Each of us is unique; an individual; one-of-a-kind.

Our school is a reflection of all of us. It mirrors our differences into a single image.

One fabulous homecoming!

U-E United as One!

Looking forward to one successful future!

Two heads are better than one.

One of the many moods of Adam Chavez

Each one is an incredible ride!

One ordinary day, with bubbles.

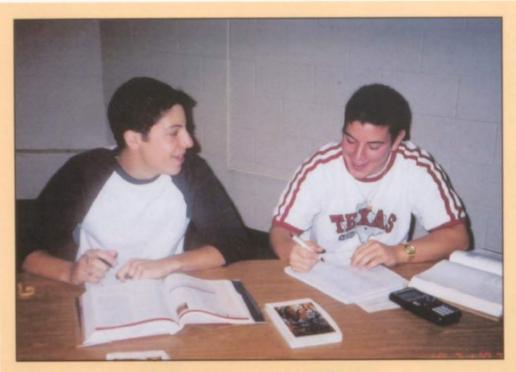

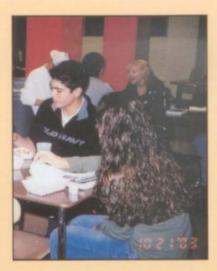

Kyle, Greg, Andy, Eric, Tom, and Sean enjoying just one of the perks of being seniors.

Hey girl keep it low, no cell phone in school.

Tony and Liz breakfast of champions

Brian Heide and Nick Testa hitting the books.

Gina and Kate- a portrait of concentration

Mike Venti's hairdo says it all.

No better way to unite than to unite together as one. As one big family we stand strong.

Sean Oliveira -- need we say more?

```
Ryan tries a new look!
```

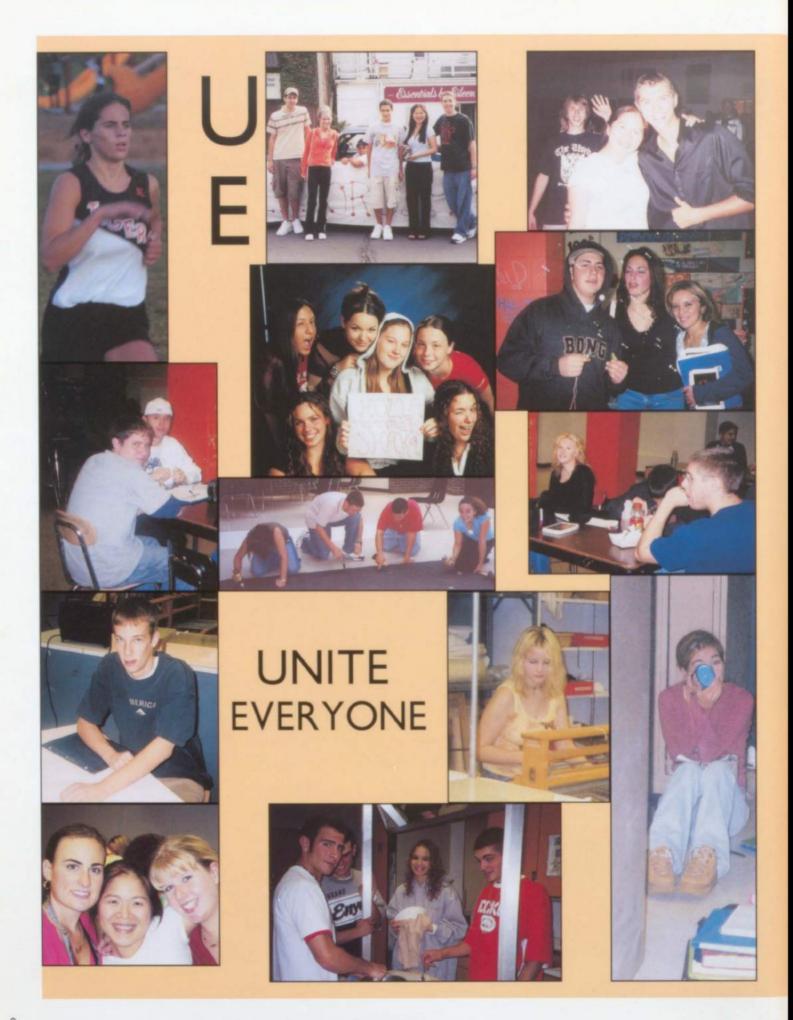

Girlfriends--they may forget what you said, but they will never forget how you made them feel.

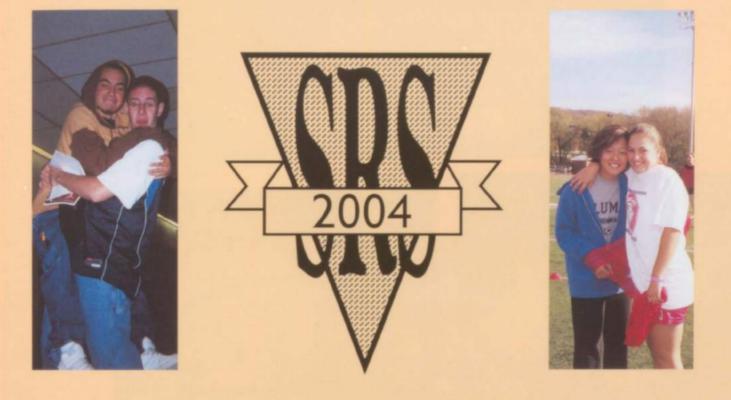

The path ahead might be rough but together as one big family we can make it.

