"Only the educated are free."
-- Epictetus

"The better part of one's life
consists of his friendships."
-- Abraham Lincoln

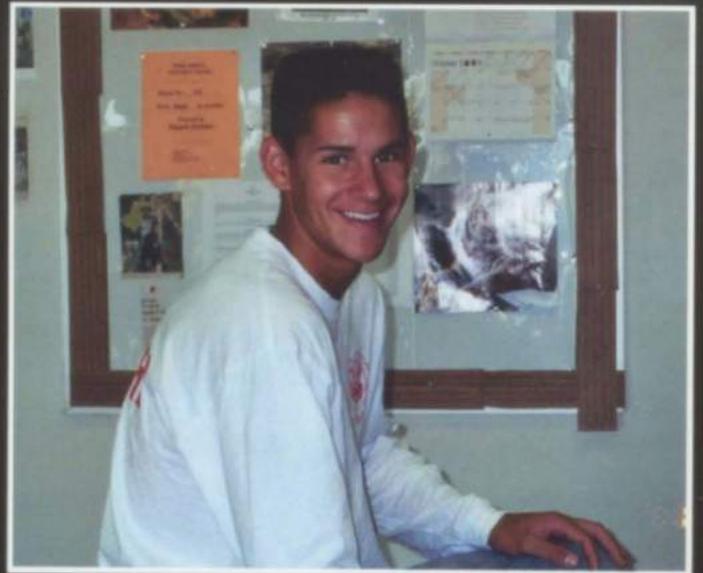

SENIOR

CLASS OF

We have finally accomplished what we came to accomplish. Now its time to move on to the next obstacle.

CANDIDS

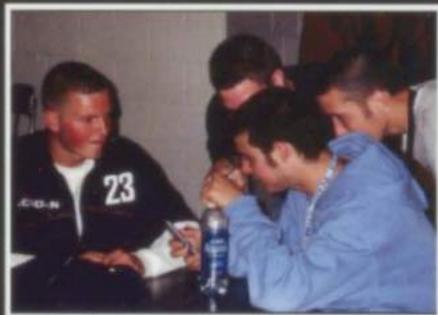

2005

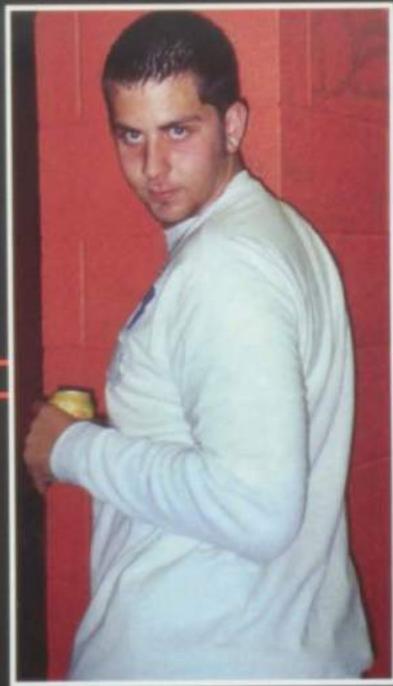

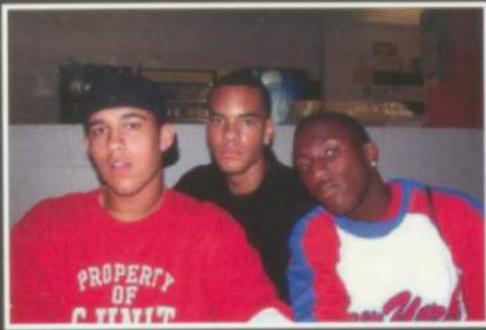

The memories of our days together will never fade away. We will always remember these memories and these faces.

No matter what happens, we were friends
yesterday, we are today, and we will be
tomorrow. This friendship will never die.

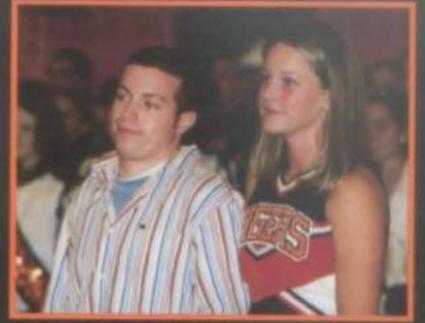

We might not know where we are heading or where life will take us, but its the memories of our days together that will never fade.

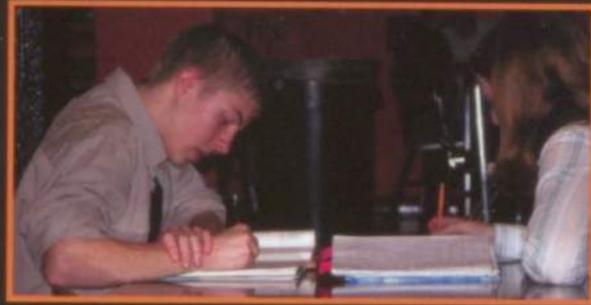

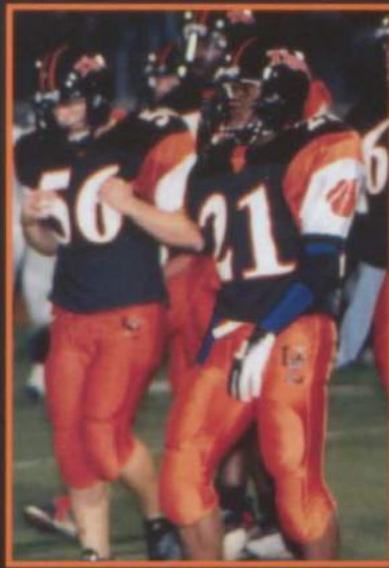

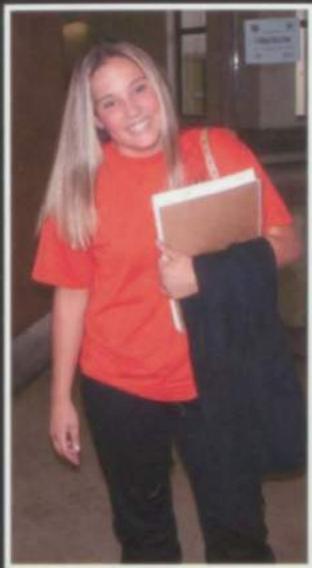

TIGERS

"The fireworks begin today. Each diploma is a lighted match, each one of you is a fuse."

