## EXPLANATION OF THEME

One hundred years ago, men answered the call of "Gold!" Whole families unhesitatingly set out for new horizons and a new life. Gold was the impetus for the great migration and settling. The search for adventure led these people in the vast surge toward open frontiers. Gold, to be sure, was the cause; but the '49ers were more than gold-hungry men. They were the pioneers, the future-builders. With their picks and shovels, their covered wagons and their inborn, unflinching spirit, they conquered the unknown. Their tools were simple, their ways were crude, but their results were world-shattering. These were the '49ers—these were the nation-builders.

We like to identify ourselves with those '49ers, for we are '49ers, too. We have a challenge to meet, a future to face and a creed to spread throughout the world. We feel akin to the earlier pioneers in spirit and in purpose. Their tools were courage, faith and devotion to simple ideals. To these, we add hope, knowledge and ambition.

Their search was highlighted in the gleaming, precious metal called gold. They rose to the spell of this one word as it echoed across a young nation. Now, one hundred years later, another cry goes out—this time across a wide world brought close by common ties. "Peace!" It is a plea, a question, a challenge.

This is our gold—more precious than any metal, more elusive than any ideal. It beckons all who desire security and prosperity. It brings once more a thrill of adventure and accomplishment in the need for unity and concord. The graduating classes of 1949 answer the call of a troubled world by dedicating themselves to the pursuit of peace and by paralleling their ideals of courage, determination and sacrifice with those of the pioneers of one hundred years past.

## INTERNATIONAL FRIENDSHIP

This year, since we have felt the influence of the various nations through our international representatives, it seemed fitting to include an international section in the Thesaurus.

During the assembly in honor of Miss Hibbert, our exchange teacher from England, we heard the many interesting experiences about her first contact with the American people and customs.

We hear by letter of Miss Hollister's vacation travels in Europe, and of the school in Sutton Coldfield, England, where she is teaching this year.

U-E students also contributed to the feeling of internationalism. Eleanor Bierly's trip reaped more than just memories. The school library received a book autographed by Norway's skiing champion. Anna Buikstra, whose native land is Holland, and Kathleen Tobin, whose birthplace is Ireland, are finding U-E much to their liking. We have many other pupils who were born in other countries but are furthering their education in U-E. Without attempting to list them all, we mention Charles deVente and Cornelius deVente, both born in Holland.

"Ever since I was of the age of 'Rebecca of Sunny-Brook Farm,' I have wanted to watch a graduation and to eat buckwheat cakes and waffles; ever since I was at High School, I have wanted to live for a time in the land where pioneers built log cabins and Abraham Lincoln gave the Gettysburg Address; ever since 1940, I have wanted to visit the 'arsenal of democracy' and the generous people who fed starving Europe. I expected America to be my second home and its people my fellow citizens of the world and I have not been disappointed."

MISS HIBBERT

"There is an integrity on this island that one must live with to appreciate to the full. People here are going without the little luxuries that one sees abroad but they are making a downright effort to pull themselves out. They export everything that they can in order to bring in food so that all may eat. All share and share alike and the last thing that I could imagine would be that communism could take a hold here. They live hard lives; right now they can't see when the sacrifice will end, but they are all in it together and given time they will pull out. I feel it a distinct privilege to be with them and to see how earnestly they work at the job of recovery."

MISS HOLLISTER

"I feel highly honored to have been U-E's representative this year in the Scandinavian Student Exchange program. I spent six weeks in Norway. Here I studied the school system, lived in a Norwegian home and had the opportunity to learn new customs and meet new people. My last two weeks consisted of sight-seeing tours in Sweden, Denmark, France, England and Scotland.

I've indeed been a lucky girl and my deepest appreciation will always be expressed for what you did to make this project possible. I sincerely hope many more U-E students will be given this fine opportunity. Thanks for making my senior year the most memorable of my school days."

ELEANOR BIERLY

"I enjoy going to a high school in the U.S.A. I find the social life connected with U-E much to my liking. In Dutch High Schools there is no entertainment intermingled in a student's school life. Next year I hope to be graduated just as a typical American girl. I expect to go back to Holland after I have graduated from college."

ANNIE BUIKSTRA

"U-E is wonderful! The friendly attitude of the principal, the counselors, the teachers and the students makes a stranger feel at home. I have enjoyed being a student of this wonderful school over a year now and every day it grows dearer and dearer.

Endicott and the school system are very different from my home town, which is Dungarvan Co., Waterford, Eire. Dungarvan is a seasonal resort where many world-famous visitors have spent their vacation and have paid spontaneous tribute to the friendliness of its people, the fascination of its legends and the beauty of its scenery.

If all goes well I expect to return to my home town in 1950 and I shall feel very happy to be able to tell my family, relatives and friends how wonderful the American people are and how grateful I am for the education which I have received in America."

*"Turning, for them who pass, the common dust of servile opportunity to gold."*

—William Wordsworth

"Learners in elementary schools, high schools, colleges and programs of adult education have, in general, been too willing to acquire facts for storage rather than for application. Education can be of real value only as we are willing to use what we know for our own best interests and for the best interests of society."

WM. J. KRUM, JR.

MR. WILLIAM J. KRUM, JR.  
Superintendent of Schools

"The youth of 1849 must have had courage which made them dare to explore the new; initiative to lead; enthusiasm which helped to conquer hardships; love of nature, to give them calmness and dignity, and faith in God, to enable them to trust the future.

"I believe the youth of 1949, with greater opportunities before them, can and must possess these same qualities. My faith in you may perhaps help in your new and challenging search for the real Gold of Life."

MISS PITKIN

MISS MARY L. PITKIN  
Principal

"As you prepare for graduation you should realize that it does not mean the end of your education. Keep on learning. Your mind grows strong with use. Allow time for daily reading. Avoid the trivial and the vulgar. What goes in the mind comes out in the life."

## JANUARY CLASS 1949

SEATED — Robert Julian, president;  
Irene Heffner, secretary.  
STANDING—Lillian Bachura, treasurer;  
Joseph Miner, vice president.

Lillian Bachura receives diploma from  
J. Maxwell Clouse, president of the  
School Board.

The January Seniors as "The Forty-Niners" have left our halls and taken their places in the world of today, soon to become the leaders in the world of tomorrow.

Robert Julian was honored by being chosen the President of his class. Other officers were: Joseph Miner, Vice President; Irene Heffner, Secretary, and Lillian Bachura, Treasurer.

Maroon and gray were the class colors; the class flower, the red carnation; and the graduates selected for their motto, "We part only to quarrel with destiny."

Irene Heffner, Joseph Miner, and John Barno took part in the senior play, "You Can't Take It With You," which was presented under the direction of Miss Barbara Thayer.

The Banquet at "The Shangri-La" in Endicott on January 17 was followed by the January Senior Prom at the "American Legion Clubhouse" on February 1.