We might not know at this point where we are heading or where life will take us, but there is one thing that we can always be sure of ...

The memories of our days together will never fade. We will always remember these moments--the times that we spent together.

"True friends are like four leaf clovers, hard to find but lucky to have." -Anon

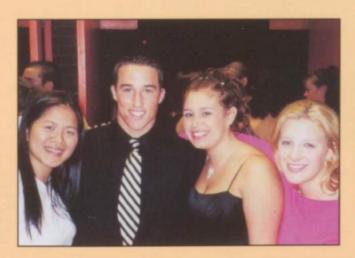

No matter what happens we were friends yesterday, we are today, and we will be tomorrow. Our friendship will never end.

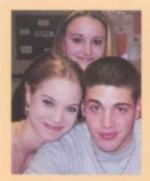

ogether

Together we unite as one and stand strong.

Unique Natural Intelligent Talented Energetic

We'll always remember this moment in time, the time that we spent together. Together we have gone wild and crazy, together we have had fun, laughter, and also tears.

We each have achieved in our own ways. The differences in our strengths and skills have never kept us apart. We stick together and are there for one another.

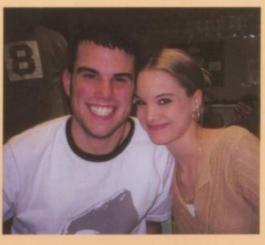

Amazing Sincere

Optimistic Neutral Extrovert

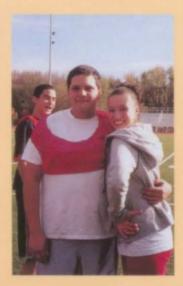

Our dedication and devotion to one another have made a difference in our every day lives and those of the people around us. It's really hard to let go; we have learned many things in the past four years and that knowledge will always be with us because we are a part of the UE family. Reunions will bring us together again, as one big family. The path ahead might take us in many separate directions, but we can look back on our time together and remember the lessons we learned.

Friends Forever

Adam Chavez has made the Empire State team and represented the central region for 2002 and 2003. According to Adam he has done his share of community service and participates in school events. He plans to graduate and attend college to make a difference in this world. Adam was named to the All American soccer team, along with first team All State, 2nd team All State-All Contest for 3 years. Also he has been to the state meet for swimming for 2 years. In school he is an active member in Varsity Club and a Senior/Freshman mentor. Outside of school Adam plays soccer, swims, and works at the Northside Pool and at the Cider Mill. Adam volunteers his time at the XC meets and helped out at the Alumni Night Dinner. Adam will be attending Binghamton University and playing soccer. He has learned to balance school work with sports. Plaving 2 or 3 varsity sport during the year and juggling it with school work has given him a sense of direction and judgment on how to manage time.

Nick Testa has accomplished many things in his past 4 years in high school. He was Division Senior All-Star, 1st Team All Division for Soccer, member of 2003 NYS American Legion Champions, member of the 2003 NYS High School Baseball champions, Who's Who Among American High School Students (10th, 11th, 12th grade), and Who's Who Among American High School Students - Sports Edition (11th, 12th grade), chosen to attend the Rotary Youth Leadership Association conference, and also a member of the National Honor Society. In school Nick participated as a Senior/Freshman mentor. Mathletes, ADSIP, Building Advisory Team, Varsity Club, Student exchange committee, Alumni Night, baseball, soccer, and ping-pong. Outside of school Nick is part of CYO Basketball, American Legion Baseball, volunteers at the Boys and Girls Club, and works at the Cider Mill. Nick plans to attend college and major in Pharmacy.

Marcello DeMichele has been on the Honor Roll every marking period, completed 4 years of Italian including AP by 11th grade. He played Varsity Soccer, Varsity Tennis, was in National Honor Society, and the musical *Guys and Dolls*. He was voted Snowball Prince, and he was recommended and went to Boys' State. Outside of school Marcello plays the piano, guitar, and soccer. He coaches Boys Club soccer and was field manager for BC United. Marcello plans to attend college and study music.

Brittany Johnson has been a member of different organizations through school and the community. Through these groups she has learned and grown as a person. She was NYS Scholar Athlete, on the Girls Basketball Class A Section 4 Championship 2003 team, and Varsity lettered in basketball and softball. In school she participated in Varsity Basketball, Varsity Softball, Varsity Club, Senior/Freshman Mentor Program, Marching Band, and Key Club. Outside of school she plays travel soccer, rings bells for church, and volunteers at the Vestal Nursing Home and through church. She plans to attend college in Utica or Ithaca to major in Physical Therapy. Brittany was also a participant in the 2001 World Scholar Athlete Games held at the University of Rhode Island.