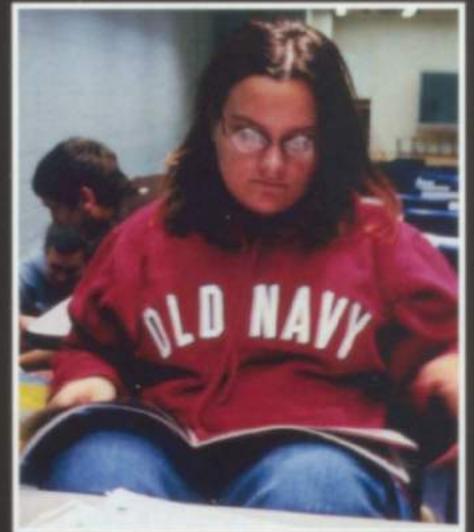

"Great beginnings are not as important as the way one finishes."

When it hurts to look back and your too scared to look ahead, you can look beside you and I'll guide you through it.

Never look back... Never regret... Never forget the people you've met. Never begin... Never end... Never say "Never" when it comes to your friends.

People may not remember exactly what you did
or what you said, but they will always remember
how you made them feel.

Every new beginning comes from some
other beginning's end...

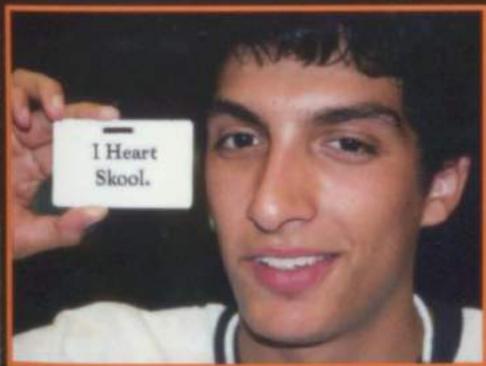

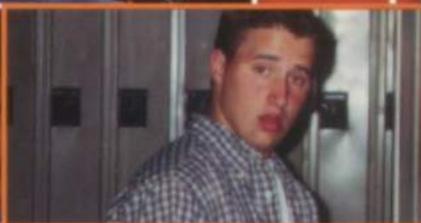

Sometimes people come into your life and you know right away that they are meant to be there; they serve some sort of purpose, teach you a lesson, or help you figure out who you are.

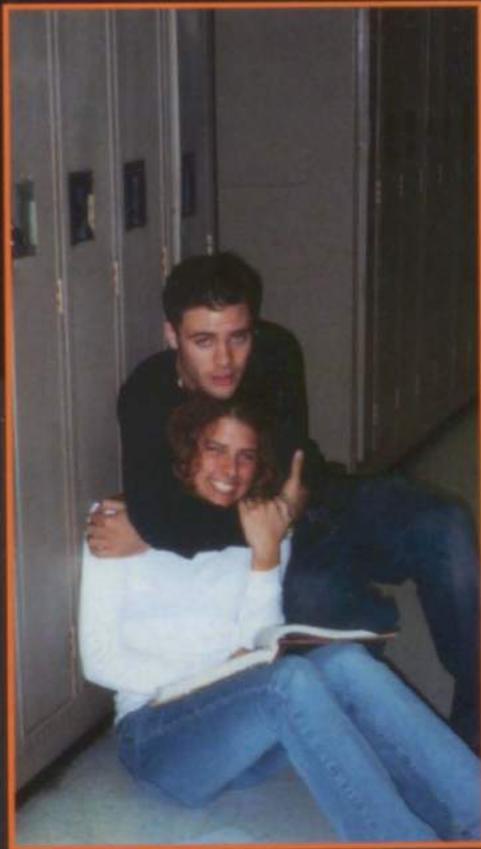

We laughed until we had to cry. We gave love,
 until our last goodbye. We were the best we
 thought we'd ever be. For a moment now, its just
 you and me.

Congrats Seniors!

As we pick up our caps and gowns and all that Senior stuff that's supposed to help us remember the good ol' days, most of the things that you remember can't be put on paper. The day will finally come when we will sit there with friends that we have made over the years and we will realize that this is a once in a lifetime moment. It will be the last time that everyone will be together in the same place. Our names will get called and our tassle will be turned, and then we'll say goodbye to the ones who helped bring us this far. We can always come back to visit, but there will be strangers in our halls and it won't be the same. It's different, and you're different. But it's not the end. In fact, it's just the beginning.

Seniors

Class Of 2005

2005

Well our time has come. We will open and close our lockers for the last time and take that next big step knowing that we, the class of 2005, have made it through four of what some may call the best years of our life. So, let's take pride in our victories and let's learn from our losses as we set out to achieve our goals in the next chapter of our lives.

The class of 2005 has worked very hard over the years to generate as much money as possible. As a result we are the top grossing class in Union Endicott history. None of this would have been possible if it were not for the direction by Senior Class advisors Mrs. Ballam, Mrs. Morford and also Mrs. Bassis last year. We would like to thank them and all the students who have remained involved over the past 4 years to make our class a great one.

Underclassmen

Class of 2006

The class of 2006 has been diligently working in order to raise money for an awesome senior year. The officers meet once a week, with Mrs. Hamilton - Jones, to discuss possible fundraisers. We have already sold Gertrude Hawk chocolate and participated in the Freshman Orientation Dance. We are currently fundraising by selling cookie-dough and cheesecakes. It takes the effort of the whole class to have a great year. A special thanks to Mrs. Hamilton - Jones for her support of the Class of 2006

The Class of 2006 will not forget their very own fourth anniversary. This is all part of ninth graders' more positive transition to UEP. Freshmen kicked off the year with an [illegible] and dance in August. Science Olympiad

Science Olympiad is a group of students interested in science who compete in a variety of earth science, biology, chemistry, physics and technology events. The competition takes place in the form of exams, lab events and building events. Last year, our team placed third at the regional competition for the fourth consecutive year, qualifying for the state competition in West Point. This year the team looks forward to beating our best finish of 9th place out of 48 teams in the state competition. Thanks to Mr. Tibensky and all of the other teachers for their hard work in helping us prepare.

