his year at Union-Endicott High School, the phrase "Life is Out of Balance" has made an impact in all of our lives.

June 24, 1994 marked a turning point in our high school's history forever. That evening in a brief instant the student body was informed there was a possibility that sports or extra-curricular

activities would not be in existence at U-E. From that second forward an on-going battle occurred all in strife for the return of that that once was. The former "Balance" in our lives between activities and academics became mere memories. We as the 1995 yearbook staff feel "Life is Out of Balance" fully represents our new battle with the real world.

“When summer turns to fall, I love it. The weather is great. I love the Halloween season and Thanksgiving season. I love the way the leaves fall off the trees and clutter on the ground, and the smell of the cool air.”

## *I Had a Dream the Night After . . .*

Jason and I were walking  
down a brightly lit street,  
Looking at his body, with a football in his hand  
and cleats on his feet.  
His eyes twinkled like a lonely star  
on a crisp, clear night,  
I knew that evening  
that everything would be alright.  
We walked through magical forests  
and smoggy fields of gold,  
Never for a moment did I feel alone,  
scared or cold.  
The breeze whispered through our hair  
like a quiet dream,  
Feeling his happiness and love  
as though he made it seem.  
We laugh and smile like the sight of a new birth  
with an angel by my side,  
He told me to keep my head up, for not a soul has died.  
His arms unfold to embrace the heavens  
and God above,  
That night I realized that lurking  
through our hearts was a lot of love.  
His wings expand as he waves good-bye  
in the sun,  
As he turns to God, leaving us, like a game,  
he runs.

Sincerely,

Sean King, #9  
His teammate and friend

#### Class of 1995 —

Four years have come and gone, and the transformation is complete. You are no longer timid and insecure freshmen. You are adults. Enter the world . . . Create your own destiny . . . Make decisions for yourself . . . Be prepared for the struggle and the complexities . . . Be a dreamer . . . Be an idealist . . . Capture the joy and pain of life . . . Conquer the world.

Cherish the academic accomplishments, the insights from learning, the athletic victories, the social events, U-E tradition, the special friendships, and all that was part of your high school experience. Remember that moments pass quickly, but memories last forever.

As you leave Union-Endicott High School, continue to grow and develop those skills and interests that will lead you to your life goals. We wish you only the best and hope that our efforts on your behalf have become a strong foundation for your future.

What was Mr. Rinde doing on Jeopardy?

In November, Mr. Rinde as well as many other people were tested in a contestant search at Boscov's in Binghamton. Mr. Rinde passed every test (many history questions?), and was put in a Jeopardy candidate pool. He was interviewed and then he was chosen to appear on Jeopardy.

On December 8th, it was show time. He had to bring extra changes of clothes to give the effect of different days if he won first place. There were five shows taped during that day, and he never knew when he would be on. He was given a five-minute notice and it was time to go on. While he was on, he had to race the other two people to the buzzer without pushing the button too early (which would result in a time penalty). Most of the questions were fair, according to Mr. Rinde. As we all saw on March 30th, Mr. Rinde placed second. Mr. Rinde said he would have rather gotten first place, but who wouldn't.

Congratulations Mr. Rinde

### **Mrs. Phillips performs in the "Nutcracker Ballet"**

Mrs. Phillips performed as Clara's mother (Mrs. Stahlbaum) in the first act party scene on December 3rd and 4th. Also she traveled to Towanda, PA on December 16th to perform for an Elementary School. She has been performing this role for the last 12 years. She enjoyed dancing for her entire life and has been taking formal lessons for the past 20 years. She has a love for performing to children because ballet is the first place children learn about and create bonds with the performing arts. According to Mrs. Phillips, "The performing arts are necessary to healthy living."

### **Mr. Peters, a Man of Traditional Hobbies**

Mr. Peters enjoys woodworking. When Mr. Peters was in high school he began woodworking. Now he makes cabinets out of wood and does some general carpentry. He works in his garage during the summer months and on weekends. He enjoys woodworking because it is relaxing. He usually doesn't work with anyone else. Another hobby that Mr. Peters enjoys is ice fishing. He fishes at Oneida Lake or the Whitney Point Dam, for a day at a time. When no fish are biting (a not-too-often occasion), Mr. Peters thinks, relaxes, and enjoys the scenery. Mr. Peters enjoys the outdoors, and enjoys to eat the fish.

# Yearbook

The Yearbook staff is challenged year after year with the production of the "Thesaurus". This year the members worked their hardest to organize materials and apply their various skills so students can enjoy reading through this yearbook now and in the future. We will sadly miss our seniors, and wish them well, but we have our underclassmen to help guide us throughout the years ahead. We would like to thank everyone, especially our advisors, Mrs. Lesko and Mrs. Loughren, for their continuous support and understanding, and for putting so much effort into achieving our goal...the Thesaurus of the 1994-95 school year.