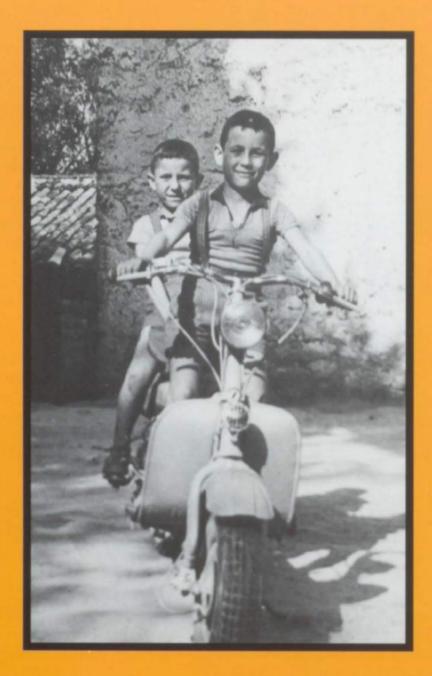

Kenneth Baratta in the past 4 years has been on honor roll every marking period, he has received the Optimist Youth Award. He was in Biology Club in 9th, 10th, and 12th grade and also was a part of the Enviro-thon in 9th grade. Outside of school Kenneth plays Baseball, Basketball, and Softball for church, and also he is a volunteer firefighter, helps out at the Boys and Girls Club and he does lots of community service with his church. Kenneth is planning to attend college and become a Youth Pastor. Kenneth loves to volunteer his time to help and visit the elderly people in nursing homes and he loves to help out at his church. He has been a firefighter a little over a year and it has been something he had wanted to be since he was 5 vears old.

Amanda Shimp in and out of school, has acomplished many things. Here are a few: on Honor Roll all 4 years of high school, a member of the Who's Who Among High School Students, member of the National Honor Society of High School Scholars, Soccer, Lacrosse, Volleyball, Varsity Club, a Senior/Freshman mentor, Yearbook, Prom Committee, FCCLA, Alumni Night, class of 2004 officer, and student government. She has also won many awards: Scholar-Athlete Soccer 11th, Volleyball 11th, Lacrosse 10th and 11th. In Volleyball: STAC and sectional Championships. Soccer: STAC and 2nd sectional Chanpionships, 2nd team All State, MVP award, All conference Honor. Lacrosse: 1st team All Star 10th and 11th. She also won the Student Recognition Award. Outside of school she participates in sports, works with SERTEEN that does a variety of volunteer work, and also has a seasonal part time job at the Cider Mill for 3 years. Amanda plans to attend Ithaca or Ohio State to major in Mathematics and become an education major and also play Lacrosse at a college level. Beside school and athletics, she enjoys spending time with friends and just relaxing.

Junior Class Officers

President: Tansy Woan

Vice President: Joe Palombo

Treasurer: Travis Duffy

Secretary: Sophia Pan

Advisor: Ms. Bassis

Volunteer: Pat Hogan

Filled to the brim with school pride, the Junior class led and inspired students throughout the year, not only to lend helping hands to Post-Prom, Freshman Orientation, and Open House, but also to partake in an assortment of school-sponsored events.

Wishing to create an unforgettable senior class trip, we raise capital wherever and whenever we can, from bake sales and bottle drives, hosting annual dances, to selling cookie dough, pizza kits, Easter bread, Valentine's Day chocolate roses, and stadium seats. All this along with an ever-growing account at Roma's for our bottle drives, we Juniors truly put our money where our mouth is.

We promoted a sense of unity among UE students throughout the year and continue to work toward our mission of merging all efforts and interests to provide an invaluable experience for the Junior class and offer services to our school community and the community at large. -- Tansy Woan

The class of 2006 meets once a week to brainstorm fundraising ideas. These fundraisers will help pay for all the activities we will do when we are seniors. This year we did projects such as the Homecoming Parade, selling T-shirts, bottle drives, and selling magazines. All the money we raise is to support the Sophomore class. So, Class of 2006, work hard for a great senior year. ~Mishu

To all at U-E: I hope you agree that this has been a fantastic year, filled with many great activities and experiences--many you will see as you journey through the pages of this beautiful yearbook. You continue to make U-E one of the best high schools in the area. I always wish you the best.

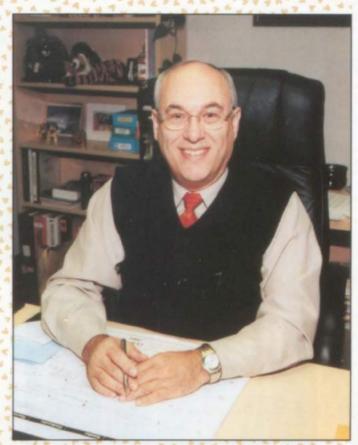

To the Class of 2004: I have had the pleasure of working and getting to know you over the past couple of years. Your talents and your wonderful ways have left a positive impression on our high school. We are confident that we have prepared you well for the road you will take to making a difference in this world.

