## OUR MYTHICAL YEARS

Mythology was the ancient people's method of explaining the beauty and the wonders of the world about them. In their myths they spun beautiful tales of the creation of the stars, the sun, music, wisdom, dawn and the sunset.

They created gods and goddesses and super divine beings that stood as an answer to the mysteries of the complex earth. Here we deal with the Greek and Roman myths of long ago, stories that will live forever.

Minerva, Apollo, Athena, Janus and Achilles are just a few of the mythical characters.

A myth is a belief not founded on fact; a hypothesis, but it is often our myths of life that make it as beautiful as it is. We are, indeed, fortunate to have passed through the golden gates of imagination into our personal dreams.

Aurora, the goddess of dawn, who in Greek mythology opened the golden curtains of day, opens to us in a comparable manner—our life.

Each divider will have depicted upon it a mythical character or legend that pertains so aptly to our past.

At the end of June, 1952, our mythical years are over, four years we shall never forget, for each held something that will always live in our hearts. We are awakening now to life, our hopes, and our dreams. Aurora presents to us the world, a world that is in reality what our own personal mythology makes complete.

In the last four years we have matured in our acceptance of life. Here it is before us; our world—our life. Let us relive the four years behind us and particularly the last silver-lined year. These have, indeed, been our happy, mythical years!

## FACULTY

To the people who guide us through high school we owe so much. Their gift to us can never be evaluated in money, for wisdom is priceless.

To the Greeks, Minerva was a symbol of loyalty and intelligence. Like Minerva, the Greek goddess of wisdom, our teachers impart to us a solid preparation for the trials of life ahead.

## TO THE 1952 GRADUATES

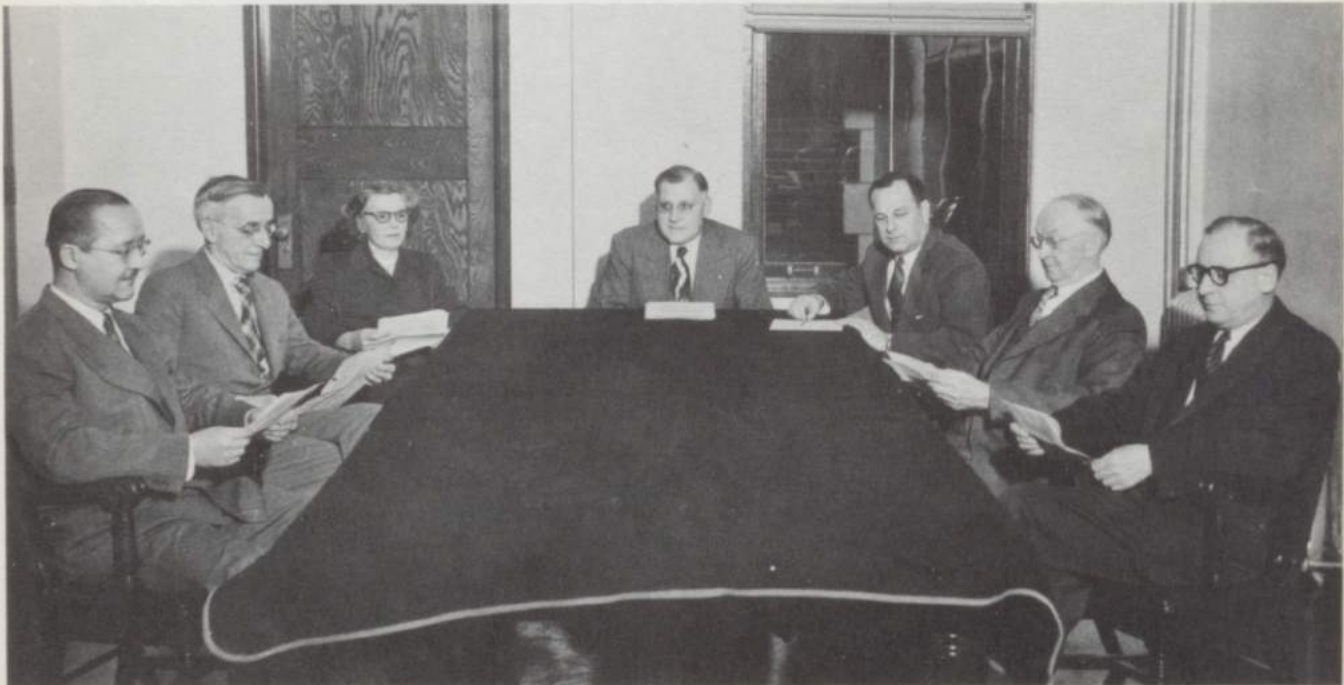

MR. WILLIAM J. KRUM, JR.  
Superintendent of Schools.  
Hamilton College, A.B.  
Teachers College, Columbia  
University, M.A.

In these days we hear a great deal about the need for moral values. Moral values always have been important, they always will be important, and no moral value is more important than honesty.

Honesty, broadly defined, sets high standards in many areas of human conduct. It requires us to pay our debts; it requires us to give in service at least as much as we expect to be paid for doing; it requires us to be bound by the marriage vows which we take; it requires us to keep our word whenever we have given it; it requires us to carry out responsibilities which we have accepted.

On one occasion, while working in a store, Abraham Lincoln unwittingly charged a woman customer six and one-fourth cents more than he should have charged her. After the store was closed for the day, Lincoln walked nearly three miles to correct his error. This is the kind of honesty to which all of us ought to aspire.

## TO THE 1952 GRADUATES

May the memories of your high school days be pleasant, satisfying and worth while. I hope that your study, your work, your play and your associations have been such that you will be well recompensed when doing your part in the duties that confront you as citizens of the world today.

To you, my sincere wishes for a happy and successful future.

In the great game of life, a true champion enters the contest knowing that he must lose his share of the games, but ready to discipline himself and play his best at all times. Education should bring out the best in each one. This calls for a keen mind and a spirit of determination.

Man's hope for the future lies in his capacity to educate himself so that he may acquire knowledge and use it for human welfare. With the accumulation of knowledge now available to us and with correct interpretation of that knowledge, we will be able to build a great society.

# SENIORS AND UNDERCLASSMEN

## OUR ODYSSEY

We have completed our high school Odyssey. Like Ulysses, who, on his voyage home from the Trojan War, faced storms and distractions, we have also faced them and conquered, we hope, some of them. We are happy, yet we leave with a touch of sadness; our senior year is over—a year of hope, of work and of dreams.

## THE GRADUATING CLASS OF 1952

This year the January and June Senior classes were combined. The students graduating in January received their diplomas during and took part in the regular June commencement program.

This senior year, as always, was a particularly busy one. Following the platform promises of John Hudanich, school president, various groups and individual students worked on assembly programs. Clubs presented dances, plays and dinners. There was a furor over the senior play productions. The music groups presented their concerts, and there were new committees and staffs on which to serve. Each activity went to make our senior year a full one.

