## DEDICATION

Miss Margaret McDougall retires from active service this June after a teaching career of forty-six years, twenty-seven of them spent teaching mathematics at Union Endicott High School. None of us can imagine U-E without her; she is a part of our U-E heritage.

To her thousands of students through the years she has symbolized the best of the Scottish characteristics. Anyone who has known her has had his knowledge increased, his ideals lifted. She has effectively taught habits of industry, cooperation, and courtesy by her own example.

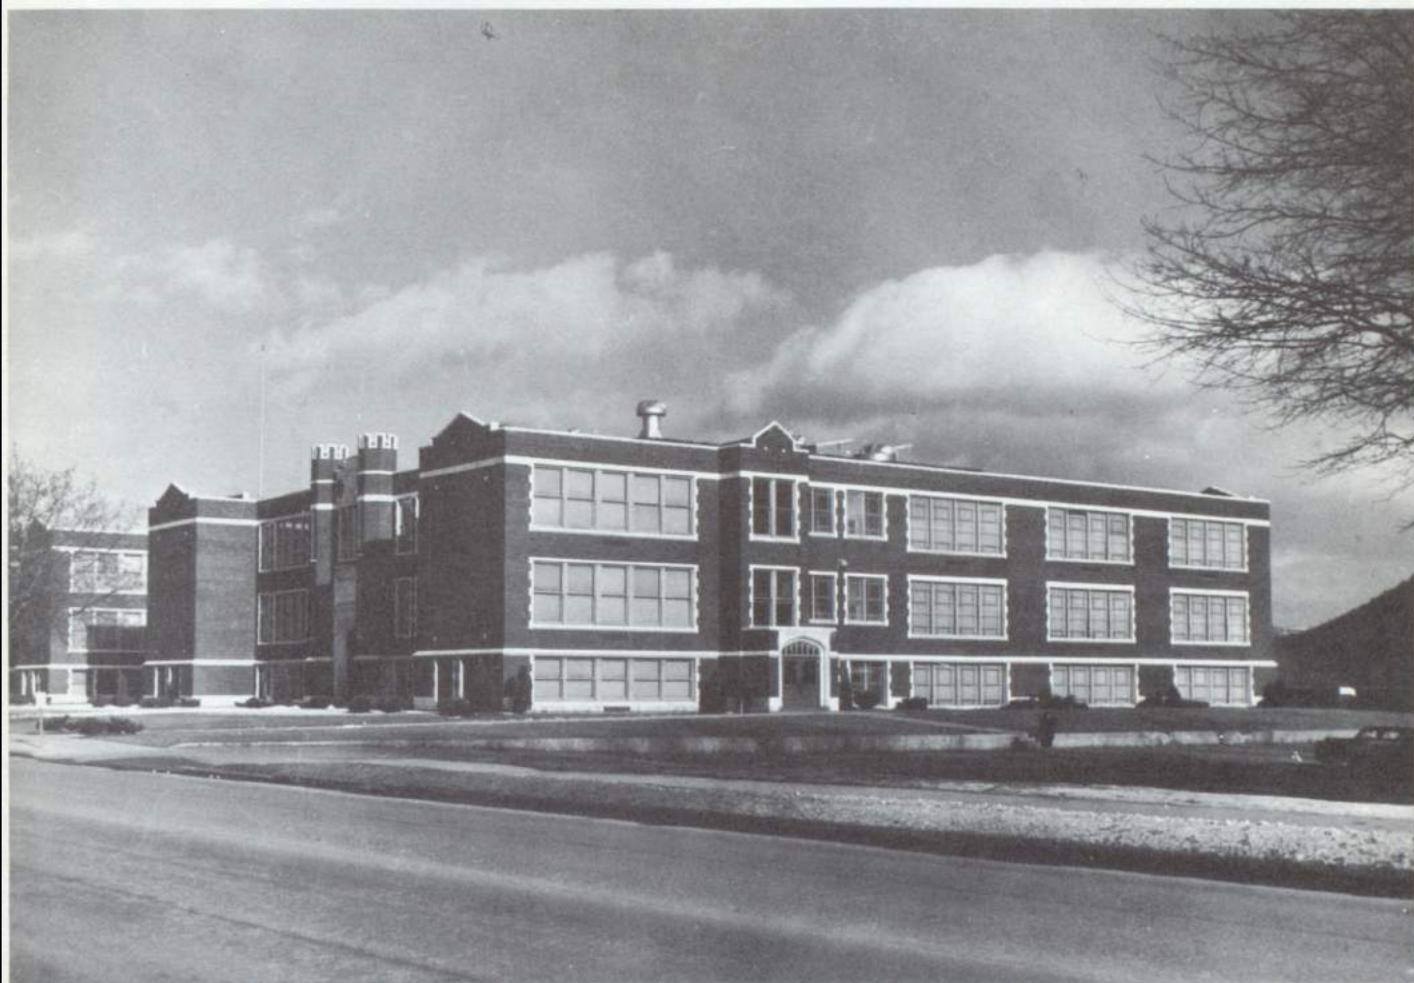

It is particularly fitting that we dedicate the '56 Thesaurus to a great teacher—Margaret McDougall. May she enjoy many years of happiness in her retirement. Behind her she leaves a void in our school life that will be extremely difficult, if not impossible, to fill.

WILCOX

Remember that when you say,  
 "I will have none of this exile and this stranger,  
 For his face is not like my face and his speech is strange,"  
 You have denied America with that word  
 Though your fathers were the first to settle the land.

Western Star —Stephen Vincent Benet.

### AMERICANS ALL

As citizens of Endicott we represent sixty-seven nationalities; our heritage is of the world. Our American creed was born by blending the creeds of our forefathers from the lands across the seas. When they came to America, they brought with them those things which had made them happiest in their lands. These built our nation: the love of freedom of the Scandinavian countries, the standards of government of England, the wisdom of the Far East, the love of music of Italy, the scientific knowledge of Germany, the courage and stamina of the Slavic races, and myriad other traits from many lands.

In every home, in every school throughout Endicott, the arts and customs of the world are gathered and cherished by her citizens—Americans all.

Dr. William J. Krum, Jr.  
Superintendent of the Endicott School System

Ever since this nation was born in 1776, each generation has made new efforts to live up to the ideal which holds that people are important because of what they are rather than because of their race, creed, color, or national origin. Because of these efforts, the people of Endicott, and of many other communities, now live and work together as neighbors and friends even though they represent many different backgrounds.