-Stella Anastos

# Tigereye

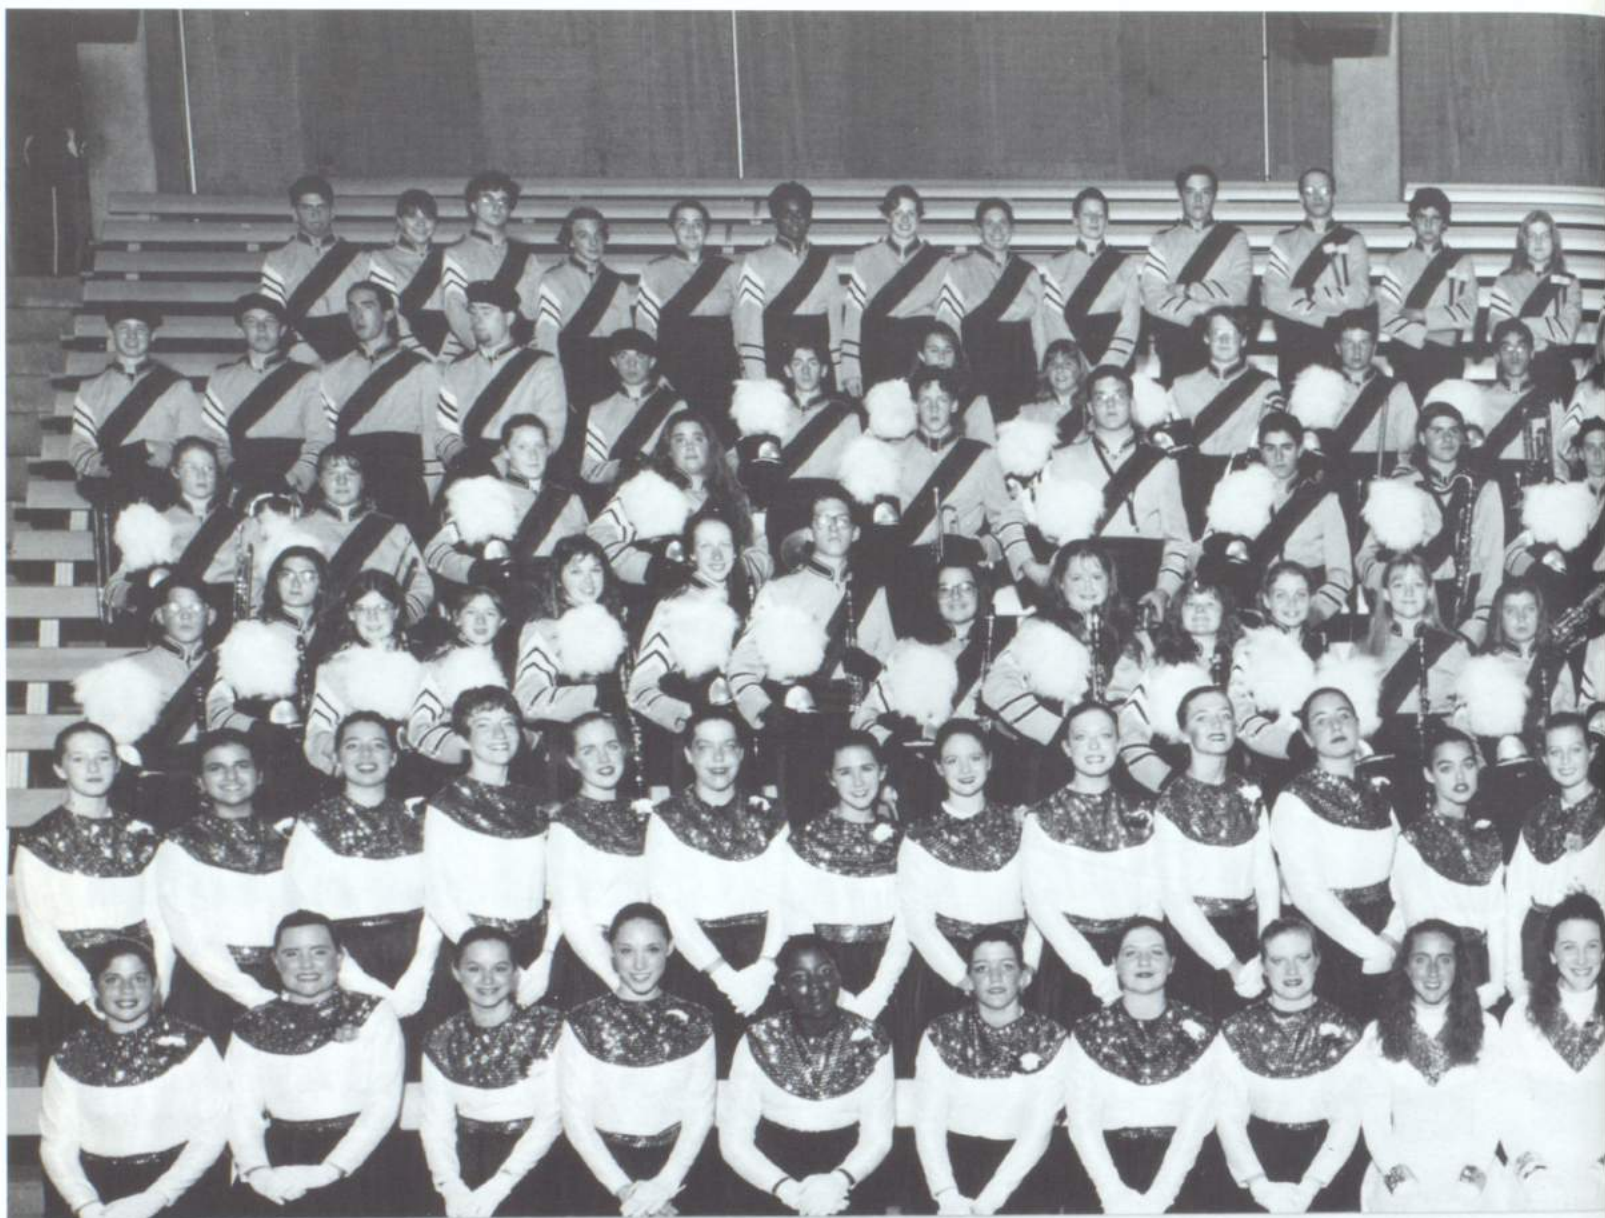

The editors of the Tigereye this year were: Editor in Chief: Moira Campion; Features: David Herman; Opinion: Brian Mulligan; Arts and Entertainment: Bridget Patrick; Student Life: Jillian Aylesworth; Academics: Brian Doherty; and Sports: Shannon Goida.

The Tigereye, U-E's student run newspaper, had another productive year, distributing issues at Halloween, the winter holiday break, mid-spring, and at the end of the year. Under its advisor, Mr. Archer, writers contributed articles varying from the traditional Ramblings to features on disciplinary policies within the school and the smoke-free campus.

The band performed to the music of John Williams this year. The show included music from "Jurassic Park", "Home Alone", and "Far and Away".

The drum majors for the 1994-95 season were Moira Campion and Katrina Peters.

Some of the highlights of the season included first place standings at the shows in Vestal and Norwich. The opportunity to perform at the Carrier Dome is always exciting as well.

