“Forever Free” In Endicott, N.Y.

The Union-Endicott community has for almost seven decades enjoyed the benefits of one man's dreams, vision, and foresight. Lightyears ahead of his time as an entrepreneur, George F. Johnson set the pace for this wonderful community. He took employee benefits and community involvement to its highest level.

As a man, he never forgot the days of his youth, when he didn't have a nickel to take a ride on a merry-go-round when the carnival came to town. He grew up to be the influential, wealthy president of the Endicott-Johnson Corporation.¹

And then George F. Johnson made sure that no youth because of lack of money would not be able to have a ride on the merry-go-round. Among his many philanthropic gifts to the Triple Cities were six carousels, given with the stipulation that no one would ever have to pay to ride them.²

This generous gesture was only one of many. However,

the carousel is symbolic in that it reminds us that we are free to be whatever we dream of being.

Growing up in Endicott, I'm sure that most of us have taken the carousels for granted — thinking that every town has a carousel and they are free everywhere. In fact, there are only 250 carousels left in the United States — six of them in Broome County. Three of those six were originally built in Endicott. Hence, we have acquired the nickname “Carousel Capital.”

Perhaps the greatest tribute that can be given to George F. Johnson would be to know that we too can fulfill a dream — just as he did.

he Class of 1992 has had a productive year. our magazine sales went well and our various other fundraisers are going equally as well. This year I feel our class pulled together as a whole and became more varied in many aspects. I would personally like to thank all the seniors that took part in all the fundraisers we had throughout the year. Through your efforts we raised enough money for the prom and class trip.

Now that high school is over, I hope that all the graduates can look back with fond memories of U-E. Al-

though at times Endicott was not the most exciting place, we have made the best of it. Over the past four years, we as a class have shared experiences to last a life-time.

Going into the future, I wish you the best of luck and urge you to pursue your dreams. When you look back at high school, remember the good times and try to remember the friends you made. Keep your head held high and say with pride, "I was a graduate of Union-Endicott High School."

— Tom Nirchi
Class President — '92

Mike, Mike, and Jason — in the earth; science room?

The deadlines are coming!

Workin' till we drop!

What did Santa leave for you?

This year's yearbook staff got off to a great start. Yearbook orders were better than usual during the Fall and Winter months. We offered, for the first time in 1992,

an additional "Senior Privilege" to our Yearbook. For an additional two dollars, any senior could order their yearbook with their name stamped on the cover. All of our deadlines have been up to date and we hope to receive our book in early June. Thanks to all the staff who spent more time working on their section right before the deadline than they did sleeping (Jess.) The days went fast if your deadline was months away until Lesko and Loughren started to talk to you every day, even every hour about "Who's on first and what's on second" in your section. I don't think we'll ever forget the five hour, after school, one-day before the deadline, procrastinator's work sessions that saved us every time.

After the deadline stress is terminated on March 1, 1992, we plan to sell M&M's to raise money for our trip to Dorney Park and Wild Water Kingdom. Thanks to all those who worked on the production of our 1992 Yearbook. Special thanks to my wonderful Section Editors and Advisers. Good Luck Next Year! — Jennifer D. Volpe

Tiger's Pride Marching Band

Phoenix Bound!

I can't believe my eyes!

Bar! saxes comin' through!

A season's spoils!

You're history!

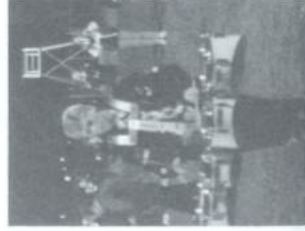

My arms are getting tired!

Doesn't this thing work?

Made in the shade.

Keep the same tempo!

The Union Endicott Tiger's Pride Marching Show Band proved their abilities in a very successful 1991-92 season. The 163 member band marched to the music of Leonard Bernstein's "Something's Coming" and "Officer Krupke," Chick Corea's "Central Park," and "God Bless the Child" recorded by Billy Holiday. Through the hardship of Band Camp and the regular season, the Band went on to capture third place in the New York State Field Band Conference Championships at the Carrier Dome.

However, their work was not done yet. The Tiger's Pride was one of several bands selected nationally to participate in the Fiesta Bowl Parade and Pageant of Bands in Phoenix, Arizona. Third place was awarded to the Band for their performance in the parade. In addition to their competitions, the band enjoyed the sights around Phoenix and Sedona. The combined effects of the season's events have truly had this both a challenging and memorable year!

Music Staff: D. Bolson, J. Ferguson, E. Lavy, D. Miller, B. Peters, J. Peters, K. Strubbe, and B. Welker.

Visual Staff: L. Bolson, J. Danilich, C. Gibson, J. Kopcho, G. Staring, and K. Williams. Drill Staff: D. Ellis, T. Harvey, C. Sherling, and J. VanPelt.

This year's rifle line of the Union Endicott Tiger's Pride, under the leadership of Gretchen Starling, proved to be a hard working and fun loving group. The twelve members included students from the ranks of Freshmen to Seniors. Nearly everyone attended our successful trip, with the rest of the band, to Phoenix, Arizona, where we created even more memories to add to the season. But perhaps our best known memories took place on U-E's own practice field. (Za-dat-da! Za-dat-da!) Best wishes to seniors Stacey Baker, Beth Germick, Errin Hooten, and Nadine Olshefski.

It's been a great year for the flag line with its 23 girls from all four classes under the instruction of Jill Danilich. The year was filled with everything from jazz runs across the field to the Muppets singing "The Twelve Days of Christmas." Through practices and competitions in wind, rain, snow, and heat, they've never let go of their confidence. Even when they got to their first rehearsal in Phoenix to find that their flags had been left in Endicott. But all in all, new friends, experiences, and skills will be fondly remembered by the 1991-92 flagline.

Standing proud!

Don't drop it!

Don't mess with me!

Who are you lookin' at?

Raise your hand if you're sure!

