Union-Endicott High School 1200 E. Main Street Endicott, New York

1968-69 was a gr-r-reat year . . .

The beginning months were met with warm, sunny weather.

The spectators cheered with enthusiasm at the exciting football games of the 68-69 season.

A great moment... the crowning of the year's football queen, Donna Porretta.

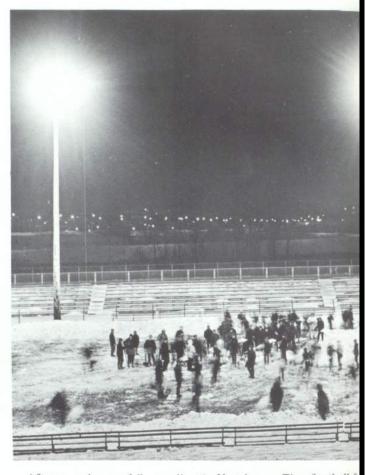

Nancy Andrake and Pam Atwood sang folk music in the annual talent show.

 $\label{thm:continuous} Union-Endicott's marching band and cheerleaders celebrated one of the joyful victories of the 68-69 football season.$

The cross country team enthusiastically became ready for the season ahead.

Hard work was a part of preparation . . .

spent three hours shoveling the field.

Coach Egmond and his soccer players became discouraged during the final moments of a losing

At a critical point in the game, Coach Angeline gave Fred Vasconi "the word."

The ball was fumbled . . . a disappointing moment for everyone.

The Tigerettes kept smiling through hours of practice.

The enjoyable moments. . .

Cheerleader Donna Porretta leaped with approval as the Tigers scored a touchdown.

A typical afterschool scene-a meeting between a guy and his girl.

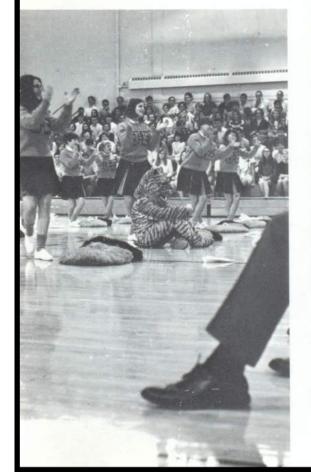

Football spectators took pleasure in Tiger showband's half-time performance.

... outweighed the bad.

The band's ride to an away football game was always filled with laughter and good times.

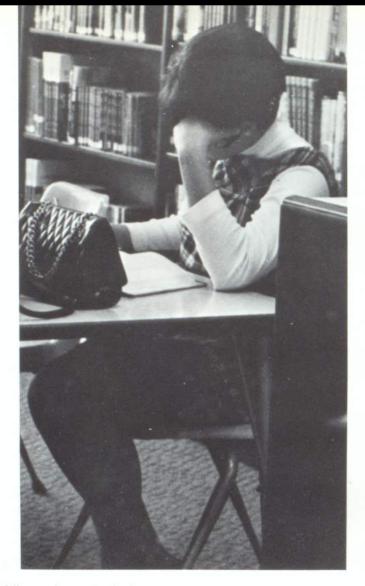

The students enjoyed the relaxation of lunchtime at the W. J. Teener.

Smiling faces were seen as the cheerleaders sang the traditional "Hey Tigers" to the football team.

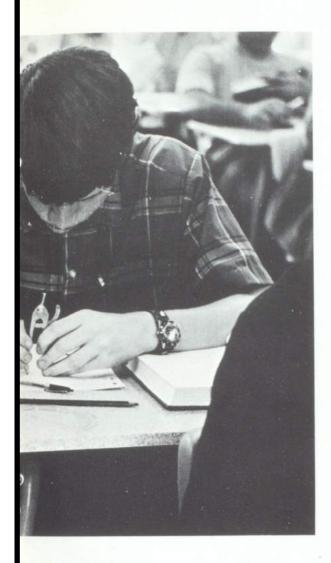

John Gaworecki gave his full attention to the keyboard as he entertained his fellow students in the talent show.

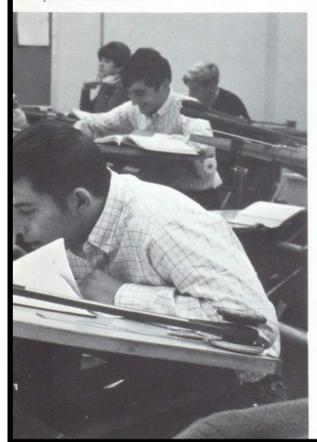

Mechanical drawing required close examination

and precise calculations.

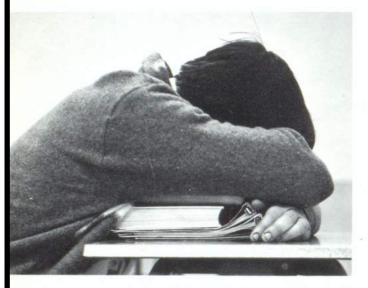

There were also times which required concentration.

A spectator thoughtfully observed a football game.

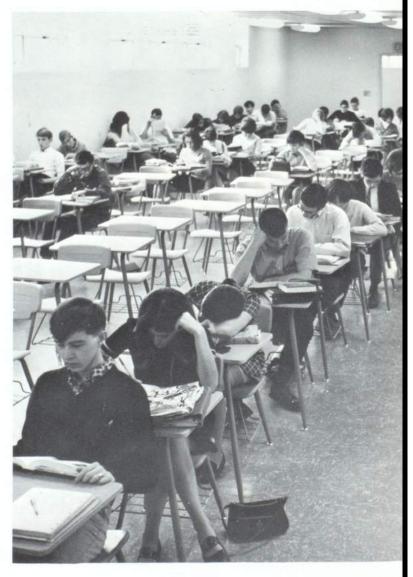

The school library was a commonplace scene in the lives of students.

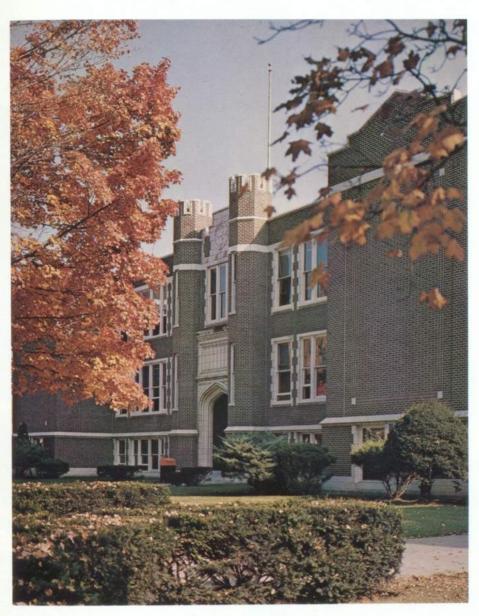

A weary day may find a sleeping boy or girl in a study hall.

Everyone has had at least one study hall in room 313.

The routine of everyday school life . . .

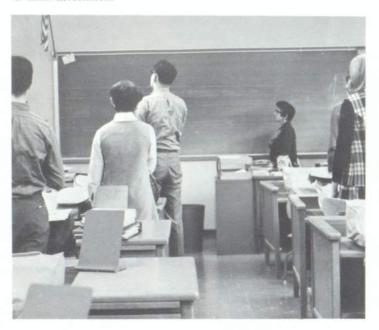

The guidance department was accustomed to a daily stream of students with questions.