The January graduating class elected Frank Valleta as their president; Richard Angeline, vice president; Mary Rossi, secretary; and Jean Hartman, treasurer.

The June class chose as their leaders: Lewis Morrow, president; Dolores Minni, vice president; Lois Pascoe, secretary, and Francis Angeline, treasurer.

We have tried to copy Mercury and have occasionally tried our wings; we have opened a new Pandora's box of opportunities and now we shall knock with Janus at a brand-new gate to a challenging future.

## JUNIORS

John Hudanich

Bruno Colapietro, Marilyn Frey,  
Victor Decker, Sara Jane Duffy,  
Edward Bilik.

As John Hudanich, the school president, hands to us the important world of U-E, we accept its challenge. This will be our world in which to be happy, prosperous and busy.

Our Junior year has been a challenging one, and one of preparation for what is ahead. Copying Atlas, we shall later try to carry the world of U-E upon our shoulders and accumulate a wealth of plans within our heads. We only hope that we bear the duties of our Senior year as well as other Senior classes have done.

## SOPHOMORES

This year's sophomore class first appeared very confused and bewildered as they arrived at U-E. However, like modern argonauts arriving on their Junior High Ship, they sought to obtain the Golden Fleece, which was their goal.

Like Romulus and Remus, the Twins who founded Rome, "Chris" and "Nick" Romas have each contributed their share toward a solid foundation for the sophomore class, both by their scholastic and athletic abilities. In the same field, Bob Daglio, the only sophomore on the U-E football varsity, has done his share in this year's football season. Also on the gridiron, our Clayton Lowe led the U-E band during half-time, with Mario Darpino blowing a saxophone.

As a boy scout, Ronald Hummel, traveled to Europe and back, to attend the World Scout Jamboree last Summer in Austria.

### OUR INTRODUCTION

Janet Woodbeck, Ronald Hummel, Susan Daly.

### GEOMETRIC CONFUSION

Mr. Kazlauskas, Nick Longo, Pauline Olive, Carolyn Bierly, Richard Boyle.  
Sitting: Hugh Frail, Paul Mochotka.

In the art world, Paul Machotka distinguished himself by painting several oils during his spare time. Doodling in the same field, Acton Ostling has occupied himself with many cartoons.

On Freshman Friday, Joe Barbara and Dennis Wood exhibited their vocal talent in assembly.

In a recent examination sponsored by Columbia, Yale, Chicago and Wisconsin universities, Paul Machotka competed for a scholarship.

Last but not least, the sophomore class congratulates its outstanding basketball Junior Varsity.

As you can see, many have achieved and others have yet to find their goal.

### "I'M A JUNIOR NOW"

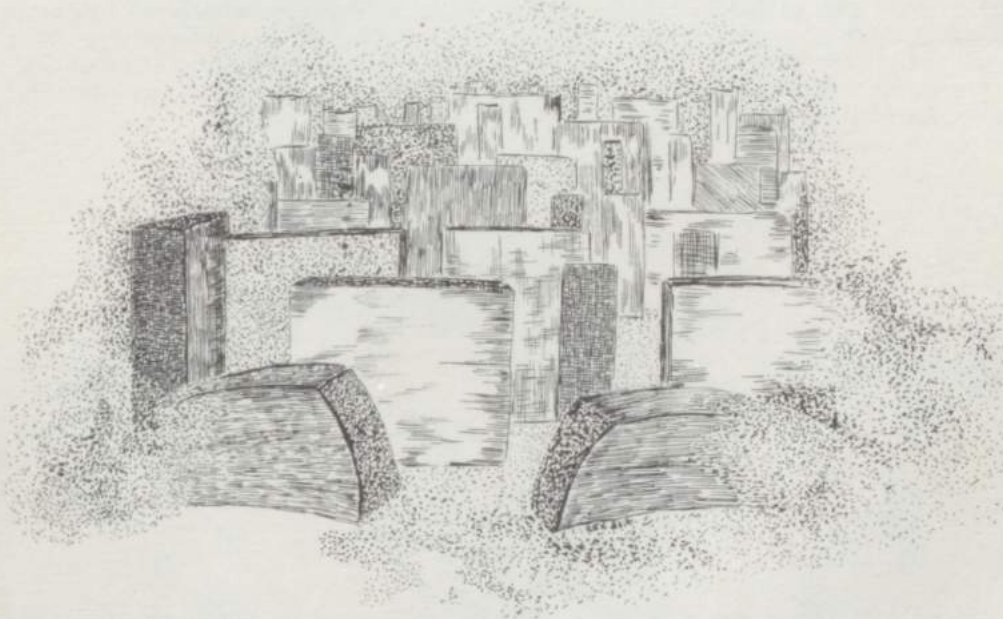

Tom Hospodor, Betty Peabody,  
Richard Atwood, Joyce Reardon.

## FRESHMEN

Ralph Weiland

Ever since that memorable day when we first entered U-E's portals and looked around with our helpless expressions, we freshmen have been lost in a maze, a labyrinth, and it's taken us a full school year to get out. Now, after undergoing the joyous moment of initiation, after being the recipients of those cold, disapproving glances of our upper classmen, and after experiencing all the trivial things that Freshmen must experience, we have come to the end. We've finally reached the exit of our perplexing maze. It is with a certain pride that we look back on our good times in the student government, the various groups and organizations, and we feel grateful for our first year at U-E as we unite expectantly for our second.

Nancy Malowicky, Barbara Welsh,  
Avis Reines, Lawrence Green, Richard  
Macharyas.

ALBINA FOGLIA

Albina's greatest problem here in the United States is conquering our language. When she arrived here last fall from Italy she could not speak one word of English, but through instruction and experience, she is learning fast. At the present time she is a freshman here in U-E.

RAYMOND AASEN

Although born in Brooklyn, Raymond Aasen has lived most of his life in Norway, where his father is employed. At the present time he is taking courses in agriculture at Cornell University. One of his interests? Ski-jumping.

DELORES NELSON

Delores arrived here from Guam last fall and lives with her sister and brother-in-law. Endicott, however, was not her first introduction to the United States since she lived in Washington, D. C., for one year. She learned English on Guam so our language proved no barrier to her.

SUNO GOH

Suno arrived in the United States last summer and is living with Capt. Mario George and his family. She intends to go back to Japan in a few years and either teach or do social work. Here in high school Suno is taking history and various courses in English.

## MUSIC

Behind the story of Orpheus lies sadness. Losing his wife by breaking an oath, he roamed the earth, playing enchanting music upon his lyre. We shall never forget the music that floated through U-E's halls and we are reminded that all our musicians are virtual children of Orpheus, for his spirit still roams, lending rhythmic smoothness to life.