# Winterguard

This year's U-E Senior Guard is taking winter guard to a new level. The Dayton, Ohio "Escapade" connection has paired nationally renowned staging designer Michael Gaines with Tim Newburn's choreography to create a program that is designed to the music of Peter Gabriel entitled "The Rhythm of the Heat." Performers were costumed as tribal members exploring the rituals of the dance. "Life is based on Rhythms: movement, speech patterns, breathing, heartbeat. There is one rhythm that goes deeper, is more primal, infinitely personal, allowing you to lose your earthly bonds — the rhythm of

your soul." Locked away inside of us is a part of our personality that is rarely allowed to be visible to the outside world. It is a lifetime journey to find that part of ourself and set it free. The guard members explored that self and experienced the rhythm of the soul!! Technical instructors are Debby Weirick, Maria Stack, Carol Sensbach, and Gretchen Staring. Dance instructor is Jennifer Gruber. The scenery was painted by guard member Cyndy Kelly and Vicki Hagnevik, and other members of the UE high school art department. Director: Gretchen Staring

Senior (Varsity) Guard members: Seniors: Nicole Grabsztul, Cyndy Kelly, Mindy Marchetti, Katrina Peters, Jude Tostanoski; Juniors: Anne Becker, Alicia Buchta, Susie Frischkorn, Vicki Hagnevik, Stacie Houghtalen, Angela Miller; Sophomores: Michele Bergin, Maria Fiori, Kim Repchak; Freshman: Tiffany Buchta, Rachel Cosimano, Jessie Sherling, Sarah Titman, and Gina Wysocki.

# Chorale

The Chorale is an advanced ensemble of singers who are admitted upon auditions reviewed by the director, Gloria Richardson. There are about thirty members of the Chorale this year, all of whom contribute to the crisp and beautiful sounds the Chorale produces. The Chorale competes at NYSSMA and other prestigious competitions in the United States, and this year, the Chorale will compete in Toronto, Canada. Many members of the Chorale participate in other singing organizations as well, including All-country and Area-All-State Chorus. The Chorale started off the 94-95 school year with the most difficult vocal literature available, performing selections from Vaughan Williams and Dawson. As usual, the Chorale will have a successful year and enjoy themselves as they sing their way to the top.

The Jazz Choir is a small group comprised of U-E's most talented singers who perform throughout the community and the school upon request. There are ten members of the U-E Jazz Choir this year, six guys and four girls, who consistently produce a well-rounded sound. Each member passed strict auditions based on their tone, ability to blend, musicality and understanding of the jazz genre. Each year, the Jazz Choir competes at tournaments, namely NYSSMA, and performs pieces for organizations who like to be entertained. The Jazz Choir started out the year with a number of tunes to work with, Billy Joel's "The Longest Time" and Manhattan Transfer's "Baby Come Back" to name a few. In addition to preparing for concerts, the Jazz Choir performs the National Anthem at basketball games and other events. In essence, the Jazz Choir is the premier performing group at U-E, whose smooth voices soothe and rock the community.

The Union-Endicott High School Mock Trial team is an organization for students who have legal interests, talent for drama or acting, are interested in competing against other schools, or just want to have fun. The team receives "packets" each year from the New York State Bar Association which outline hypothetical cases. The team members pick roles to play and begin work to develop the case. The team's "lawyers and witnesses" will then compete against other schools in actual courtrooms in the country, with judges deciding the outcome of the case and which team will win the competition.

Our advisor is Ms. Fitch, and the lawyers who help us out are Mr. Conlon and Mr. Denmon, from the Binghamton law firm of Hinman, Howard and Kattell. We would like to thank them for their support.

In May we will attend competition also at SUC at Cortland. Another play, a one act play night and a story telling evening are also being planned for the Spring semester.

We participated in exchange with several other area high schools and continued to give out the "Spirit Stick". Homecoming was a great success and as always, we "burned the bears" at our annual pre-Vestal bonfire.

Thank-you to everyone who helped to make Student Government in the 94-95 school year successful and we hope to see this year's Juniors, Sophomores, and Freshmen at next year's meetings.

Amnesty International is a world-wide organization working for the protection of human rights. It seeks the release of prisoners of conscience: men and women, who do not advocate violence and are detained because of their beliefs, sex, color, language, ethnic origin, or religious creed. Through persistent

writing and petitioning, A.I. seeks fair and prompt trials for all political prisoners and opposes cruel treatment of all prisoners. This year our U-E chapter's fundraiser was a candle sale which significantly increased our much needed funds. Thank-you to all who supported the event.

# *U-E Times*

The U-E Times TV Show is produced by a team of students who tape events, create computer graphic introductions, and finally edit them together to create a new show. In the 4 years of its existence, the U-E Times crew, with help from Genne Cerwonka, their advisor, has released over 60 shows!

In addition to the normal duties of the hard-working staff, they have taken on a new project in conjunction with the normal show. Monthly, they film and edit a show, in cooperation with the Broome County Council of Governments, called Local Government Review. This show talks about local issues facing our community, with Ms. Merry Harris hosting and various members of the Council as the guests.

## *Varsity Club*

Any male or female athlete who has been awarded our varsity award is eligible to join the U-E Varsity Club.

The U-E Varsity Club along with the Union-Endicott Sports Booster Club sponsor 3 covered dish suppers; these dinners are after each sports season. The club also helps to purchase the awards for U-E athletes.

The main fundraiser is operating the concession at home athletic events during the winter sport season. The Club also maintains the soda and juice machines in the P.E. lounge.

U-E has been involved in this exchange program for about ten years and is planning another exchange for the Spring of 1995. During our sojourn we stayed with our respective host families in Lyon and then spent three days in Paris. We also visited historical villages such as Annecy, Perouges, and Avignon. Being involved in the exchange has allowed us to compare our cultures with that of the French, and has also showed us the daily course of life that the French people take.

During the holidays, we col-

lected food and toys for the St. Anthony's food and toy drive. During the year we also worked in conjunction with the Daughters of Columbus and the Sons of Italy for some activities. We are planning activities for the spring, including some in conjunction with the American Civic Association.

The UE Spanish Club is a social as well as an educational club. It provides the students with many opportunities to experience Hispanic culture. A main goal is to promote increased cultural understanding.

