money you spend so you can make your shopping budget stretch further. This workshop will explain how these sites work. We will also cover some automatic coupon savings tools

Intro to Excel—for Beginners! Monday 11/25 from 5:30-7:30

- Learn how to create neat, professional-looking spreadsheets on your computer, even if you have little or no technology skill. This class will cover the basics of creating, editing, saving and basic computation with a basic spreadsheet, and will offer free alternatives to Microsoft Excel.

Intro to Google Photos Thursday 11/7 from 1:00-3:00

- Don't keep your photos trapped on your phone or camera! This introductory class will show you how to easily save, edit and share your digital photos with Google Photos for free. **A GMail account is required. Please bring your GMail username and password.**

Learn to Sell on eBay Thursday 11/14 from 1:00-3:00

- Forget the mess and work of a garage sale - sell your unwanted things on eBay! Come learn how to set up an account, take pictures, arrange payments and create appealing listings. You are welcome to bring a small item, or some pictures of something that you would like to sell on your camera or phone. **This class is for beginning eBay-ers!!!**

Launchpad @ GFJ Every Tuesday from 5:00-7:00

- Achieve your goals! On Tuesdays, there is free tutoring and computer-based instruction available to help adults prepare for the TASC high school equivalency exam. Get the help you need to earn your high school diploma! Visit our website to register or contact Jen Musa (musajm@sunybroome.edu) with questions or for more information.