The Girls' Glee Club proved to be successful once again under the fine direction of Mrs. Ruth Edson. Many of the members took part in the Christmas program presented by the vocal music groups. The Glee Club dramatized the "Song of Christmas" sung by the Choir.

As before, U-E's Choir had a most prosperous year under the direction of Mrs. Ruth Edson. The group rehearses two periods a week to carry out its many projects.

Aside from singing its annual Spring Concert, the Choir took part in the school's Christmas program in which it sang Fred Waring's arrangement of "Song of Christmas." Early in the year, the Glee Club performed over an international radio hook-up, sponsored by the Kiwanis Club.

Every year the U-E Orchestra gets bigger and better. Under the direction of Mr. Crawford Stahl, the orchestra worked up many fine numbers for the May 23rd Spring Concert. Two of the numbers performed at that time were: "Hungarian Rhapsody, Number 2" by Franz Liszt, and "Fantasy, Theme and Variations" by Andre Wormser and performed by Lewis Morrow, cornet soloist. Besides the concert program, the 70-piece orchestra plays during intermission at other school programs and for the student body as it enters the auditorium for assemblies.

## CONCERT BAND

Under the direction of Mr. Acton Ostling, another successful year was completed by the U-E Concert Band with the annual Spring Concert on May 23. The 90-piece band enjoyed working on such numbers as: "March Slave" by Tschaikowsky; "Jesu Joy of Man's Desiring" by Bach; "Amparita Roca," a brilliant Spanish march; selections from Rubard Rogers "State Fair" and many other pieces of good music. Not only does this band work up a spectacular concert program, but it also thrills the pupils of the Junior High Schools in the vicinity with concert assemblies.

## DRUM CORPS

Everyone's going modern, that is everyone but the U-E Colonial Drum Corps. The current trend is toward fast cadence drum and bugle corps, but the Colonials of U-E remain the only corps in New York State schools to maintain the slower, ancient "110" cadence. The fife and drum corps, under the able direction of Mr. Acton Ostling, takes part along with the marching band in the halftime shows and does some maneuvers of its own before the game gets under way. With its inspiring music, the corps also spurs the team on from the stands. In addition to this, the corps takes part in many community parades.

During a meeting of the Ancients of Connecticut, a speaker said, "The history of America is as dramatic, tragic, glorious and honorable as that of any country on earth, and in the events which shaped the destiny of our country the men who provided that inspiring music on the fife and drum played such an important part that they became a symbol of colonial patriotism." It is this tradition, dating back to the days of the Revolution, that the Colonials are continuing. We sincerely believe that this ancient corps style is the best possible way to display the colorful music of the fife and the drum.

## MARCHING BAND

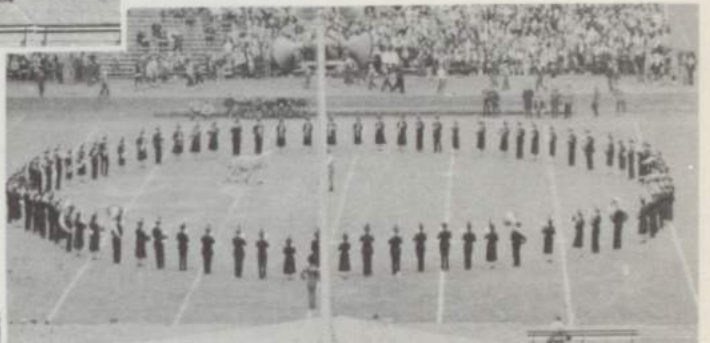

On October 7 spectators at En-Joie Stadium saw for the first time the U-E Marching Band's "New Look." The band entered the field with an entirely new style, copied after the famous Michigan University Marching Band. Altogether new facings and short snappy counts for each maneuver resulted in more precision during the band's excellent performances. The members of the band enjoyed a treat on their visit to Elmira when they saw the famous Michigan Band rehearse for nearly two hours previous to the Cornell game. It was interesting to watch a renowned college band use the maneuvers that U-E band members had been practicing all season.

Some of the shows performed by this year's marching band were "Play it with Music," "Beverage Time" and "Red Letter Dates." All the shows performed are credited to the cooperation of all the members and the tireless efforts of Mr. Stahl and Mr. Schmoll, who were out every rehearsal night to help prepare the show for the next Saturday. The pictures on this page are some of the formations made by the band during half-time. All in all, it was a very successful season and we all wait anxiously to see what Mr. Ostling and Mr. Stahl dream up for '53.

## ORGANIZATIONS

Pandora was a beautiful Greek goddess, made lovely by all the gods of Greek mythology. One usually thinks of Pandora's box as containing only ills, but according to many writers, it also held good things. Our organizations, we believe, form a new type of Pandora's box—one offering activity, friendship and cooperation.

The Student Congress of Union Endicott High School, as it is presently organized, was established in 1950. There are thirty-one representatives, one from each homeroom. They meet on Tuesday during the fifth period. Of the fourteen senators, two are elected from the Freshman class, and four each from the Sophomore, Junior and Senior classes.

John Hudanich, president of the school, presides over the Senate meetings on Monday, fifth period. Velma Battaglini, speaker of the house, presides over the Representatives' meetings. Dolores Minni is vice-president of the Senate.

The mid-winter meeting of the Triple Cities Student Council Association held at U-E was one of the highlights of the year. The student government sponsors numerous school dances throughout the school year, prepares assembly programs, and attempts to smooth out all controversies in managing a sound school government.

The purpose of the Student Congress is to represent all high school students in their determination to improve their school government, and their desire to express their ideas on strengthening it.

## TRI-HI

As the Tri-H Club enters its twenty-first year of success, under the guidance of Miss Gladys Mersereau, one finds that it is the key to many of the social activities in U-E.

Each year Tri-Hi sponsors the "All U-E Night" dance on Thanksgiving, at which time the queen of U-E is crowned. Not too long after comes the "Christmas Formal." Spring features the "Spring Formal" at which the "Spring Princess" is chosen.

This year Tri-Hi again sponsored a carnival. Any homeroom who wished could enter a booth and as usual a prize was awarded to the best booth. The proceeds went to-

ward the college loan fund which aids former members in their pursuit of an education by lending money to them and charging no interest until two years after college.

Special interests for the members include swimming, bowling, and archery, as well as knitting, playing bridge, and a book exchange. Tri-Hi has added the last four to their agenda this year.

And so, under the continued guidance of Miss Mersereau and with the mounting interest of the students from not only U-E but from the junior high schools, Tri-Hi prospers.

Rear: Thomas Stone, Ivan Hart, Glenn Simpson, Roger Ward, James Driscoll, John Schoonover, Gerald Walker, Wayne Sykes, Gale Bennett.