At U-E, once a tiger always a tiger! We will not forget you--you will always be a part of the U-E Tiger Family. Congratulations and much success to you always!

Chorale

Chorus gives students the amazing opportunity to expand their musical knowledge and enhance their vocal ability. By performing songs in a variety of styles and languages, students become familiar with different genres. Most importantly, students are able to realize the development of their own innate musical ability and experience making beautiful musical together.

This year's Chorale had a highly productive and successful year. Members raised their level of musicianship both individually and as an ensemble. The Chorale has come a long way in using its collective voice as a beautiful instrument of music. Students led the singing of Holiday carols for Senior Citizens, participated in the NYSSMA Major Organization Festival, and celebrated the summation of their achievement and experiences at their banquet in the spring.

Chorus

The U-E Orchestra, which includes grades 9-12, is under the direction of Mrs. Rivenburg

123

The Jazz Choir had a spectacular journey in the 2003-2004 school year. The twenty-one member ensemble developed a deep appreciation and understanding of vocal jazz style as a group and in individual improvisation. The group sang at the first annual UE Alumni Dinner, at Broome West Senior Center, at Sons of Italy, and at the 2004 N YSSMA Major Organization Festival. A major highlight of the year included the Jazz Choir's Performance in the Tomorrowland in Disneyworld over Christmas break. The group has enjoyed a tremendous year making music and having fun being with one another.

lazz Choir

U-C's Bands

Jazz Band is under the direction of Mr. Weber. Every year they give an excellent performance at Christmas time in the cafeteria for the staff and student body, as well as other concerts throughout the school year.

The U-E Concert Band is made up of students selected by audition. The band performs a variety of music including marches, show tunes, original band compositions, and orchestral transcriptions. The Concert Band presents six concerts a year, including graduation, a NYSSMA Major Ensemble, Festival and concerts featuring some of the members as soloists.

Symphonic Band is comprised of many talented musicians who wish to broaden their musical capabilities or who simply love to play.

Freshmen Band includes 9th grade students and is under the direction of Mr. Weber.

The 2003 Tiger's Pride Marching Band performed music from Andrew Lloyd Weber's musical "Evita". The Band had a very successful fall, entertaining audiences at the New York State Fair and various competitions across the state. The band also cheered on the U-E Football Team all the way to the Dome.

Drama Club

126

This year's Drama Club aimed high and pulled off two great classic scripts in late winter and spring: Sorry, Wrong Number and Cyrano de Bergerac (Senior Class Play). The Drama Club members assisted in the Haunted Hayride at Highland Park and volunteered in our community. This year's advisor, Ms. Goins, hopes to keep the senior class play tradition alive in our school.

Biology Club works to Help take care of the Environment as well as bring awareness to its needs. We participate in Envirothon, a competition in which we answer questions about the local environment. We also fund raise to preserve the rainforest land and adopt a gorilla. This year we are also taking a trip to Key Largo to participate in a Marine Lab. In the Marine Lab we will study the uniqueness of sciences of the Everglades of the Florida Keys. We plan to create an informative display along the riverbank walking trail behind the high school, where members participate in the Riverbank Cleanups. We also provide recycling boxes for our school. Mathletes compete in a number of math contests. The New York Math League test is administered once a month and the results are mailed in to compete against other area schools. Once a month the members travel to Johnson City High School to compete against other area schools. The school which accumulates the most points after 5 meets wins the Broome County Trophy. Students are then selected to be part of the Broome County team competing against other county teams. Last year Broome county took First place in the B Divion at the New York State Meet. The members also compete in the American Math Competition which can result in scholarships to the individual memebers.

ADSIP, the Alcohol Drug Student Information Program, is an opportunity for UE high school students to take the message of abstinence from drugs intodistrict elementary schools. All ADSIP students participated in training seminars preparing them for their presentations in 4th and 5th grade classrooms. We had a great year. One key to the success of ADSIP is that the anti-drug message is being presented by students. We had a successful year! Advisor: Mr. Mcfadden

Italian Club

Italian club has had a great year. The new officers have come together very well. We have had many fun experiences. We were involved in the Italian exchange. Also we took a trip to NYC, caroled at the nursing home, had a pie sale, and brought the opera into our school. We would like to thank signora Barmada and Signora Wahila for all their help. Also we would like to wish Signora Wahila good luck with everything she does. We have appreciated all her time and work she has put into this club. Grazie Mille, she will be greatly missed. Advisors: Mrs. Barmada and Mrs. Wahila President: Dominica Mckeon, Taufiq Zaman Vice President: Danae Hanson Treasurer: Ledina Gianfrante Scretary: Andrea Lambrino