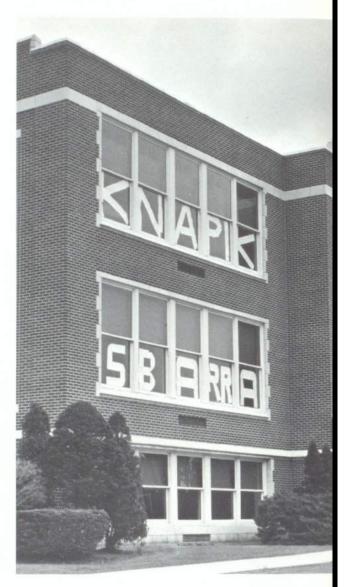

. . . was shared by everyone.

Customary procedures each morning \ldots a salute to the flag, a moment of silent meditation.

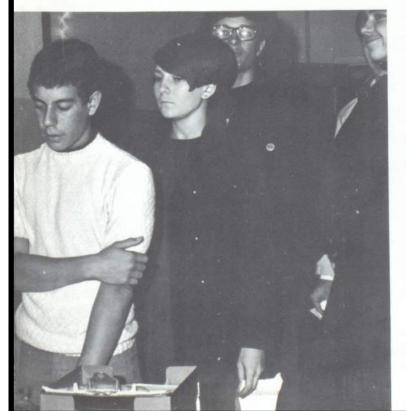

Scenes such as these were common during the Student Government election campaign.

Students followed a well worn path through the door of the attendance office every day.

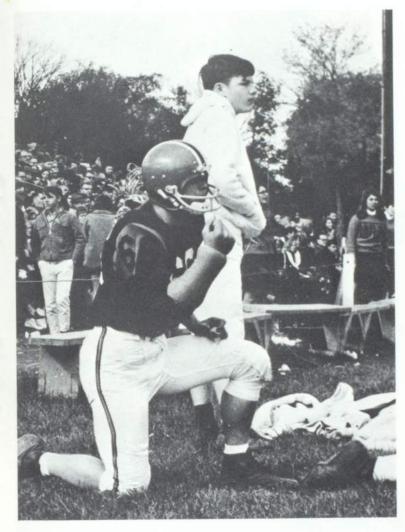

Student Government President Tom Sbarra offered the jug as a reward to the class with the most spirit.

School spirit was enhanced by competition.

Those on the sidelines became involved during a tense moment at the Owego-UE football game.

The Tigers drilled for perfection in the upcoming soccer games.

Suspense lingered among $U{\rm -}E$'s soccer players as they awaited the outcome of the match.

Involvement in activities highlighted . . .

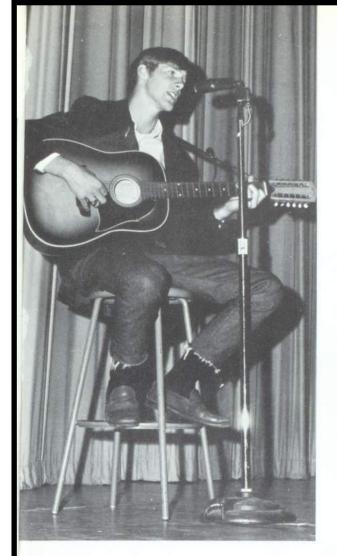

The marching band actively took part in the fall sports assembly.

Deanna DeMartine & Dennis McCarthy modeled wash rags at the History Seminar car wash.

. . . the school year.

Bob Johnson entertained his fellow students in the talent show.

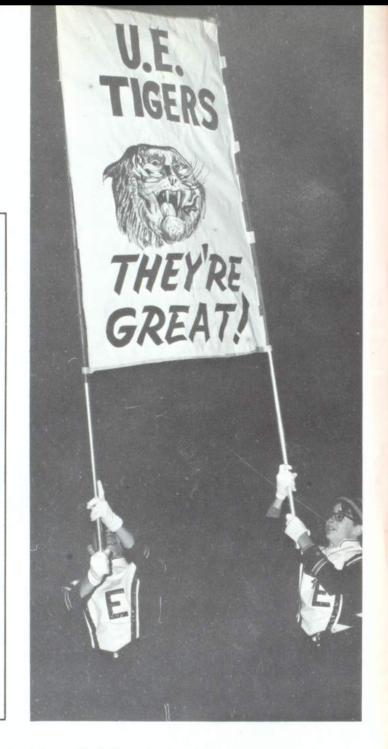

Music Club members had the unique experience of listening to a Woodwind Quartet.

"Better to build school rooms for the 'boy' than cells gibbets for the 'man' "
by Eliza Cook, A Song for the Ragged Schools

The Board of Education is the governing board of the legal governmental entity known as the Union-Endicott Central School District. The photograph of the people herein includes seven members of a Board who are citizens elected to their position for five years and who serve long and faithfully in the best interests of the students of our school district.

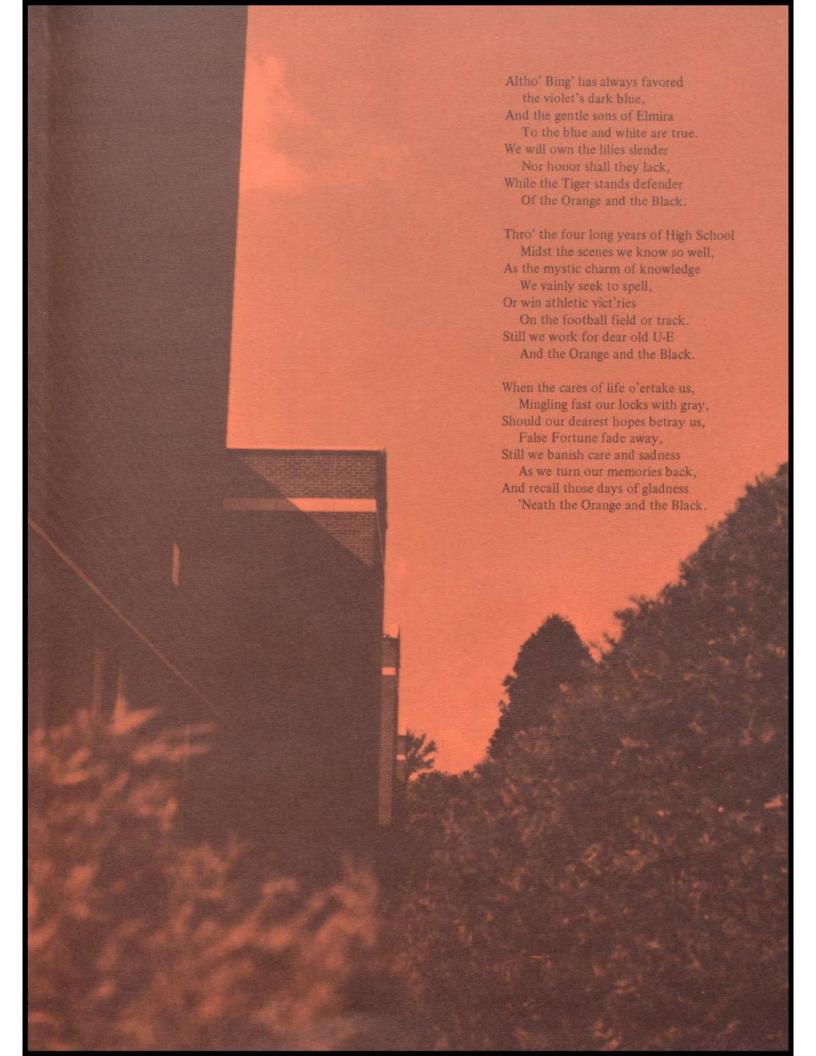

The accomplishments of the Board of Education have been many. Through their efforts they have built two new school buildings to provide for the ever growing population of elementary schools. They fully supported the high school Multi-Media Center under the direction of the Supervisor of Social Studies, Mr. Mack Ryan. As a result, our senior high school has become nationally famous in educational circles along with sixty other high schools throughout the nation when we were named a demonstration center.