This year has been a busy one for the U-E Future Farmers of America. They have had the honor of holding two County offices in the club, as Dick Eldridge is Broome, Tioga and Chemung County president and Jim Button, the B.T.C. secretary. The regular officers for the year are: Jim Button, president; Bob Roosa, vice president; Joe Kotek, treasurer; Alex Zevan, secretary, and Dale Berry, reporter.

The county schools have a basketball league in which U-E has made a good showing.

The FFA has attended several judging contests throughout the state. Although the team has not always won, they have come home with more knowledge of farming.

The group has had its annual pancake supper and is planning to take a trip to Cornell University and possibly Niagara Falls. At the end of June, the U-E Future Farmers of America will have had a busy and profitable year.

## FUTURE HOMEMAKERS OF AMERICA

Front row: Teresa Materese, JoAnne Elliott, Angie Catucci.

Middle row: Filomena Grassi, Lucy Colapietro, Jane Todini, Diana Brill, Betty Yacos.

Back row: Jean Bosley, Angela Trapani, Pat Sherman, Susan Fish, Joyce Fitch, Donna Conklin, Joan Terwilliger, Jane Atwood, Pearl Eldredge.

The chattering group of girls which meets every first Tuesday of the month, 5th period, is known as the Future Homemakers of America, and a truly enterprising group it is, too. Throughout the year, the approximate gathering of 35 has had its share of good times and get-togethers under the skilled guidance of Miss Joan Abraham. As officers, the girls elected in the early fall, Vicki Boreffi, president; Josephine Hazen, vice president; Jane Todini, secretary, and Lucy Colapietro, treasurer.

The club started off in a big way with a roller skating party, held jointly with the Future Farmers of America, and on December eleventh, held its annual Christmas party. The girls proved their worthiness to the title "homemaker" at this event, when they made the delicious refreshments so appealing to everyone. On February 9, the girls held a small bake sale at McLean's. America, as well as U-E, is proud of its Future Homemakers.

## TECHNICAL CLUB

Front row: Paul Mann, Robert de Vente, Willard McCarty, Peter Uhrinec, Frank Korosec, William Dayton, Tony Koukides.

The Technical Club, under the supervision of Mr. Longwell, the new faculty adviser, was very successful this year.

Several short excursions were taken by the club to the local industries at the first of the year. Two of these trips were to Endicott-Johnson Corporation and to International Business Machines.

This year something new was added to the club's functions. At the suggestion of Mr. Longwell, the club held monthly social meetings. At the first meeting, Mr. Longwell showed the members of the club his films of Hawaii.

On February 29, the club held a dance in the boys' gym, called the Leap-Hop. The profits from this dance plus the profits from candy sold at the basketball games will be spent for other industrial trips and for the club's annual picnic which will be held at Lily Lake.

The officers chosen to govern the club this year were Willard McCarty, vice president; Peter Uhrinec, vice president, and Robert de Vente, secretary-treasurer.

The Technical Club sincerely hopes that next year will be as successful and that the mistakes made in the past will benefit the club in the future.

The awards for outstanding Technical achievement for 1950-51 were given to James Taylor and Alex Fedones. James, who has since died, was awarded a "Tool Engineer's Handbook," by the American Society of Tool Engineers. Alex was given \$5.00 for second place by the Technical Club of U-E.

Dues were collected at each meeting and from the money received, cards were sent to members of the club who were ill.

In March, a dance was held and the year was completed with the club's annual picnic in June.

## JUNIOR LATIN CLUB

1951 saw the installation of a Junior Latin Club whose members are in the beginning Latin classes of Miss Hollister. Activities started with attendance of the film "Fabiola" and meetings were originally held during noon hours. These were later changed to after school.

The motto "Floreat Scientia" (Let Knowledge Flourish) was the choice of the club. David Titus as consul served as the first leader. Kenneth McDavitt had charge of funds, such as they were, in his capacity as quaestor. Dawne Harrington served as scribe. The most complicated posts went to Susan Murray and Marlene Crego who were elected aediles. According to Roman custom they have charge of public games, grain supply, and police and fire protection! As there was no need of the last functions, they furnished programs and refreshments. Membership is open to all members of the Latin One classes.

Front row: Nancy Sawicki, Margaret Driscoll, Charlotte Havrilka, Barbara Welsh, Nancy Malowicky, Martha Wallace, Joyce Anderson, Kathleen Oakley, Susan Murray.

Back row: Dolores Krise, Marlene Crego, Dawne Harrington, Adriana Battaglini, Franklyn Sinclair, David Titus, James Ellis, Marlene Becker, Susan Fish, Norma Wallace.

## SENIOR LATIN CLUB

Front row: Jack Hardman, Janet Goodwin, Sue Mersereau, Donna Brigham, Leon Eiswerth (seated), Shirley Chura, Wahnita Rozelle, Gloria Malowicky, Mary Bouton.

Back row: Joe Nestor, Francis Angeline, Teresa Beirne, Kathleen Cahill, Maida Russell, Richard James, Camille Maggiore, Bruno Colapietro, Victor Decker.

This was the second year the Latin Club has been in existence. Added to the Plebians and the Senate was the Equestrian rank, composed of students who have completed Latin III and were unable to go on the Latin IV.

The highlight of the year's activities was the Valentine party at which Leon Eiswerth presided as King of Hearts. He chose Sue Mersereau as his queen. Although one of the newest organizations in the school, the Senior Latin Club is very proud of its record.

## JUNIOR RED CROSS

Left to right: Ralph Tiffany, Jerry Campbell, Ann Arthur, Avis Reines.

Something new in the way of organizations made its appearance this year at Union-Endicott, much to the delight and grateful acceptance of everyone. Each Tuesday at one o'clock this group, called The Junior Red Cross of America, meets under the excellent direction of Mrs. Maude Vartuli. It indulges in many activities, and every alternate week conducts classes in first aid. Because of the large number of students interested, Miss Lesko also supervises an extra class on Monday. First aid seems to predominate in the club's activities and the members enter into it with great interest and spirit, going to great lengths to demonstrate the care of a broken arm or leg. An enterprising group of students, the organization has elected Larry Mandyke for president; Marlene Becker, secretary, and Rosemary Bachynski as treasurer. We're proud to welcome The Junior Red Cross as one of our permanent organizations.

## THE CREATIVE WRITING CLUB

SECRETARY-TREASURER  
Myrna Carr

PRESIDENT  
Nancy Olson

VICE-PRESIDENT  
Angela Rizzuto

First row: Ann Faye Casey, Mary Jane Snow, Mary Cicchini, Paula Bochnak.

Second row: Ann Arthur, Vincent Picciano, Vincy DeMatteis.

Although few in number, this small group has accomplished its purpose: to study various types of writing. At Christmas time, they presented a play, "A Condition of the Heart," written by the club's president, Nancy Olson. Besides Nancy Olson, president, the other officers for the year are: Angela Rizzuto, vice-president, and Myrna Carr, secretary.