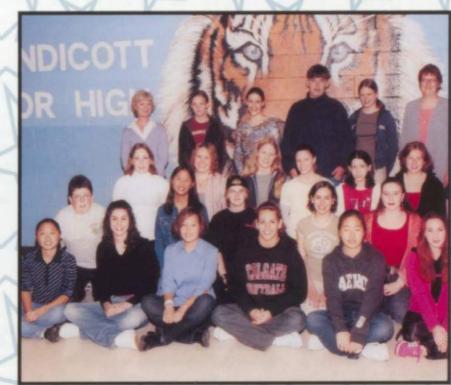

Spanish Club

This year's Spanish Club has offered many entertaining and cultural opportunities. Some traditional activities included our dinner at Chi-Chi's Restaurant to initiator current officers and to welcome our new members, the Holiday Posada with several pinatas, the viewing of movies in Spanish, and the trip to NYC. New events added to our agenda were merengue dancing, attending the Ballet National de Cuba, a Puerto Rican cultural party including food and dance, and presentations by members who have visited Hispanic countries. As a fundraiser, members sold Gertrude Hawk candy during the holiday season. The Spanish Club member took advantage of all the enriching cultural experiences. resulting in an improved global perspective. Our numbers keep on growing, and we welcome all of you back next year! Advisor: Sra. Delancy President: HIna Ahmed Vice President: Sara Baxter Secretary: John Gradel Treasurer: Christine Wagner

French

French Club is a great to explore interests in French places, culture, food and holidays. On our trips to NYC we enjoyed a Broadway play and an authentic French dinner. Closer to home we celebrate French holidays such as Mardi Gras and Christmas, making typical French holiday decorations and eating French specialties, see French films and have French breakfasts or snacks before our final exams. There's always something going on in French club, and it usually is delicious! Viola!

Mock Trial is an activity organized by the New York State Bar Association that allows students to analyze court case and prepare questions, arguments, and strategies for the presentation of that case. The 2004 case was a civil case involving a violation of the Americans with Disabilities Act of 1990. Jo Moncrieff, a quadriplegic, brought suit against Lee Juno and the general management of WSUB-TV under Title I of the ADA, alleging that the denial of employment as Field News Director wrongfully discriminated against Jo. Along with the help of Mr. Friend, the new Mock Trial advisor, and Cheryl Mancini and Mike Sharpe, the attorneys who provide legal advice, we hope to maintain a strong UE presence in the Mock Trial program.

Tiger Eye

As the official school newspaper for 33 years, the Tiger Eye strives to prevent relevant, timely, and interesting reading material to the Union-Endicott community. This year our staff worked hard to prepare a quality publication in two formats: the traditional print medium, and a new on-line version. With a proud tradition and a strong presence, the Tiger Eye looks forward to a terrific future.

Aerospace Club

This year, the team has begun plans for the construction of a new car. It has been decided that the competition of this car will be scheduled for 2005. The Geo (also known as the Electro) will be upgraded and will compete in the 2004 Tour de Sol. The Solar Tiger 2 has been taken out of retirement, and has recently gone through reconditioning. The ST2 will be donated to the school's athletic department as medical electric vehicle for the turf. The ST2 is fully operational, but still needs some more work done to it to be ready for its intended purpose. Many thanks to Mr. Tom Palazzo, our advisor, for all of his hard work in completing this project.

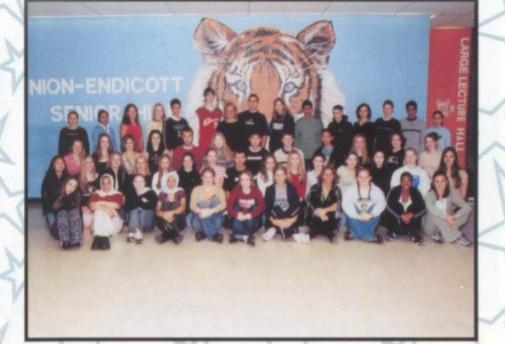

History Club

This year, we were excited to have had so many involved members join us to help promote a sense of appreciation, awareness, and interest in history around our school community. This past years highlights include trivia night, our local walking tours, and our cultural dinners. We would like to wish all graduating members of history club the best of luck for the future and we look forward to enjoying more promotion of local history and culture in the years ahead!

Key Club Officers

Key Club had another successful; year with a large group of students giving back to the community. Members of Key Club meet every Wednesday morning in the Large Lecture Hall participated in many charity events. They made care boxes for children, put on a food drive and set up a food pantry: visited the nursing home in vestal periodically, participated in various charity walks, and put on their annual Holiday party for families in the community. All the money from fundraisers such as a dinner and a datamatch went directly back to the community; Key Club never keeps any money for itself.

HOT OFF THE PRESS..... Union-Endicott and Maine-Endwell Combine Winterguard Squad (Press-Sun- Bulletin, Dec. 103)

UE and M-E have joined forces to help save Winterguard, which is a precision dance group that uses flags, sabers, and rifles as part of their performances. Joining forces has helped save money and kept the groups from dissolving this extra-curricular activity. With budgets tightening and taxes rising combining the teams from neighboring schools might, in the future, become the norm.

Students from both schools rallied to save the group and for many members it was their only school activity, so their efforts paid off. Team members from both schools were skeptical at first (squad consists of 13 from UE and 10 from M-E) but with the group sharing their resources they can continue to entertain and compete.