The club has a varied agenda that keeps the members busy. At our initiation dinner at Chi-Chi's, we honored our new officers for the year. We are creative with making traditional handicrafts such as castanets or yarn designs. Our big event was to sponsor the Latin American dancers, which treated us and neighboring districts to regional dancing. The special drum solo while the dancers twirled the "bolas" was phenomenal. It was the highlight of the year and a very enriching performance. As a fun social event, we enjoyed ET, the popular American movie dubbed in Spanish. It really made us work on our vocabulary. The students are always anxious for the holiday "posada" that includes a number of pinatas. On the annual trip to New York City in the spring, our emphasis was on the Hispanic element when we toured and ate dinner.

Our advisor is Mrs. Delancy. The officers for the 1994-1995 school year are:

President- Norma Rodriguez  
Vice-President- Shannon Barkwell  
Secretary- Marla Rappaport  
Treasurer- Katy Williams  
Culture Coordinator- Kathleen Terrenoire

We would like to welcome the Hispanic exchange students to our country. We were glad to be able to talk to them and practice our Spanish and learn more about their culture.

We would like to thank everyone who participated in Spanish Club this year. We also encourage you to join again next year!

# Co-op/YAP

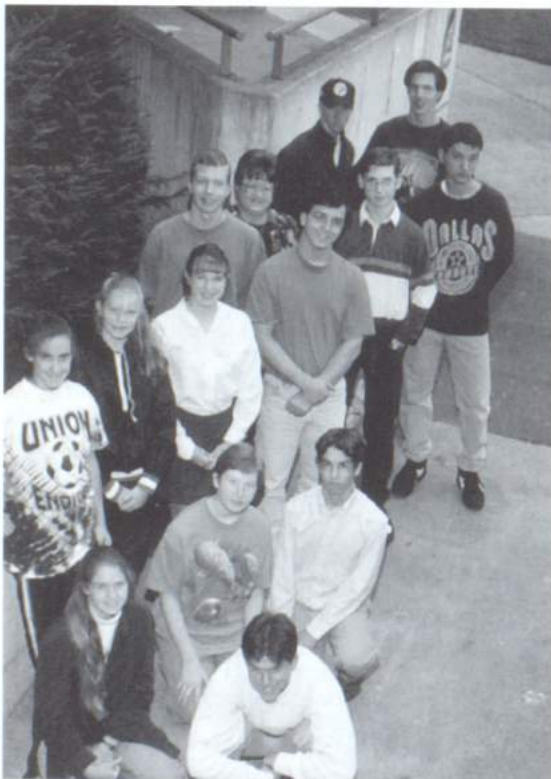

Educators have recognized the advantages of on-the-job training as part of an occupational education. Mr. William Dupkanick coordinates two such programs, Youth Apprenticeship and Co-op.

Union-Endicott High School began offering the Youth Apprenticeship Program (YAP) during the 1991-92 school year. Stella Anastos, Robin Cooper, and Hope Eason were selected to participate. All three are currently enrolled in their first of this two-year program. Stella is employed at UHS Binghamton General Hospital; Robin is employed at Blue Cross Blue Shield of Western New York; and Hope is employed at IBM Corp. of Endicott. Students in the YAP are eligible to receive two Regents credits for each year in the program. In addition, all three can receive a fifth credit by completing an additional project that requires extensive work. Stella, Robin, and Hope can earn up to five credits, receive a stipend, and gain first-hand experience through the Youth Apprenticeship Program.

The Co-op Program has existed for more than thirty years at Union-Endicott High School and has offered hundreds of students the opportunity to gain experience, earn money, and receive school for their efforts. During 1994-95 three students participated in the Co-op Program. Michele Payne is employed at The Bay Ridge Group; Ann Ciccirelli is employed at Satco's; Erin Becker is employed at the Binghamton Savings Bank, Endicott office; and Kayrn Sluzar is working at the Union-Endicott School District Computer Center on Broad Street. Co-op Students earn one-half credit for each one-hundred and fifty hours of work experience up to two credits.

# Mathletes

The Mathletes is an organization of U-E students who join together to have their problem solving skills and to challenge other schools in competition.

The Mathletes compete five times a year against other Broome Co. Schools. The top seventeen individual finishers get to form the Broome Co. Team and participate in the New York State Mathletes Finals. This year the finals will be held in Rochester.

The members also participate in a mail-in contest six times a year. They take the test here and the results are mailed in and compared with other state schools.

The American High School Mathletes Exam is also administered in February. Last year fifty students participated and eight went on to the next level and one went on to the third level (only 140 students in the U.S. were at this level).

# SADD

Students Against Drunk Driving, better known as SADD, was founded to raise awareness to the dangers and consequences of driving while intoxicated. Membership in this club has increased to over 150 students. This year, the officers of SADD, the members and Advisor, Mrs. Brozovic, sponsored many events to raise awareness within the school and community. Some of our activities have included: The mock accident, movie-night, Rangers night, Washington Avenue clean-up, Star Lake ski trip, Danielle Stento run, key chains to all 16 year olds, weekly announcements, Post-Prom Party, and poster contest with the elementary schools. SADD tries to have at least one activity per month. We hope these activities greatly influence the way many students feel towards drinking and driving.

Thanks to all of you who came out and supported the Union-Endicott SADD Chapter. We appreciate all your help.

The peer mediation had its first full year at the high school. Peer mediation is a peaceful way to solve problems. It can work for best friends, boyfriends and girlfriends and even students and teachers. To have a mediation you can talk to Mrs. Brown, Mrs. Ondyke, Mrs. Chianis, Mrs. Wales and Mrs. Tokos in the guidance office. All of the mediators and advisors were trained at the end of last year by the ACCORD organization.

We have a lot of great freshmen join the program from Jennie F. Snapp and we're all excited about Mediation in the coming years!

"STEP-TEAM" U-E STEPPERS

Members are: Regina Ezell, Robin Ezell, Mellisa Archie, Anika Small, Theresa Sunderland, Tanza Irvine, Teneshia Durham, Brandi Moore, Roberta Archie, Jeannetta Clarke, Tyronna Heath, Natasha Fuller, Latasha Kendrick, Chrissy Courtts, Jenine Hopper, Allison Shein, Keri LaBar, Amy Pagnani, Amy Watkins, Ashikee Small; Coach: Marc Johnson

At the first game of the varsity basketball season, UE vs. Bingham, the UE Stompers made their debut. The team includes about 20 students and is supervised by Rev. Marc Johnson, the Multicultural Ed. coordinator for the UE school district. The UE Stompers are the first step team in the Southern Tier.