The club has made entries in various writing contests and has enjoyed discussing constructively their articles. The members of the club have also bought pins of which they are justly proud.

## KEY CLUB

Front row: George Magur, Paul Machotka, Robert deVente, Donald Natoli, Vincent Picciano, Harlan Reynolds, Benjamin Sheerer, Louis Morrow, Joseph Nester, George Gilford, Edwin Gent.

Middle row: Bruno Colapietro, Nicholas Romas, Leon Eiswerth, Melvin Kline, Clayton Lowe, Robert Hultslander, William Wiley, Kevin Conwicke, Victor Decker, Stanley Jennings, Philip Forde.

Back row: Richard James, Christos Romas, John Robble, Harry Ellsworth, Eugene Pettit, Ronald Hummel, Willard McCarty, Jack Hardman, John Cullen, Edward Bilik, Edward Dinga.

The Key Club is an international organization, sponsored by Kiwanis International. It is composed of boys who have an average in the upper third of their class and who possess qualities of leadership, dependability and good citizenship. The Key Club members meet every Monday under Faculty adviser, Mr. E. Thurber. This meeting is in the form of a luncheon, at which members of the faculty and outstanding men of the community speak.

The Key Club, under its officers, Harlan Reynolds, president; Benjamin Sheerer, vice president; Lewis Morrow, secretary, and Vince Picciano, treasurer, has rendered many services to the school. The members have sold programs at the football games, ushered at school events and assisted in fire drills. The Key Club sponsored a dance honoring the U-E basketball players, also held a banquet honoring the faculty, prepared an assembly which was used as an exchange program, adopted a war orphan, and sponsored an I.B.M. concert for the benefit of the Red Cross.

Several of the members attended a state convention at Albany, and the entire club took a tour through the I.B.M. corporation buildings. Roger McVannon has been elected Lieutenant-governor for New York State, Dist. 4. The Key Club, indeed, stands out as an example of the importance of organizations.

## THE LIBRARY CLUB

First row: Mary Jane Snow, Sallyanne Stevens, Angela Frattino, Teresa Hermiz.

Second row: Sandra Benner, Beatrice Ripic.

Absent: Jean Holcomb.

One period a day under the supervision of our school librarian, Miss Adona Sick, the girls of the Library Club are trained in working with books. Members of this club have to take the responsibility of caring for library books. This includes the inventory, filing, grooming and displaying of the school's library material.

Many of the club's girls, besides earning letters and getting valuable experience in reading, are able to obtain library jobs when entering college because of this prevocational training.

## THE FRENCH CLUB

First row: Corinne Konchar, Ann Arthur, Shirley Havrilka, Sandra Newing, Jack Hardman, Donna Burt, Marilyn Rodgers, Beverly Wylam, Camille Maggiore.

Second row: Anne Faye Casey, Angela Rizzuto, George Mudry, Miss Janet Mealy, John Buchek, Kay Ylengst, Ione Ramer, Sandra Chura.

Third row: Carolyn King, Grace Camp, Paul Machotka, George Gifford, Elwyn Mann, Sharon Greer, Sallyanne Stevens.

Although French is not spoken at meetings, the French Club is open only to pupils who have had or are taking French. Meetings are held in room 205 every two weeks. The purpose of the club is to study French life and culture. This is accomplished under the faculty adviser, Miss Mealy.

The thirty members of this club held a dance, "Cafe de Paris"; a bowling party, a bake sale, a roller skating party and a French club dinner. The club has also purchased a French flag and each member has a French club pin.

The officers are: Jack Hardman, president; Donna Burt, vice president; Roger Vannon, secretary, and Sandra Newing, social chairman.

## COMMERCIAL CLUB

First row: Marguerite McGarry, Margaret Baber, Shirley Reardon, Helen Shady, Kay Hansell, Joan Walker, Lorraine Roma, Marilyn Avery, Veronica Verno, Marie Fiorelli.

Second row: Joyce Mandyck, Joan Griffiths, Barbara Barton, Joanne Bradshaw, Dorothy Brunick, Sandra Wilson, Martha Robinson, Beverly Erickson, Sandra Randall, Patricia Mohny, Betty Stevens, Mary Ann Shima, Angela Trapani.

Third row: Marna Miner, Jean Smith, Shirley Wilkins, Joan Swindler, Joan Saddlemire, Joyce Kiser, Catherine Delaney, Rita Lenko, Diane Duel, Mary Lou Rossi, Josephine Scanlon, Janet Mack.

The purpose of the Commercial Club, which was organized in 1936, is to acquaint commercial students with the business life of the community through guest speakers and field trips.

Among the activities this year the club made several trips to various business establishments. Visits to the Endicott Post Office, WENE, and Western Union were trips included. The club has also been fortunate in having a number of outstanding guest speakers.

It is the custom of the club to elect the President for the coming year at an annual meeting which is held at the end of the school year. Last year Joan Walker was elected President. The other officers were elected after everyone interested in the commercial field was allowed to join. They are as follows: Vice President, Kay Hansell; Secretary, Lorraine Roma; Treasurer, Helen Shady. Miss Kniskern is the club advisor.

## ATHLETICS

From our Greek and Roman myths come stories of great games and feats. The Olympics, the discus thrower, are examples of mythical beginnings developed into importance today. We shall never forget the thrill of a victory, the bitterness of a defeat. All go to make a vital contribution to our memories.

The 1951 Orange Tornado played its first game on September 29. Our team commenced in the best way possible, journeying to Olean and victory as it downed the Oil-towners, 19-12. On October 6, the Indians from Binghamton North scalped us, 15-7. The following week the Tornado went to Ithaca and returned with a 13-6 loss. We met Johnson City at the stadium October 20 only to lose a hard-fought scrap, 7-6. On October 27 Vestal journeyed to U-E for the first time and established itself a new rival by a 0-0 tie. On November 10, the Tornado met Free Academy at Elmira. The coming-home trip was unusually quiet with a 13-6 defeat in the air. Elmira South Side came to U-E on November 17 only to lose, 27-7. Five days later the annual Turkey Day classic was under way. The old Tornado redeemed itself from all other failures by crushing the Binghamton Central Bulldogs, 12-0. One more football team was history and went down as a hard-fighting, high-spirited eleven with a record of 3 wins, 4 losses, and 1 tie.

Front, left to right: Jerry McCormick, Edward Bilik, James Forbes, (co-captain) Bill Popelka, (co-captain) Don McManus, Melvin Kline, Dick Roche.

Back: Coach Friderich, Louis Karedes, William McManus, John Kucera, Ed Dinga, Francis Angeline, Nick Komonowski.