FBLA

*Leaders of

The UE Chapter of FBLA is looking forward to this year more than ever! On October 21st we raised over \$350 for the Leukemia and Lymphoma Society and participated in their "Light the Night" event at BCC. We also have attended the Fall District Conference at Hartwick College. We are anxious for the spring to come when we will compete at the district level in various academic competitions.

Thanks to a grant awarded to us by Tech Prep we will take our expertise to the Spring Leadership Conference at Kutsher's in April where we will compete against students from all across New York State. The years FBLA members include Becky Zaremba, Ashley Saxe, Long Vu, Jon Shattuck, Jason Lupo, Joel Kata, Sean McGovern, Nicole Raimondi, and Jon Raimondi. Best of luck ,FBLA, in all you do this year for UE!

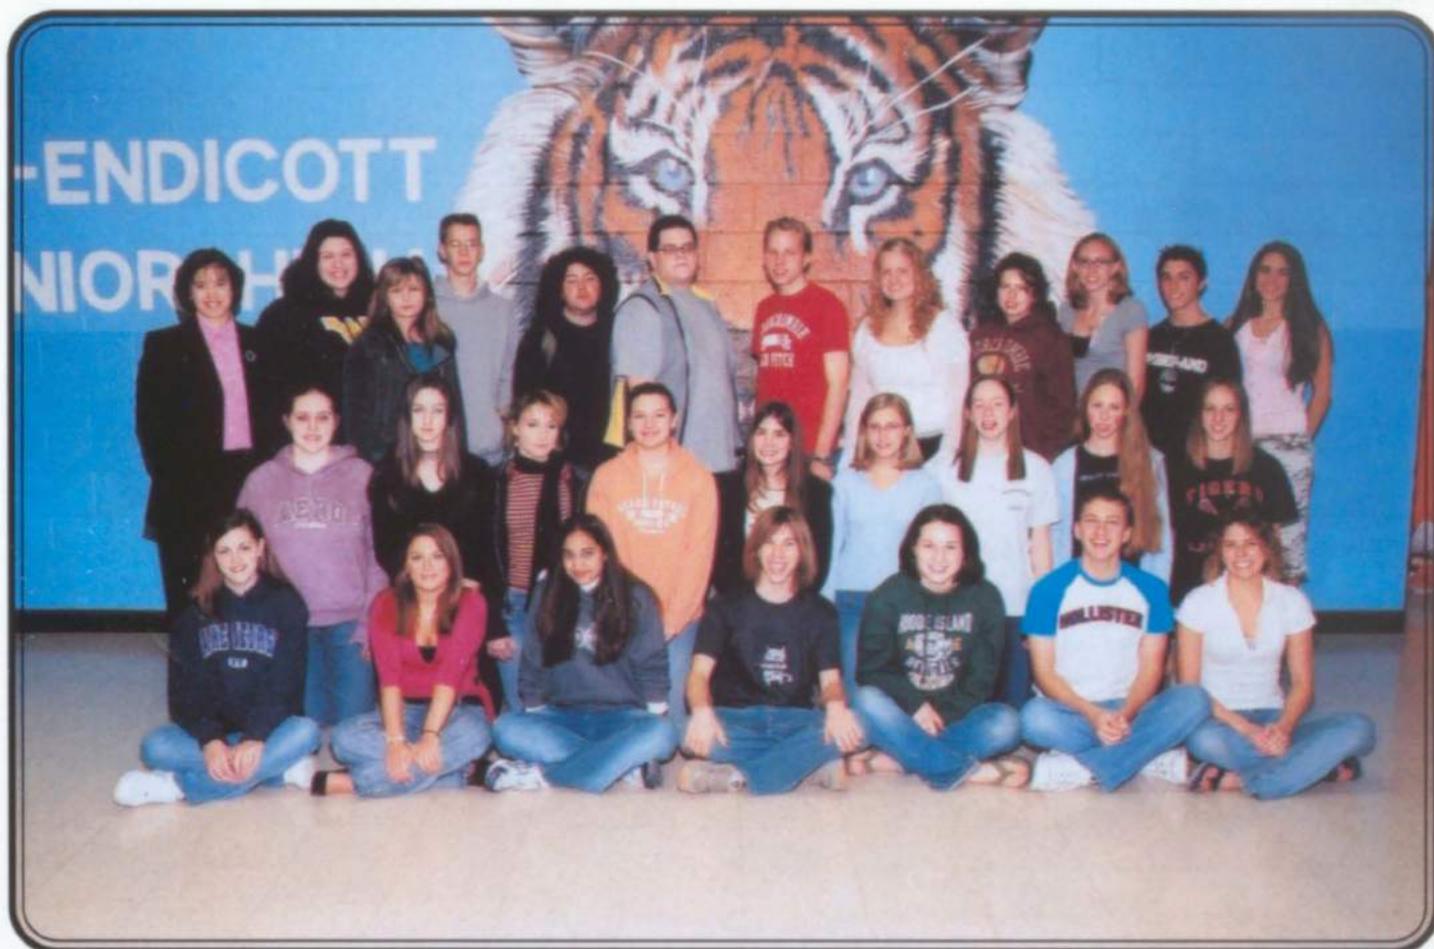

Tiger Paw Garden Club

The mission of the Tiger Paw Garden Club is to help beautify the school grounds. Last year's group planted the garden on the East side of the building. This year's group has been adding to that project with mums for the fall and bulbs for next spring. The winter projects include taking care of the tree room plants and decorations as well as planning expansion of the "East Garden" for next year. We hope to be of community service as well in the spring to help at the Endicott Visitor's Center and possibly with the township to work on Washington Avenue projects for the next spring and summer.