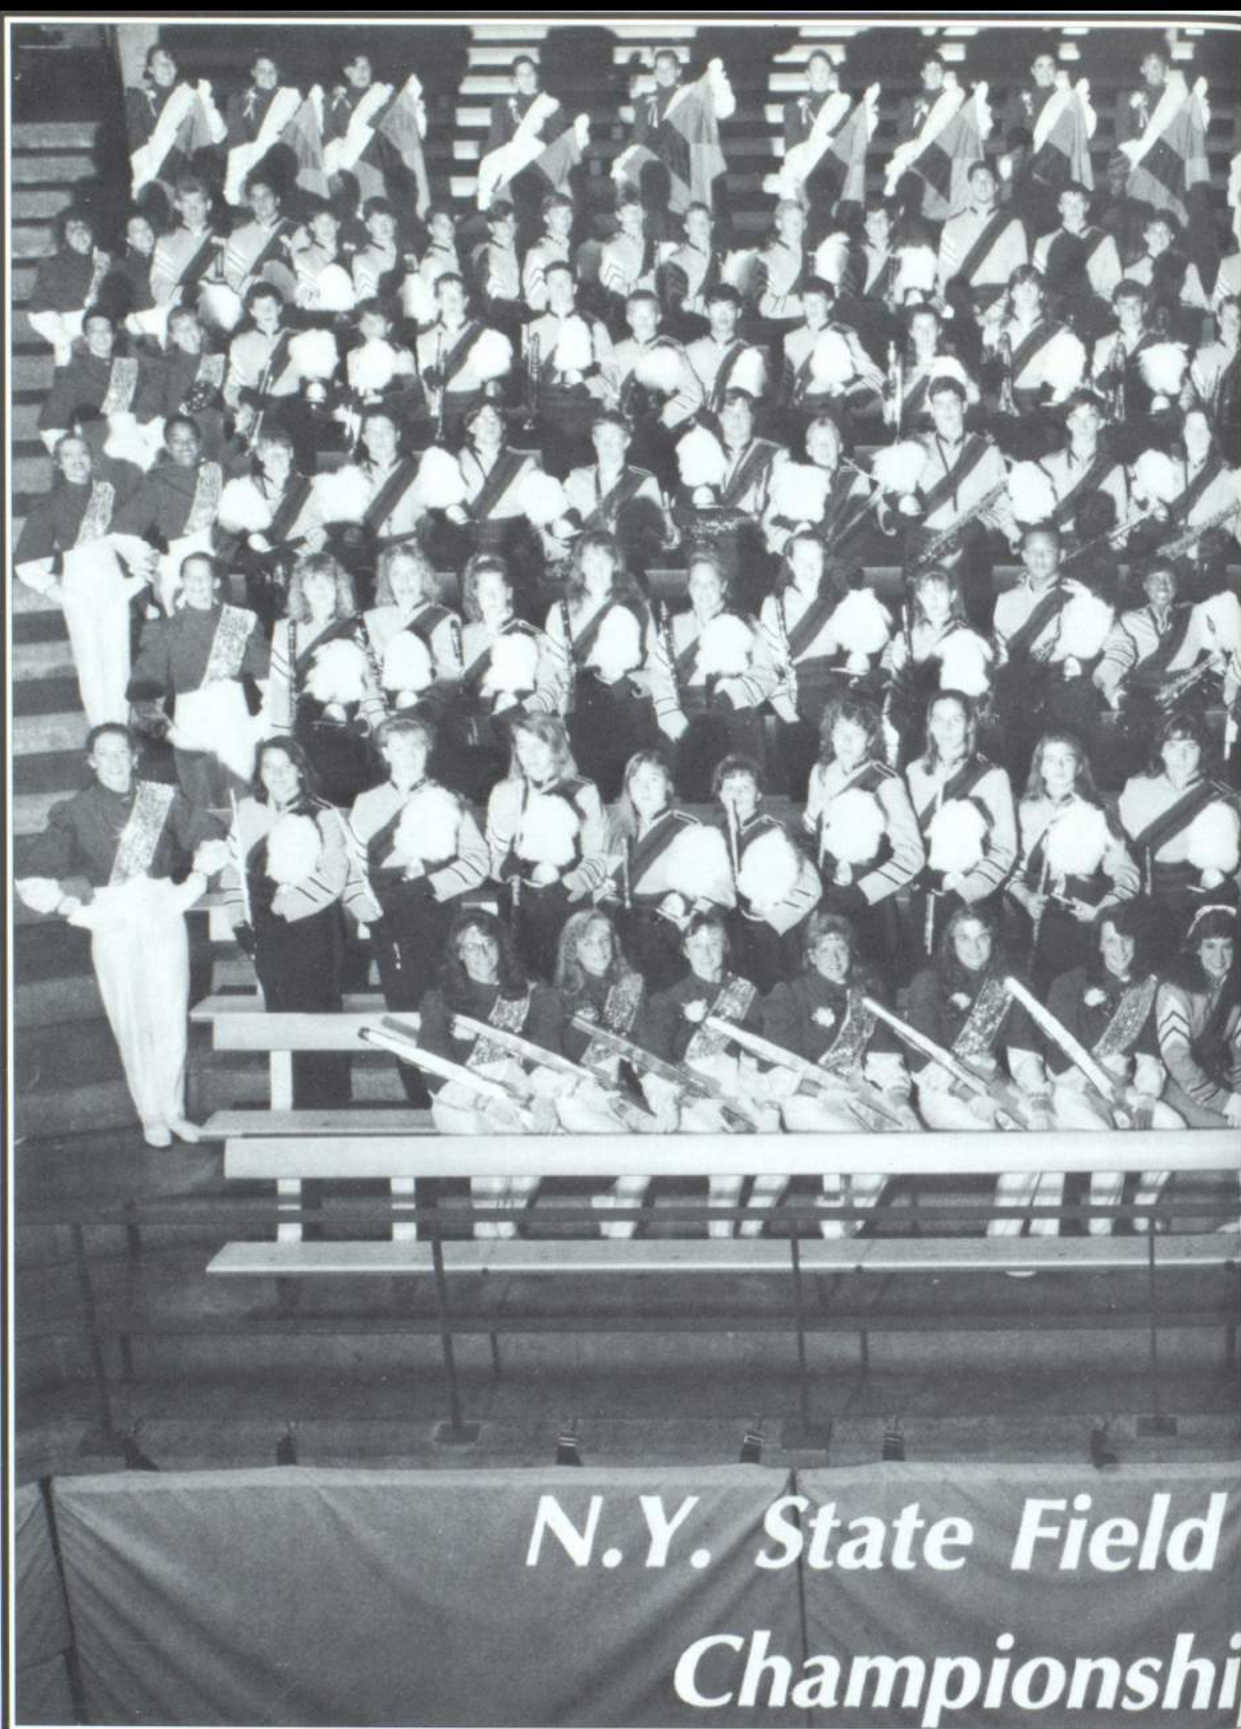

What am I doing wrong?