At Commencement on January 31, essays were given by Natalie Perl, John Stevens, and Lillian Bachura. Marion Bottino, one of the honor students, played a piano selection.

Lillian Bachura was awarded an alumni prize of \$5 for maintaining the highest average in all subjects for four years. An English prize was also awarded to her by the Woman's Club.

Two awards of \$5 each were given to John Stevens, one for American History, and the other for Mathematics.

Bernard Watson was awarded the R.P.I. medal for three years of science and two and one-half years of Mathematics, and the Bausch & Lomb award.

The Commercial Club prize was presented to Natalie Perl.

Thus the January "Forty-Niners" left our halls to help seek golden peace in the world of uncertainty.

STANDING—Andrew Theodore, John Mrva.

**Valedictorian**—Eleanor Corwin

**Salutatorian**—Polly Conwicke

The year 1949 has been successful and profitable for the forty-niners who are leaving U-E this year. Many honors have been given them, far too many to mention here. The following students have been honored by being chosen as presidents of various clubs and for other recognition.

The officers of the class of '49 are Joseph Fratino, President; Andrew Theodore, Vice President; Mary Jane George, Secretary, and John Mrva, Treasurer.

Robert Serko was elected President of the Student Council; Mary Jane George, of Tri-Hi; Anthony Vetrano, of Italian Club; Polly Conwicke, of the Creative Writing Club; Bonnabelle Shalkowski, of Future Homemakers; Frank Soroichinsky, of Future Farmers; Eleanor Snyder, of Commercial Club; Richard Newton, of Spanish Club; Paul Ives, of Technical Club; and Carol Evans, of the Library Club.

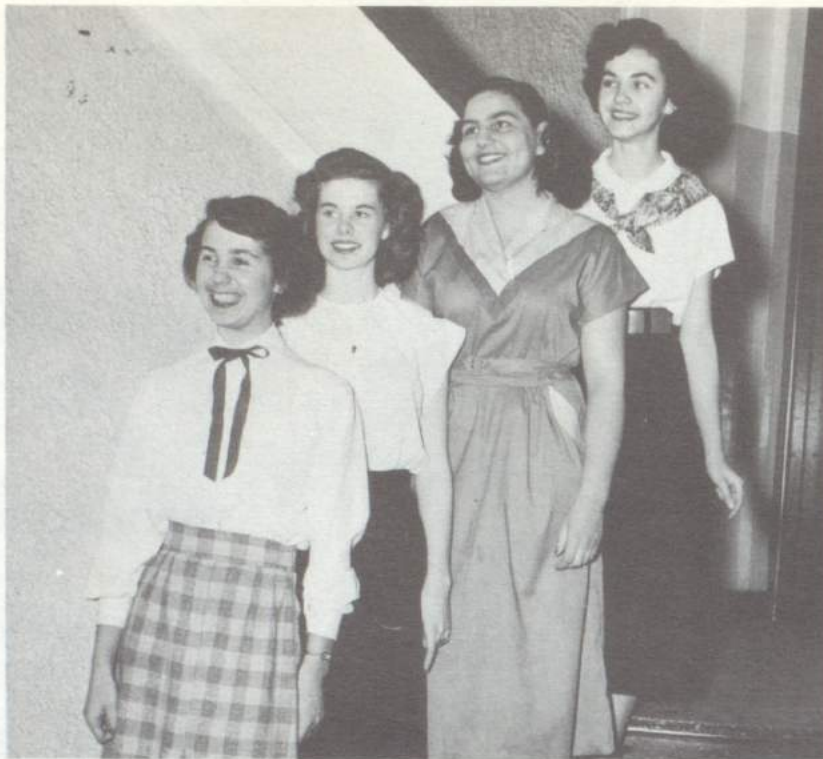

Polly Conwicke was chosen Editor-in-chief of our yearbook. Andrew Theodore and Mary Jane George were our senior representatives on the Athletic Advisory Board. Chosen queen of her class at the "All U-E Night Dance" was Eleanor Hickey.

From a group of Honor Students, Eleanor Corwin was named Valedictorian, and Polly Conwicke, Salutatorian of the class.

With a feeling of success, we, 285 more students, are leaving the halls of our Alma Mater, to enter a world in need of understanding and brotherhood. We shall do our best to aid in providing these, and to secure our own success and happiness.

### SOPHOMORE REPRESENTATIVES TO THE ADVISORY COUNCIL

What a strange new world; We got used to it, though . . . Initiation assembly came and we looked mighty queer with all that lipstick . . . So many things have been going on here, with us in their midst—A Cappella, Band, Glee Club, Student Council, Technical Club, Tri-Hi, Orchestra . . . Did you ever wander down that hall near 215? Such bedlam we've caused! . . . At last we mastered Portia's plea. But then, everyone knows that most of us are regular Quiz Kids . . . The Sophs did fine in the athletic line, too. In football the J. V.'s pulled out on top; our basketballers are among the Southern Tier's finest, to say nothing of the bowlers. Wait until you see our varsities! . . . Our girls were volleyball victors and we had some terrific intramural basketball teams, too. We've given our all to Student Council, U-E's pride and joy, her own little democracy. Our representatives and advisors are doing a wonderful job, don't you think? . . . In all, it has been a pleasant year overshadowed only by the grief we have felt in losing one of our best friends and most spirited classmates, Norman Strusz.

CLASS OF '52

The school year of '49 finds a new group of boys and girls making their appearance at U-E. Like the youth of the " '49ers," we are enthusiastic, adventurous and full of dreams—dreams of gold—the "gold" of education—that precious something which we hope will bring us happiness, security and a chance to serve.

We are now well along on our first lap, and have already experienced some of our first "finds." These have been new friends, new experiences, new teachers, and new fields of learning.

Like our forefathers, however, some of us will make great "finds," some will lose what we gained, some will not even see a nugget. But today we are young. The future is challenging. We like our role and we hope you like us.

The Student Council, a group of representatives from the student body, is working toward a better governmental system in our school. This year, we hope the newly devised constitution will take effect changing our present system to one similar to that of our national government.

Each year, a number of special programs are completed by the Student and Advisory Councils. The councils carry on numerous drives in the school, prepare some assembly programs, carry on teen-age dances, correct faults arising in the student body, and finally, represent the Union-Endicott High School in the Triple Cities, Southern Tier, and National Student Council Conferences.

The Creative Writing Club is an organization that believes in widening its scope. Each year it participates in an increased number of activities. In previous years, members occupied themselves mainly with gaining local and national recognition in many types of contests. Now, in keeping with its creed of furthering interest in creative writing here in U-E, the club planned and executed a successful assembly program.

Creative Writing Club members believe in developing their tastes and talents by free criticism and discussion, and try to maintain U-E's fine literary standing.

The officers of the energetic organization are: Polly Conwicke, president; Patricia Cederborg, vice president; Lorry McConnon, secretary; and Patricia Saxton, treasurer.