Biology Club works to promote environmental awareness. We take part in the Riverbank Cleanup every fall, and last spring, we took a trip to Key Largo to participate in Marine Lab. There, we learned about all sciences revolving around the Everglades and the Florida Keys. We learned by snorkeling in coral reef, walking through the Everglades, completing labs, and taking part in classroom discussions. This year, we plan to take a trip to Frost Valley. In addition, we will be assisting in the maintenance of Nature Trails in the area.

Envirothon is a competition held in the spring in which knowledge of the local environment is tested. Throughout the year, groups of five students study Aquatics, Wildlife, Forestry, Soils, and a Special Topic, which is new and unique every year. To prepare for this event, we visit various nature centers such as Waterman and Finch Hollow. We have been successful in recent years and hope to place a team in the top three of Broome County for the 3rd consecutive year.

Mathletes

The U-E Mathletes is a club whose members have an interest in problem solving techniques and who enjoy participating in numerous competitions. All students are welcome to join.

Each month two teams of 5 to 7 students journey to Johnson City High School to compete against the other Broome County Schools in competition consisting of 5 individual problems and one team or relay problem. The cumulative total of member points determine the yearly school and individual winners. The top 17 students from Broome County are then formed into a Southern Tier Team and compete in the State Mathletes Meet held in April at different places around the state.

Each month members also participate in the New York Math League Test which is administered in each school and the results are mailed in to a central office.

In February the American High School Math Exam is administered. This is a 90 minute national test that over 50,000 students take. Students who qualify are then eligible for a scholarship and also to go to the next level test eventually leading to a spot on the United States Math Olympic Team.

At the Awards Ceremony for Seniors a prize is given to those students who were members of the Mathletes team and contributed success to the team.

FCCLA

FCCLA (Family, Career, and Community Leaders of America) is a national youth leadership organization with over 200,000 members in the 50 states, District of Columbia, Virgin Islands, and Puerto Rico. Members of our local UEHS chapter work on strengthening leadership skills by doing community service and attending district, state and national leadership conferences. Any student who has been or is currently enrolled in a Family and Consumer Science Class may join.

FCCLA hosts the winter talent show to benefit charity, and collects clothing for the local free clothing center. We also work to strengthen families by hosting a family fun night for our members. This is just a small taste of what we do.

ADSIP

ADSIP stands for Alcohol and Other Drug Student Information Program. This year ADSIP students had several activities in district elementary schools with the goal of being positive role models and presenting a message on the dangers of drug use and the healthy alternatives. Our year started with trips to AGM to help with their morning "Tiger Pause" program for 4th, 5th and 6th graders. We also went to TJ Watson to read character-building story books to 1st graders. Our main activities were presentations in district 4th grade classrooms. These were done by team of 3-5 students referred to as "Peer Leaders." Using posters, skits, quizzes and personal stories, these peer leaders had a great impact on the 4th graders in the areas of drug avoidance and handling peer pressure.

Italian Club

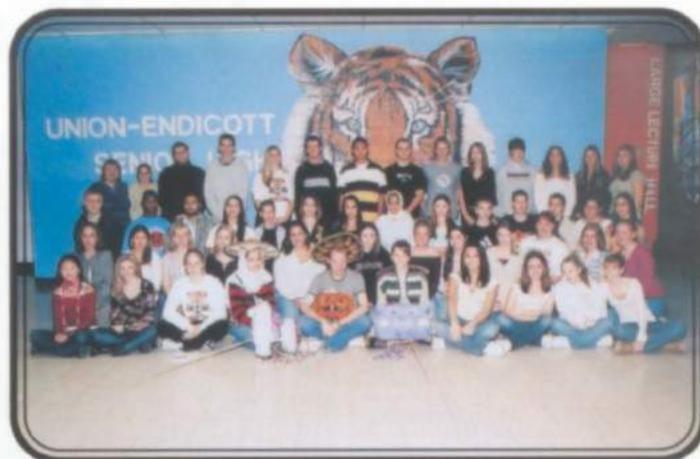

This year the Italian Club has had one of its best years. The club officers have done many new things to help our local community: the food pantry drive for St. Anthony's Church, Pie Sale, caroling at Ideal Living Center, sending care packages to soldiers in Iraq, and a toy drive. We would like to thank our new club advisor, Mrs. Barmada, for all the work she has done with the club this year.

There is always something going on in Spanish Club, and this year the tradition was not broken! Some activities that went on include our induction dinner for officers at the new restaurant Los Tapatios, decorating skulls for the Day of the Dead, and viewing movies in Spanish. Our holiday posada was a huge success with piñatas, candy, and our traditional dip. Our fall trip to NYC was very special because we had the opportunity to visit the superb Aztec Empire Exhibit at the Guggenheim Museum. We are looking forward to another culturally enriching trip to NYC in the spring. Also we enjoy inviting club members to share their travel experiences with us. Traditionally, as a fundraiser, members sell Gertrude Hawk candy during the holiday season. Spanish Club also sold Dia de Los Muertos buttons. We hope to see everybody again in the fall for another fun and exciting year!

Spring trip to NYC with the Italian Club

New for 2005...we will be receiving a group of students from Epernay, France March 31 - April 11.

Chorus

The Chorus gives students the opportunity to expand their musical and singing knowledge. We sing in 3 and 4 part harmony and perform music from many different styles: Rock, Jazz, Spirituals, Pop and many others. Each student begins to enhance and build their vocal ability, and sings in different languages. Most importantly, each Chorus member begins to further their knowledge of teamwork by developing their inborn musical ability and gain experience by performing wonderful choral music!