Stepping is similar to dancing. It consists of stomping feet and clapping hands while moving to make a series of beats. These rhythms are occasionally accompanied by a song or rhyme. The precision used to execute the steps is similar to watching the military.

Stomping was done in the mines of South Africa by the miners. The miners were creative with their movements and began to choreograph their steps. People from different clans would use Step to compete in a friendly way.

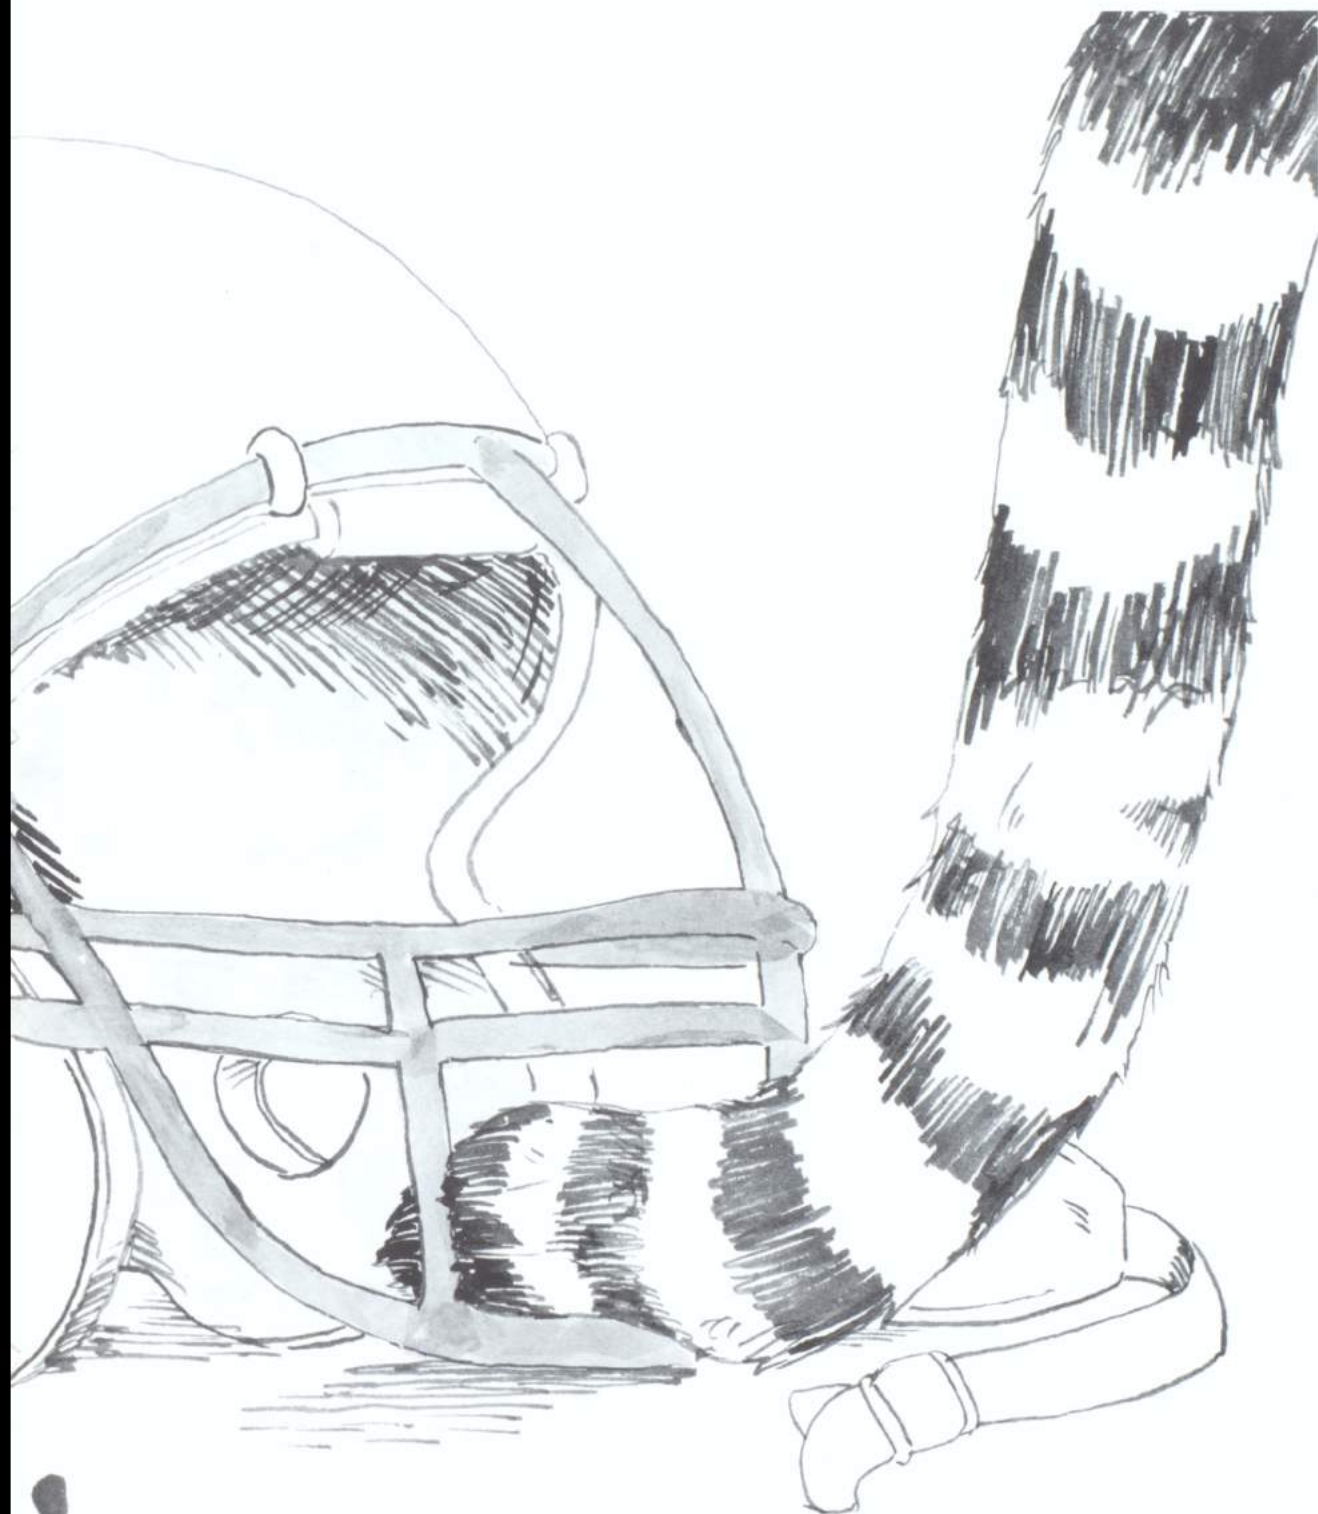

The Step Team promotes multiculturalism, as the team members come from a variety of ethnic groups. The UE Stompers perform at halftime during basketball games. We hope that UE Stompers are the first of many teams to come. Come and support not only the players but the Stompers as well.

The 1994 varsity baseball team completed a successful season of 13-6 overall. The team was just one game away from making the STAC playoffs.

Offensively, the team was led by STAC's leading hitter Dan Beers. Dan hit over .430 in leading the Tiger attack. Other offensive notables were Ricky Whatman, Adam Beers, Jeff Kurkoski, and Jeff Dubrava. On the mound, the Tigers were again led by Ricky Whatman. Whatman mowed down opposing hitters posting a 5-0 record with over 70 strikeouts. With Coach Folli leading his troops, the baseball team had a very exciting and enjoyable season.

The 93-94 UE Tennis team had another strong year. The team sent 11-3 in dual meets and just missed the STAC playoffs. The team lost three seniors, Hoon Jung, Jerry Mayes and Jeff Eggleston. They will be missed but their spots will be filled by new talent.

UE had the Class A and Section 4 singles champion for the first time in 13 years, while sending a player to the State Championships for the second straight year. With Coach Fran Angeline behind us, we are looking forward to next year.

Under Coach Mullins, JV Baseball had an exciting and successful season. With key wins over Vestal, Maine-Endwell, and Seton we qualified for the playoffs. Our biggest asset was our deep pitching staff which carried us to the STAC championship over Vestal.

The varsity runnin' Tigers enjoyed a winning season this year. Both the boys and girls finished high in their STAC division, and the girls were able to finish first at both the Marathon and Newark Valley Invitational. They were even brave enough to return to the Baldwinsville Inv. after the stressful muddy experience two years before.

We will lose some seniors and great friends this year, but we'll still be ready for next year!

The 1994 Varsity Football Team has distinguished themselves as one of the finest teams in the proud history and tradition of Union Endicott. These young men had to overcome adversity and emotional tragedy that plagued them from preseason through the season's end. They met head on each of the challenges that were hurled at them with poise, class, and character. It would have been easy for them to fold up shop and finish the season in lackluster fashion after the tragedy that occurred with the death of their teammate, Jason Sementelli. However, they showed their true character and committed themselves to take the final games and achieve the goals that were made for the team during