Plans were discussed in regard to obtaining Spanish films revealing the customs and habits of Spanish civilization. Pins were ordered by club members, and an entertainment committee was appointed to put on programs.

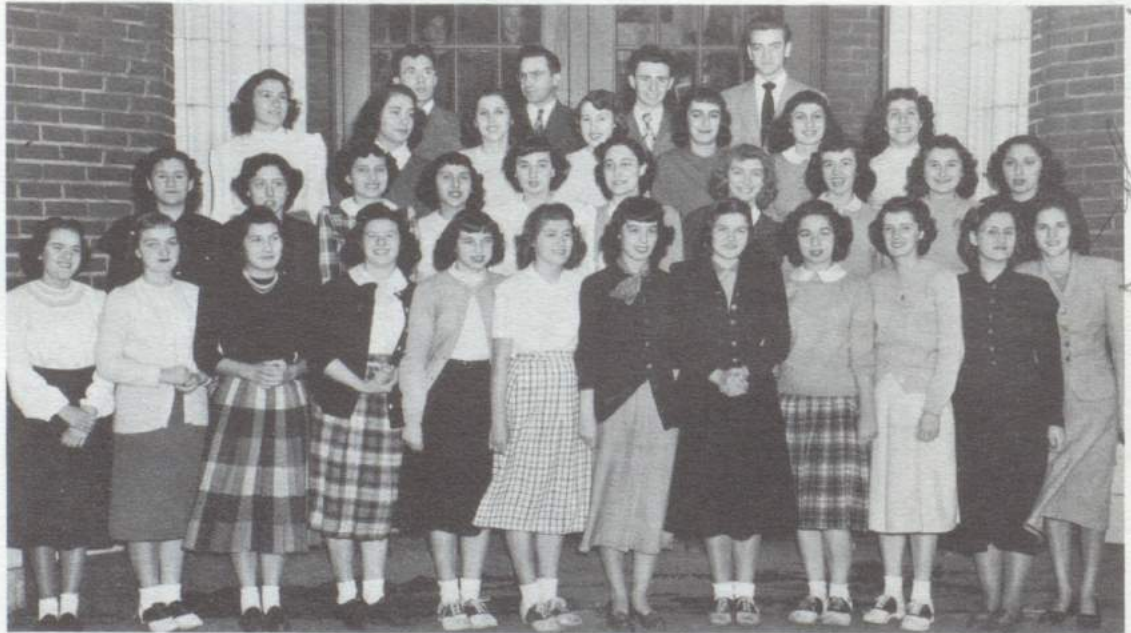

The Spanish Club strove this year to create more interest in Spain and her customs and to help Club members to gain a better understanding of the language.

The newest club in Union-Endicott High School is the Key Club. It is an organization composed of boys who have an average in the upper third of their class, and show qualities of leadership, character and citizenship. The Club received its charter in September, 1948, when forty-one boys were admitted. In February, 1949, ten sophomores were added to this group.

Some of the projects carried out by the Key Club have been—ushering at social functions in the school, checking coats at Kiwanis conventions, and making a tour of I.B.M. and other local industries. This Club belongs to an International organization, and sent two official delegates to the convention held in Washington, D. C. This convention is the biggest event in the Key Club year.

In 1931, Miss Gladys Mersereau was instrumental in the organization of Tri-Hi, the girls' club of U-E H. S. Tri-Hi not only sponsors most of the social activities in the high school, but also interests itself in such worthy causes as aiding in the sale of forget-me-nots for the benefit of Veterans of Foreign Wars, sending Christmas packages to school children in Holland and in England and establishing a loan service for former members who seek to further their education.

This year, Tri-Hi sponsored sports dances and entertained its members at a Kiddies' Party, a spaghetti dinner, and a pancake breakfast. The highlights of its program were the traditional "All U-E Night Dance" and the Christmas Formal. Plans included a tea and entertainment for parents of Tri-Hi girls, a special sports dance with refreshments and an annual Spring Formal.

Special interests for members are bowling and swimming, and many girls enjoyed these diversions this year as they have in the past.

Tri-Hi membership totals 288, an increase of 8 members over last year. Tri-Hi has been steadily growing and improving its goals since it was first introduced to the high school. In future years, under the guidance of Miss Mersereau, its success may reach even higher peaks.

This club was newly organized in October, 1948. Among the girls who are members, the majority are homemaking students, but girls taking other courses are invited to join also.

The Homemaking Club has as its goal the furtherance of service to others. As its distinct contribution, it offers the opportunity for enriching home life through participation in a variety of homemaking activities during club meetings.

Miss Ruth Stone, assisted by Miss Jean Hamke, is sponsor of the group.

This year the outstanding judging team of the U-E Future Farmers of America took first place in poultry and dairy at the Waverly District Contest. Frank Sorochinsky, president, won first prize in poultry judging at Waverly and was a high scorer in the same division at Morrisville State School. Edward Goodrich won first prize in dairy judging at the Waverly Contest.

The club planned a successful pancake supper, which proved as popular as in previous years. Another activity, the F.F.A. basketball team, entered the Broome, Tioga, and Chemung County Basketball League. The team won the annual mid-winter rally that was held here last year, and hopes to carry off these honors again.

Places of business which the Commercial Club has visited in the past year include: International Business Machines, the Endicott-Johnson Corporation, Radio Station WENE, the Endicott Daily Bulletin, the Endicott Postoffice, the Endicott Telephone Office, and the Endicott Trust Company. From time to time, this activity list is enlarged by the program committee to meet the interests and requests of club members.

Valuable service is rendered to the school by members of the Library Club. Each member, according to his particular aptitudes, becomes a specialist in some phase of library work, and at some time during his membership, he has the opportunity to try his hand and develop his skill in all phases of the work.

Membership in the Library Club means that the student must learn to rely on himself, follow directions, and accustom himself to work with individuals. Return rewards come in the form of comprehensive Library experience, skill in Library usage, habits of independent investigation, exciting contacts with new books, a new idea for reading pleasure and profit, and an opportunity to develop reading tastes.

In co-operating with the Librarian, Club members gain an understanding of the Library and its role in personal enrichment and social adjustment.

Officers of the 1949 Library Club are: Carol Evans, president; Dawn Stuart, vice president; Nancy Lo Bello, secretary; Frances Kisling, treasurer.

## ATHLETIC ADVISORY COUNCIL

John Homa, Mr. Cobb, Andy Theodore, Miss Pitkin, Mr. Krum, Miss Smith, Mary Jane George, Mr. Forbes, Cleo Boyles.

We express our gratitude to the Athletic Council for all the work they have done in finding a solution to the athletic problems which arise. They are responsible for providing equipment, generally running the athletic program and taking care of expenditures. We feel that they have helped to raise the standard of sports in U-E to a very high level.