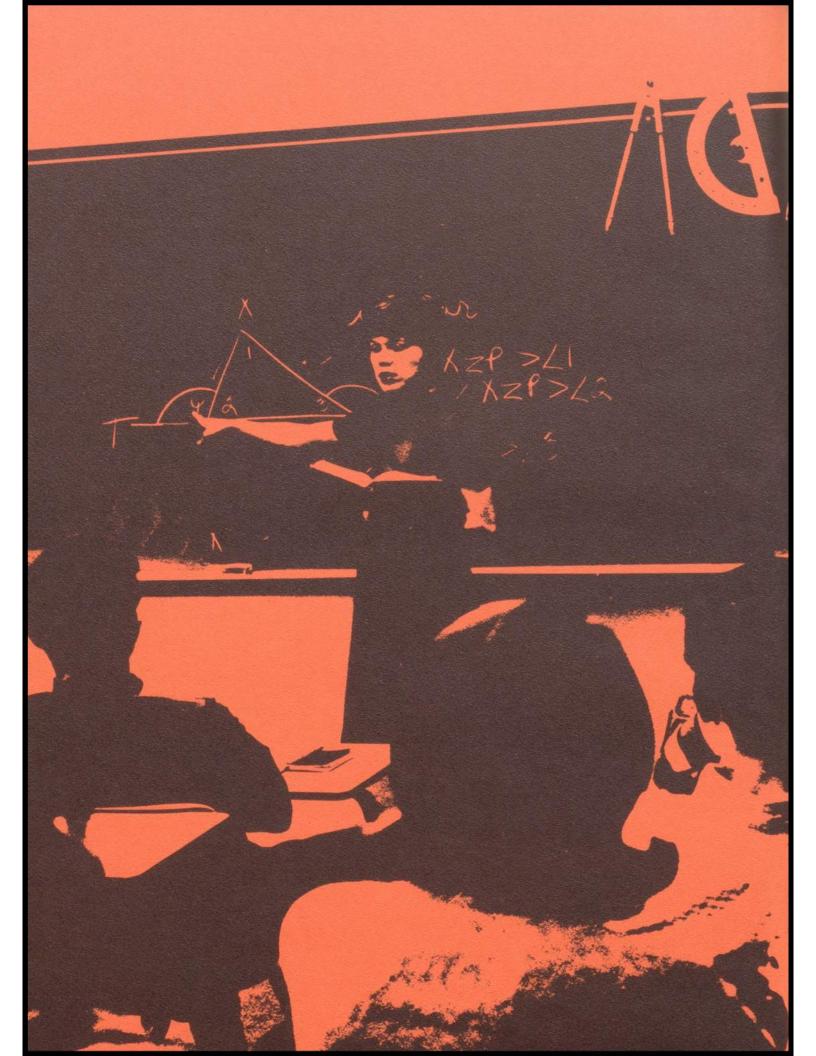

It was through their efforts in cooperation with other school districts, that there was the formulation of an Occupational Education program for the vocations, and ultimately will result in the establishment of a vocational high school for the Broome County region.

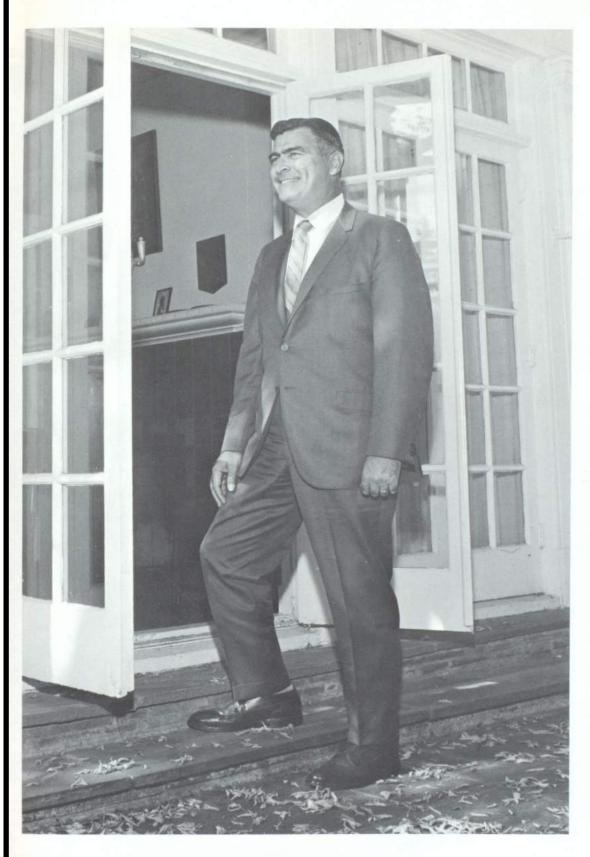

They have acted for the past three years as the legal educational agency for the Title III Learning Disability Center located on Oak Street in Binghamton, New York. They have spearheaded cooperative efforts with neighboring school districts to share in the support of specialized courses. Three of our Union-Endicott Senior High School students attended an advanced placement biology course every day in the Maine-Endwell School District. In turn the Union-Endicott Central School District accepted several children in its Work Study Program from other school districts. Upon the vision and foresight of this Board of Education depends the future educational programs and progress of the Union-Endicott Central School District.

Board member Charles Reavis and his wife stand with daughter Renee after she was inducted into Honor Society.

1968 graduate went to South Africa for a year;

Greek exchange student was on the Girls Bowling Team

Rotary Club sent Kathy Harding to spend the 1968-69 school year in South Africa. She spent the first five months at De Arr where she stayed with several families for approximately six weeks each. At De Arr, she attended the Holy Cross Convent where she learned the native tongue, Afrikaans, and how to write "script" similar to the medieval writing of the priests.

At the end of her stay at De Arr, Kathy stayed a month at Wilderness, a resort on the Indian Ocean where everyone goes to spend Christmas vacation. Kathy then moved to Cape Town where she spent the last six months of her stay. Her hobbies include surfing, skateboarding, and skiing—both water and snow—all of which she has learned or improved during her year in South Africa.