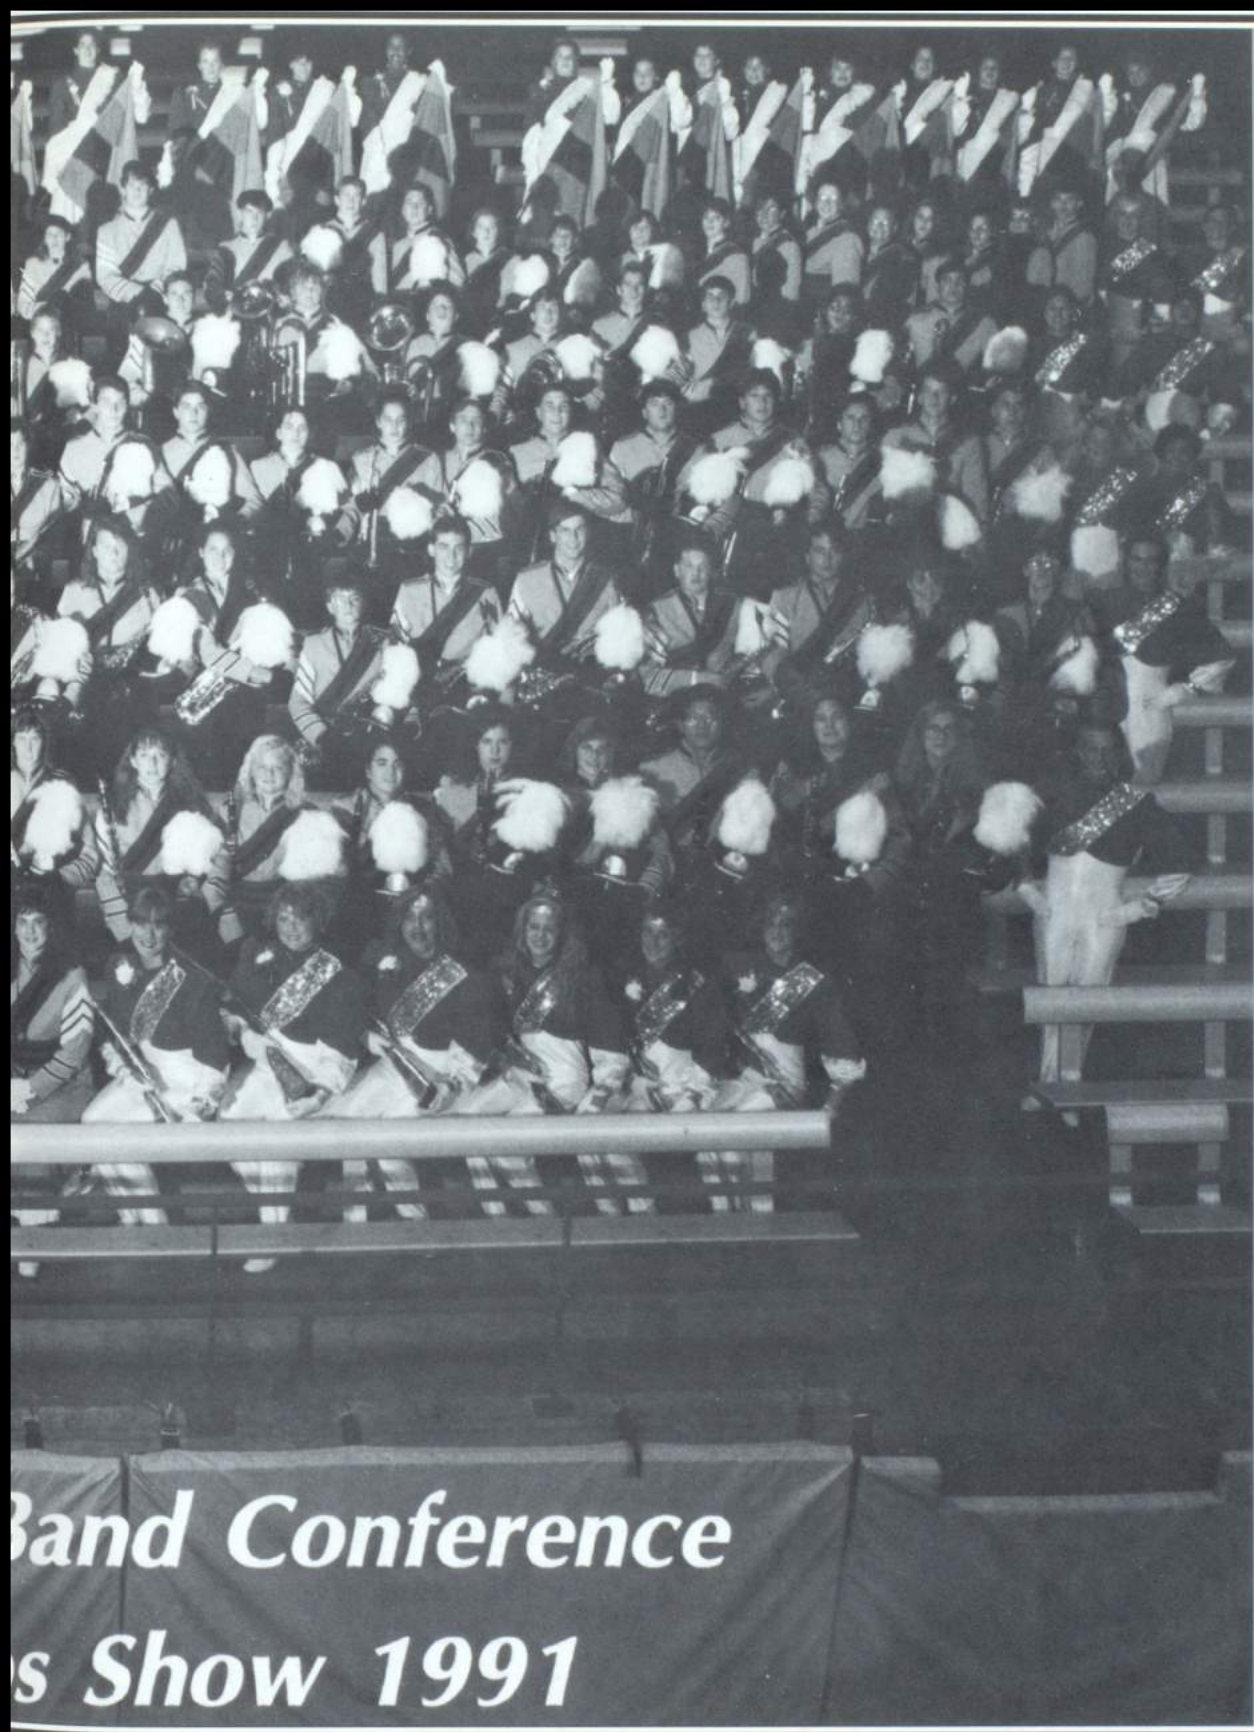

I hope nobody sees me.

Tiger's Pride Tigerettes Line

The 1991-92 Tigerette line has had a very exciting and prosperous season.

The group enjoyed performing at various competitions and marching in the Fiesta Bowl Parade. Congratulations on this year's accomplishments, and good luck to future Tigerette lines.

Shake it down!

The U-E Winter Guard is a select group of students who, in the fall, are members of the Tiger's Pride Marching Band program. Membership is by audition only.

The activity requires its members to be proficient at twirling a flag, saber and/or rifle, and dance and movement.

Their show is designed around a selected piece of music, and beginning in November, many hours are spent in rehearsal to perfect the performance of the show. Beginning in early February, the Guard takes their show "on the road" in weekly competitions sponsored by the Mid-York Col- or Guard Circuit. They also compete in the Northeast Regional Competition of Winter Guard International (WGI) against guards from the northeastern United States and eastern Canada. They complete their season in April by competing in the Mid-York Championships and at the WGI Olympics at the University of Dayton Arena in Dayton, Ohio against guards from across the United States, Canada, and Europe.

Hey! Watch where you're going!

Who's the laughing stock tonight?

Concert Band

The Concert Band, under the direction of Mr. Barry Peters, begins the new school year with high hopes for a productive and enjoyable year. The members of the

Concert band represent the best band musicians our school has to offer. In an attempt to challenge their ability and to increase their musical experience, a wide variety of repertoire composed by both classical and contemporary artists has been selected. The group will perform in a series of concerts, at the high school and Enjoie Golf Course, open to the general public. In May, the Concert Band has the opportunity to participate in the NYSSMA large ensembles festival and to show the state of New York their outstanding ability.

Jazz Choir

Oh my gosh, I forgot the words!

The U-E Jazz Choir is the vocal component of the U-E Jazz program. As small group of extremely talented individuals, they perform the latest pop, jazz, and rock music. These students go the extra mile to meet rehearsal and performance demands that being in a select organization creates. They will appear several times this year including their final performance at Enjoie Golf Club at the annual Chicken Barbeque.

Jazz Choir Singers:
Mike Brandt, LeShaun Carter, Betsey Decker, Todd Kanick, Christina Owen, Bridget Sheahan, Shannon Walsh, and Aubrey Wood.

The U-E Chorale is a select group of talented musicians who excel in singing. They perform music of the highest caliber and work diligently throughout the year to perfect their abilities.

Besides performing in the U-E auditorium, that are called upon to entertain for civic groups and church organizations. This year they will also be doing a choral exchange concert and participating in the Music in the Parks Competition in Williamsburg, Virginia.

The U-E Chorus has many enthusiastic, gifted vocalists who enjoy singing within a large group of people. These students strive to do their very best in learning new music for public performances which are given throughout the year. As one reward for their efforts, there are social events such as a choral banquet and field trip to an amusement park at the end of the school year.

The members of the Chorus are: T. Abby, C. Antalek, M. Brandt, S. Briczinski, A. Brooks, L. Carter, J. Conklin, D. Crandall, M. Darrow, R. Davies, B. Decker, M. Dizer, M. Ellis, H. Fish, K. Mock Trial

The New York State Bar Association sponsors the Mock Trial program. An

imaginary court cast is given to all the schools who wish to participate. Each school's team learns both sides of the case — the plaintiff's and the defendant's. At the competition, only half the team, for example the defense, will compete against the plaintiff's side of the opposing team. Competition takes place at the Binghamton Courthouse in front of a judge.

On behalf of all the members of Mock Trial, I'd like to thank our advisor Mrs. Fitch and our lawyers for their support and valuable advice.

Where's That!?

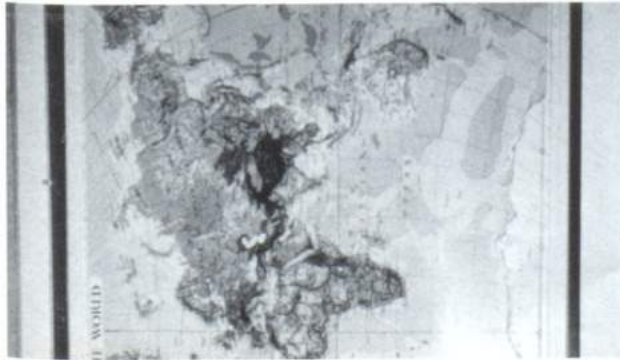

History Club has enjoyed a very exciting and superbly successful year. Scholarships for many colleges may be won through the club, and annually many members apply and are successful in acquiring financing for their collegiate continuance of education. In the past years the History Club roster has grown into one of the largest clubs at UE. A grateful thank you to all of the members of history club participating to make the club as successful as it has been.