## COACHING STAFF

C. B. Parkhurst, trainer; Ronald Friderich, asst. coach; George Forbes, asst. coach; Morris Hamilton, asst. coach; "Ty" Cobb, head coach; Theodore Conwicke, asst. coach; Nick De Nunzio, asst. coach.

The quality of U-E's sports stands out, due to the fact that they are under the able guidance of fine coaches. This is proved by the excellent teams our neighboring cities have seen pour out of Union-Endicott High School, year after year.

With capable coaches for each sport, U-E is usually regarded as a powerhouse in any of its many competitive sports. The overcrowded trophy cases prove beyond the shadow of a doubt the ability of the following—

Ty Cobb—Head football coach; head baseball coach.

T. Conwicke—Asst. coach, in charge of J. V. Football; asst. coach in track.

N. DiNunzio—In charge of golf; asst. football coach.

R. Friderich—Head coach of basketball; asst. football coach.

G. Forbes—Asst. coach of football.

M. Hamilton—Asst. coach of football; asst. coach of baseball.

C. B. Parkhurst—Head coach of track; asst. football coach.

FRONT ROW—John Stacconi, Frank Longo, Lynn Tewksbury, Bob Harley, Bob Serko, Capt. Charlie Harris, Joe Gimmie, John Homa, John Mrva, Andy Theodore, Rudy Kotsubka.  
SECOND ROW—Norm Orris, Larry Harris, Clark Vallequette, Mike LaSorte, Don Burch, Jerry Morgan, Gilly Rouff, Renaldo Paparella.  
BACK ROW—Bob Pedro, Joe Guccia, Stan Binkewicz, Jack Owen, James Smith, Harry Banks, Bill Schmitter, Sam Gasbarra.

The "Orange Tigers" opened the season September 25 by defeating a weak Ithaca team 52-7. This looked like another great team at U-E.

On October 2, U-E traveled to Binghamton and after a close game returned with a 14-12 victory.

The next Saturday, October 9, the team went to Elmira to meet Elmira Free Academy. Again it looked as if U-E had a wonderful team, as they ran rough-shod over the Academy team, winning 39-0.

The next game, October 16, at Johnson City showed another reversal in form and the Tiger went down to defeat before a powerful Johnson City team, 14-0.

The Johnson City game seemed to take all the spark out of the U-E team, as on October 23 Elmira Southside came to Endicott and held for a 6-6 tie.

October 30, Syracuse Central returned to Endicott after a two-years' absence and found U-E on the "up-grade" again. Although showing weaknesses in spots, the team won handily 34 to 13.

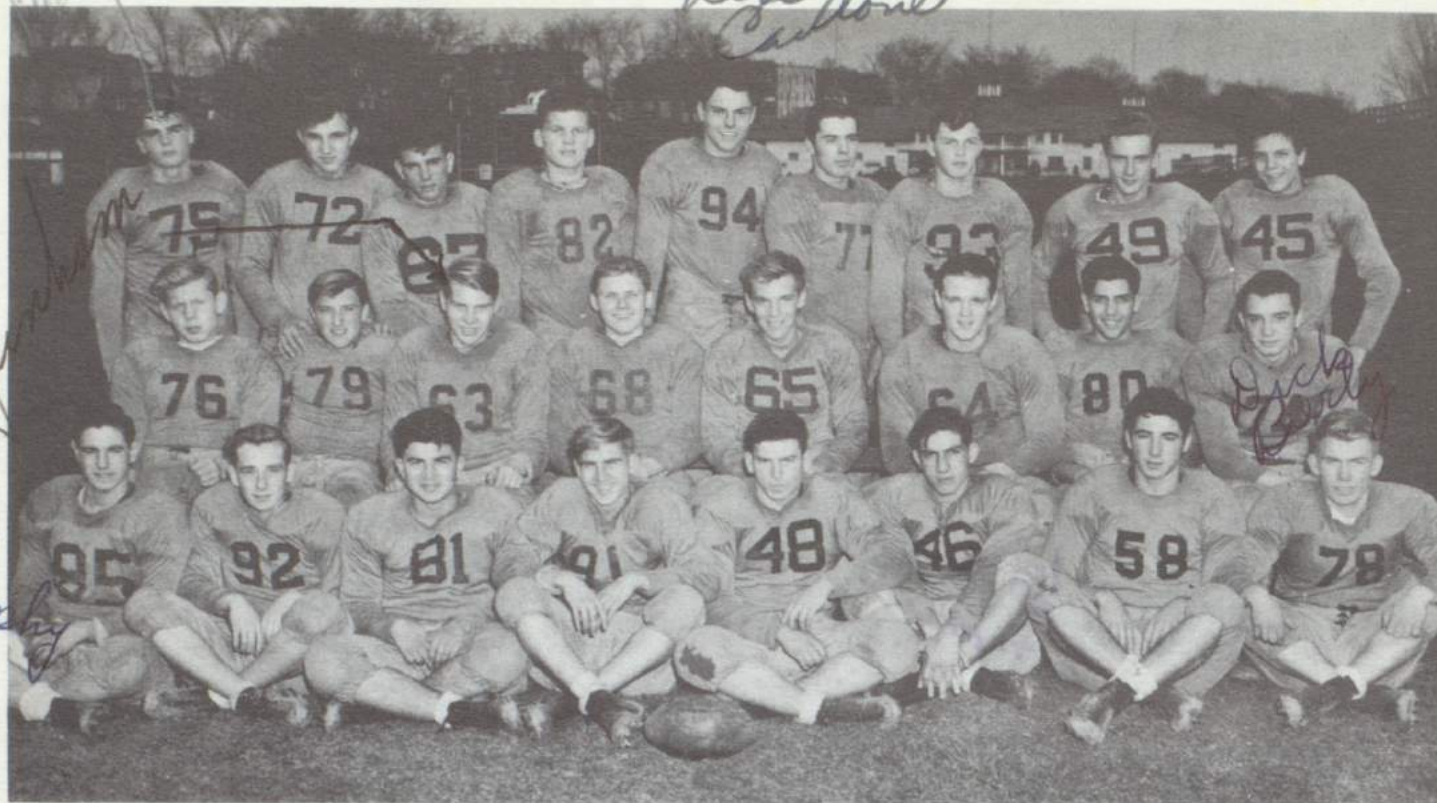

On November 13, White Plains High School, with one of the best records in the East, came to Endicott expecting to repeat the beating handed to U-E at White Plains in 1947. But the U-E team was really "up" for this game and played by far the best game of the season. The U-E defense "bottled-up" the entire offense of the White Plains team, and with "Chuck" Harris, "Johnny" Homa and Mrva running nicely behind a fine charging line, the final score read U-E 20, White Plains 0.

The annual Binghamton Central-Union Endicott game was returned to Thanksgiving Day after being set ahead in 1947. An overflowing crowd saw a hard, close game, and at the end the Central Bull Dogs were the victors, 9-0.

Although not as good as we expected, the season was a success. We finished 2nd in the Conference with a season's record of Won, 5—Tied, 1—and Lost, 2.