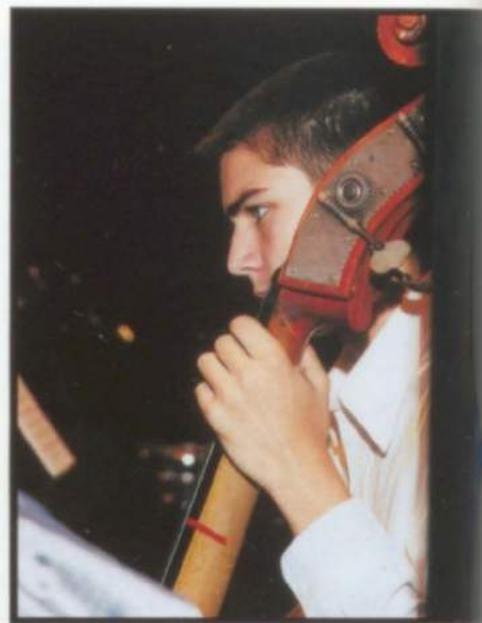

Chorale

What an awesome year the Chorale is having! Members of this group, by audition only, raise their level of musicianship, both individually and collectively as an ensemble. We sing fantastic choral music in 4, 5 and 6 part harmony. This year, we also sang together with the Jazz Choir, was accompanied by various instruments and sang in many different languages: English, Swahili, Hebrew, Italian and others. The Chorale participates in NYSSMA, leads Holiday singing, and celebrates the culmination of their musical year at the spring banquet.

Orchestra

The U-E Orchestra, which includes grade 9-12, is under the direction of Mrs. Rivenburg.

Jazz Choir

The Jazz Choir is a unique collection of singers with specific voices suited to close harmony and music from the Jazz and Pop styles. By auditions only, this twenty-two member ensemble has developed into a close team of singers who have a deep understanding and knowledge of singing. This year has been exciting, singing with various instruments and in many styles. We sang antiphonally with the Chorale and for many exciting events: The UE Alumni dinner, the Broome County Superintendents Meeting, NYSSMA and many other events. The year culminated with a trip to NYC and Broadway show and Masterclass!

The purpose of the Mock Trial is to provide students with hands-on opportunities to further their understanding of the law, court procedures, and our legal system, while honoring their speaking, listening, reading, and reasoning skills. County competitions are held in the spring at the central courts in Binghamton. County champions advance to regional competitions, with six teams meeting in Albany for the statewide finals each May. Last year the Union Endicott team competed in Albany, and placed third in New York State.

Mock Trial

The case this year, *Maccao Elery McLaughlin v. Lee and Robbie McLaughlin*, is a civil lawsuit brought in New York State Supreme Court under the New York Prudent Investor Act. The competing members of this year's team are Mary Clark, Kelsey Walsh, Rose Mardex, Alina Ruggieri, Alpa Bhatt, Janine Heath, Justine Sinprasith, Perri Quattrociocchi, Madeline Schiesser, Maureen Cook, Ryan Ziegler and Patrick Noonan. Tiger Eye

The Tiger Eye has been the Union-Endicott High School student newspaper for over 30 years. This year's version was in the capable hands of Editor-in-Chief Ryan Miga, who made sure all the deadlines were met and that only the highest quality material found its way into print. Ryan had help from some very diligent editors and contributor- a special shout-out goes to Myke Cave for his prompt and well-detailed reviews of the local concert scene, Jackie Simine for covering the UEHS arts community, and Nicole Gounalis for some informative features.

Key Club

Key Club is a very influential and active organization in our school and community. The club is distinguished from others due to the numerous community services it performed through the year. This year the club has volunteered in places like Animal Care Council, the Vestal Nursing Home, and the Kiwanis Club. The members participated in CHOW and Breast Cancer Walk. Furthermore, the club was instrumental in the progress of the food, book and blood drives. The organization also made care packages for both Iraq and the Wyoming Children's Home. Key Club's greatest project was creating a Christmas Party for over eighty underprivileged children in the community. The organization met its mission of making a difference in society.

Step Team

The Step-Team is a team that uses hands and feet to make music. These movements reflect unity, style and rhythm. We perform everywhere such as pep rallies, basketball games, both the boys and girls. We also are asked to perform at the Christmas show, where we placed third.

The 2004 Track and Field team had a very successful year graduating many key seniors last year and developing such a young team. This year nothing held back from wins of the new coaching staff. The boys team placed 2nd in almost every invitational. Between the Sprinters, Throwers, Jumpers, and Distance runners, there was always a Tiger on top. The 4 by 8 guys relay team and athletes such as junior Tynez Wilson, and seniors, Jeremy Riley, Chris Kylor, April Monroe, Jenn Libous and Sarah Antonaitis came up big for the Tigers this year. Good Luck to the Graduating Seniors of 2004 and remember always a Tiger at heart.

The Varsity Softball team this year consisted of 6 seniors, 7 juniors, and 3 sophomores. Despite losing a talented 2003 class they were very optimistic for 2004. The team ended their season 18-7 beating Vestal 3 times and Horsesheds twice. The team played their way to Metro Division Champs, Section IV Champs, and Regional Semi-Finalists. Good Luck to the seniors, Jamie, Amanda, Carla, Brittany, Ashley, and Stephanie. And, good Luck next year to all the underclassmen!

After losing 11 sophomores, the UE girls JV softball team was unsure of how the young team would do. Out of 15 games, beating teams like Vestal and Binghamton, they lost one to the biggest rival -Horseheads. Though the Tigers lost a season game against them, they came back and beat them at the right time, for the STAC championship. This now gave the girl's JV team back-to-back championship titles beating Horseheads both years. Great Season girls!

The Tigers Varsity Baseball Team may have fallen short of defending last year's state championship, but they still accomplished an outstanding season. They came one win away from tying the most wins in a season with a record of 23-4, which led them into the post-season. In post-season the Tigers shined as they started by bringing in a STAC championship home to U-E by destroying Susquehanna Valley at NYSEG Stadium. They then returned to the stadium for the Sectional final against Binghamton. Thanks to outstanding pitching performance by Mike Albert and run support provided by the veteran EJ Folli, the Tigers claimed a thrilling 5-2 victory over Binghamton and continued on to the Regional playoffs. In the semi-final game against Kingston, Chris Ciesla's pitching performance couldn't stop the game from going into extra innings, but did set up Mike Folli for a game winning, walk-off homerun. So the Tigers moved on to the Regional final game where their season ended with a 7-8 loss to Ketchum. The year may have ended in a loss, but it was another incredible run thanks to the amazing coaching efforts of Head Coach Ed Folli and Assistant Coaches, Shane Hurd, Tom Ferraro, and Dave Amaro.