It is easy to rejoice in this and other parts of our American heritage and also easy to take it all for granted. If only all of us could review more frequently some of our own history: the tenacity of Washington and his men at Valley Forge; the courage of Abraham Lincoln who did a noble but unpopular thing; the suffering and sacrifice of the pioneers who settled this great country; the sacrifice of those who fought in World War I and II, and in the recent Korean War. These people were not thinking of us as individuals but they were doing their duty to their America in their time. If you and I do our duty to our America in our time we are not likely to lose the heritage which others have left in our care.

# Faculty

What greater or better gift can we offer the re-  
public than to teach and instruct our youth.

—Cicero

Miss Mary L. Pitkin  
Principal, Union-Endicott  
High School

## AMERICANS ALL, 1956 SENIORS OF U.E.

Your school is proud of you, pleased at your successes and solicitous about your discouragements.

In your future study, in your chosen occupation, in your recreation, in your home and in your church, may you continue to be All American.

—Mary L. Pitkin

*Mary L. Pitkin*

What is America? The love of country and a knowledge of its history and traditions are a most important part of education. Our country has been richly blessed with men and women of high ideals ever since the days of the pioneers. They have come from all walks of life and from all national backgrounds. Through their faith, America has become a great nation.

To keep America great, we, who are in school, must also dedicate ourselves to the general good of our Country. To do so, we must learn to cooperate with each other and to become "Americans All!"

It was in making education not only common to all, but in some sense compulsory to all, that the destiny of the free republics of America was practically settled.

James Russell Lowell

America is not anything if it consists of each of us. It is something only if it consists of all of us; and it can consist of all of us only as our spirits are banded together in a common enterprise of liberty and justice and right.

# JUNIOR CLASS OFFICERS

FRANK ANNESE  
VICE - PRESIDENT

The Junior class of '56 has been  
a merry mixture.  
If you look to the future now,  
we're wondering if you  
picture . . . . .

. . . all of us swaggering a little  
bit with that secret power only  
Seniors seem to possess.

. . . the pride we'll feel when  
Gretchen Kalb, Pat Hanley, Gail  
Piatt and Judy McMahon cheer us  
on through our last year of high  
school sports.

. . . how young and scared the Sopho-  
mores will appear to us in all  
our worldly sophistication.