Matheletes

The Matheletes Club, under the advisement of Mrs. Patricia Rittinger, consists of students in U-E who have an interest in

mathematics and especially in mathematical competitions. The club members compete in the Broome County Matheletes contests which are held five times a year. The top sixteen individuals then compete on an All Broome County team in the New York State Matheletes Competition.

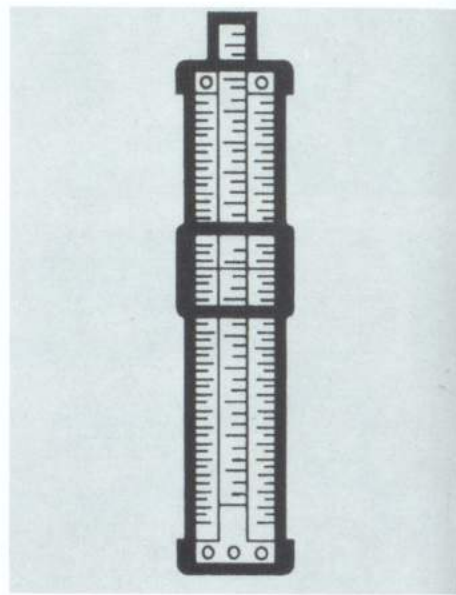

The U-E Matheletes also compete in the New York League contests which are held here six mornings a year. These results are mailed in and compared against other regional schools.

Hartwick College also sponsors a math competition in the spring which U-E has often attended and also won.

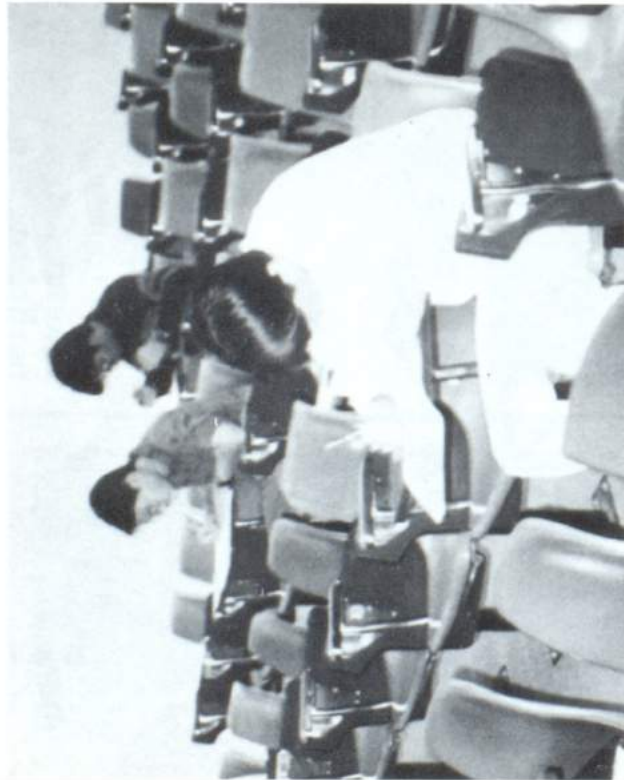

The Matheletes club has also taken part in the American High School Mathematical Examination. In the past, several students have qualified from this test to go on to the American Invitational Mathematical Examination.

CO- -OP

This program has the advantage of coordinating theory and practice for the benefit of the student, school, and employer. It is a plan whereby business students may receive Regents credit for actual work experience in approved jobs that are related to a course in which they are enrolled. Students who maintain satisfactory grades and earn a satisfactory job performance rating by their employer and supervising teacher may receive credit. One-half unit is earned for working each 150 hours up to a maximum of two credits per year for 600 or more hours. The school adviser is Mr. William E. Dupkanick, Supervisor of Occupational Education.

Participating businesses that are providing employment opportunities during 1991-92 for our students are Binghamton Savings Bank, IBM Marketing, Matco Electric in Vestal, and Youth Photography. Caryn Bender, Denise Bevelacqua, Georgia Koutsaris, and Sarah Kovalchick are our Co-ops for 1991-92.

The Italian Club has been involved in many activities throughout this year as well as the exchange program with Bolanzo in October. Activities include fund raisers for our trip to New York City in December. We plan on organizing service projects and activities that allow the entire club to become involved in the Italian spirit of things. We want to make this year's club highly successful by keeping the UE Italian Club striving towards cultural exposure, and mostly, fun.

Exchange Program

On October 2, fifteen Italian students and their chaperone, Donato Suma, came to Endicott to share our American culture. For three

weeks, the Italians and their American hosts attended various lectures and visited many sites. The group visited Niagara Falls, Albany, Ithaca, Cooperstown, and many other local sites. Numerous dinners and banquets were held throughout the three weeks in the students' honor including a beautiful welcome and farewell dinner sponsored by the Sons of Italy and the Daughters of Columbus. In addition to the organized activities, the Italians got a taste of American home life and entertainment through their individual host family. The students and Mr. Suma left an everlasting impression on everyone who was involved in the exchange. It was a very worthwhile experience for both the Italians and the Americans. We are looking forward in continuing the exchange for many years to come.

Hosts: Mrs. Bermada, K. Cretaro, N. Horten, T. Fata, A. Fisk, R. Gasbarra, J. Isenburgh, J. Morris, T. Nirchi, M. Pinto, Mr. Salati, J. Sbarra, D. Schlatz, L. Skinner, B. Sylvester, J. Vallone, J. Volpe, and Mrs. Wahila.

Italians: L. Battisti, S. Candura, E. Fabbri, E. Gerolimon, S. Giurdanella, M. Pacher, P. Panizza, M. Ponte, F. Saorin, E. Sartori, V. Scapin, L. Stefanelli, C. Squillante, D. Suma (Professor), D. Tommasuoli, and M. Vender.

What's going on here?

Jorge Leal, from Mexico, and Flavia Silva, from Brazil were given the opportunity to come to the United States through Rotary International. Rotary International is an organization of business and professional leaders united world wide and dedicated to humanitarian service, ethical standards in business and the professions, and to promote world wide understanding and peace through programs like the youth exchange.

Jorge, a senior at U-E, came to Endicott last August of 1991, but it was not his first time in the U.S. He has previously been all over America including Houston, Los Angeles, and Disney World. Coming here has enabled him to learn our language and customs. He says that he likes the U.S., and that our school is "interesting." His stay with us will only be until August of 1992.

One big, happy family

Let's see those smiles!

For many years, U-E and Lyon, France have participated in an Exchange Program. Students from Lyon have come to the U.S. in February and stayed for about three weeks. U-E students travel to Lyon in March or April and also stay for three weeks. While in France, the U-E students learn the French customs and traditions. They also spend four days touring Paris. There are eight students going to Lyon this year. They are Dione Burch, Jennifer Benson, Joanna Conard, Kara Corbin, Christina Healy, Lea Newman, Laura Sweeney, and Dan Wu.

Last year, U-E did not participate in the exchange because of the Gulf War. Even though we could not go to France, on February 14th, the French

students arrived in Endicott. Each year, the French Club hosts a banquet for the arriving students. It serves as an introduction to the upcoming events and offers a chance for the students to get acquainted with their host families. Many students at U-E serve as host families and find ways to entertain the French students by showing them around Endicott. At the end of two weeks, the French students visit New York City for a week then return home. The students from U-E and Lyon develop long lasting friendships. As the students from Lyon or U-E return home, they bring back many memories, friendships, and a little part of the country inside of them.

Teachers and chaperones before the day begins.

Flavia, also a senior, had been taking English classes for seven years and had heard a lot about the U.S. when she came to this country last January. To partake in this opportunity, she became involved in Rotary International. While in the U.S., she has traveled all along the East coast from Vermont to Florida, including Disney World. As an active student, she has enjoyed playing on the U-E Volleyball team and participating in the U-E Marching Band's Flag Line. Overall, she loves our country and thinks that we have something to be proud of.

The Spanish Club is a socio-recreational and educational club. It provides an outlet for exposure of UE students to the Hispanic culture.