The UE Boys Lacrosse squad had a challenging 2004 season. Even with the loss of several key players in the preseason. The Tigers put up a good fight. The small squad with solid senior leadership had big wins against Horseheads, Shaker, but lost a close game against Vestal 10-9. With talent returning the Tigers should have an even better 2005 season. Good Luck boys!

JV Girls Lacrosse

This year's Junior Varsity lacrosse team made major progress throughout the season, and all of the team's new and returning players showed how far the lacrosse program has come.

With more experience they showed just how far this team went. The girls were aided in their growth by new coach Sara Dorfman. Most importantly everyone learned that if you go through life without bruises you're obviously not playing hard enough.

GO TIGERS!

The 2004 Lady Tiger's Lacrosse team had another great season. The third year Varsity program came together with the core group of individuals many of which started with the program 4 years ago. This year we had 7 seniors, 7 juniors, 4 sophomores, and 1 freshman. Together we worked as a team and came close to going to our first Sectional final game, but fell short to Ithaca. Despite the continued growing pains of our lacrosse program, we continue to strive for our best. A special thanks to our coaches and good luck to the seniors!

The Varsity Swimming and Diving Team of 2004 were a hard working and outstanding group. The team was made up of twenty four girls (twenty-one swimmers and three divers). Ten of the girls were new to the team. We came in 3rd place in the EFA invitational, out of approximately ten teams. We had a perfect senior night which included beating our Vestal rival 58-44. Our record was 6 wins to 3 losses. We finished third in our section and sent Amy, Kielee and Liz to States in Long Island. Even with losing six graduating seniors, the team will continue to grow strong with much rising talent. Thank you to our managers, Eric Sedlacek and Brian Haines. Thank you for all of your support and guidance coaches, Joe Peranski and Jason Mooney.

This year's varsity girls tennis team wasn't supposed to accomplish much considering it consisted of 6 freshman, 3 sophmores, 11 juniors and only 3 seniors. They showed every wrong by going 8-3 and finishing second in sectionals, behind only Binghamton (who went undefeated this year but no one cares about them). Cooch Carol Bramante, who has led the team for the past 6 years, also led the team this year. Congratulations to the team this year and next year will be even better, except that we will miss out three seniors Autumn Tully, Alex Karlgut, and Tansy Woan.

This season the golf team got off to a good start followed by a rough road. A few strokes here and there was the deciding factor on the road. Graduating only two seniors, many juniors and underclassmen stepped up their game. We have experienced this year, but next season should be even stronger. We are looking forward for a good team next year with the returning of eight juniors. Good luck to the seniors!

The 2004 cross country was both a great success and a building process. The team brought in a lot of trophies with the girls claiming 1st place in their division after beating Ithaca.

The boys' team had a surprisingly successful year built mostly of underclassmen, and is looking to have a big season next year. The persistence of the team let to an outstanding fall.

The Girls Varsity Soccer team had a great season going 15-4-2. There was an unprecedented 27 girls on the team but each and every player played her role and contributed to the team's success. At the Section IV finals, the Lady Tigers played incredible tea defense, holding Ithaca to a 0-0 draw. In the ensuing penatly kicks, the Tigers came out in front and advanced to the Regional Semifinals. Great season ladies, and good luck to all seniors. The UE Tiger's competed in the 2004 football season. Tigers came out with a record of 5-3. We played many good teams including Tottenville, which won the New York State championship in the city. We accomplished numerous goals this season. We had our first shutout against Tottenville and we won 21-0. We missed a game against Maine-Endwell due to the flooding, but on the good side our team was a game behind the other teams. Great season and good luck to the seniors!

Junior Varsity Football

The JV Tigers football team had a very good year this year. We came together as teammates and took a team who had a record of 2-7 the previous year to a record of 5-3. We opened the season against Pittsford with a 9-0 victory, and went on for a winning streak for a while. We were influenced by the excellent coaching staff that we had. They taught us a great deal about the game of football. Good luck to next year's team!

Go Tigers!

This year's young yet extremely talented squad consisted of 7 seniors (Domenica Cerasaro, Maureen Cook, Melanie Martin, Erin Perkins, Erin Richards, Kelsey Tzivanis and Sherice Wedderburn), 2 juniors, 8 sophomores, and 1 freshman. For the first time we had the pleasure of including alternates to our squad, and still managed to create a very close knit team within a short time frame. With the help of a great coaching staff, we placed second in the Fall STAC Cheerleading Invitational held at the Arena in October. We would like to say thank you to everyone that made this season a success, good luck to our departing seniors, and to the underclassmen, this season was "ayyy! good one. Nexxxxxt!?"

Boys Varsity Basketball

We started off the season slow but never gave up. We gained confidence all the way through the year. We didn't win STAC but we made a strong run in sectionals and came up just short in the Section 4 finals against Vestal. Thank you to all of our fans who came and supported us, especially the Sea of Orange. UE Basketball 04-05--A Season to Remember

Good Luck to our graduating seniors: Evan Henderson, Justin Leskow, Josh Williams, Carl Clemons, Matt Burnett, Sean Reardon & Tynez Wilson.

The JV basketball team started the season very rough. We lost some close games as well as some not-so-close A.K.A. Horseheads. We turned it around after the first of the year and started to make a run at the end with a nice winning streak. This included our win against Vestal which put us in 2nd place in our division behind Binghamton. The varsity will gain very strong players as the sophomores from this year move up, and the JV will remain strong when the "Trio" of freshmen return. Great season, gentlemen, porkchop sandwiches!!

This season was very successful for the Union Endicott JV cheerleaders. Our team consisted of 8 sophomores and 8 freshmen. Although we did not win 1st place in STAC, we were the CNY Winter Classic Champions of our division. We worked together as a team and did our best. Great season, girls!