. . . the thrilled expression on  
some pretty girl's face as she  
feels the weight of the crown  
making her queen.

. . . the inner moans and outer  
groans as the time for the final  
Regents rolls around.

. . . hushed excitement when the  
announcement is finally made,  
"Your Senior class president will  
be . . . . .!"

. . . triumph on the gridiron. With  
able co-captains John Rose and  
Joe Martinek in the lead, **how can  
we miss!**

"We've dipped into the future,  
these wonders to foretell,"  
may we proudly reign as Seniors  
and serve old U-E well.

PAUL MERSEREAU  
SECRETARY  
TREASURER

## MODEL UN ASSEMBLY

In the U.N. assembly held this year U-E Juniors proved without peer.

We'll always remember the countries we represented; South Africa, Yugoslavia, and Czechoslovakia. . .

. . . the research we did to prepare to discuss our topics: "Should Red China be Admitted to the U.N.?" and

"Resolved: that the General Assembly Censor the Union of South Africa For its Policy of Apartheid." At last most of us learned the meaning of Apartheid.

. . . the friends we made from other schools

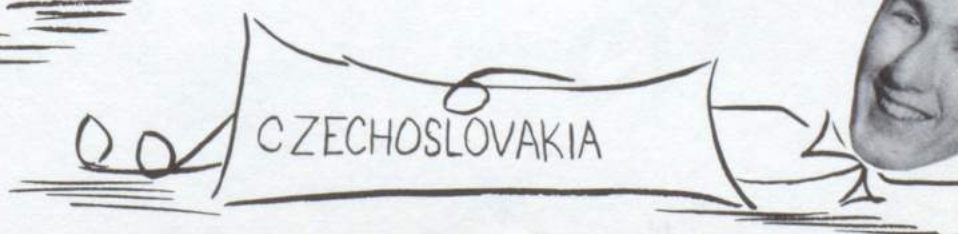

. . . the thrill of making a telling point

. . . the applause of the spectators

. . . the hospitality of the I.B.M. Club House

Debate, we found, was fun.

Thus as Juniors we made the mark  
Let's hope as Seniors we keep  
the spark.

## CLASS OFFICERS

GERALD HAMILTON  
VICE-PRESIDENT

NANCY  
BLAKESLEE

As this year draws to a close, the sophomores are thinking back to the beginning and remembering with what awe and excitement they greeted high school.

... The fast whirl of events—, dances, football games, and all the other things that were so important.

... Phil Parr dispelling boredom in a class by remembering the lice in Queen Elizabeth I's wig.

... electing Matolka of HBE, Hamilton of Endwell, and Barsosky of JFS officers (the first all-boy slate in history).

... David Allen representing Paraguay at the model UN assembly.

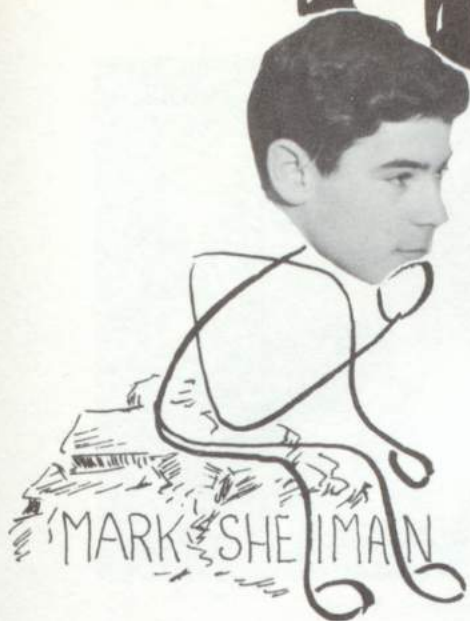

... Vince Fiore starring in track.

... Jane Mallory accompanying the choir and Gloria Reisinger singing in it.

... Nancy Blakeslee and Judy Bryden showing unusual skill on the flute.

# CLASS

GLORIA  
REISINGER

— Richard Ostling —

... Mary Lou Welsh and Mark Sheiman distinguishing themselves in the academic field.

... Yet somewhere in those event-crowded days of a first year at high school, most sophomores found time for the learning which is the major purpose of school.

... learning to prepare them for life, to make experienced students out of those awe-stricken novices.

... as the year ends, each sophomore is asking himself, "Have I laid a good foundation upon which I can build my Hopes and dreams for the future? Have I accomplished this?"