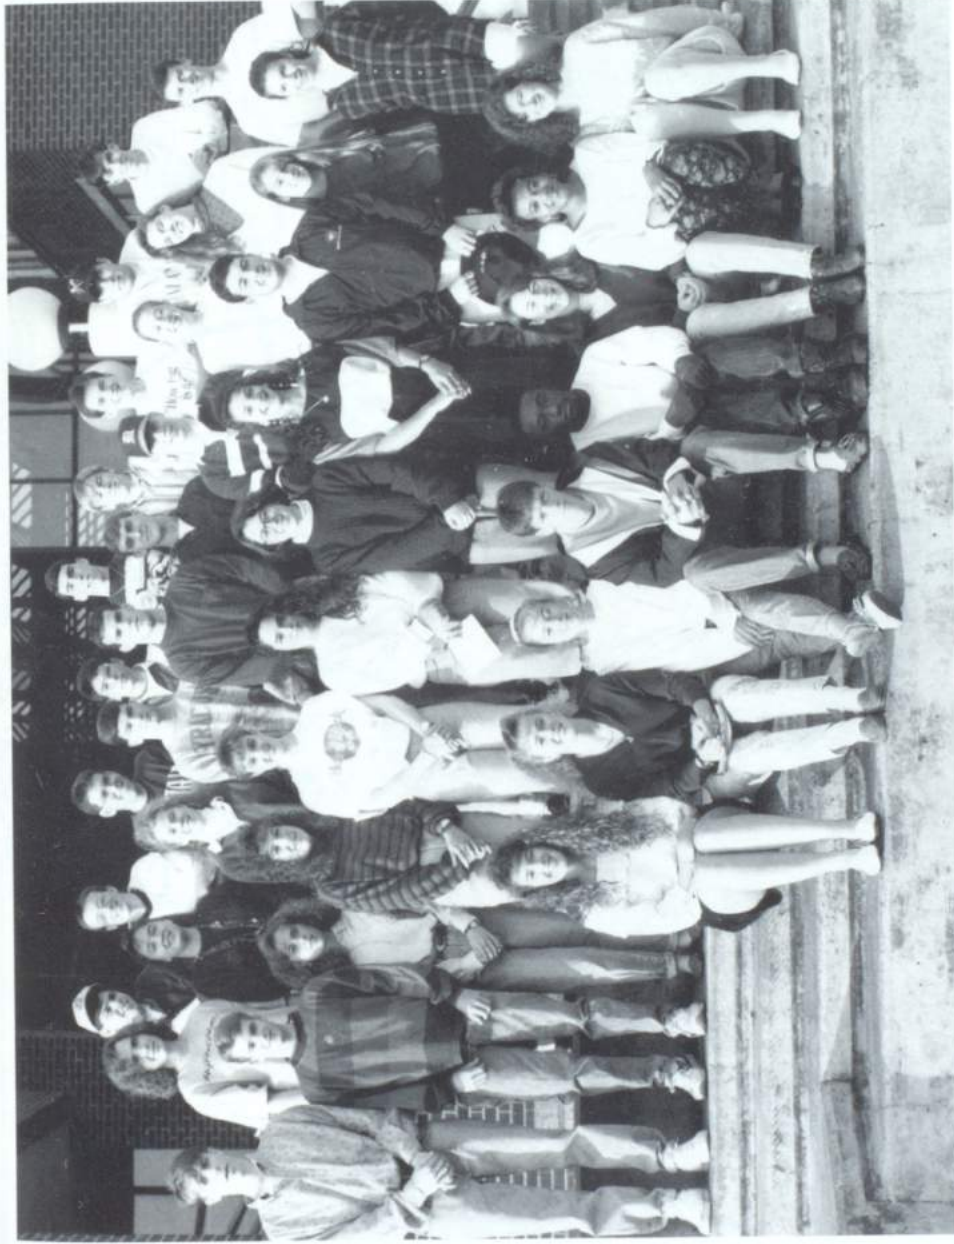

The club underwent fall and spring fund raisers in order to collect financing for the club treasury. This year the club attended the production of "Man of La Mancha," a sort of Spanish Nutcracker, and "Cascanveces." Also the club had its annual holiday "pasada" in which members broke pinatas and listened to ethnic Spanish holiday songs. A celebration took place in honor of "Dia de los muertos," (the day of the dead).

All Spanish students are welcome to join the club. We especially invite Spanish or Mexican foreign students to come and partake in the festivities that our club has to offer.

Thank you to all members for making this a successful year!!!

The U-E lacrosse team had a challenging season last spring. It was mainly a rebuilding year for the Tigers. We had some disappointing losses with the season ending up 5-12. Although we didn't have the greatest record, we had two members named to the Division All-Star team — Sean Clark, defense; and Kyle Graham — attack.

We are looking forward to a much better season with many returning starters.

The 1991 Girl's Varsity Softball team had another successful season with an 11-4 league record and an overall record of 18-7. They won the Div. I title and were Sect. IV Class A runner-up. The girls' varsity team participated in the New York State Challenge Cup tournament and a KAA tournament. In both of these tournaments, the Tigers were very successful — 3-0 in the NYS Challenge Cup and 2-0 in the KAA tournament.

The newcomers such as junior Tracy Forbidussi, sophomores Carla DeLorenzo, Brenda Sylvester, and freshmen Nicole Monroney and Sue Shaffer had something to do with the success of the Tigers Softball. The veterans — Bobbie Bensley, Mary Bishop, Danae Ciotoli, Diane Curtin, Courtney Demkovich, Jennifer Fitzgerald, Holly Jeffery, Samantha Riegal, Jennifer Stout, and Amy Young all contributed greatly to the success of the team. The 1991 Girl's Softball team would like to wish great success to next year's team.

The 1991 varsity baseball team had a tremendously successful season due to overall team unity and a strong will to win. The '91 team included only seven seniors which included team captain Eric Hottenstein, Mike Morello, Dom Bango, and Ben Prusia. Faced by adversity from the start due to lack of experience, the '91 Tigers went on to a 19-4 record with losses only to Vestal and Horseheads.

They captured the Co-Div. I crown and came in second to Vestal in the STAC Championship and Sectional finals. The '91 Tigers also yielded a combination of seven All-Conference and All-Division I All-Stars.

With six returning starters, the Tigers' 1992 varsity baseball season could be unforgettable.

We are looking forward to a winning season next year.

The Union-Endicott Freshman "BB" team enjoyed a very successful season in 1991. Our team won five (5) games while losing only

one (1). That lone loss was to an undefeated Vestal team by a score of 14-8. In that game, Vestal scored the winning touchdown with less than one minute to go in the game.

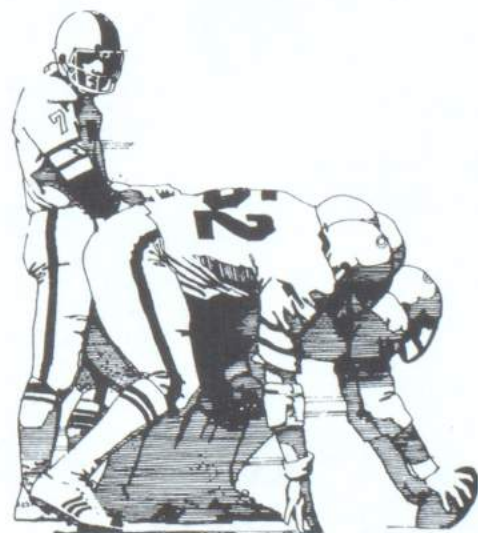

The tough Tiger defense yielded only seven touchdowns all season while the efficient orange offense featured a very productive blend of rushing and passing. The guys worked hard all season and we are very proud of them. They are class individuals in all respects. We feel these fine young men will be an outstanding varsity team in a few years to carry on with U-E's winning tradition.