"A smooth, well-balanced ball club, the best since 1945-6"; "The fastest-improving team in the conference"; these are some of the phrases that described the 1951-52 edition of the U-E basketball team.

The Tigers started the season very slowly, dropping three out of their first seven tilts. Coach R. C. Friderich then shifted the vaunted Orange and Black machine into high gear and they proceeded to roll over 11 straight victims. Among the accomplishments of this year's squad are: a win over Ithaca at Ithaca, the first since 1946, and at least one victory over every team in the conference.

In the annual Section IV playoffs the Friderichmen, led by Popelka, Kline and Bilik were heavy favorites to capture the championship trophy, the Class AA Trophy. The high-flying Tigers came through in brilliant fashion by capturing the Class AA title and in so doing also soundly defeated the highly regarded Southern Tier Conference Champion—Binghamton Central.

We salute the thirteen members of this fine basketball team for their great spirit and sportsmanship. The graduating seniors who have helped mold this smoothly operating ball club are: Co-Captains Popelka and D. McManus, Forbes, Roche, Kline, Karedes and Angeline. These boys along with Bilik, B. McManus, Kucera, Dinga, Komonowski and McCormack did everything expected of them by Coach R. C. Friderich who also stated that this was one of the best basketball teams he has ever had.

Back row: Fred Register, Robert Velie, William Ivan, Eugene Springer, Wade Clark, Joe Barbara.

J. V. Football was fast and rough, the team winning 6 games, losing only 2, and finishing second in the league. The boys played their best for their new coach, Vito Popelka, and showed considerable potential speed and ability for next year's varsity.

## JUNIOR VARSITY BASKETBALL

Front: Benny Pittarelli, John Selner, Teofil Herlica, Mike Maxian, Peter Sylvester, Tony Pero.  
Back: Coach Popelka, Dick Yusko, Joseph Bendert, Nick Romas, Robert Clune, Christos Romas, Ray Fratino.

The Junior Zephers won the Southern Tier Conference Championship for the second straight year with a 16-2 record. The team, composed of Juniors, Sophomores and one Freshman, should help mold a fine varsity next year.

## TRACK

Front row, left to right: Jack Regan, Richard Swartz, Thomas Fink, Bernard Caciola, Robert Ellis, Earl Bloom, Vincent Picciano, Gerald Miller.

Second row: Reese Kintzing, Charles Butchko, Jack Ficke, Joe Taylor, Franklyn Dunham, Richard Bierly, Fred Cunningham, David Cuddy.

Back row: William Whitley, David Bouton, Edward Granger, Jack Skibbs, Donald Natoli.

The U-E Cross Country team was handicapped because of the lack of a regular coach. The boys ran the Sectionals, the biggest meet of the season, at Vestal Hills Country Club. They finished third and deserve special credit for their show of spirit as a team without a coach.

## SHORTSTOP FOR THE BOSTON BRAVES

Roger Clarey, James Wood and Mr. Cobb look on as U-E's Johnny Logan receives a token of appreciation at a dinner given for him at the American Legion. Johnny turned over the purse to the "Little League," to be used in any way the directors saw fit.

## BOWLING

Left to right: Gerald Wilcox, George Peabody, Charles Fitch, Richard Darpino, James Morlando, Domenic Quercia, Donald Huffsmith, Harrison Hoag.

In November, James Morlando was elected president of the bowling squad, while Richard Darpino was chosen secretary.

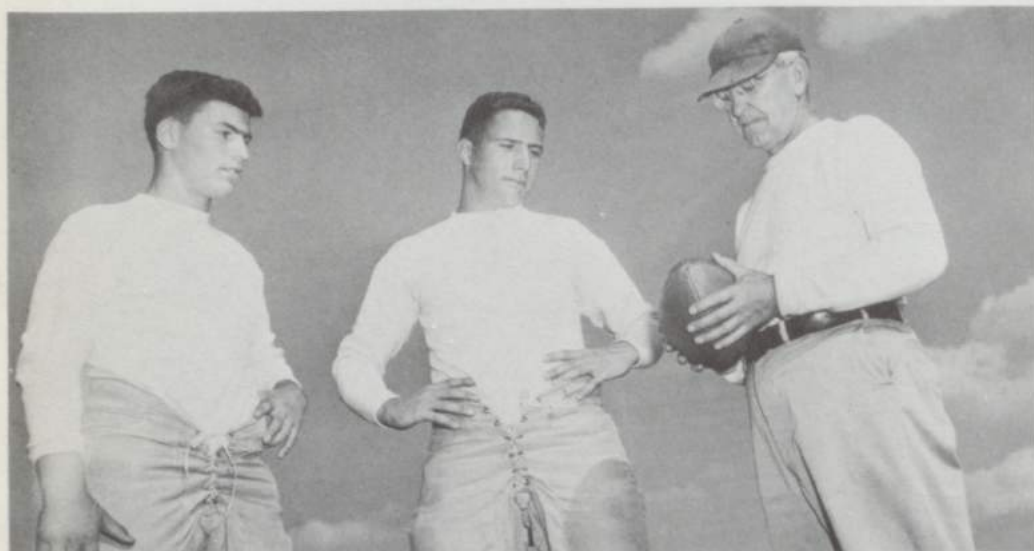

The race for first place has been a close one, down to the wire between U-E, Binghamton Central and J.C. Our jayvees have a splendid record and are assured of first place even if the last match is lost to North High School.

## VOLLEY BALL

Front row, left to right:  
John Bohush, John Hudanich, Richard Lutke,  
Myron Menichetti.

Back row, left to right:  
Coach Rotundi, Bruno Pagnani, Wade Clark,

## GIRLS' SPORTS

The time of the belief in Greek mythology is long past. Women did not, in the past, participate in athletic events. Today, women do take part in such sports as soccer, hockey, basketball, volleyball and often other sports, such as skating, tennis and swimming.

Athletic clinics have been held in the respective high schools of the Triple Cities. When U-E was host to Ithaca College, the girls demonstrated the techniques of volleyball. Our 1951-1952 season for U-E girls has proven to be a successful one.

## ENTERTAINMENT

The story of King Midas and his golden touch is reflected in entertainment. In our hands we hold real and mythical happiness, as bright as jewels, as rare as diamonds. In entertainment we find relaxation and a deviation from the everyday routine of life.

"THE VALIANT  
DIE BUT ONCE"

"The Valiant" was another of the January plays, this one with a very dramatic climax. Philip Short, Truman Crawford, Neil Rowe, Bernard Eck, Dick Baio and Myrna Carr composed the cast.