... A teacher summed up the sophomore year by saying, "I think that this age group is a carefree, uninhibited era. Sophomores have practically no conception of a system of values and goals, and are living in a dream world absolutely oblivious of the problems of the world." (But isn't it a great life.)

Technical workers perhaps best exemplify the American way—with men of many backgrounds working together in free enterprise, for the development of modern production methods and technology to make the life of all America easier and the future brighter.

At U-E, students taking the Technical Course can enrich their knowledge in this field and have fun at the same time by joining the Technical Club. It visits local industries and has interesting programs with guest speakers and movies at its weekly meetings. Projects this year included putting new locks on the lockers in the boys' gym, furnishing schedule calendars to teachers who requested them, competing against other clubs in basketball games, awarding of a \$5 second prize to an outstanding technical student, and an out-of-town visit to another community to study its industry, and educational opportunities. To end the year with a bang, the traditional picnic was held at Lily Lake (the food bill runs more than \$100!!!).

This varied program was supported with money the boys earned themselves. They sold pins at our football games, candy at the basketball games, and held two dances.

The officers are: Rodney Swartwood, president; Richard Klett, vice-president; Edward De Vente, secretary-treasurer.

Advisors, Mr. Richard Klett, Mr. James Longwell, and Mr. John Woodruff.

This year's football squad started out the fall season as one of the most inexperienced teams in the history of U-E. With only one returning letterman, Captain Jack Gyles, the Orange Tornado was not given much of a chance for success by local sports writers.

However, after losing its first two games to E. F. A. and Binghamton North, the team "swam" to a victory over Vestal by the score of 6-0. Then as the team picked up needed experience they rolled to a 52-0 victory over Utica Proctor.

All in all, with the aid of Richard Battista, fullback and Craig Briggs, quarterback, among many others, the team compiled an overall record of four wins, three losses, and one tie. This record included an exciting 12-0 win over Binghamton Central in the annual Turkey Day classic.

## J. V. FOOTBALL

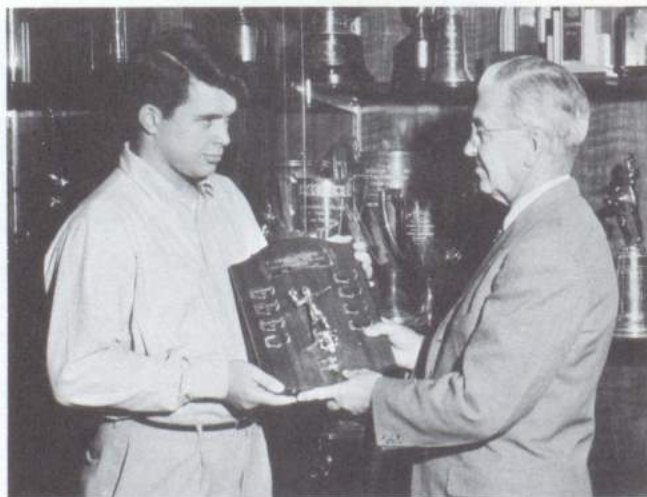

FRONT: Joseph Binkewicz, Karl Saddlemire, John Bino, Otis Wolfe, Douglas Huffcut, Anthony De Paolo.  
SECOND: George Robinson, Anthony Ciccarelli, Robert Dodge, David Kemp, Charles Henneman, Robert Furman.  
THIRD: John Litter, John Haick, William Macon, Victor Pezzula, Edwin Brigham, Richard Youmans.

This year's Junior Varsity football team gained much experience while battling the other Triple Cities squads to achieve a record of two wins and two losses.

Players show their appreciation for a successful season after the Binghamton Central game.

"Ty" Cobb presents Jack Gyles with Most Improved Player Plaque.

## VARSITY BASKETBALL

FRONT: Peter Saraceno (mgr.), Wendell Gilroy (mgr.)

SEATED FIRST: Charles Tarricone, Craig Briggs, Robert Butchko, Arthur Riegal, Michael English, Kenneth Newcomb, Robert Humphreys.

BACK: John Petrolawicz, Patrick Calleo, John Rose, Harold "Barney" Goodfellow (coach) Paul Mersereau, Robert Dinga.