# JUNIOR VARSITY FOOTBALL CHAMPIONS

## WINNERS OF THE TRIPLE CITIES CHAMPIONSHIP

FRONT ROW—Ray Redolphy, Bob Weber, Larry Palombi, Bill Fedesko, Alex Rita, James Sammon, Andy Angeline, Bill Forde.

MIDDLE ROW — Charles Harvey, Rudy Dinga, George Dunham, Stan Binkewicz, Bill Schneider, James Smith, Nick Novelli, Dick Bierly.

BACK ROW—Florian Martinek, Mike Wesko, Ron Dellapento, Frank Sorochinsky, Don Cantone, Royal Bowen, Larry Harris, Bob Corbett, Harry Butts.

Coach Ted Conwicke's charges battled their way to take the title of "Triple Cities Champs," retiring the Trophy by winning the 3rd time. Starting the season very successfully, the "little tornadoes" found some difficulty during the second half of their schedule. Johnson City, running a close second all through the six-game schedule, could have gone into a tie with the Endicotters, but dropped the deciding game to Central. With a season record of three wins, one loss and two ties, it looks as if the Varsity next year might have a better chance at taking the conference title.

Run by Charlie Harris. Game against Syracuse Central, October 30, 1948. Score: U-E 34, S. C. 13.

Mr. Cobb looks on while 1948 Football Captain Harris congratulates 1949 Capt.-Elect Serko.

## VARSITY BASKETBALL

FRONT ROW—Mario Cinciosi, Andy Hudanich, Capt. Joe Fratino, Frank Desko, Dick Rommel, Bill Armstrong.

BACK ROW—Bob Picciano, Joe Sventek, Dick Felter, James Smith, Bob Serko.

The 1949 U-E Varsity basketball team was represented by as fine a group of boys as ever played for U-E. There were no outstanding stars on the team, but the boys played as a unit and depended upon teamwork for their victories. As a result, the season was very successful, U-E finishing in third place in the league race. At the beginning of the season the prospects of a winning team did not appear bright, as there was only one reserve letterman returning from the 1948 season. The rest of the squad was made up of the junior varsity team of 1948, but the team improved as the season progressed until at the end of the season it compared favorably with the best in the league. Congratulations to Capt. Joe Fratino and his teammates for their indomitable spirit and determination and for the fine sportsmanship displayed during the entire season. The boys again proved that teamwork and determination are greater attributes for success than individual stars. The team won 12 and lost six games.

## JUNIOR VARSITY BASKETBALL

FRONT ROW—Larry Palombi, Mike Frey, Bill Branca, Allyn Puterbaugh, Jim Forbes, Louie Walicke.

BACK ROW—Richard Oris, Earl Bloom, Jack Owen, Don Cantone, Mike Wesko, Walt Wilce.

The 1949 Junior Varsity Basketball team which won nine and lost five games was made up almost entirely of new boys to U-E. Most of them are either freshmen or sophomores and will be returning for at least two or three more years. A few of these boys show promise of being promoted to the varsity squad next year, and the prospects of a successful season in 1950 are very bright.

## BASEBALL TEAM 1948

IN FRONT—Assistant Manager Salemme, Manager James Smith.

FRONT ROW—Andy Hudanich, Bill Owen, Frank Desko, James Luciani, Capt. Jack Walters, Dom Rossi, Hal Durfee, Don Beebe, Bob Conti, Bob Pedro.

BACK ROW—Coach Hamilton, Al Snyder, Alex Rita, Tony Vetrano, Dave Allen, Walt Miller, Paul Dixon, Joe Fratino, Coach Cobb, Lynn Tewksbury.

In Baseball we were 3rd in the Conference in 1948, winning 6 games and losing 5.

## GOLF TEAM 1948

Finished 2nd in Conference and 2nd in Section IV

FRONT ROW—John Hrustich, George Babuka.

BACK ROW—John Mrva, Andy Theodore, Dick Heichemer, John Baron.

## 1948 TRACK TEAM

FRONT ROW—M. Lozzi, Jaros, Serko, Homa, Charles Harris, Rudy Kotsubka, Guccia, Marinello, Nelson, Gimmie, Vallequette, J. Kotsubka.

SECOND ROW—Bombard, Chester Harris, Brady, McLain, Ferrante, McPherson, Cipriano, L. Harris, Orris, Ives, Butts, Bliss, Crane, C. George, Mgr.

THIRD ROW—Griffith, Coach Parkhurst, Barno, Banks, English, Fitch, Corson, J. Lozzi, Rouff, Atwood, Tzivanis, Fink, McManis, Gibbs, Harvey, Benson, Ellis, Fiacco.

The 1948 Track Team showed the results of good training and real sportsmanship. They placed second in the Triple Cities Meet and second in the Section Championship Meet.

## 1948 CROSS COUNTRY TRACK TEAM

Coach Henry White, John Kotsubka, Henry Fiacco, Louis Caforio, Chester Harris, Captain John Fiorini, Roosevelt Fiori and Joseph Rossi. Missing from the picture is James Bliss.

The U-E Cross-Country Team got off to a poor start this fall but wound up the season by placing second to Vestal in the sectionals at Delhi. Although placing a poor third in the Triple Cities Meet, the boys did well on several long trips to New York, Utica and Watertown. This was the first time in three years that our boys didn't take the Triple Cities Championship. Next year we hope to come back strong again.

Prospects for the coming year appear very bright, since the only letterman missing will be Captain Fiorini.