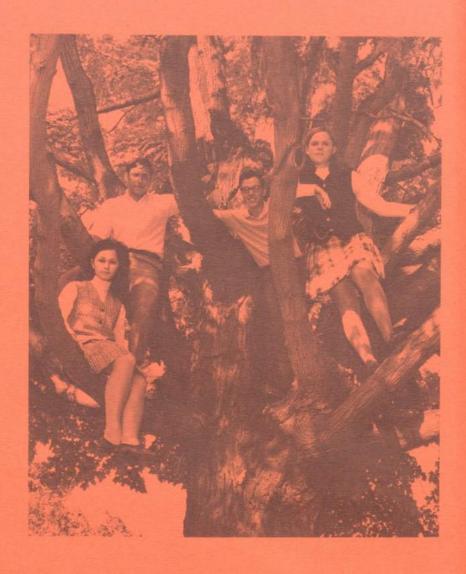

Helen Alexandride, our exchange student from Greece, arrived early in September to spend a year here in Endicott. Helen, 18, came from Patras where she attended the Gymnasium of Patras which is a high school. Her family includes, besides her parents, a brother who is currently studying at Columbia University in the U.S. Helen learned English at a special school for English and it is evident, if you have ever spoken to her, that she learned her formal English well but still has trouble with American slang. At U-E she is a member of the bowling team. Other hobbies include embroidery and music. After returning to Greece in August, Helen hopes to further her education by attending college.

... the Tigers made a crushing comeback.

The Tiger Football Varsity experienced another very successful campaign under the direction of Coach Fran Angeline, with a 5-3 record. Mr. Angeline's very capable assistant coaches were: Mr. Nicosia (Backfield Coach), Mr. Hover (End and Tackle Coach), Mr. Donlick (Center and Guard Coach), and Mr. Hamilton (Trainer). The offensive team was led by: Captain John Pinto, Dale Tewksbury (Co-Captain), Joe Guccia, Fred Vasconi, Ken Nigh, Tom Mason (Backfield), and Ken Popielis, Joe A. Marino, Bob Grant, Joe V. Marino, Dan Consol, Bob Decker, Mike Prislupsky, Tom Goetz (Line). The Defensive Team was spearheaded by: Monte Cole, Don Sargent, Tony Kotasek, Joe A. Marino (Line), Derek Longo (Co-Captain), John Crooks, Mike Prislupsky, Mike Stankiewicz, (Backers), and Joe Guccia, Dale Tewksbury, Ed Folli, John Pinto, Tom Mason, Dan Hogan (Backs).

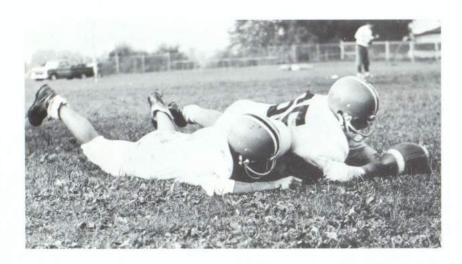

Due to good blocking, Tom Mason got off his punt.

Quarterback Ken Nigh handed the ball off to fullback Fred Vasconi.

This team showed a lot of spirit and courage throughout the season. They were undefeated when they lost Captain John Pinto early in the season. After two successive losses, they bounced back to win the next three games by a combined score of 94-10. (Two of these were upsets). The highlight of the season probably was upsetting Binghamton North (who was favored by 1-2 touchdowns) by a score of 40-7. This was also the first victory over North since the undefeated season of 1964.

A knee injury from the second game of the season prevented Captain John Pinto from playing until the Vestal game.

Coach Angeline yelled encouragingly to the team as Coach Nicosia looked on with dejection.

J.V. Football prepared the members for varsity standing.

The 1968 season was one of constant improvement. The boys overcame a slow start to finish the season with the thrilling 7-6 loss to undefeated S.T.A.C. Champion, North.

The biggest disappointment of the season was the can rellation of the Vestal game due to a very early snow fall.

The prime objective of the J.V. Program is to develop competent Varsity Football players. Success in this area was outstanding in that about 25 lettermen will return to entertain Tiger foes for the next two years. Coach Tom Breese was assisted by Frank Huggins and George Wallace. The team captains were David Haney and Rick Bastiano.

Three Cross-Country teammates made state finals;

Joe Haggenmiller placed fifth.

Union-Endicott High School Cross Country running team had a successful season under Coach Bob Osborne. The team, captained by Joe Haggenmiller, won three dual meets while losing two. A highlight of the dual meets was our third win in a row over arch-rival Vestal on their home course.

In Section IV competition, U-E placed fourth out of twelve schools. Our school placed three boys on the Section IV team which ran at the state Inter-sectionals on Long Island. Leading the way for U-E, as he has done for four years, was Joe Haggenmiller, one of the outstanding distance runners from this area of the state. Joe set records in cross country during his four years on the varsity. At the Inter-sectional meet, Joe placed fifth out of 120 runners—the best runners in New York State. This placing was the best from our area. John Moreau of U-E placed twenty-fourth at Inter-sectionals while Fred Bertoni had tough luck with a ninety-fourth placing.

Soccer teams had a good year-Varsity an 8-5 record,

ROW 2: John Fargnoli, Bill Koban, Ross Riley, Dario Pratt, Carl Watts, Ken Ast, Graeme Reid, Stefen Jackowski, Blair Reid, Jerry Underwood. ROW 3: Coach Egmond, Steve Speigel, Dave Howe, Joe Harasta, Jim Haus, Gary Nealy, Tim Laskaris, Dave Repinecz, Mike Hamarich, John Starring.

The 1968 Varsity Soccer eleven provided many a thrill for its loyal fans. For the first time since Soccer began at U-E, the team made the Section IV tournament, where a subsequent defeat did not take away any glitter from a successful campaign.

The team's overall record was 8 wins, 5 losses, and 3 ties. In the S.T.A.C. however, the team compiled its best record ever, 7-3-2 which enabled it to reach the sectionals.

Led by able co-captains Dan Felo and Dave Repinecz, the boys displayed

much spirit, determination, and hustle that has been the trademark of all U-E teams for many years.

There were many players who distinguished themselves on and off the field during the season. In addition to Felo and Repinecz—Mike Mangino, Ross Riley, Graeme Reid, Jim Haus, and Dario Pratt were honored by being named to various all-star teams. Also, Gene Arthur, Gary Nealy, Randy Tewksbury, Blair Reid, and Bill Koban performed outstanding jobs in helping to make the season successful.

In addition to the above players, each member of the squad made valuable contributions which helped develop tremendous team spirit, a very essential element in the success of a sports program.

J.V. had a 5-2-2 record.

The Junior Varsity Soccer Team finished the season with an impressive 5-2-2 record. After tying the opening game with Cincinnatus, U-E went on to post victories over Vestal, Montrose, Johnson City, and Maine-Endwell. The high point of the season was the decisive victory over M-E who had tied U-E in the early part of the season. Doug McGloin was the high score; for the team, while Gary Kaschak and Allen Forbes were outstanding on defense. Many of the boys from this team will help the varsity to another fine season next fall.

Golf is now a fall sport with sectional and intersectionals held in the spring. The Endicott Municipal Golf Course is the home course for all of the U-E matches.

This season was one for rebuilding. The squad was made up mostly of juniors and one sophomore and two seniors. We had a winning season despite the green squad.

Members of the squad shown are: David Boras, Tony Saraceno, Tom Cardone, John Martyanik, and Tom Monticello. Coach DiNunzio is shown talking with Jack Halloran, Golf Coach from Whitney Point.

VARSITY BASKETBALL 1968-69

With Captain Ken Nigh leading the way, the U-E Tigers opened the 1968-69 season with a 54-51 win over Catholic Central. Gone from the 1968-69 team were all five starters from the previous season's fine club.