preseason. They played the remaining 3 games of the schedule with such intensity, desire, emotion and heart that gave fans of Endicott some of the finest football that has ever been played at Ty Cobb Stadium. They came from behind against both arch rivals Binghamton and Vestal to soundly defeat them 27-12 and 24-12 respectively. This accomplished their goal and they won the Division I title. They then prepared to play Horseheads for the Section IV title, a team that had manhandled them earlier this season. Again, they rose to the occasion and put forth a tremendous effort in that game which ended in a 14-14 tie. However, again adversity reared its ugly head and a bad officiating decision denied them of the chance to determine the final outcome, and lost the game on the scoreboard 20-17. Although their record 5-4, is not one of the best ever for a UE team, it depicts a season that everyone associated with this team will never forget. These young men have shown the true essence of the human spirit and have performed admirably under extreme pressure, undue emotional strain and physical pain. The 1994 Varsity Football Team has made their fans of Endicott, their parents, and especially their coaches extremely proud of them.

This year was a rebuilding year for the UE Golf team because six of our 12 players will be graduating — John Bertoni, Paul Deamer, Garrett Modlo, Vince Morello, Doug Jeremiah, and Ang Datseris. We finished an otherwise bad year by placing runner-up at the Class A Tournament. We had two players receive medals for placing in the top three overall best scores — Robert Gibb received a silver medal for shooting a 78, and Vince Morello received a bronze medal for shooting an 82.

The closest match of the year was against Chenango Forks Blue Devils. Even though we lost, 191-192, we had some very good scores — Robert Gibb shot two under par 33, Garret Modlo and Rich Schappert both shot 39s, and Vince Morello shot a 40 on the Par 35.

We finished with 7-8 record in Class A Division, which was good enough for third place. Our coach, Mr. Yelverton is in his second year as head coach and has worked very hard. We would like to thank him for the great job he did.

The 1994 girls varsity swim team continued to rebuild itself into the strong program it once was. Led by a strong core of veterans, the team came together early to improve and accomplish their individual as well as their team goals. The season was highlighted by our sectional meet where we placed 4th, just missing 3rd place by two points.

# Girls J. V. Basketball

**T**he girls JV basketball team had a tremendous 94-95 season. We started off by winning the Owego-Tip-Off Tournament and then going on ending with a record of 11-5. We were Div. I champions which was a great accomplishment for all of us. All of our hard work got us to the arena for semi-finals but unfortunately we lost. We did a great job and hopefully next year's team will do the same.

Good Luck!

The 1994-95 girl's varsity basketball team did not have a successful season as we had hoped. However, we did reach our goal that we strived for — we came together as a team and knocked Horseheads out of Sectional play. We ended our season with a 3-18 record.

Good luck next year, Lady Tigers!