During the past three years, the Union-Endicott Football team has given you not only the League, Sectional, and Regional Champions, but also an undefeated, #1 ranked team in New York State, which climbed as high as 17th in the nation. Unfortunately, this spoiled some U-E football fans who either were ignorant of the fact that this 1991 edition had probably the least experience in U-E history with but 3 returning starters, or these fans simply chose to not face facts. Let the record show that this team kept it respectable against two of the top ranked teams in the state (Rome and Binghamton), while clawing and struggling their way to a 5-4 season. There were definitely some highlights of this '91 Season: Certainly achieving a shut-out over JC (28-0), and scaring a huge, extremely talented Binghamton Team for a half anyway, must be considered. We had a rare, surprise visit to our Locker Room by a former NFL Linebacker . . . Lou Slaby (Giants and Lions). We wonder how many fans out there realize that this '91 U-E DEFENSIVE TEAM finished the season, as the #1 ranked team in Division I for allowing the fewest points. Of course, the finale vs our arch-rival, Vestal, was extremely uplifting, especially to the tune of 37-15.

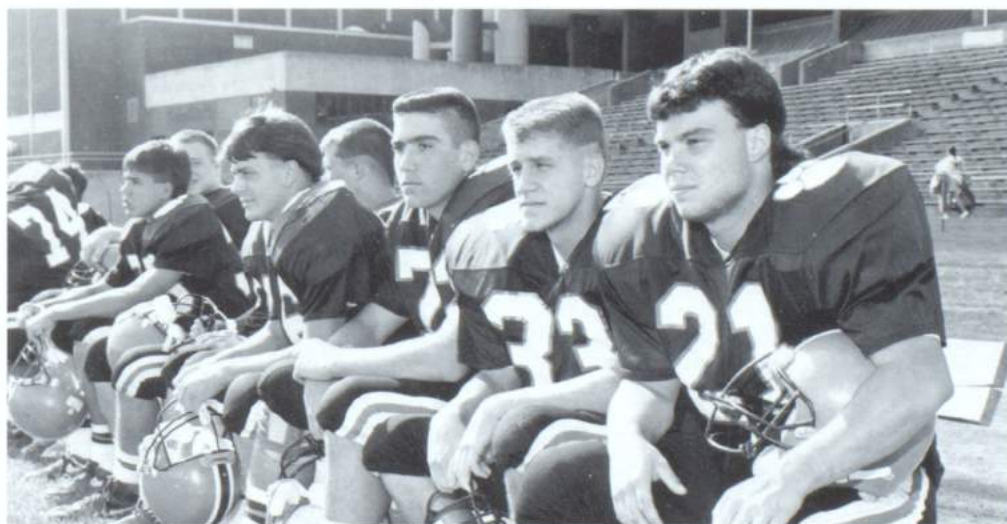

You should know that these young men of '91 almost always gave it their best shot, and rarely tried any less than their highly touted predecessors to whom we referred earlier. We'd like to thank all of you parents and real fans who recognized this effort, and supported these fine young men through their lows, as well as their highs.

he 1991 Fall season was the best ever for Varsity Girl's Soccer at UE. The team posted a 19-1-1 record which included 4 titles and a first-time appearance in the State playoffs. This very close-knit team was expertly led by coach Glenn Kehley and co-captains Joanna Conard and Annamaria Gasbarra.

The season was long, spanning nearly 4 months, and hard-fought. Archrivals across the river, Vestal, once again made the season exciting by forcing overtime in both of their meetings with UE. The Tigers won the Div. I and Sect. IV titles by winning both of those clashes. The girl's also claimed the STAC title by defeating Chenango Forks and then fought to win the Regional Championship.

Unfortunately, the season came to a halt with a heart-breaking 2-1 semi-final loss in the state playoffs to the eventual state champion. But, the Tigers finished the season with a 2nd place ranking in the State, and nine team members achieved All-Star status. The team was also ranked 11th in the nation at one time during the season.

The Lady Tigers are losing 4 graduating seniors this year who will be sorely missed. Good-luck in college to Joanna Conard, Brett Dickson, Carly Eckler and Annamaria Gasbarra, and best of luck to the '92 Varsity Girl's Soccer team.

The 91-92 UE Golf team entered the season with a lot of doubt as to how the team would be. The season turned out to be on the bright side, being one of the best ever. Winning the Sect. IV Class A and STAC tournaments were several of the year's highlights.

After being stymied by the Ithaca golf team for the better part of 2 yrs., we got our revenge and then some. In a span of 8 days, UE defeated the "Little Red" three times. After losing to Ithaca the second match of the year we made a turn toward success and defeated Ithaca in our Oct. 8th dual match, Sect. IV Class A tournament, and the STAC tourney by one stroke.

Seniors Greg Albrecht and Mike Refsnider, a pair of certain STAC All-Conference choices, were usually the medalists for UE. Tiger success came after the rapid improvement by Bryon Cole, Christian Mathieu, Jim Morris, and Chris Pegram, a quartet of juniors. Next year's team looks pretty good, although we are losing two dominant seniors.

This year's JV girls soccer team had an excellent season, winning the 1991 STAC Championship, defeating arch rival Vestal.

We would like to thank coach "Hort" for all his effort. No matter the weather, we knew

his year's team finished with an 8-11 record. Although the Tigers were hoping for a championship season with 8 seniors on the team, they still enjoyed great success with big wins over arch-rivals Binghamton and Vestal. This year also was a much tougher schedule playing the number one teams in the state in classes B and C.

The team also went to a youth movement by taking three sophomores and no juniors. Although next year's team will be young, the future looks to be very promising.

In Coach Tarricone's 20th year at UE, this year's team and especially the seniors congratulate him and wish him the best of luck in the future.

he 1991-92 UE varsity cheerleaders had yet another successful season. We worked extremely hard as a team. Starting off with only one returning senior, and four new prospects, the team pulled together to win first place at competition in February. We also did several community service projects and we were invited to perform our routine at the CYO competition in March. We would like to thank our coach, Ms. Putrino, for her dedication to her team. Without her, our achievements would not have been possible. Also, this year's crowd involvement and spirit was better than ever and greatly appreciated. Good luck to all the seniors — we will miss you!

he 1991-92 Lady Tigers coached by Mike Bradley took the court with an experienced starting team and bench strength like never before. The newcomers gave the starters a good rest while they racked up points in more than one game.

The returning team consisted of: seniors Diane Curtin, Monica Czernecki, Heather Seaver, and Amy Young; juniors Danae Clotoli; and sophomores Christina Howe and Susan Shaffer. Incoming players joining the Lady Tigers this season were: junior Erin Grose; sophomores Stacy Chase and Jennifer Newkirk; and freshman Marci Forbidussi. All these players worked well together to produce a great defense and crushing offense.

Seeing this class team play on the court was definitely exciting and never left the crowd bored for even a second, especially when the Lady Tigers bruised Binghamton at the Broome County Arena to clinch the number one spot in STAC! The team ended with a 15-6 record losing to Horseheads in the semi-finals for sectionals.

The departing seniors want to wish good luck to next season's team and thanks to the supporting crowds and Mr. Bradley!

Dear John,

I love you and always will! No matter what you do, I'll always be behind you. I will miss you, but I know we'll be together forever someday. My love for you will never die! You are always with me in my heart wherever I go. You are the right one for me. With God in our hearts and on our side, our love will never fail.

True love always,
Melanie

Hon,

You built up your confidence and you are on top for once.

Stood up didn't care about little boys that talked too much . . .

You waited on a line of greens and blues, just to be the next to be with me.

Always remember the many great times we've had: April 1, 1991, Flatliners, Silence of the Lambs hand, Neunits, Dorney w/Robin & Sam, leaping mountains and bounding hills, milk not melk, Danny's soccer, football, baseball . . . games, playing with Josh, Elk, Rona's fender bender, "watch this one, Jen!" — Hockey, physics, economics, Ueker, trampolinin', Whoa!, rubber cement mania, cutting the x-mas tree, softball or softmudball?, Pizza Hut door hanging, yearbooking, and all the times of brief relax in between.

I love you, Andrew Joseph Bokol. If there's one thing in life that I really want for myself it's to be with you. And, who wouldn't want to be.

As for the future, I'll be there even if I'm not right there; I'll be in your heart. So ask your heart when you need to and whatever it says that's what I'd say.

I'm the one who wants to be with you deep inside. I hope you feel it too.

And everything I do, I do for you, And.