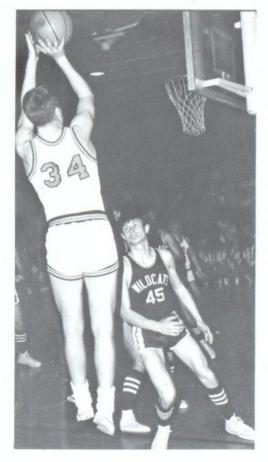

Highlights of the 1968-69 season had to be the two wins over Johnson City and Ithaca. Both squads came to U-E with 5-0 records and went away 5-1. With Ken Nigh hitting for 25 and Dave Dawson and Joe Zarzynski for 11 each, the Tigers defeated J.C. 57-56.

One week later, Ithaca came in with a similar 5-0 mark and went away with a 5-1 after a 72-49 Tiger win. The game was highlighted by the great work of Randy Fello who came off the bench to score 12 points.

The early part of the 1968-69 season was marred by the loss of Ed Folli. Tom Mason joined the Varsity from the J.V. during the latter part of the season.

The Union-Endicott Junior Varsity Basketball team ended their basketball season with a record of nine wins and 7 losses in STAC play. Overall, the J.V. team had a record of nine wins and 8 losses; the other loss was to Henninger High School of Syracuse in the Barney Goodfellow Tournament.

They won their first four league games before losing to Central. The boys displayed a "never give up attitude" and provided the U-E fans with many exciting moments.

Tom Toth was the leading scorer for the team with an 11.2 average per game. Matt Vivona (9.6), Jerry Hanley (8.8), and John Slocum (8) were close behind in scoring. Matt Vivona and John Slocum both had 136 rebounds to lead the team in that department. Tom Toth scored 32 points against S.V.—the most points scored by one U-E player in a game.

Rick Greene appeared to be having a bad time although he saw an undefeated season.

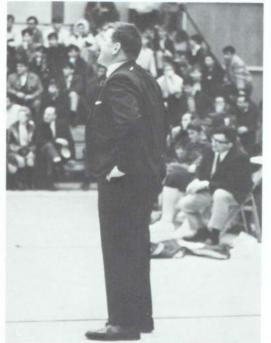

Varsity wrestling team became STAC Champs at tournament in Ithaca.

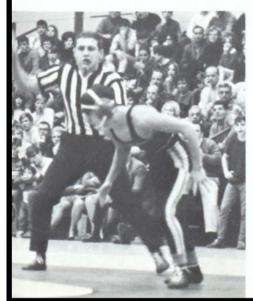

Coach Sorochinsky

The 1968-69 Union-Endicott High School Wrestling Team compiled the team's finest record ever. Undefeated in thirteen dual meets, including defending Section IV Champion Sidney and defending STAC Champ Ithaca, the team also captured the Championship of the Southern Tier Athletic Conference by winning the STAC Tournament held in Ithaca February 7 and 8. It was the first time a major sport had completed an undefeated, untied season at U-E since 1944.

The members of the team shown below are: ROW 1: Don Porter, Rick Hanakovic, Dave Kopolow, Steve Hanakovic, Brian Higby, Jim Bennett. ROW 2: Bruce Jones, John Gaworecki, Rick Greene, Jim Smith, John Herbaugh, Jim Atkinson, Bob Grant, Russ Mills.

The spirited, all-around team effort was coached by Frank Sorochinsky (Sarge), who provided color and spirit as well as fine coaching. The team featured such individual standouts as Dave Kopolow, Rick Greene, and Jim Atkinson who were undefeated during the regular season and Steve Hanakovic, Rick Hanakovic, Bruce Jones, and Jim Bennett who had only one loss each. Rick Hanakovic, Rick Greene, and Jim Smith were STAC Champions at their weight classes. (Cont. on page 114)

The U-E Varsity wrestling team also won the Waverly Tournament and, as well as defeating every team in the STAC, defeated the three top powers of the rival Susquenango League.

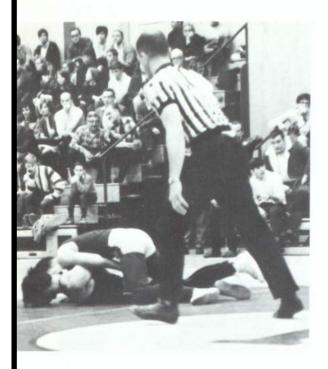

Wrestling at U-E has begun to draw large crowds. The UE-Owego match was held before a standing room-only crowd. Many people have found they enjoy wrestling as much as they have basketball in the past. Much of the wrestling team's success can be attributed to Sarge's recruiting practices-he looks down into the junior high classes for boys who would be interested in wrestling and are also doing well in their studies. These boys then begin practicing and work their way up through the J.V. This saves the team from losing a good wrestler through inelibility. Three of this year's team were in National Honor Society-John Gaworecki, Bruce Jones, and Dave Kopolow. John Gaworecki was valdictorian of his class.

Next year's Varsity team should be as good because the J.V. Wrestlers also became STAC Champs at their tournament February 14 and 15 at Susquehanna Valley.

Dave Kopolow, a National Honor Society member, was undefeated in dual meets.

J.V. Wrestling record will be hard to match.

The Junior Varsity Tiger 12 was a threat to Southern Tier schools. The only loss was to Ithaca High School. The J.V. wrestlers with impressive records are: Don Porter 9-0, Walter Wilce 11-1, Steve Jeleneck 9-1, Tom Murphy 9-2-1, Ken Tripp 9-3, Rich Hauptfleich 8-3, John Herbaugh 7-1, Steve Pari 7-0 and Carl Northrup 11-1. Other Team members with winning records are: Don Tripp 2-1, Bill Shirley 6-5, John Turns 5-5, Harry Stabler 3-2, Larry Roma 1-0, James O'Day 1-0.

The J.V. Team spirit and effort exceeded any previous J.V. wrestling team. This 68-69 team record is going to be hard to match by any future J.V. wrestling team of U-E. The team record was 12 wins 1 loss. The boys practiced hard from November to March two hours a day including Saturdays. On February 14-15 the STAC J.V. Tourney was held to determine the overall J.V. Team Champions.

Tiger Tankmen won victories over Central and North.

The 1968-69 edition of Tiger Tankmen was by far the most successful yet in the short history of swimming at Union-Endicott.

Victories over Binghamton Central and Binghamton North, whose teams have rolled over helpless and inexperienced swimmers in the past four years, were the highlights of the fine season.

A freshman named Louis Fabrizio became one of the most talked about young swimmers in the area with his consistent and school record breaking performances in the 200 yard and 400 yard freestyle events. Frank Norton became the first U-E boy to ever place in the top ten in the State by his high scoring in diving. (Cont. on page 117)

Bob Longo broke the school record several times in the Individual Medley and Co-Captain Robin Dyer, Gary Norton, Roger Neiley, Darryl Cook and Co-Captain Mike Ketchuck were consistent point getters for U-E's mermen.

Bob Smith, who has coached since the onset of the competitive program five years ago, feels that he has the makings of a near Championship team in the 1969-70 season with such fine and promising young talent as Tony Lenzo, Tom Jurena, Walt Pragacz, Zane Smith, Roger Boutelle, John Fiacco, Bob Lane and many others.

Union-Endicott's position in swimming will continue to rise as long as they get the fine quality of boy they have been getting.

Bowling Teams made . . .

After an easy win over Vestal, the Union-Endicott Varsity bowling team started a winning streak that placed them in contention for first place. This strong comeback was led by two last year returnees, Rick Anderson and Dennis McKillop, and two capable coaches, Mr. Lee Greenawalt and Mr. Joseph Sever.