— Caitlin Vamvarkaris and Kathleen Murray

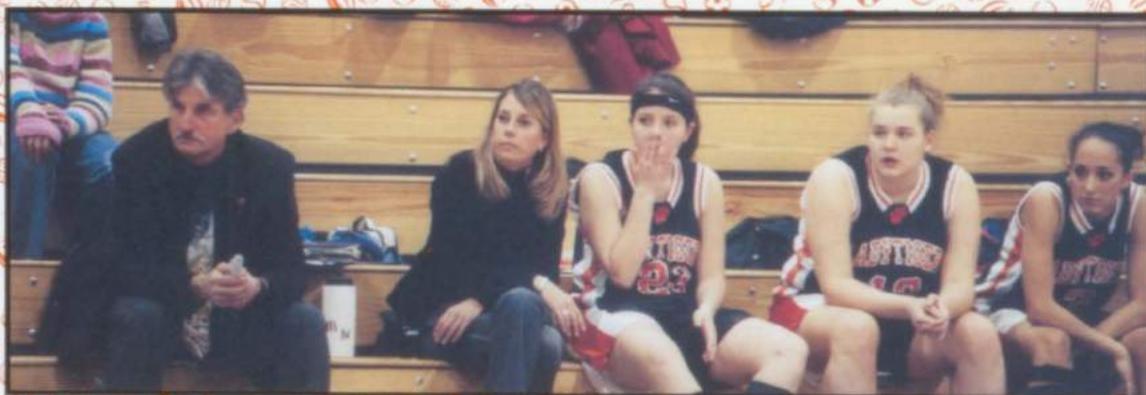

Girls Varsity Basketball

This was a great season for the girl's varsity basketball team. Through hard work and determination, the girls placed themselves in the number one position in STAC's. Advancing to the finals, the girls beat Corning East for the third time this season and became STAC champs for the first time since 1992. Our 16-5 record shows that everyone on this year's team contributed.

We'd like to thank all of our seven seniors for an excellent season and wish them good luck next year. Great job, ladies!!

This year the JV girls basketball team had a great season. Our overall record was 15 - 4. We beat our rival, Vestal, twice and had many other big wins. We played well and had fun at our tournament in Shenendahowa. Our hardwork during the season paid off: we were first in our division and got to play in STACs. Good luck next year to the returning players and the sophomores. We love you Kristina and Piper!

The U-E freshman basketball team was coached by Mr. Roma. We had a pretty decent team with a record of 11-5. There were 15 players on the team and all of us were good players. Some didn't play as much as others but we still played as a team. Even though we lost to our rivals, the Vestal Golden Bears twice, we still had a fun season. We wish next year's basketball team good luck.

JV Wrestling

Several JV wrestlers moved up to varsity during the season to gain valuable experience for next year. Our team competed in 13 dual meets and 5 tournaments to help up improve our wrestling skills. Our best tournament was the Elmira JV tournament where 5 wrestlers placed 1st and 3 placed 2nd. First place finishers were Brendon Ketchum, Zach Robertson, Nick VanAuken, Will Montanez, and Alex Vavra. Second place finishers were Mike Ketchum, John Talcott, and Brendon Poyneer. In the JV STAC Tournament, we placed 13 of 17 entries and Matt Titman was our only champion. Our overall record for the season was 6 wins, and 7 losses. Congratulations on a great season and good luck in the 2005-2006 season.