Love,
Jen

Carly —

Well, it's over! But what can I say except I'm going to miss **my very best friend!** Nobody knew me better than you. So much has happened since we started cheering together in 7th grade. We have both changed and grown up a lot since then. But, no matter how bad things got, you always knew how to make me smile. Thanks for all the talks, laughs, and memories. I will cherish them forever. Good luck in the future. I know you'll do great. You deserve the best! **I'll miss you!** I love ya,

Well guys, look at what we've survived. We've made it through Riz and her men had enough ice cream. Squash. Squash and her one-liners, "Here, have a pumpkin." Garth and her popping mattress coils — yeah, tell me another one. And Shelly, and her "interesting" sense of humor. "Well Chuck, which door shall we pick?" "Well, Betty . . ." Let's not forget Chas, who made our lives, oh, so colorful. Always remember matza much, hide-n-seek, and zitas for twelve (Riz!). You're the best guys. Long live Dante Pumpkin! Party On!

Rick and Andy — ah —.

To six of the seven:

The time has finally come. The time we have talked about time and time again. The time to say good-bye to my most cherished friends.

Through the years we have together and individually learned from our mistakes and grown internally due to our accomplishments. I realize this past year we all haven't been as close but I will always remember those special times with each of you. No matter where life may bring me the six of you will always hold a significant meaning in my life. I thank each of you for letting me be a part of your life and showing me what true friends are. Each of you is beautiful inside and out. Always remember I believe in each of you and what you do. To me we will always be the significant seven. I love and thank you all.

Love always and forever,

Ang,

Hey sweetness! Well, what can I say besides "I love you!" My life has changed so much since you came along, and I wouldn't change anything for the world. You've given me more than I could ever ask for, and I love you for it! I know things will be tough with us away at school, but I won't give up on you! I plan on spending the rest of my life with you, and no matter what, I'll never leave you and I'll always love you! Here's to us and the future!

Jen, good luck with Turbo, and Jay, I hope Snuffy is still kicking for you. I'll miss all of those three-way battles we had! I'm not going to say good-bye to you guys, because I know we'll be seeing each other sometime. I'm just going to say, see you later, for now! Good luck in everything and remember . . . no matter how much distance there is between us, we'll always stay close in heart! I love you guys! Thanks for all the terrific memories!

To the Beavers,

Well, we've done it! These past four years have flown by. All of you guys have been great . . . never change. Never forget all of those long wet practices, shaving cuts, long bus and plane rides, and how about rashes, Paula? I'm going to miss you all next year! Keep in touch!

Stacy S.,

Thanx for all the times. Late talks and everything, you're the greatest! Thanx for convincing me to come here. It's been a blast. To Michelle, Chrissy, Sony and Risha-Z — you've helped me come here and made my first days easier than I expected. Janet G. — Pool anyone? To everyone I met and became friends with, you've made my senior year the best. That other school is really "the pits." Kit. We're outta here!!!

Mark and Mike,

I admit I call you the "moron twins," and Mark's always competitive to see who wins. Michael's meticulous about his art, and it sometimes scary that you are both so smart. You're as different as two brothers could possibly be. But I can see a part of each of you in me. Day after day we've share our stories of our troubles, our triumphs, and our glories. I know we'll be close no matter where we go. Because I love you both, and that I know.

Love always,
Jen

Mike,

I'm so glad I met you and getting a chance to get to know you better. You've made my last year of high school very special. I hope we can build many wonderful memories for our senior year! Thanks for all the happiness you've brought me.

You have given me some of the best times I've had over the years. You've always been there for me when I needed someone. Thanks for always looking out for me and for making me laugh when I wanted to cry. You're the best brother anyone could ever ask for. I'm glad that I have you as my best friend. Enjoy these next three years cause they're the best. I love you Paul!

SNOWBALL 1992

The UE semi-formal snowball definitely fit its name this year. As the students, with their sparkling dresses and slick suits crowded the doors to the gym, the flurries outside began to fall. The warmth of bodies doing the 'electric slide' in the gym quickly overcame the freezing chill from the outdoors. The festivities went on inside and the courtships were announced! After the last slow dance, everyone went to find their ice scrapers. The snow had begun to pile up on that evening of February 13th, but of course we already had the next day off from school — oh well. The dance was well worth the ride home through the snow.

Christmas Cheer

UE Alumni sing to the students crowded in the Library near Christmas.

A common Christmas tradition of colorful Christmas wrap throughout our senior locker area.

Justin Shreve played Christmas music out of a small tape recorder in his locker for several days before Christmas break. It added greatly to our joyous Christmas atmosphere.

SENIOR SERVANT

This year's Senior Servant Auction went extremely well. Rajul Patel was the auctioneer. The highest bid was \$38.00 for Joe Gasior. The auction took place on a Tuesday and continued the following Wednesday during lunch periods. The Large lecture hall was filled to capacity plus every period of the auction.

The Senior Servants were happy to please their masters, usually underclassmen all day Thursday. They wore leashes, bowed, wore signs of ownership and loyalty, walked their masters to class, carried books, announced their masters as they entered classes, dressed up, and even threw rose petals (made of construction paper) at their master's feet.

The Senior Servant Auction this year was a lot of fun for everyone! It was also a terrific senior class fund raiser!

DOMESTIC POLITICS

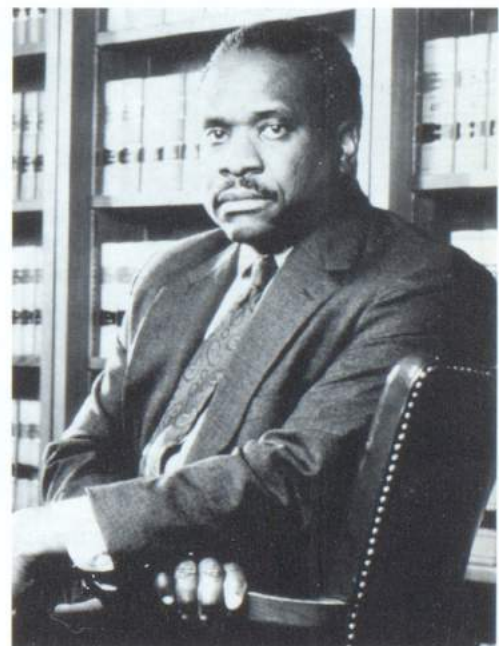

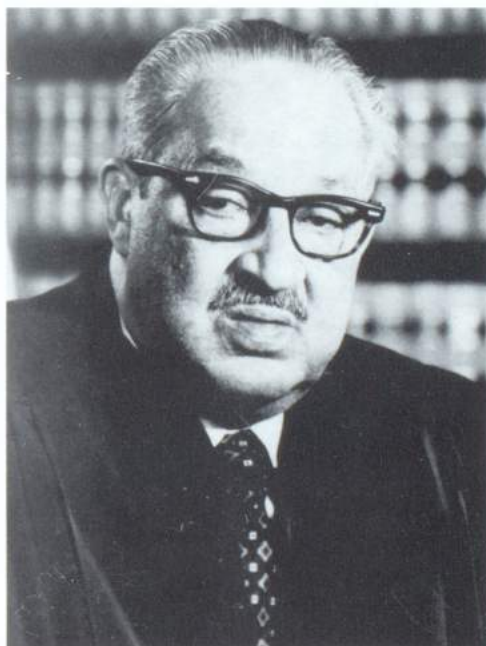

President Bush nominated Robert M. Gates to the head of the CIA. The 48-year-old Gates was the Deputy National Security Adviser to the President and a former No. 2 man at the CIA. His role in the Reagan administration's secret arms dealings with Iran led him to withdraw from a 1987 nomination to the head of the CIA.

The New York Stock Exchange continued to hit new highs. Not long after school began in 1991, the market was closing over 3,000 on a regular basis. The United States was still in a recession, but the U.S. stock market continued to move to new heights.

President Bush appointed Alan Greenspan to a second year as the Chairman of the Federal Reserve Board and endorsed the central bank's efforts to lift the economy from recession. The 65-year-old economist has been Chairman since 1987.