The Junior Varsity, under captain Greg Fontana, had a good year with some exciting matches. Although they didn't come in first place, the team combined to present some convincing wins and next year these boys will head the varsity team.

Although bowling is relatively new for the girls at U-E, it is becoming popular. There were eleven girls representing the school in the newly formed girls' league. The team had a fine record against their opponents and steadily improved.

The annual tradition of crowning the football queen was continued by Student Government.

The U.E. Student Government this year has continued the activities of former Student Governments such as the Foster Child, donations to various charities including our locally-oriented Christmas charities, but also has broadened the scope of its activities. It took over the crowning of the Football Queen from Tri-Hi.

This year the Student Government has attempted to be a "grass-roots" group. The officers felt that it was their duty to get down to the "nitty gritty" and work for the students. We were recognized by the school board, we had a much broader scope in affairs of all parts of the school community, and above all, students have finally been able to help make decisions. The constitution has been amended in major areas to make it more democratic. Many more people have been involved due to added departments. Basically the Student Government has become what it should be, a student organization working for students and their demands.

Although apathy has been an impairment to its purpose, the S. G. has tried and succeeded in the majority of this year's goals.

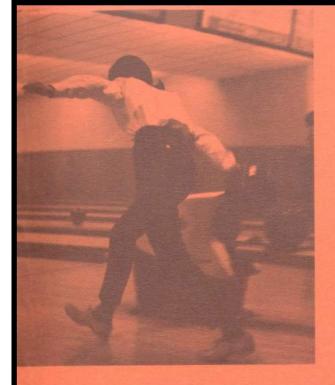

1967 Football captain and queen, Gary Iacovazzi and Leah Lotito, congratulated the new queen.

Cheerleaders worked hard to promote school spirit.

The U-E Cheerleading squad is made up of 12 football cheerleaders, 16 basketball cheerleaders—8 varsity and 8 junior varsity, and 2 tigers.

Cheerleading tryouts are scheduled 3½ weeks before Easter vacation for football and 3½ weeks after Easter vacation for basketball. Tryouts are open to all girls in high school and the ninth grade girls. Cheerleaders are selected for one year. This means that all girls who are interested must try out and go through the selection process each year. Seniors and Juniors are selected for the varsity squad and sophomores and juniors are selected for the junior varsity squad.

Varsity Club's donkey basketball . . .

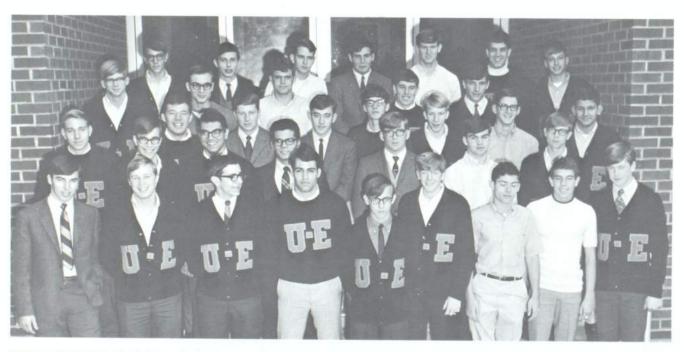

Varsity Club is in its ninth year of functioning here at Union-Endicott High School. Membership in the club is open to all Varsity athletes who have earned a major letter or two minor letters on a varsity squad.

The club's purpose is to promote student enthusiasm, sportsmanship, and responsibility among its members, whose number has reached a new all-time high in U.E. History.

To finance the purchase of club jackets, the Varsity Clubbers sponsored a donkey basketball game. This game, being played on the backs of trained donkeys, not only kept the club alive financially but provided an exciting and hilarious time for young and old alike. Other activities included the selling of U.E. car stickers, programs at Section IV Wrestling finals, U.E. Booster Club stadium pillows at football games, and refreshments at track meets. The 1968-69 version of the Union-Endicott High School Tiger Show Band, through a great deal of hard work and dedication took giant strides in establishing themselves and their reputation as "The Tiger's Pride." The marching band's intriguing drill routines and excellent show themes provided the ultimate in entertainment for the U-E football fans' half-time enjoyment.

The Show Band's new found Esprit de corps could be readily seen in its rehearsals and performances under varying conditions, from the humid heat of the August early week rehearsals, to the biting cold and blustery month of November with the last football game played in near-blizzard conditions. (cont. on next page)

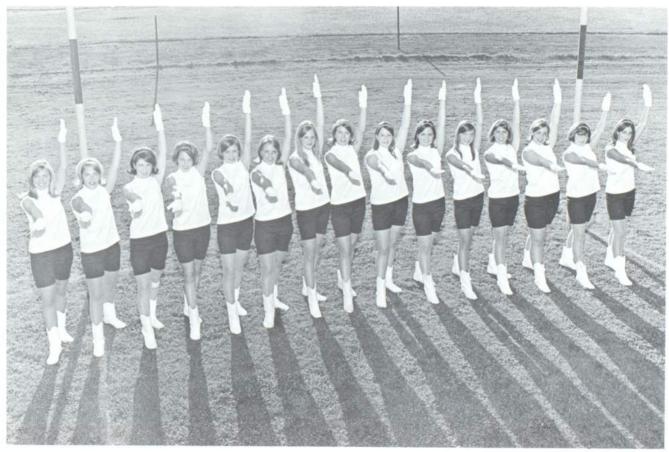

The band members responded to the challenges and demands to better their organization made by their new director, Joseph R. Scagnoli and his very capable assistant band director, Henry Slechta. Having the band's full cooperation, enthusiasm, and dedication to learning a new marching band style made the 1968 fall season one of the most exciting and truly beneficial marching band seasons to date.

A part of the new look in this past year's show band was the high-stepping Tigerette Corps. Acting as an integral part of the show band, the Tigerettes added still another dimension to the show band's performances with their exciting dance routines and guidon drills. The group earned the deserved title of the "Rockettes of the Gridiron" many times over.

This past year's band can truly be called "The Tiger's Pride," the Union-Endicott High School's own Tiger Show Band.

Another new look and sound to the U-E Music Department this past year was the addition of the U-E Stage Band. The U-E Stage Band made its debut with the concert band at the February winter concert.

The band opened its segment of the show with an old favorite, "Heartaches," followed by the vocal stylings of Miss Candy Gehm and a Duke Ellington classic ballad, "Mood Indigo." The Stage Band capped their initial performance with a rousing rendition of "Swing Low, Sweet Chariot," featuring the trumpet of Glenn Maerkle.

The Stage Band personnel was made up of a nucleus of the concert band. Spending extra hours in rehearsal, the stage band members found a new experience in performance through another media—the "big band" and the "big band" sound. This group was another new dimension to the fast growing family of bands referred to as the "U-E Bands."

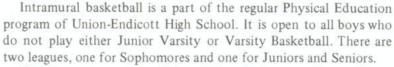

Basketball Intramurals were enjoyed by many.

Usually games are played the ninth period two to three nights a week depending on the availability of the gymnasium. The members of the Varsity and Junior Varsity basketball teams referee the games.

At the end of one complete round, the top four teams play each other in an elimination playoff where the two top teams play until one is defeated twice to determine the championship.

This year there was a total of 26 teams with from 8 to 12 members on a team. Each team played the other teams in their league at least once.

These games were free and were open to anyone who wanted to come and watch them. Many of the games were close and very exciting.

Pep Club supported the athletic teams in victory and defeat.