— Marci Forbidussi

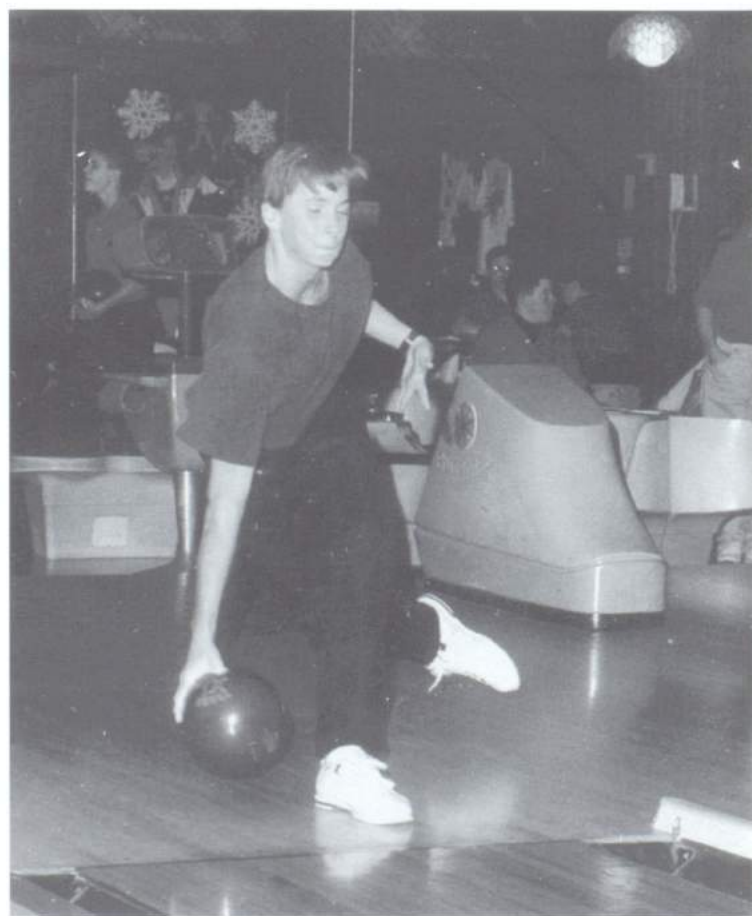

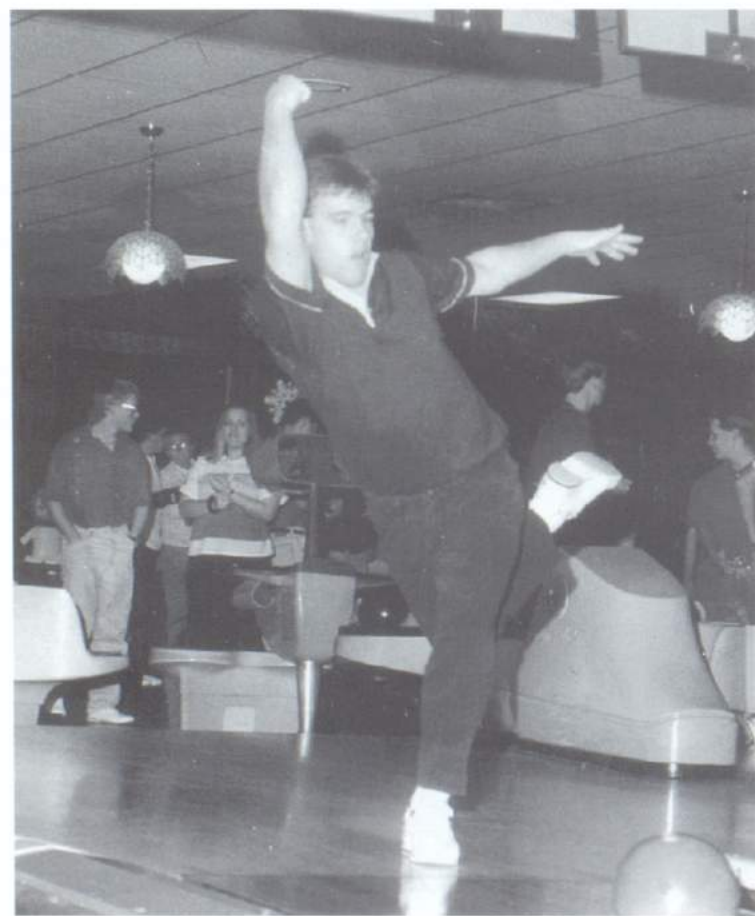

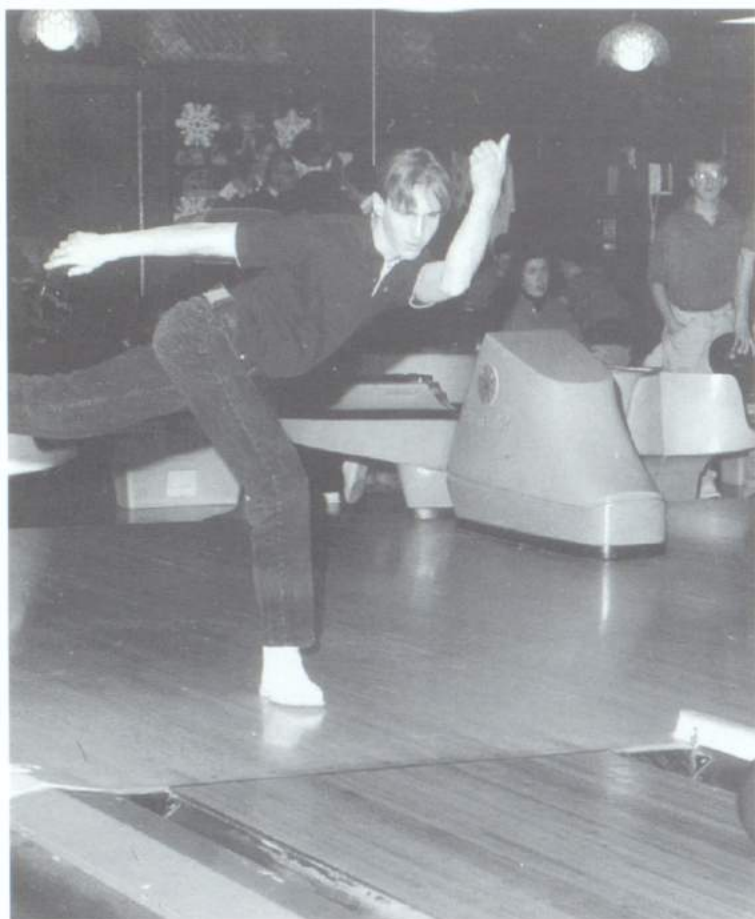

# Girls Varsity Bowling

The U.E. girls Varsity and JV bowling teams had another great season. The JV team had a winning record of 37-5, and went on to become S.T.A.C. champions. The varsity team also had a successful season finishing with a record of 75-2. In the past season, the varsity team continued their winning ways by placing first in both sectionals and state qualifiers at state level, the girls finished fourth out of eleven teams. As we are only losing two seniors, and with a strong JV team we are sure to have a great 1996 season.