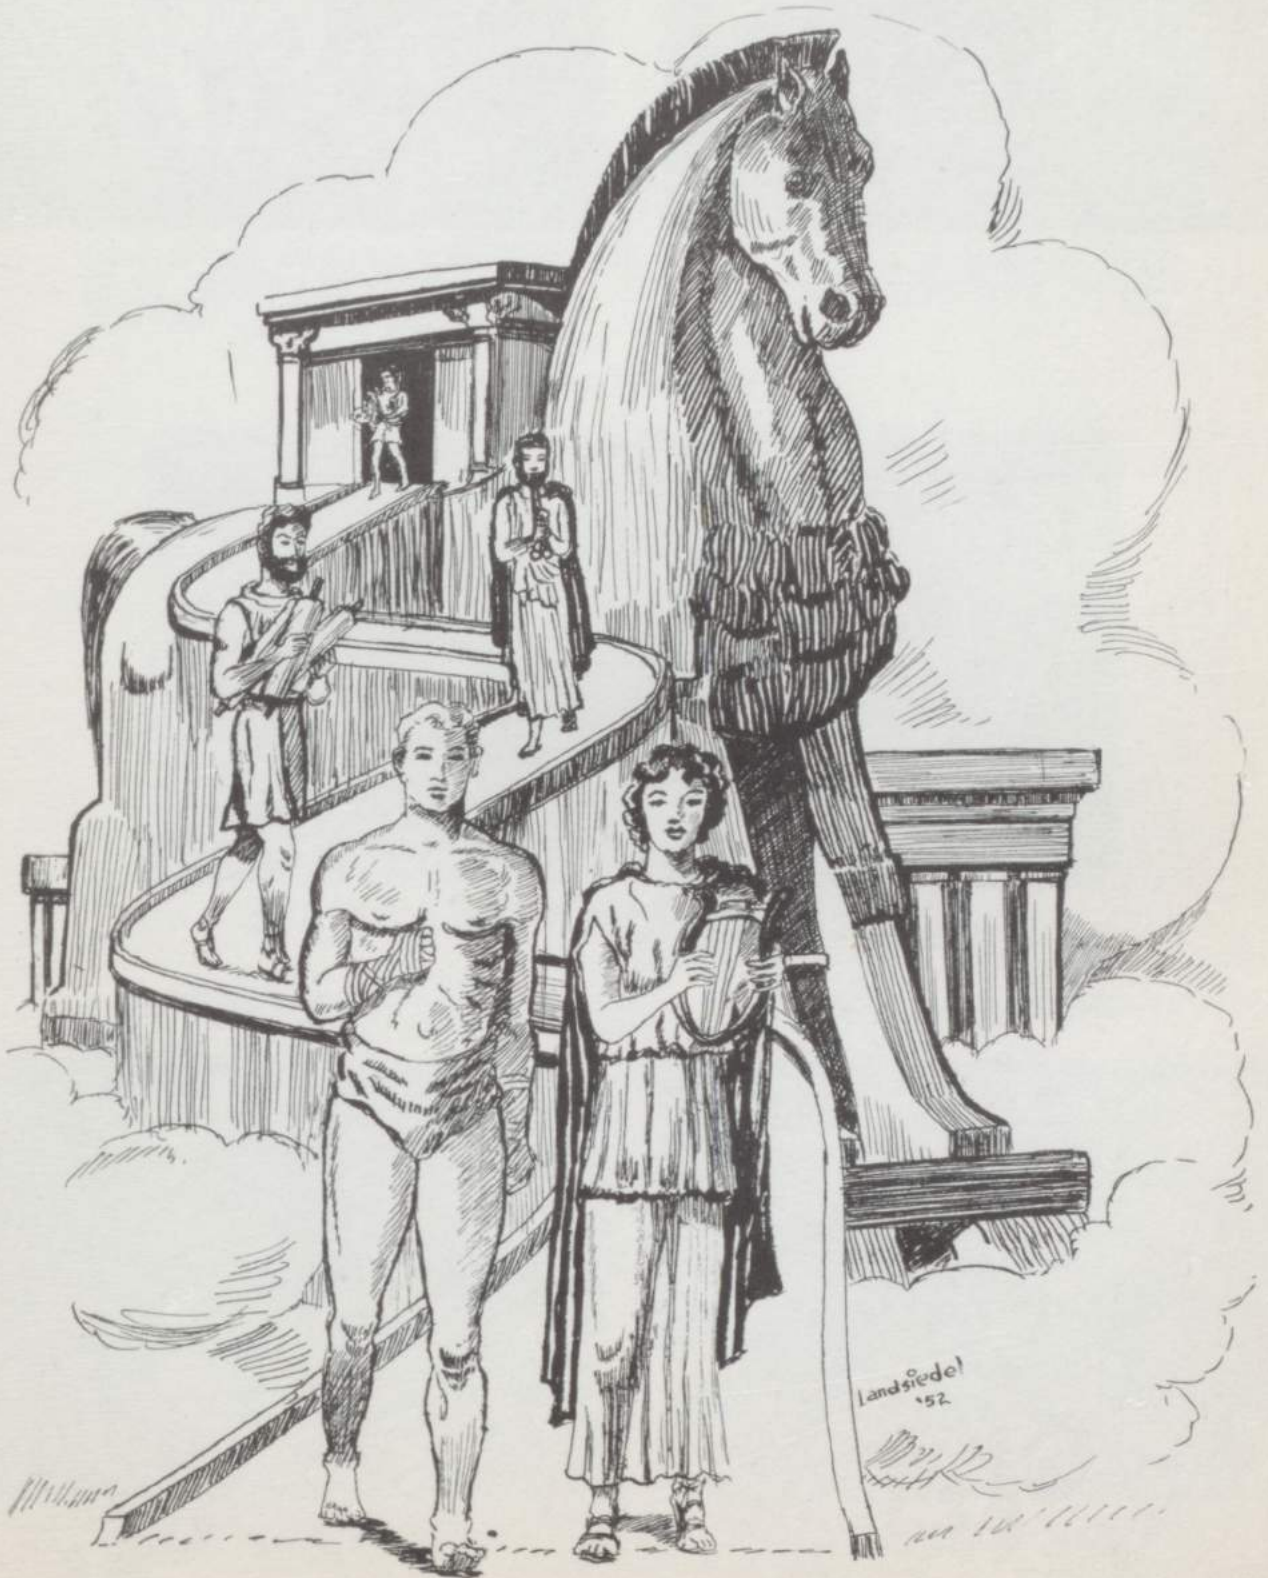

"THIS IS VERY  
INTERESTING"

"Antic Spring," the last of the January Senior plays, was a one-act comedy done without the use of scenery. The cast included: Ray McNeil, Phyllis Conti, Bill Clegg, Joan Sinclair, Charles Goodwin and Connie Hronis.

## MISCELLANEOUS

Well known is the story of the Trojan Horse and the attack upon the Trojans. The large wooden horse housed Spartan soldiers and proved the downfall of the city of Troy. As varied as the soldiers it held, are the activities of student groups. Here recorded in pictures are the laughs, the thoughts, and the thrills of the last years.