Pep Club has tried this year to increase our school spirit and to get the students interested in the sports events which were taking place in the school year. Pep Club made signs which were posted in the halls of the school. The posters announced the events of the week, telling the place, time and the team we were playing that week. Also some posters were made to take to different high schools to post in their halls. During the basketball season, the gym was decorated with posters made by Pep Club. Pep Club also painted the stadium bleachers orange and sold decals.

Pep Club supported the different sport teams of the school by cheering during a victory and standing behind them during their defeats. Pep Club members went to away games on buses to help the teams. The main purpose of

Pep Club this year was to support the teams of our school.

The officers of the club were: President-Rita Ciotoli, Vice-President-Bonnie Guinipero, Secretary-Charlene Fanara, Treasurer-Ginger Dyer, Sergeant of Arms-Delores Putrino.

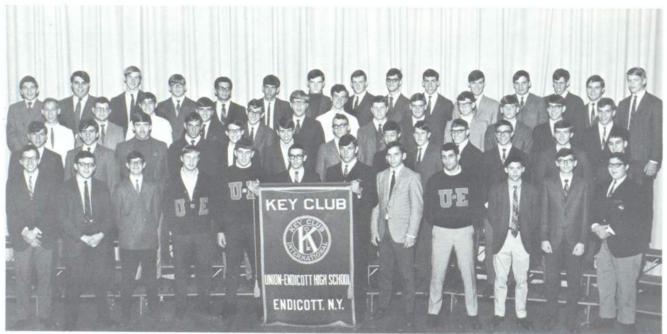

Key Club strove to make the school and . . .

The Union-Endicott High School Key Club is a voluntary Service Organization which is comprised of boys from all high school classes. Before becoming an active member in Key Club affairs, an applicant is given a general evaluation on his academic achievements, his participation in community interests, and most important, his attitude towards helping others around him.

Since September of this school year, the Club has been involved in many worthwhile school and community projects. The first project undertaken by the Club was the sale of sports programs at the Football and Basketball games. Next, the Key Club donated a Thanksgiving meal to eight area families. During the Christmas Season the Club contributed 250 toys to the less fortunate children of our area and a large amount of candy to children in nearby hospitals. They have compiled a Telephone Directory which contains the names, addresses, and telephone numbers of each student attending U–E. Finally during the second semester, the efforts of the club were directed towards raising funds for Project Hope and for those members who will be sent to the up-coming Key Club Convention.

This year the new club advisor, Mr. Gregory Gianakorous, has devoted much of his own time in an effort to build the U-E Key Club into a unique service organization. His ideas and experience were an accepted part of the club's success and achievements. Through the efforts of their advisor, club officers, and members, the Union-Endicott Key Club is constantly striving to make both the school and community a better place for everyone.

To raise money for the club, the boys sold large school pennants.

Ski Club enjoyed many trips to Greek Peak.

Although it is one of the newest clubs at U-E, Ski Club has been one of the most popular clubs in the school with about 150 members. Mr. Anechiarico, the club's advisor, Bob Johnson, president of the club, Vice-President Jodi Pavlis, Secretary Martha Shell, and Treasurer Nancy Brower, spent much of their time and talents organizing the club's activities. The skiers enjoyed roller skating parties as the major fund raising activity. Not only were these fun, but it put everyone in shape for the skiing season. With this money the club made five consecutive Friday night trips to Greek Peak where everyone was given a lesson by a professional ski instructor. Many beginners joined the club this year and they all learned fast. Experts and beginners alike looked forward to Friday night skiing. The club also made a couple of Saturday trips to Hunter Mountain and Intermont. It proved to be a successful skiing season.

Library and AV Club served the school.

The Union-Endicott Library Club for 1968-69 has been a small but active club with a two-fold purpose. This purpose was to offer service to the school library and its users and to provide club members with an increased knowledge and appreciation of library procedures.

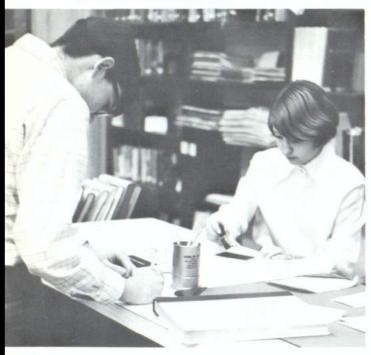

Members must have the ability to assume responsibility and willingness to do an assigned task. They must give three hours of service per week to the library.

Activities included a Halloween party in October and a tour of the Robertson Memorial facilities and Christmas Forest in December. A project to send books to a school in Jamaica was also developed.

Tri-Hi Girls learn to work together.

The Tri-Hi Club of Union-Endicott High School has been in existence for a number of years and is primarily a girls' social club. The various activities of the club are planned so that girls may learn how to work together and how to enjoy associations and friendship through the club membership.

This year the girls had held several bake sales and a candy sale in order to raise funds for a trip to New York City in the spring. A card party is held annually for adults, and the funds from this affair are added to the regular scholarship loan fund which the club has. For several years, U-E girl graduates have been able to borrow from this fund in order to continue their education.

Research is the backbone of a good Debate Team.

The Forensic debate topic for the year was "Resolved: That the United States should establish a system of compulsory service for all citizens." Some of the foremost requirements of debate are research, preparation, good speaking techniques, and the capability of communicating with fellow debators to gain insight into the topic being debated. The members of

the Union-Endicott Debate team are prime examples of fine debators. This year the team compiled another excellent record locally and statewide in spite of financial problems. Although debate is demanding, it has many fine rewards for those who meet the demands.

. . . for future theatrical enjoyment.

Drama Club at Union-Endicott High School is an informal group that becomes a hard-working one in the spring, for in the spring a major play is selected and that means casting, rehearsing, building, and chasing after, begging for, borrowing, and "stealing" furniture and properties.

Hard work? Yes, but it's fun, too. The production gives aspiring young actors an opportunity to demonstrate their abilities in a live show, before a live audience, on a real stage, in a real play. The backstage workers—and there are always more backstage than on stage—also have the satisfaction of seeing their work on lighting, costuming, set building, painting, ushering, sound, tickets, posters, prompting, et. al. become part of living theater.

It all adds up to a kind of preparation for the future. For once a student becomes part of a play, he is being exposed to live theater. The hope is that interest in the theater, or drama, as a participant or playgoer, will become a lifetime pursuit. In short, the student is opening the door to a life of entertaining enrichment.

Mathletes found trick problems a challenge.

The Mathletes at Union-Endicott this year were a group of mathematically-oriented students who found trick problems quite a challenge. To prove their ability, they competed against teams from nine other schools in the area. These competitions consisted of five "meets" in which all ten schools were present. (The winning school was determined on a total point basis,

and a trophy was awarded).

Cheering the U-E "Mathletic" team on were Mr. E. Goodnow and Mrs. U. Wood, the advisors. Members of Mathletes were: ROW 1: Beverly Bonner, Eloise Fuller, John Gaworecki, Bruce Jones, Max Huang, Janis Howe, Marcia Mulock, Andrea Pealler. ROW 2: Stan Perkins, Mark Smith.

Music Club aided all music activities and heard the Philadelphia Philharmonic Orchestra.

The Music Club is an organization which aids and assists all musical activities at U-E. This year, the club supplied field managers to aid in marching band performances. It also supplied ushers and stage managers for concert band performances.

