★ **Free Shopping Apps to Save Time and Money** *Thursday, 7/8 from 3:00-4:00* OR
Tuesday, 7/27 from 11:00-12:00

There are hundreds of terrific, free apps that will help you save money every time you shop with digital coupons, store ads, rebates, comparison shopping and more! Your phone can make shopping easier and save you time too. Log in to learn how to maximize your grocery savings with apps that are free and easy to use.

★ **iPhone/iPad Tips and Tricks- Part 2 of iPad/iPhone Basics** *Thursday, 7/14 from 3:00-4:00* OR
Tuesday, 7/20 from 11:00-12:00

Discover practical, performance-improving features that will make your iPhone or iPad more convenient and useful. Get tips and tricks for Siri, using Safari, managing iCloud storage, and more. Take control by learning how to customize your device using the settings app.

★ **Discover the Wonders of Pinterest** *Thursday 7/22 from 3:00-4:00*

Pinterest is a visual discovery engine for finding and sharing ideas like recipes, vacation plans, home and fashion inspiration, and more. When you discover Pins you love, save them to boards to keep your ideas organized and easy to find. Pinterest also makes it easy to collect websites, photos and videos with the click of a button! Log in and learn how to use this multi-function tool to find solutions, spark creativity and organize your searches.

★ **Shop Smarter and Safer Online** *Wednesday 7/28 from 3:00-4:00*

Looking to save money and shop safer? Online shopping has never been easier or more convenient for consumers. You can purchase almost anything online. If you follow a few simple rules, you can save money and have a safe and secure online shopping experience. Join us for a look at the ins and outs of how to shop smarter online.

★ **Tech Help** *Every Tuesday in July from 10:00-12:00*

Appointment Registration Required for a 15-minute session with Tech Center staff member to help with technology issues. Call or email the Tech Center in advance for more information.