Winterguard competes throughout New York State in the Mid-York Color guard Circuit. They also compete in the Winterguard International Circuit and travel in the spring to compete for World Championships. Good Luck to the "new" UE-M-E Winterguard squad.

The UE Chapter of Future Business Leaders of America is looking forward to this school year. So far we have attended the Fall District Conference at Hartwick College. We are anxious for Spring to come when we will compete at the district level in various academic competitions. After that step we hope to take our expertise to the Spring Leadership Conference where we will compete against students from all across New York State.

FBLA Members are: Harley Shofkom, Frank Simser, Dao Le, Jim Reece, Crystal Boyer, and Sam Echorst.

Best of luck FBLA in all you do this year for UE!

Senior/Freshman Mentor Program

The Purpose of this program is to ease the transition for incoming Freshman from the middle school to the high school. Interested Freshman and Seniors are paired together based on common personal interests and hobbies. Students met on a weekly basis from September to January. The 2003-2004 school year marks the programs 5th year in existence with more than 350 participants.

Science Olympiad

Science Olympiad is a nationwide competition in which team members participate in various science-related study and building events. We compete every year at the regional and state levels--the state competition is held at West Point. This year we hope to improve on last year's third at regionals and ninth at states. Under the guidance of Mr. Tibensky and many other helpful teachers and parents, we plan to pick up some more medals this year! If you're into science, or just like a challenge, this is the club for you!

Musical Production

The Music Department presented the much-loved and hilarious musical "Guys and Dolls" on March 11, 12, 13, and 14, 2004 before large and enthusiastic audiences. The cast, orchestra, and stage crew of very talented UEHS students presented an outstanding production. Everyone involved feels a great sense of pride and fulfillment for having participated in this excellent show. All the elements-singing, dancing, acting, costuming, lighting, scenery, orchestral music-were superb and combined to create an outstanding accomplishment.

Congratulations to everyone!

The production included such memorable music as "Luck Be A Lady," "Sit Down, You're Rockin' the Boat," "I'll Know," "More I Cannot Wish You," "Fugue for Tinhorns," "The Oldest Established," "Bushel and a Peck," and "Marry the Man Today."

The Union Endicott Tennis team is coached by the beloved chemist Mr. Tibensky. At first singles was the straight-A student, Kevin Anglin, who had a great season last year. Dan Shuma played second singles, also having a great season. Coming up from the middle school was Matt Asher who played fourth singles. And we can't leave out the unstoppable duo of Jason Fluegel and Marcello DeMichele who lost only 2 or 3 games all season. It was a great season, with a team that is getting better and better every year.

Union Endicott coaches Mike Miller and Bob Osborne retired at their last state meet as coaches. What a way to end it. Tynez Wilson was naturally born to be a triple jumper and only being a sophomore, he is already a state champion. Ryan Dickinson was the lone runner at the state meet for the distance crew. April Monroe had an outstanding season in the 3000, 1500, and 800 and she even contributed to the 4x4 relay. Jeremy Riley, one of the most hard working guys on the team, pulled out personal best and brought a lot of points to the team every meet. Nick Burnett and Jenn Libous always had stand out performances in the pole vault and Nate Devine cleared the bar with no problem in the high jump this season. Congratulations to everyone on a great year.

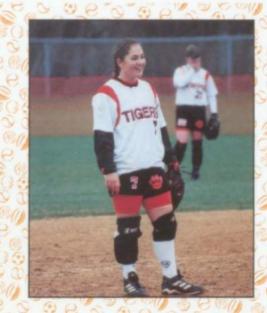

A Special Thank You to Mr. Miller and Mr. Osborne, who gave us so much dedication and heart.

Varsity Softball

The 2003 Girls Varsity Softball team was made up of six seniors and six juniors, one sophomore and one freshmen. Together as 14 strong, they worked hard and worked together. JV Softball

The JV Softball team had a fun and memorable season. With 7 returning players and 8 new players, we were ready to become a successful team. The beginning of our season didn't start out the way we had hoped. We came back during the season defeating our rival Vestal, and daimed the division and STAC titles. Heading in to the STAC semifinals we were faced with playing SV, who beat us in the championship game the year before. We went into the game with good batting, strong pitching and a great defense. With our positive attitudes, we beat the Sabers 10-0. We made it to the championship game again, but this time we were facing Horseheads. With a 2 run lead into the 7th inning, we knew we needed the same strong pitching and defense from game one, to win the game. After the 1st, 2nd and 3rd outs we became the new STAC CHAMPS (15-3) and our season had been the success we had hoped it. would be! It was a great season with many exciting memories. Good luck to next years team!