Besides helping others, the Music Club member was given an opportunity to increase his own knowledge and appreciation of music. Listening sessions were held where the members of the club discussed their ideas about the music being listened to. Their annual trip to Philadelphia to hear the Philadelphia Philharmonic Orchestra also proved to be quite enriching. Music Club also had various fund raising projects throughout the year to minimize the cost of this trip for their members.

Art seminar is made up of students enrolled in art courses and interested in learning additional information about various fields of art.

Activities are undertaken which would be difficult to complete during a regular class session. Such activities include extended drawing and painting seminars, previews of art films, demonstrations by guest artists and craftsmen, and dinner meetings with speakers from the commercial art world.

Whenever it was possible, Art Seminar took trips to both local and area art galleries and museums. Schools and colleges were also visited to help those students who are thinking of pursuing a career in art.

History Club gained historical knowledge while taking trips to Boston and New York.

History Club is an organization formed for non-regents History students. Its purpose is to stimulate further interest in our American heritage. This year's members were given many opportunities to fulfill this interest.

This past year History Club has been very active. The thirty-five members, advised by Mr. Clayton and Miss Coccetti, took a trip to New York in January. Other trips included Niagara Falls, Fort Niagara, Washington. Later on in the year the club visited Boston on an overnight tour of historical importance.

All activities participated in by the members were paid for by dues, bake sales, and aid from Federal Government.

The goals of History Club were attained this year, in that its members furthered their education with historical knowledge.

History Seminar traditionally has provided senior and junior year students with an opportunity to become involved in community and national affairs on a limited basis. The year 1968-1969 saw the Club's activities centered around monthly dinner meetings, at which times guest speakers with topics of current social interest were invited. There were fundraising projects designed to cover expenses of a spring vacation trip to Washington, D. C. This year's fifty-some members had capable officers in Mary Beth Overstrom, president, Tom Durr, vicepresident, Becky Snyder, secretary, and Mark Smith, treasurer, with Mr. Ketcham as club advisor.

The Co-operative Office Skills Program provides a plan whereby business students may receive Regents credit for actual work experience in approved office employment related to a vocational business course in which they are enrolled.

Students must be employed an average of at least fifteen hours per week for a minimum of fifteen weeks per semester. They may earn one-half credit per semester if they maintain satisfactory grades and earn a satisfactory job rating by their employer and school supervisor, Mr. William Dupkanick.

The amount per hour received is established by their individual employer. Co-ops now earn a total amount exceeding \$30,000 each year. One stipulation regarding their take-home pay is that they must bank at least one-half of their net pay.

Chamber Orchestra studied many works such as:

West Side Story and Firework Music.

The Union-Endicott Chamber Orchestra has confined itself chiefly to the more intimate type music of the Baroque, Classical, Romantic, and Modern eras. Since only one or two students play any one part, such works require maximum ability on the part of each musician. Concerto for Two Flutes and Orchestra, by Antonio Vivaldi, Handel's Firework Music, Mozart's Shepherd King Overture, Reverie by De Bussy, and Della Joio's Chopin Transcription for Orchestra are some of the orchestra's representative repertoire.

In anticipation of a fuller orchestra in the school year 1969-1970, and for the beneficial experience inherent in larger works, the following have been studied: Richard Strauss' Excerpts from Der Rosenkavalier, Ralph Vaughn Williams' English Folk Song Suite, and Leonard Bernstein's West Side Story excerpts. Literally hundreds of exciting, challenging works lie in store for our orchestra of the near future.

Concert Band presented a series of Sunday afternoon per formances.

The Music Department presented with pride the department's top concert band, the Union-Endicott High School Concert Band. This band was a select group of 56 musicians and was under the very capable baton of its new director, Joseph R. Scagnoli.

U-E band boosters again witnessed a continued effort by the band members exemplified earlier in the fall by the football band. With a seemingly stronger will to succeed as a Concert Band, Mr. Scagnoli made even sharper demands and a test of each members's personal discipline confronting the band with a variety of difficult, but musical band compositions. The performance of such a board spectrum of musical styles was a true test of the Concert Band's flexibility and control as a performance organization.

The word that could best describe this year's concert band would have to be "performance." Starting a season of Sunday afternoon concerts, the Concert Band performed in a Winter concert in February. Prior to the public concert, the band made appearances at the two local junior high schools. Following this initial concert series, the band members

performed in a Spring concert, the N.Y.S.S.M.A. solo, and small ensemble contest, and hosted the N.Y.S.S.M.A. large ensembles' contest. The concert band finished the school year with an outdoor concert before the formal commencement program. (Cont. on page 155)

The concert band's efforts and enthusiasm were set, and amply demonstrated, by their director, Mr. Scagnoli, thus marking it as one of ,the area's more improved and exciting performance organizations. Mr. Scagnoli best described the 1968-69 Concert Band, when he said, "The band members overcame many of their performance problems through sheer tenacity on each individual's part to improve and to succeed. The band's attitude only reaffirmed my beliefs as a teacher and director that high school students can do anything they will to be done. I stopped underestimating students after my first year of teaching. The band still has a way to go, but the start we got this year put us well on our way toward reaching some of our musical goals. The incoming freshmen will have their work cut out for them when they try to fill the shoes left by our graduating seniors."

National Honor Society members were active in many other organizations.

The U—E Chapter of NHS is an organization of students who have proved themselves to be among the elite in Union-Endicott. Students who have a high academic average are reviewed by a faculty board for admission into the club on the basis of high character, leadership, and service to the school, church, and community.

The officers were Mark Smith, president; Sonja Neilson, vice-president; Eugenia Alexander, corresponding secretary; Janis Howe, recording secretary; and John Gaworecki, treasurer. Mrs. Ann Pizante served as faculty advisor.

The activities of the club were varied. The members donated their time to serve as tutors for students failing in their subjects. The club has fund-raising projects such as donut and pizza sales and car washes to pay for the inductions and to support the National Honor Society Award, a sum of money given at graduation to the senior member who has contributed the most in service to club, school, and community.

The club supported a subgroup, the Humanities Seminar, which held discussion groups after school and attended plays, concerts and movies, which interested the members, at Harpur and Broome Tech.

The REED is the student literary magazine of U.E.H.S. It aims to represent the entire student body by publishing any literary work written by any student during the current school year.

This year the REED'S officers were: President—Greg Latta, Vice-President—Jack Bassett, Secretary—Mary Ann Dranchak, Treasurer—John Gaworecki.

Each member of the Literary Staff worked on evaluating literary works of other students, and did creative writing themselves. Art Staff members designed cover ideas and illustrated various poems or short stories.

This year the club voted to improve the REED by using regular high-gloss magazine paper instead of the ordinary white stock, in the hopes that this would increase the quality of the magazine.

The 1969 Thesaurus Staff worked hard to . . .

The 1969 staff attended several seminars on the latest in yearbook design and have tried to use the new ideas that were learned. One of these new ideas is the modern layout that has been used in college yearbooks for a few years—all pictures and copy radiating from the center. Another item added in this edition is copy throughout the book. Each club has a history of its activities during the year.

The staff began as early as the spring of 1968 to make many important decisions and worked during the summer to organize the book. The yearbook staff this year is under the direction of their advisors, Mrs. Stone (upper right) and Mr. Rose (lower right). Pat Stokem (above) is shown sorting faculty pictures and Ann Marie Marble (right) is shown checking yearbook payment records.