President Bush nominated Clarence Thomas, a 43-year-old conservative Republican, to replace the retiring Justice Thurgood Marshall on the Supreme Court. Nearly three months later, he was confirmed by the U.S. Senate by a vote of 52-48. However, it was a tumultuous confirmation process. After a series of public hearings, the Senate Judiciary Committee was split 7-7 on his nomination. Just days before the full Senate was to vote, some serious allegations of sexual harassment were raised. Professor Anita F. Hill, a 35-year-old law professor from the University of Oklahoma and former assistant for Thomas at the E.E.O.C., claimed she was the victim of sexual harassment while the two worked together about 10 years earlier. The Senate Committee reconvened and heard about three days of riveting testimony from Thomas, Hill, and supporters from both sides. The Senate then debated the issue and voted to confirm the U.S. Appeals Court Judge to the nation's highest court.

Floods hit Texas late in the year, causing extensive damage. Here, fire-fighters rescue a calf as the Colorado River overflows its banks near Wharton.

WORLD POLITICS

Civil War broke out in Yugoslavia. The war unraveled this nation of six divergent republics, two of which — Croatia and Slovenia — declared independence from the federation in June, 1991. All six were held together under the leadership of President Tito. With Tito's death in 1980 and the crumbling of Communism's powerful cement throughout Eastern Europe, the emergence of forces clamoring for democracy and ethnic self-determination were set loose in Yugoslavia.

The failure of the Soviet coup left Fidel Castro and his island nation of Cuba somewhat isolated. Cuba had relied heavily on the Soviet Union for aid. Now, with troubles of their own, Soviet aid was in doubt. After 32 years in power, Fidel Castro still remains a towering figure in Cuba.

Due to the widespread opposition to the approval of a new 10 year American lease on the Subic Bay Naval Station in the Philippines, President Corazon C. Aquino accepted a compromise. It allowed for a three year American withdrawal from the military base.

Three Baltic states declared their independence from the former Soviet Union. They were the republics of Estonia, Latvia, and Lithuania.

The Group of Seven industrial democracies (known as the G-7) held an economic summit that dealt with a wide range of issues — from world economic policy to building a world-wide partnership. Leaders of the G-7 Economic Summit (France's President Mitterand, U.S. President, Bush, Italy's Premier Andraotti, E.C. President Jaques Dalors, Japan's Prime Minister Kaifu, Britain's Prime Minister Major, Canada's Prime Minister Mulroney, and German Chancellor Kohl) gathered at the Tower of London.

After nearly seven years as a hostage, Terry Anderson was released on December 4, 1991. Anderson spent 2,455 days as a hostage in Lebanon. He was the longest held American hostage. He is shown here arriving in Wiesbaden, Germany, being greeted by his sister, Peggy Say.

Secretary of State James A. Baker III was President Bush's representative on dozens of diplomatic trips around the world, but primarily to the Middle East. A peace conference in the Middle East was his primary mission. A lasting peace in the Middle East has been the goal of many presidents, but President Bush was hopeful that it would become a reality with this man.

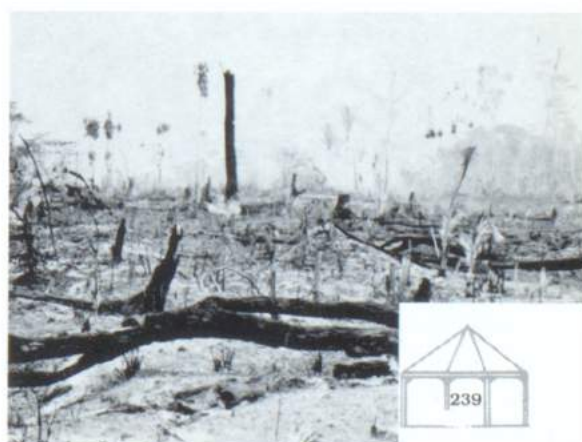

The coup in the former Soviet Union began on August 19, 1991. An eight-man committee led by Vice President Gennady Yanayev took power from President Mikhail S. Gorbachev. As Russian President Boris Yeltsin called for Russians to resist the coup, American President Bush and leaders of the European community demanded Gorbachev's return to power. On Thursday, August 22, Gorbachev was finally returned to Moscow where he reassumed power. The coup sparked a series of reforms and eventually led to the disintegration of the U.S.S.R.

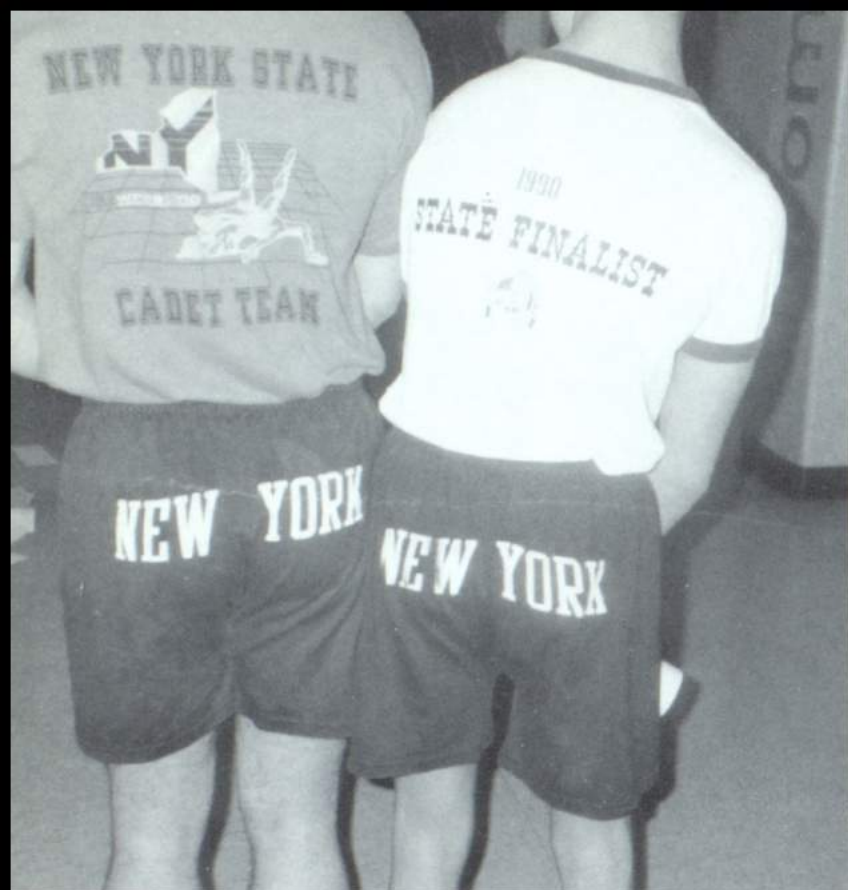

South African President F. W. de Klerk tried to move his country closer to the United States and other western nations by loosening his tough stand on apartheid, a form of racial segregation. President Bush lifted some of the economic sanctions and the International Olympic Committee ended a 21 year ban on South African participation in Olympic competition. These actions went a long way toward ending the international isolation of South Africa.

1992 marks the 20 year anniversary of the environmental organization called Greenpeace. The destruction of thousands of square miles of Brazilian Rain Forest and the black plumes of hundreds of Kuwaiti oil wells ignited by Iraqi troops were rallying points for Greenpeace and many other world environmental groups.

CAROUSEL FACTS

- When Enjote bought the park in 1948, the carousel, the horse racing track, the indoor arena, and a large swimming pool were already attracting locals.
- The carousels are presently located at the following places: Ross Park and Recreation Park in Binghamton, Highland Park, and West Endicott Park in the Town of Union, C. F. Johnson Park in Johnson City, and George W. Johnson Park in Endicott.

- In 1790, the Chance Company bought out the Allan Herschell Company which was the last of the carousel makers.
- Broome County has more carousels per capita than any other place in the world.

Kara,

The voyage of the best ship is a zigzag line of a hundred tacks. See the line from a sufficient distance, and it straightens itself to the average tendency. Your genuine action will explain itself and will explain your other genuine actions. Your conformity explains nothing. Act singly, and what you have already done singly will justify you now. Greatness appeals to the future. If I can be firm enough today to do right and scorn eyes, I must have done so much right before, as to defend me now.