The U.E. JV Baseball team's season got off to a rocky start due to weather. Our first 6 games were cancelled. Because of the cancellations, our first game was against our rival Vestal. We lost a hard-fought game by the score of 6-3. Despite losing our first game, we came back and reeled off nineteen straight wins to end the season. This nineteen game winning streak included wins against many important opponents. We won games twice against Binghamton, twice against Ithaca, twice against Horseheads, and once against Vestal. The turning point in our season came against Ithaca. We played the first double-header in U-E history on a school night. In the game we won a close ball game by playing very good defensively. The second game featured a come from behind, last inning victory. During those two games our team really came together, and we knew we could win no matter what we were up against. We finished off the season as STAC Champions, with victories over Johnson City in the semi-finals, and then Horseheads in the final by a score of 13-2. Our whole team learned a lot, and had a very successful season.

The 2003 Varsity Baseball team may have been small in number and stature, but were big in success. They brought home Union Endicott's second State Championship and their first in class AA. Led by the incredible coaching of Mr. Folli, Mr. Hurd and Mr. Amaro, outstanding pitching, and timely hitting, the Varsity team started the year on a good note with a 16-3 regular season record. They then went on to a vengeful victory over Vestal in the Section 4 Final at NYSEG Stadium. U-E Varsity Baseball then traveled to Long Island for the Regional Final and won a decisive victory over Mamaronec and their hundreds of rowdy fans, thanks to a stellar pitching performance by Matt Francavillo. Following a one-hitter by Joey Welch, U-E faced JFK/Plainview in the State Championship game at NYSEG Stadium. Ian Christie's admirable pitching complemented by Brian Doty's relief appearance, which shut the door on Plainview's offense. U-E's baseball team won the State Championship game 9-2. Teamwork, attitude, and ability coupled with great coaching made the 2003 season and team one of the most successful Union Endicott has ever seen.

The JV Lacrosse team had a good season this year. They lost 3 games and won 5. The one that the JV team wanted the most to win was the game against Corning East. Corning East has never lost to Union Endicott's Lacrosse team before and Union Endicott's JV team almost did it this year, only losing by 2 goals. Congratulations to an amazing season and best of luck to next years players.

JV Girl's Lacrosse

Union Endicott's JV Girl's Lacrosse season of 2003 was a great season. Our record was

6-7 with many-close games. With the help of our experienced girls, the rookies on the team, including a new goalie, fell in quickly with the other girls. We are all looking forward to another great season, where we hope to improve our record. Thanks to coach Price for a wonderful season!

The 2003 Lady Tiger's Lacrosse team had a great season. The team was only a second year Varsity program and with hard work and team unity, we more than doubled our wins from last season. The team played hard and gave defending section 4 champs, Horseheads, a run for their money in a sectional semifinal game but lost. Despite the loss, we had a great season. Special Thanks to our coaches Deb Feketa and Alana Besemer. Good luck to the seniors and next year's team!

The girls' varsity swim team did very well this year with nine rookies and thirteen veterans. The girls' amazing dedication and commitment was revealed during the whole season which consisted of a afternoon practice on top of four morning practices, Saturday practices and many meets. The team took second at the EFA Invitational and did well at the JC Relays. The girls had many successful dual meets and defeated Johnson City after not having won against them in over ten years. The girls' swim team took forth at sectionals and sent nine of its swimmers and its diver to the state qualifier meet.

The Junior Varsity Boys Basketball Team had a very successful 2003-2004 season. After starting the season 6-0, all the other teams were gunning for us. They all were preparing to hand us our first loss. The struggling games after this eventually turned around into a great stretch of final games. Everyone on the team benefitted from Mr.McManus's tough lessons and grew to be better players on the court and also better people in the community. Although parts of the season were very tough to get through, we became a team and worked our way through it all. We did not reach our goal to get to the Arena but we all improved greatly which will clearly be seen next year.

This year we didn't walk away with 1st, but we obtained 2nd place in the JV STAC winter competition. We all feel that this year was if not the best year. As a squad we pulled together and worked as one. We would like to thank Ms. Selioa for everything she did, teaching us everything we know and for turning us into the best cheerleaders we can be. And girls, next year we'll have Penn 4, and always remember, shake it like a polaroid picture!

This season the Varsity. Girls Basketball team posted an 11-10 record. Not shown by this record was the excellent season that we've had at home losing only one game; we went 8-1. We had big wins against our biggest rivals, Vestal and Ithaca. We gave Ithaca thier first STAC loss. We would like to thank the seniors for a great season and wish them the best of luck next year. We will miss you, Brittany and Camille!

The JV Girls Basketball team had a great overall season this year. Beating our rival, Vestal, twice this year as well as many other experienced teams were just some of our accomplishments. We also attended a tournament in Shenedahowa and had a great time. Overall, our team has worked together and made lasting friendships. Have fun next year to all returning and to all the sopomores, Good Luck!

The 2003- 2004 Freshman Basketball team had a good season, more wins then losses. We had a great coach, Mr. Roma taught us how to play and understand the game. We played better together as a team as the season went on.