With only one returning letterman, Art Riegal, to work with, U-E mentor Barney Goodfellow has shaped up a hustling, but small, club that has held its own against far more experienced teams. They have played on a far better scale than their 8-7 overall and 4-6 conference record indicates. They gave first place Johnson City a good scare before losing to the far taller team 59-57. The uncanny eye of Mike English and the steady influence of our playmakers Craig Briggs and Bob Butchko gave all the rest of the teams in the conference something to worry about when playing U-E.

Captain: Robert Butchko receives congratulations of his coach and teammates.

Varsity boys get ready for big game.

## JUNIOR VARSITY BASKETBALL

FRONT: James Fitzpatrick, Patrick Palazzo, Jon Redolphy, Adrian Menichetti, John Breno, Ronald Hess.  
BACK: John Beno Gerald Harris, Vito Popelka, Gerald Hamilton, Richard Riegel.

Last winter's Junior Varsity Basketball showed fine sportsmanship in all their games. Under the excellent coaching of Vito Popelka, the team showed team spirit in many hard fought contests.

## VOLLEYBALL

FRONT: George Evan, David Mitchell, Duane Mc Lean, Donald Ferrante, Michael Borelli, Charles Mulesky.  
SECOND: Joseph Acton, Gary Basker, Donald Piatt, William Soloman, Charles Nicholas, Robert Furman, Paul Lucas.

With this year's season just underway, Coach Harold "Ty" Cobb's volleyball team has only played three matches. In spite of a record of two defeats at the hands of Binghamton Central three games to 0 against a victory over J. C. 2 and 1, the boys have hopes of equaling or bettering last year's record.

The volleyball squad, last winter finished second in the Triple Cities with a record of fifteen wins and twelve losses. They also finished second in section four.

## TRACK

BACK: Coach Parkhurst, Timothy Horan, Paul Rizzuto, Douglas Shea, Coach Popelka, Coach Conwicke.  
 THIRD: Frank Alessi, Dino Paparella, Robert Wiggins, Karl Saddlemire, Douglas Koban, Robert Lawrence, Edward Breno, Nicholas Tarcha, Mark Brown, Paul Lucas, Ray Parkes.  
 SECOND: Douglas Huffcut, William Brunner, Thomas Hermiz, Woodruff Gaul, George Evan, Daniel Lee, Donald Piatt, Mark Dittrich, Anthony Annese, Bernard Ivan, Gary Basker, Robert Furman, Richard Phillips.  
 FIRST: Thomas Mooney, Joel Conwicke, Jack Lawton, Robert Seniska, Robert Osborne, Richard Hoover, Gary Young, Thomas Cullen, Thomas Kurkoski, Michael Colella, Gabriel Sochor, Robert Parke, Vincent Fiori.

U-E's Track Team continued through another undefeated, untied season, winning the Vestal Relays, one triangular, four dual meet victories, the Triple Cities and the N.Y.P.H.S.A. Section 4 meet.

Though missing such stars as Ovidio Neira, Bryant Wood, and Ralph Weiland, new athletes easily filled the gaps. U-E sent many athletes to the N.Y.P.H.S.A. Section 4 meet at Cornell University and two: Robert Osborne, mile and Gabriel Sochor, low hurdles; to the N.Y.P.H.S.A. state meet at Rome.

Top point getters were Patrick Calleo, Robert Osborne, Gabriel Sochor, Jack Lawton, Richard Hoover and Ray Parkes.

## CROSS COUNTRY

Back: Coach Theodore Conwicke, William Brunner, Vincent Fiori, Anthony Annese, Mark Brown, Glenn Benjamin, Joseph Acton, Paul Lucas, Mark Dittrich, Manager Douglas Shea.  
 Front: David McCammack, Gary Corder, Gary Robble, David Klett, Douglas Koban, Richard VanHorn, Thomas Morrow, Carl Hackling.

U-E's harriers had a successful year in cross country in 1955, though hampered by injuries to two of its starting five runners, the team had a great record.

The harriers started with victories at Windsor, Ithaca and Dryden and at Binghamton North before being defeated. It compiled a perfect score, 15, the lowest possible, for the first time in U-E's history. Its first defeat was in a triangular meet against Vestal Central, state champions, and Williamsport, Pennsylvania, a perennial powerhouse. The harriers then took second place in the Triple Cities meet and the N.Y.P.H.S.A. sectional meet at Vestal Hills. Five runners represented U-E at the N.Y.P.H.S.A. Intersectional meet at West Point: Vincent Fiori, Anthony Annese, Glenn Benjamin, Mark Dittrich, and Mark Brown, alternate. Lettermen were Vincent Fiori, Anthony Annese, Glenn Benjamin, Mark Dittrich, Mark Brown, William Brunner, Paul Lucas, Douglas Koban, Joseph Acton and manager Douglas Shea.