## OUR FAREWELL

Who could be a more appropriate mythical character for the closing of our high school years than Janus, the Roman God, who looks back upon the past and forward upon the future. In his hands he holds the key to the world as within ourselves we each hold our own personal key to life. That key is golden and shines with the newness of a beginning.

In reality we are all followers of Janus. We look ahead, and back, to treasured times and memories gone by.

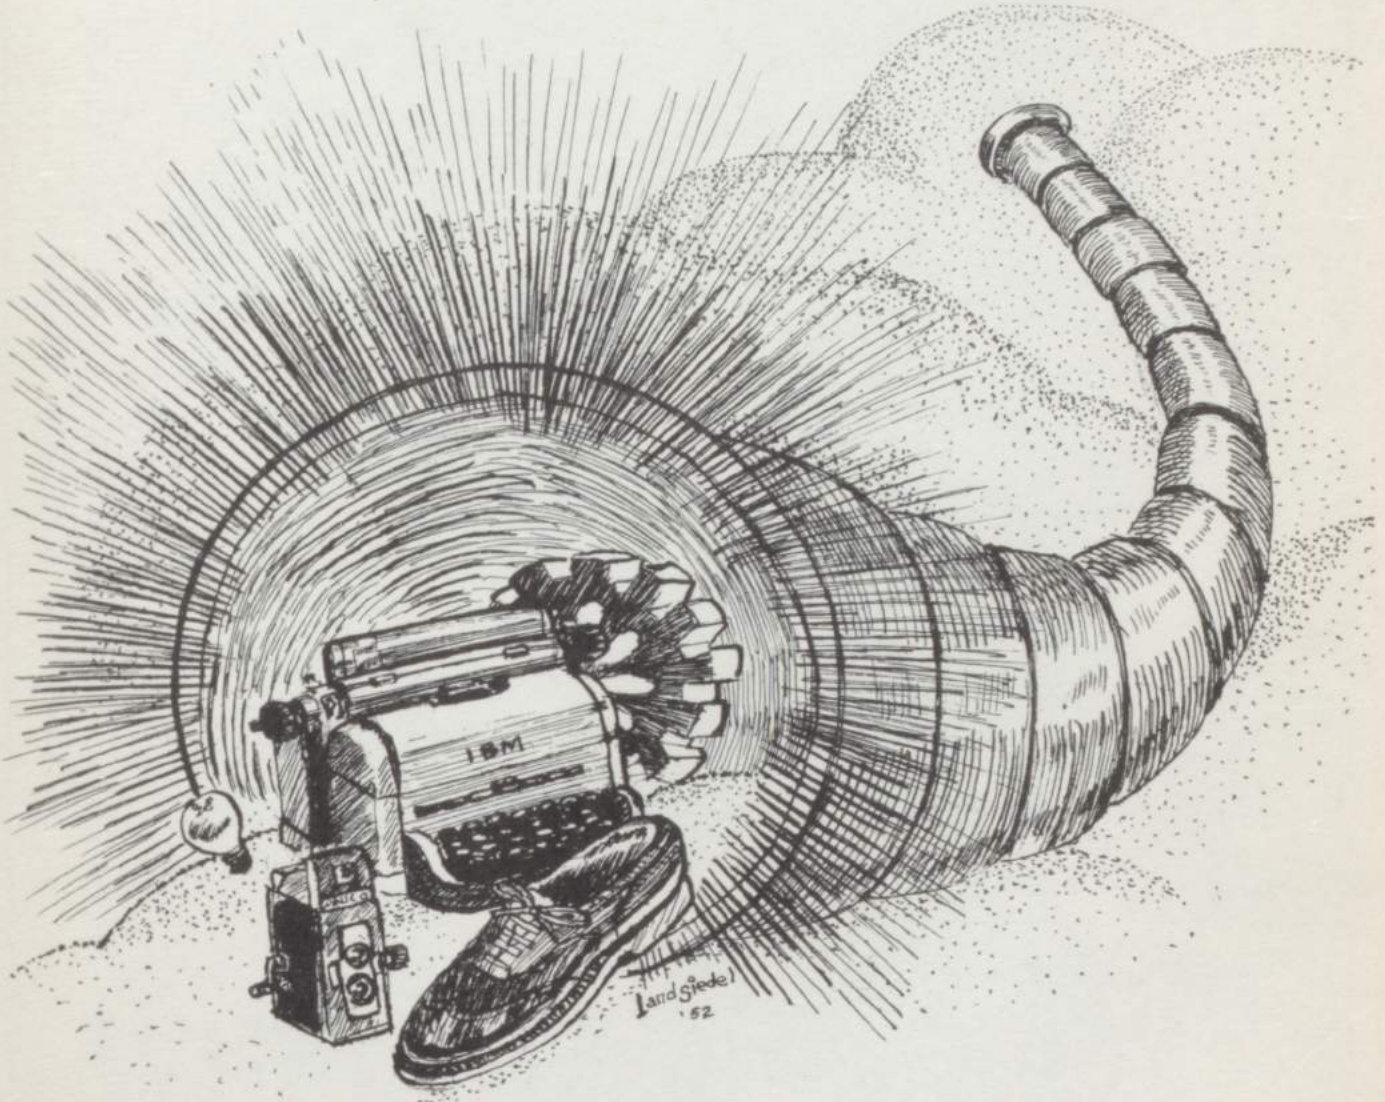

Janus am I; oldest of potentates;  
Forward I look, and backward, and below  
count, as god of avenues and gates,  
The years that through my portals come and go.

# "THE ORANGE AND THE BLACK"

U-E ALMA MATER

FRANCES SHACKELFORD

Altho' Bing has always favored the violet's dark blue, and the sturdy  
Thro' the four long years of High School Midst the scenes we know so well, As the mystic  
When the cares of life o'take us, Mingling fast our locks with gray, Should our dearest

Sons of Elmira To the blue and white are true; We will own the lilies slender, Nor honor  
charm to knowledge We vainly seek to spell; Or we win athletic vict'ries On the foot ball  
hopes betray us, False Fortune fade away; Still we banish care and sadness As we turn our

Shall they lack; While the Tiger stands defender Of the Orange and the Black.  
field or track; Still we work for dear old U - E and the Orange and the Black.  
memories back, And recall those days of gladness Neath the Orange and the Black.

Our Alma Mater has served for more than forty years to bind U-E graduates to the school in loyalty. Originally the first verse read, "Owego" instead of "Elmira". The growth of our truly "Magic City" and of our high school was reflected in the change of scholastic competition to a larger field.

Attempts to identify the author of our school song have been of no avail. The song was, of course, based on the Princeton Alma Mater and our colors are also Princeton colors.

*Best of luck  
in what ever  
you do. you  
really deserve it.