This year's 2003-2004 team accumulated a record of 79-33, going undefeated at home. The team's highest pinfall came against Owego Free Academy, where we totaled 3344 pins. As the regular season concluded, we sat atop the Metro division. Losing 5-2 in the Stac semis to JC, the Tigers stayed focused heading into Sectionals. We grabbed the Class A Sectional Title and earned a bid into the State qualifier tournament. Leading the 6game tournmaent after 3 games the Tigers looked to grab some momentum for the final 3 games. We totaled 6460 pins, which equates to a 213 average per bowler. Our remarkable effort came up just short of earning its 4th berth to the state tournament in the last 4 years. A special thank you to our coaches, Mr.Krise and Mrs. Honnick. Good Luck goes out to our 4 graduating seniors: Anthony Feeko, Justin Haus, Chris Ciesla and Todd Mikels. Its been a great year and good luck to next years team.

This season was great for the Girls. Varsity Bowling team. We were first in the Metro division outbeating Vestal and, Binghamton. We made it to STAC, but Windsor beat us. Sectionals came and we lost to Horseheads and Elmira Southside. However Desi, Lee, Taylor Overby, and Sarah Overby made it to State Qualifier as individuals for a chance to be on the girls all-star team. None of them made the cut for qualifier, however, the team is very young: three sopomores, Tammy Peters, Desiree Lee, and Sarah Overby. two eighth graders, Jamie Krmenee and Taylor Overby. We would like to wish our graduating seniors good luck!

Junior Varsity Wrestling

The Union-Endicott Junior Varsity wrestling team of 2003-2004 worked hard this season. They were very aware of the success last years team showed.

The team placed highly at every tournament this season. One tournament

that stood out this year was the Horseheads Invitational with two champions Donovan Bomysoad and Zach Robertson. There were seven place winners. At the JV STAC Tournament we had two champions Matt Yagley and Mike McCulloch. With fourteen dual meets and five tournaments this year, the junior varsity gained a lot of experience to be able to do well on the varsity squad next year. The JV team is also the recipient of the STAC Metro Division title after beating Vestal for the third year

The Union Endicott Varsity Wrestling team certainly had its ups and downs this year. The team showed its strength early on in the season by taking first at the Newark Valley tournament. At the Jeff Reece tournaments, the Tigers placed 7th out of 36 teams. This was the highest place out of all of section 4 teams. The highlight of the year came at the end when the Tigers placed 1st at the Section 4 Division 1 tournament to be named Section 4 Champions. First place finishers at the tournament included returning State Champion Arthur Jones, and returning Section 4 champion, Scot Osman. Jon Jones, and Dan Blaine also placed first for their first setional crown. The Tigers look forward to next year in defending their title.

The Girls Varsity Volleyball team completed the season with a 17-4 record. Although we suffered a few losses, two of them coming from our rival Vestal, we never gave up on what was ahead. We fell to Vestal in STAC Finals, but came back to beat them at home for Sectionals. Together our team bonded like a family, and this is why we were so successful. Our teamwork, dedication and hardwork paid off in the end to give us such a successful season. We would like to thank our coach Ms.Franey for everything, and wish the seniors the best of luck!

The girls JV volleyball team season ended with a 13-3 record, finishing by beating our rivals Vestal & Owego. The team had an awesome season by beating Vestal for the STAC championship. We couldn't have gotten as far as we did without our super teamwork. Good Luck to everyone next year and have lots of fun.

We had a very successful season this year winning the BCHSHA championship for the 3rd year in a row, and only suffering 2 defeats all year. The combination of skill, speed and size made it difficult for teams to compete. The championship came off a hard fought two game match against Vestal where we came out victorious the second game winning 8-2.

It has been an exciting and eventful year in and out of the water. With many new members on the team and losing 3 key swimmers from last years team, we knew we had to work hard for all that we wanted. It wasn't about the winning this year, it was about the commradery. Working hard day in and day out was what made us a team. We finished fourth at sectionals and sent all but a few to sectional finals. Adam Chavez went to states for his 3rd consecutive year and placed 9th among the public high schools in the 50 yard free. A special thanks to Mr. Peranski who has worked hard all year and helped each swimmer in and out of the pool.

Best of Luck Class of

2004

Joey's Pizza began in 2002, but our "Old World Style" of cooking dates back to 1830 when the first Pizzeria opened in Naples, Italy, which is still open today. It began with wood brick opens, fresh ingredients, and the customers insatiable appetite for quality.

Our brick open is manufactured in Italy by specialty craftsmen. The cooking chamber is made with highly refractory material. While most gas opens burn from 500° to 550°, our woodfire brick open burns at 1100°, 24 hours a day, 365 days a year to ensure fast and convenient service. As a result, we burn approximately two cords of wood per month.

Due to the nature of our style of cooking, please bear with us. Quality takes time because we feel that a woodfire oven gives the ultimate in flavor, a superior feature in pizza making. A minor and very <u>rare</u> drawback is the beat recovery time that is needed causing extended cooking time during our busiest bours

All our ingredients are made and cut fresh daily. Our sausage is bomemade and also prepared daily. We follow Joey's grandfather's recipe with the same care and precision as be did (so many years ago). We believe our "old style bot pies" are second to none. You be the judge and let us know what you think.

> Bon Apetite! Joey