## VARSITY BASEBALL

FRONT: Robert Corwin, Robert Butchko, Richard Battista, Peter Sylvester, Cramer Harrington, Arthur Riegal, Mario Sylvester, George Matola.  
BACK: Thomas Hopko, Robert Humphreys, Charles Mulesky, Angelo Bontempo, Eugene Battaglini, Bruce Hamilton, Ronald Thayne, Manager James Mosca.

Last year's baseball team finished with a won-lost record of seven victories and five defeats. This was good enough to give them second place in the Eastern half of the conference as well as second in the Triple Cities.

All of the squad's games were marked by the determination to win and good sportsmanship, instilled into them by Coach Harold "Ty" Cobb.

## JUNIOR VARSITY BASEBALL

Back: William Fetsko, Monte Webster, Nicholas Materese, Otis Wolf, Terry Avery, Joseph Binkiewicz, Joseph Pozzi, Michael English, James Mosca.  
Front: James Mahool, Andrew Ripic, Edward Tomasky, Anthony Musa, Clare Chandler, Peter Vivona, Jon Redolphy, Craig Briggs, John Wolfe, Gilbert Kerr.

The Junior Varsity Baseball team of last spring showed determination to win in compiling their record.

## GOLF

Left to right: Fred Franta, Gary Toulson, Ronald Terpak, Leroy Shearer, Dominic Putrino, Robert Dinga, Ronald Demkovich, and Coach DiNunzio.

U-E's seemingly invincible golf team continued its winning ways by reigning victorious through ten dual matches and the sectionals. These included impressive victories over such powers as Johnson City and Ithaca both at home and away. Sparked by Ronald Terpak's usual excellent scores and the steady playing of the rest of the team, they met little opposition until they finally were forced to be content with second place in the intersectional competition at Nott Terrace in Schenectady.

## BOWLING

Front: Donald Fiehl, Donald Howrilka, John Salemme, Victor Van Vestrout, Charles Stemples, Dominic Morlando, Gaerry Honnick.

Back: George Robinson, Thomas Hopko, Charles Paradis, Stuart Bowen, Robert Ritlinger.

To head the U-E Bowling Team, Gerald Shima was elected president and Robert Drum secretary.

After a slow start the U-E "Keglers," under the able coaching of Mr. Paul "Mac" McCormack, ended the first half with a 9-3 record to tie the J. C. team for first place.

This was an excellent record and if the teams gain as good a record in the last half, they have good chances of acquiring first place in bowling this year.

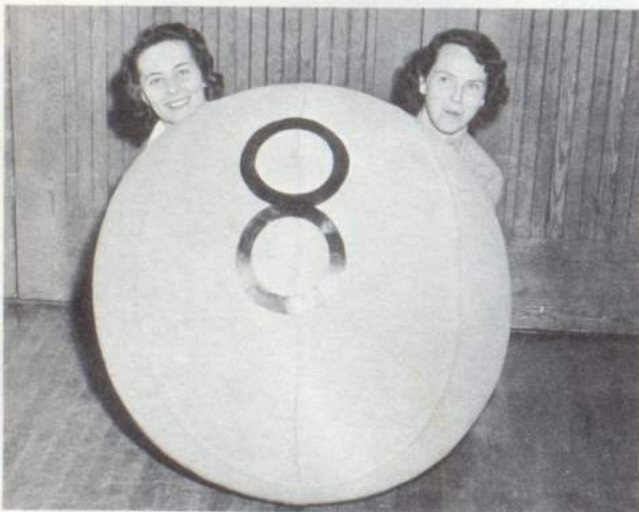

## JUNIOR LEADERS CLUB

Front: Pam Mastroe, Margaret Plaumann, Hope Fuller, Helen Busa, Elizabeth Dunn, Marilyn Case, Linda McBride.

Second: Alice Yankowski, Nikki Stein, Lorraine Mydlo, Karlene Field, Dorothy Reynolds, Rosemary Krizanek, Joanne Keener.