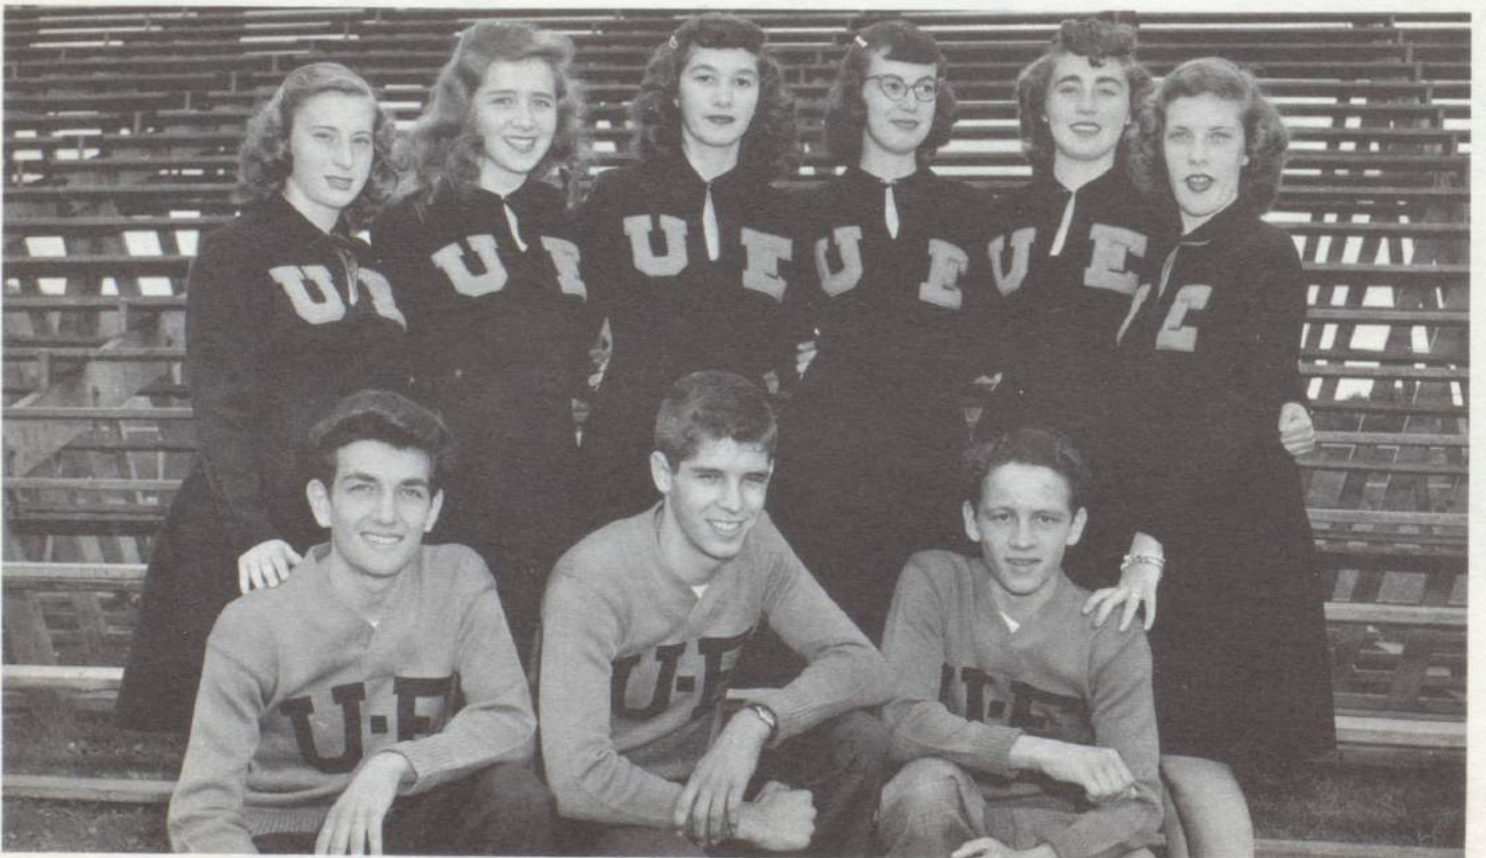

## BOWLING TEAM 1948-9

KNEELING, FRONT TO REAR—Doug Williams, Russ Henneman, Peter Panko, Harry Butts, John Buhay.

STANDING—Jack Hoppes, John Lisak, Anthony Selle Coach McCormack, Robert Little, Bernard Watson, John Marko, Gasper Palmeri, Bob Corbett, Robert Bishop, Richard Cooper.

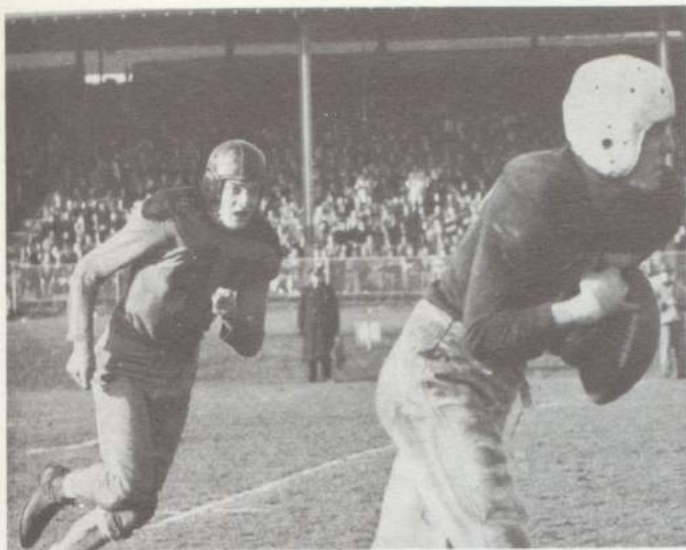

## CHEER LEADERS

FIRST ROW—V. Monaco, R. Brady, A. Kolanda.

SECOND ROW—N. Perl, A. Kostyun, M. Hotsko, I. Murphy, June Escavar, M. Powell.