# Boys Varsity Bowling

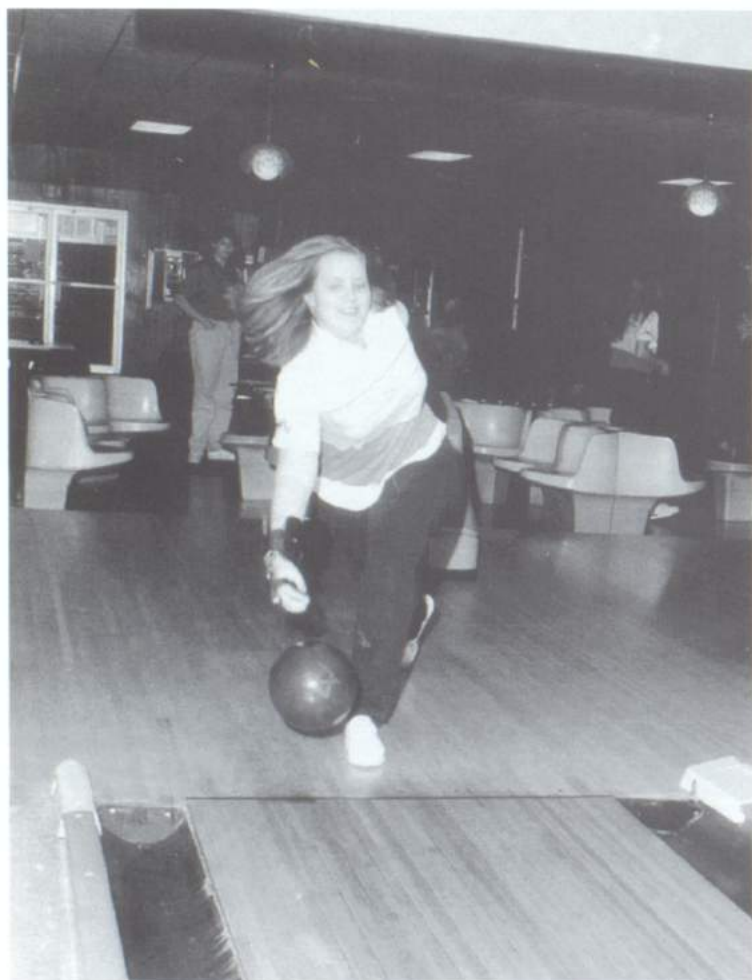

The U.E. Varsity and JV bowling teams had a superb season. The varsity team finished with a record of 75-9, while the JV team went 80-4. # *Snowball*

**National health care** legislation, President Clinton's grandest legislative goal of the year, failed to come to a vote in Congress in the final months of the year. The legislation would have guaranteed medical care to all Americans. It staggered under the weight of withering attacks from Republicans and insurance interests for many months. President Clinton and other Democrats immediately said they would try to bring health care legislation back to life next year.

President Clinton signed a \$30 billion **Crime Bill**. The huge law bans the manufacture, sale and possession of 19 specific types of assault-style weapons. It also allows the death penalty for 60 additional federal crimes, including drive-by shooting and carjacking deaths. As for the money, the law authorizes billions of dollars over six years to build prisons and hire more police. Attorney General Janet Reno said that 20,000 new police officers should be on the streets by 1996.

Tropical Storm Alberto hit the South, and the **Georgia floods** made history. The storm unloaded more than 20 inches of rain and caused flooding that killed 31 people. Forty-nine counties were declared federal disaster area and about 46,000 people were driven from their homes. In Albany, 30,000 people were evacuated and 9,200 houses and apartments were damaged or destroyed.

The torch was passed in the summer of 1994. After hearing about the legendary rock festival from their parents for years, a new generation seized the opportunity to create their own **Woodstock**. And Woodstock '94 was born. Several hundred thousands people arrived at Saugerties, N.Y. for Woodstock, '94. From folk music to heavy metal, the week-end concert was filled with music almost 24 - hours a day.

**Forest Fires** swept across more than a dozen western states. An eight-year drought brought the United States its worst forest fires since the 1920's, blackening some 3 million acres. Fourteen firefighters were killed in a blaze in Colorado. Thousands of firefighters from all over the country were mobilized to keep the fires under control.

The Water Watch group are students from my Regents Biology classes who have volunteered time during their lunch periods to perform chemical tests on samples of water obtained from the Susquehanna River. They are testing the river for the amounts of dissolved oxygen, and the nutrients; phosphates, and nitrates present in the water as well as for its alkalinity, pH, and conductivity. They are also preparing to look at the macro-invertebrates found on the river bottom when the weather gets warmer. From these studies, they will be able to judge the health of our part of the river and the contribution from our area to the problems faced by the Chesapeake Bay downstream.

The groups meet during lunch periods on Thursdays. During the winter, we have been meeting every other Thursday. As soon as the temperature rises above freezing, we will be meeting every Thursday as we did last Fall.

The 1995 THESAURUS staff wishes to express thanks to the UE faculty, staff, students and parents for their enduring patience and cooperation. Without your help, this publication would not be possible.

We would also like to take this opportunity to thank those who have purchased advertising space, and we urge everyone to patronize them. We also thank Lauren Studios for the many hours their photographers spend at UEHS. Homecoming, club pictures, candid sports photos, the film and processing is all given complimentary from Lauren Studios, and we express our appreciation for it all.