## MARCHING BAND

### BAND FORMATION

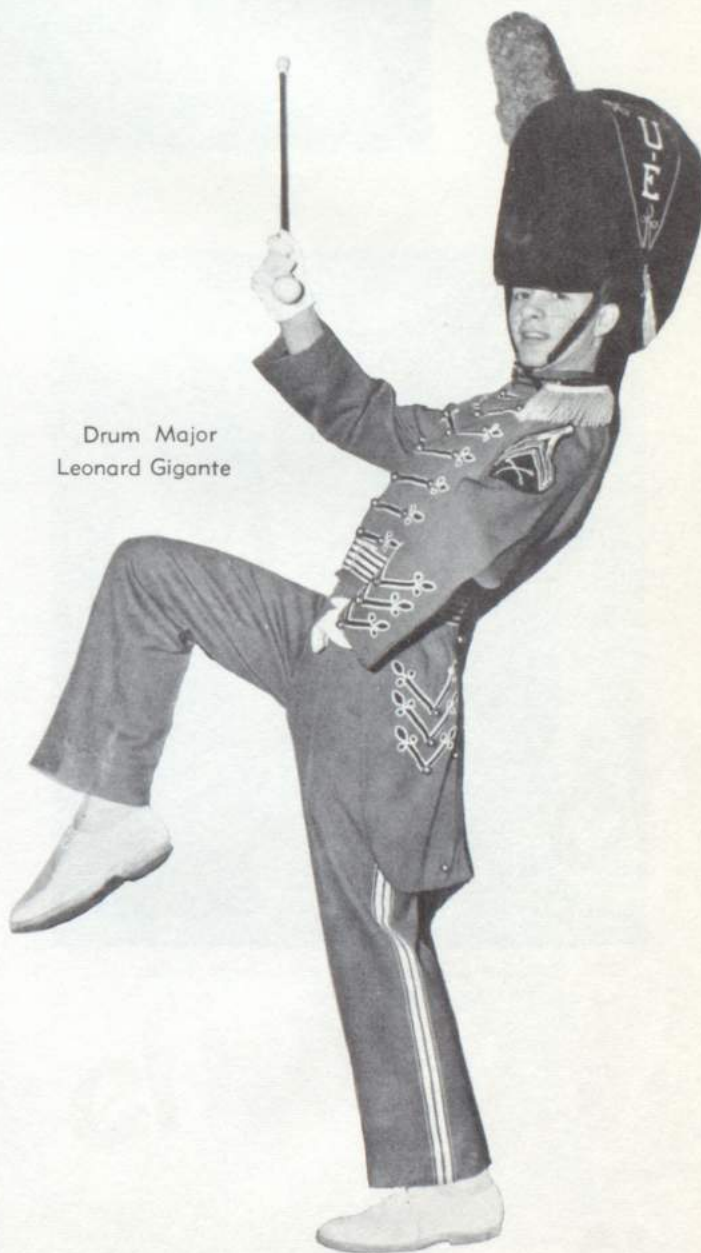

This was an epic year for the Marching Band. The deluge of rain which continued for the whole season hindered both rehearsals and performances. However, these adverse conditions were compensated for by receipt of the \$100 first prize in the largest parade in area history — the Charles F. Johnson Jubilee parade in Johnson City. The sparkling performance of the band in this parade showed the continued domination of U-E of marching bands in the area. Besides the games and the Charles F. Johnson Parade, the band also participated in the Junior Chamber of Commerce sponsored Halloween parade and pep assemblies in school.

This year's orchestra completed another successful year under the able direction of Mr. R. Crawford Stahl. Climaxing the season was the spring concert, in which an elementary, an intermediate, and a junior-high orchestra participated as well as the high-school group. The orchestra presented an excellent program featuring trumpet soloist David Naylor and cello soloist Marilyn Gumble. In addition to this concert, the orchestra put on similar programs at several other schools in Endicott. Another feature of the varied schedule of the U-E orchestra is its fine rendition of music for our assemblies.

**A THOUGHT  
FOR THE...**

**CLASS of '56**

New graduates, trained to think—eager with new ideas, you are indeed the wealth of the nation in its richest form. Businesses and professions will profit immeasurably from the fresh thought and youthful energy you will bring to them.

This is an appropriate time when every young man and woman might well stop to think, "Now is the moment to be aware of what America is and what it means to live here."

This is the time for us to reaffirm our enduring faith in the free spirit, free life and free enterprise that are America. It is time for us to be grateful for the right to call our own the proud banner that ever has been, and is today, a rallying symbol for free men.

***Congratulations to you!***