## GIRLS' ATHLETICS

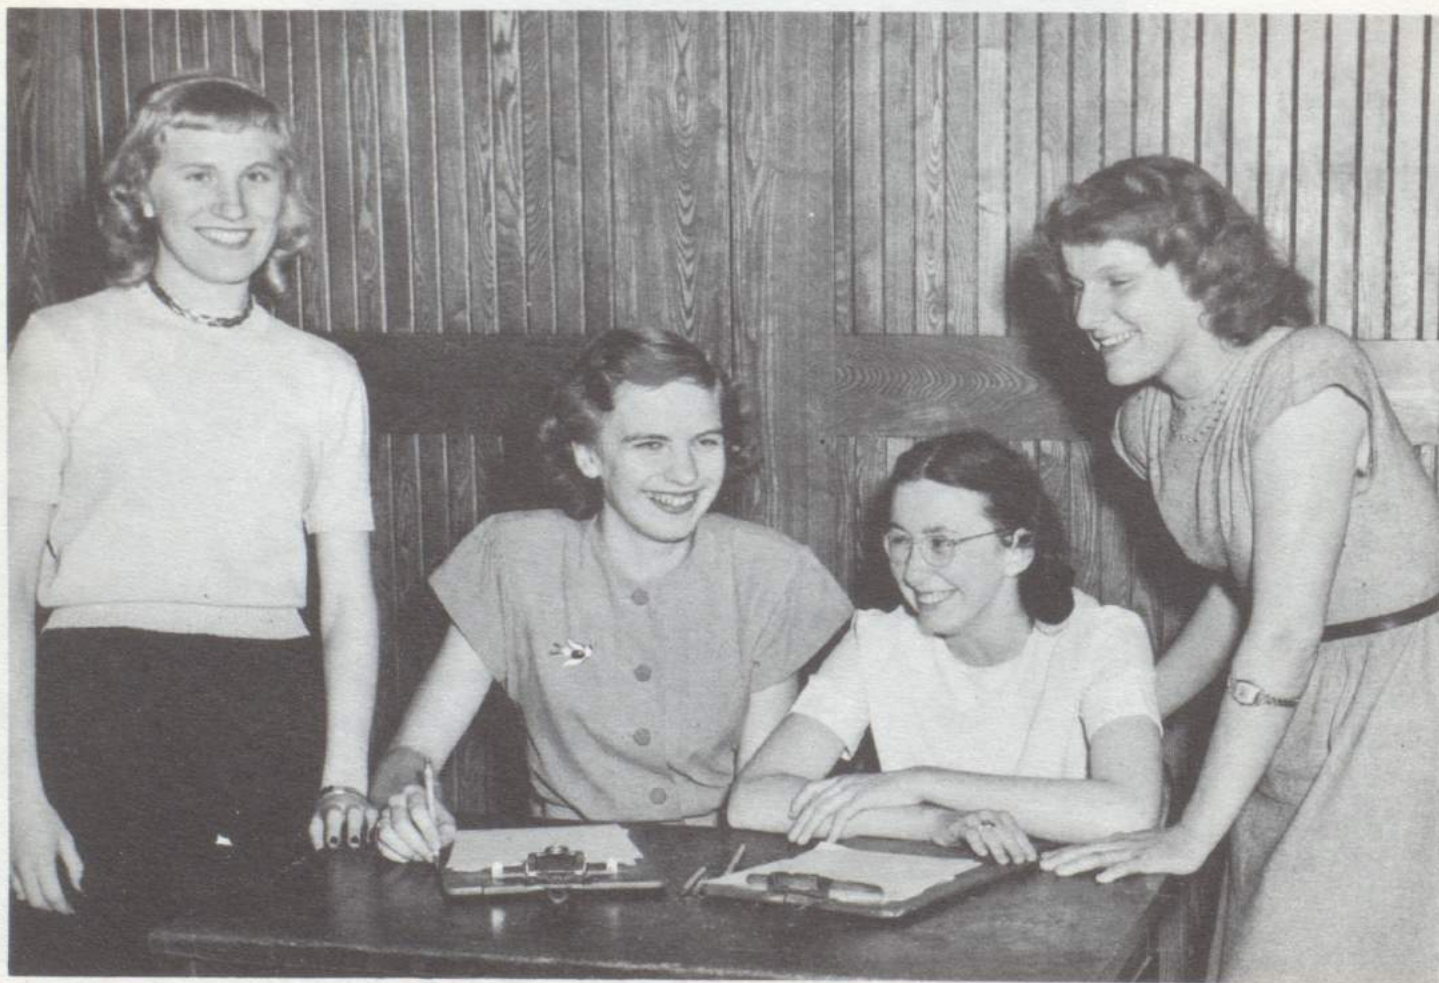

The routine in girls' sports has not varied much from other years. We were very pleased to see U-E beat J. C. (3-0) even if it was in girls' hockey. Other teams have also shown their ability.

Our volleyball play day this year was a tremendous success. The top teams from North, Vestal, and U-E competed, with U-E winning all four games.

At the Sports dinner, Virginia Ogden and Mary Ann Smith received their letters; Veronica Mekucky and Betty Jennings received their numerals; Mary Fagnoli, Irene Sventek, Marian Bloom and Norma Bataglini were presented with U-E sweaters. These girls had obtained their points for awards by participating in after-school sports. Marion Bloom received the medal for the highest number of points for one year.

Mrs. Adamek has trained the junior and senior girls in sports this year. Miss Burns had the sophomores and freshmen in her classes. We've all had a great deal of fun in our sports and hope that others who follow may be as fortunate.

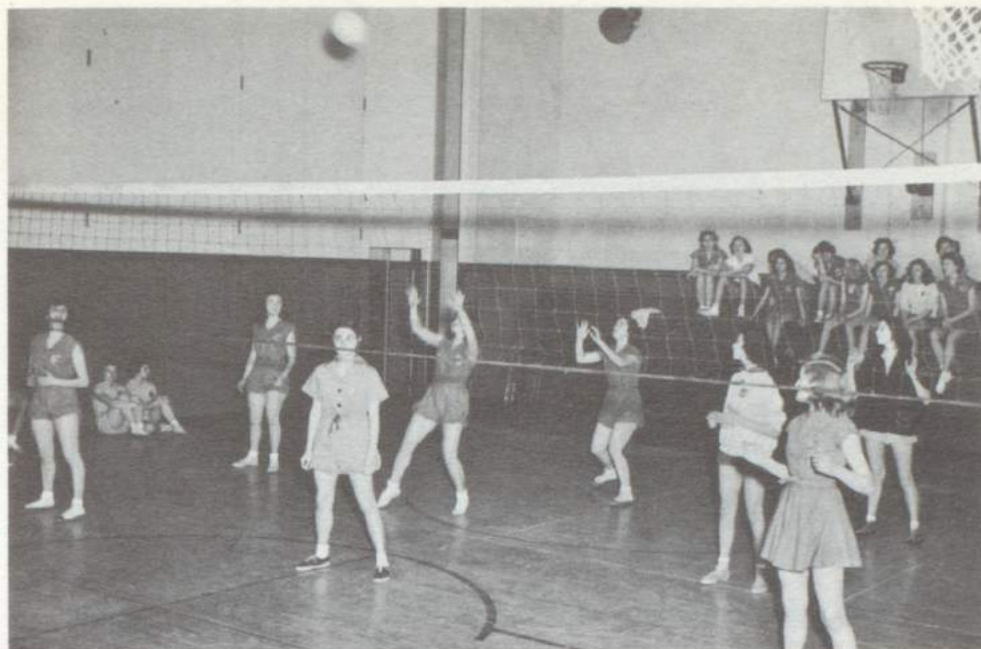

## MANAGERS OF GIRLS' SPORTS

Managers of girls' sports this year are: Alice Jaros, Mary Ann Kedlecik, Barbara Lewis and Shirley Traver.

This group of U-E girls helped win all the games at the volleyball playday in Vestal.

These girls in Mrs. Adamek's class are limbering up on calisthenics.

## ORCHESTRA

Our U-E orchestra has long played an important part in assemblies, graduations, and plays. The members form one of the most hard-working school organizations. Their specialty at the spring concert was "Concertino" by Von Weber, with the clarinet solo played expertly by Tony Diorio.

Their program also included "Bacchanale" from "Samson and Delilah" by St. Saens, "Rudolph Friml Favorites" and "Sylvia March" by Delibes. The string choir played "Praeludium" by Mendelssohn and the brass choir played "Kammenoi-Ostrow" by Rubinstein with harp accompaniment by Nancy Lou Crouthamel.

In their bi-weekly meetings, the Glee Club girls worked at and enjoyed their singing, discussed plans for programs and parties, and elected as officers: Joan Babbitt, president, and Kathleen Hoag, secretary-treasurer.

Among the girls, the height of their year's activity is the annual spring concert—April 1 this year. Student planning, scene arrangements, and originality helped put over this year's medley of world-wide songs. A Cappella and Glee Club co-operated in the program, which included Mexican, Italian, Hungarian, and Negro folk songs.

## A CAPPELLA CHOIR

The A Cappella Choir, which heretofore has had a capacity enrollment of one hundred, is now over 110 members strong. This talented group, under the superb direction of Mrs. Ruth Edson, meets twice weekly for rehearsals of arrangements which have spread fame over the Southern Tier. The lilting rhythm and close harmony of the group are achieved only through utmost cooperation and devotion to music.

The Choir presented a program at the Kiwanis Banquet in December and one earlier in the season on the same program with Milton Cross for the Civic Forum series. On December 16th, they broadcast over WENE as a special Christmas program, including Tschaikowsky's "Nutcracker Suite," Fred Waring's arrangement of "America the Beautiful," and several Christmas carols on their repertoire. During March the group sang at the IBM Graduation and at the Hooper School. The Annual Spring Concert was presented by the A Cappella in combination with the Glee Club on April 1st. At this time, the two groups presented a number of folk songs from Italy, Hungary, Czechoslovakia, Mexico and America, as well as combining voices for "Polvetsian Dances" from "Prince Igor" by Borodin.

The A Cappella Choir continues to be outstanding in its presentation and interpretation of well-known and well-loved music.

# FIFE AND DRUM CORPS

*Bennie Henry*

In the year 1936, a new musical organization was introduced to the Southern Tier—the U-E Colonial Drum Corps. The Corps, with colorful revolutionary type uniforms of orange and black and deep rope drums, was patterned after the old Continental Ancient Corps of New England that played during the Revolution. U-E is the only school in the State of New York having such an organization.

Through the years of 1936 to 1940, the Corps won twenty-one cups and trophies at the annual State Field Days. The Corps this year has marched at all conference football games, Hallowe'en, Armistice and Memorial Day parades and the Chamber of Commerce's Parade of Progress. In the Spring the Drum Corps, Band and Orchestra hold an annual concert. Members from the Drum Corps compete at the NYSSMA State Contest for solo and ensemble competition. The year's activities will be brought to a close by an assembly program by the three organizations.

## FOOTBALL BAND

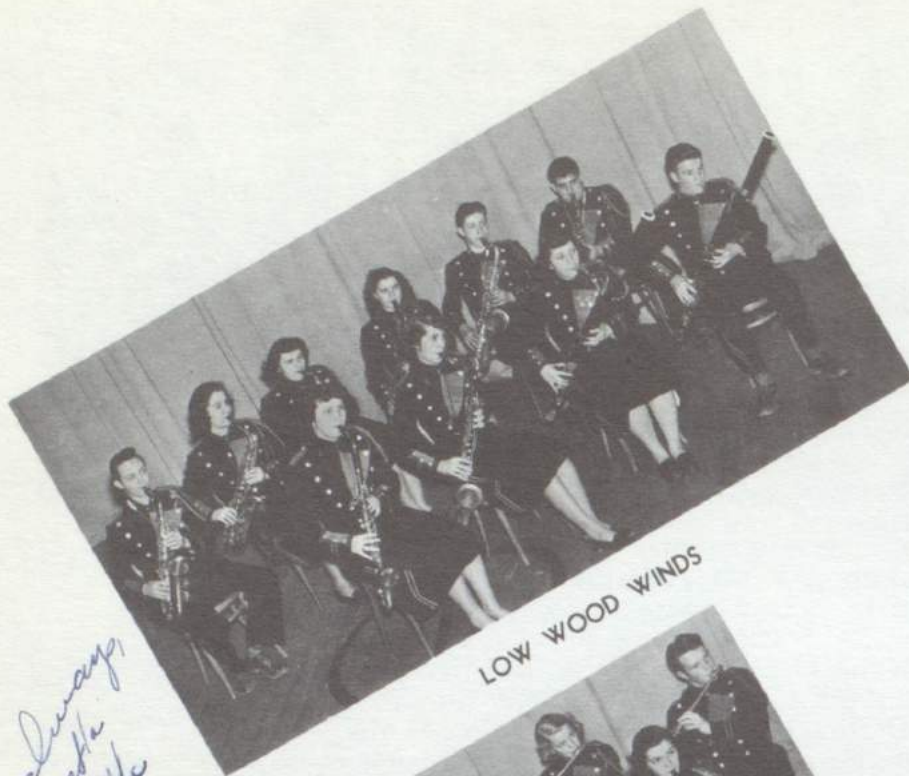

That smooth half-time parade you see every Saturday afternoon during football season doesn't just happen—it takes work! Our Football Band can be seen almost any night after school going through their formations in preparation for the big show. A completely new set of letters or symbols is worked out each week, with the help of Mr. Stahl. This year, outstanding performances were the transportation series for the White Plains game, showing a covered wagon, Oldsmobile, airplane and train. At the Thanksgiving game, the parade of the months was given, with members of the Dramatics Department walking across the field dressed in appropriate costume while the band spelled out the abbreviation of each month. Ask any member and he will tell you that even the mud, rain and snow doesn't seem so bad when you're wearing that orange and black uniform and marching in U-E's Football Band!

The play chosen for presentation by the June Seniors this year was a quick-paced family comedy in three acts by Norman Krasna. The whole cast is pictured in a scene from Act II in which Judge Wilkins (Jack Schneiter) is performing the wedding ceremony for Martha (Margaret Brain) and Chuck (David Allen). Bystanders are Ruth (Donna Pickering), Bill (Don Topping), Mrs. Wilkins (Mary Jane Mills), and Dora, the colored maid (June Ferguson). ## FAREWELL

Now a book closes and a year ends. Suddenly we realize that we not only finish another school term, but prepare to leave the haven of the high school and the material accumulations of four successful years. We take with us knowledge, friendships, memories and the wealth of high school life. All at once our prospective changes and the classes and activities that have been our Present change before our eyes and become the Past. Now we are faced with the newness of our chosen fields and the challenge of maintaining the balance of our life.

Yet we must look back upon our four treasured years, and then look further back to the first '49ers for inspiration in our pioneering of the Future. A door has closed behind us, but has not locked. These pages of the "Thesaurus" will bring us memories of moments past as we set our marks upon the clean new pages of the Future.

McLean's High School Hangout is a favorite meeting place for U. E. students. Here Miss Eleanor Corwin and Miss Lorna Walker look over a new Teena Paige Cotton which they've seen advertised in a favorite magazine.

# A Newspaper's Greatest Asset

*The Binghamton Press is proud to be one of the many American newspapers enjoying an exceptionally high degree of public confidence. For no newspaper achieves it without constant effort and a strong devotion to publishing the news impartially and accurately.*

*This has been the No. 1 policy of the Press throughout its 45 years history. As a result, Triple Cities folks often quote the Press to prove a point or establish authority in discussions of world affairs, politics, sports, fashions and local happenings.*

*This public confidence — won by the Binghamton Press' constant alertness in support of American principles and ideals — is a tribute to the character of its readership and its strong position as a great HOME newspaper.*