Varsity Wrestling

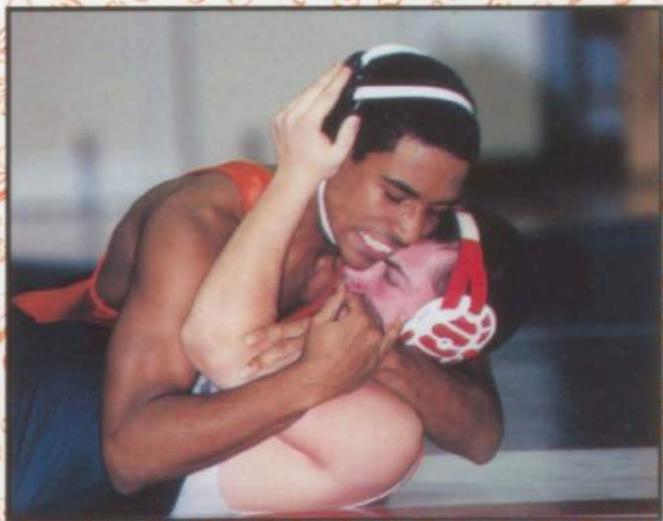

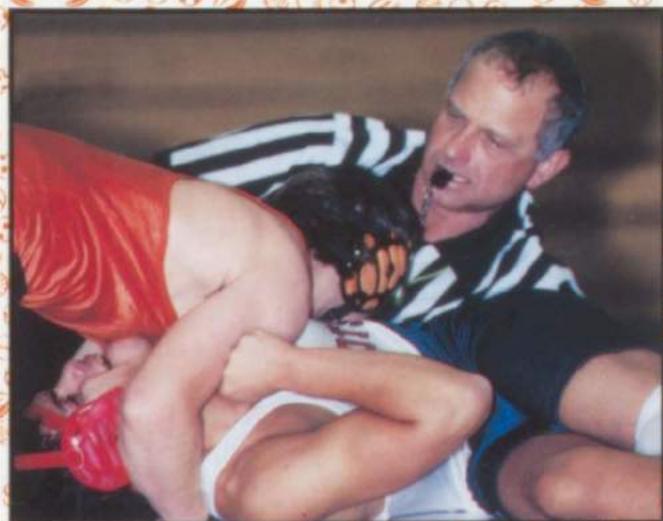

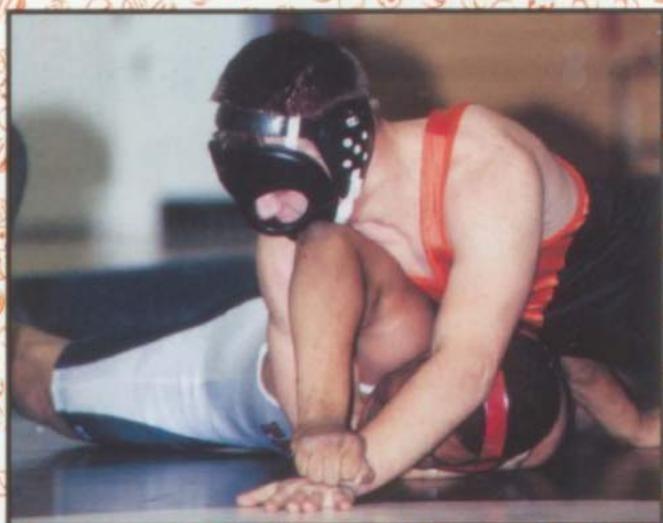

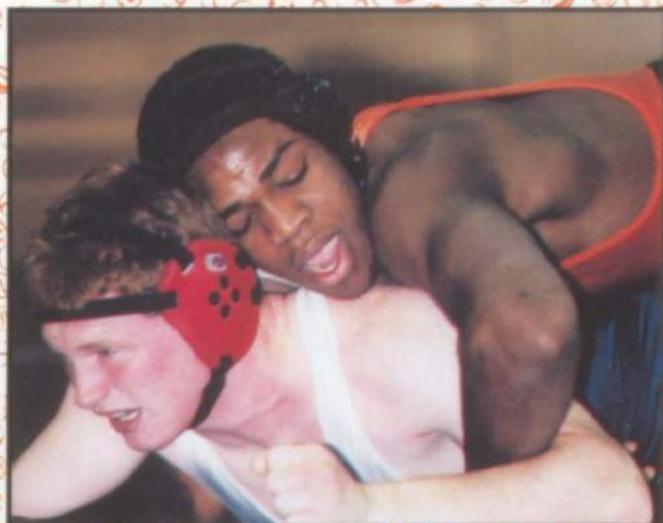

The Union Endicott High School Wrestling Team experienced many highlights during the season, placing second at both the Newark Valley and Elmira Tournaments. We also finished the season with five sectional placers, including sectional champions Jon and Arthur Jones. The Tigers had the honor of watching Jon and Arthur become the first brothers to win state titles together in the same year. As a team, UE was not as strong as we have been in previous years; with a young team of mostly freshmen and sophomores, we expect to become a strong force in the coming years. The seniors leave, knowing they have left the team in the hands of knowledgeable and strong juniors. Above all the Tiger Wrestling team learned how to be a family, which is something we will carry on for years, even after our wrestling careers have ended. We thank Coach Stanbro and Coach Iacovazzi for an excellent season. -- Vince Gance

Varsity Volleyball

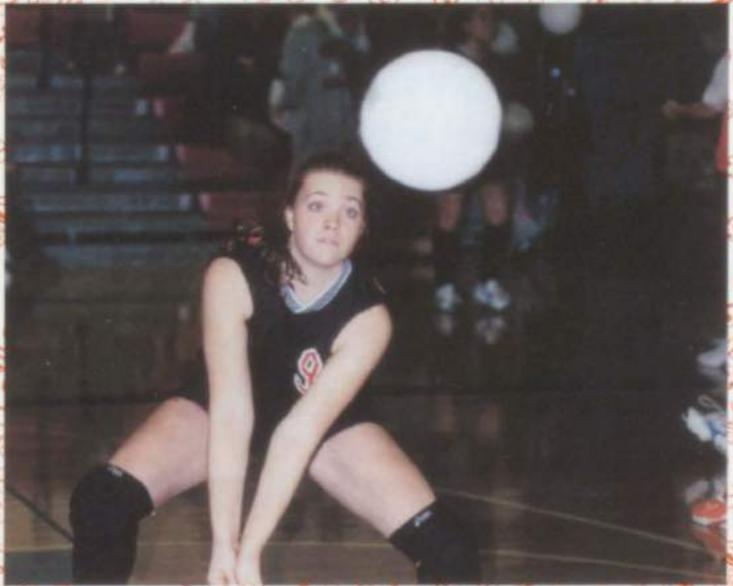

The girls varsity volleyball team had a very successful season this year. The team consisted of 5 seniors, 4 juniors, and 3 sophomores. We finished with a record of 14 - 3. We had great assists by Aubrey Longo and great kills by Jenna Nemeek and Julia Vint. Despite the few losses, the hard work and dedication of the girls paid off throughout the season. The girls played great together as a team and were very close. We'd like to wish our seniors the best of luck: Alyssa Dray, Mallory Hart, Aubrey Longo, Jenna Nemeek and Catherine Simone. We'd like to thank Ms. Franey for being a great coach and wish the team luck in the future.

The girl's jv volleyball team had a great season. We won 1st place in the Tiger's Invitational and 2nd in the Mustang Invitational. We suffered a few losses, but beat our rival Vestal at our last game. Our team consists of 6 sophomores, 8 freshman, and one 8th grader. Our hardwork and determination paid off in the end. We had a fun season and wish the best of luck to next year's team.

Tiger Hockey

The U-E Tiger hockey team had a successful season, finishing the regular season in 1st place, with an 18-3 record. Led by captains Brad Olzinski, Ty Folli, and Mark Reel, the Tigers deep roster allowed speed, skills, and smarts every shift. Playmakers on offense, a hard-hitting defense and stingy goaltending made it difficult for the opposing teams to compete. The Tigers will head into the playoffs looking for a 4th consecutive BCHSHA championship. Thanks to some excellent coaching, lots of teamwork, and of course, the dedicated fan-support the Tigers were able to enjoy another exceptional season of hockey.

Team roster: Brad Olzinski, Ty Folli, Mark Reel, Mac Cerasaro, Chris Yurko, Matt Babcock, Tyler Plew, Matt Lavin, Kyle Antonaitis, Shawn Leary, Mark Roberts, John Fifield, Tim Sagasti, Andy Russell, Chris Chayoustic, Trevor Buczkowski, Anthony Cipolletti, and Kyle Williams:

Coaches: Amar Lal, Peter Fiorentino, & Pat Collins

Boys Swimming

This season has been thrilling and action-packed. We finished 2-9 in dual meets and 5th at Sectionals. Although we didn't win Sectionals like in past years, I can't think of a single teammate that didn't accomplish extremely drastic improvements over the season. As individuals, we successfully achieved our goals by working hard everyday. Working together, the team aimed to compete well, therefore each swim meet became more exciting. This year our team has grown larger and finally includes two very successful divers. The team has plenty of potential and a possibility to regain our title as Section 4-Class A Champions. The team wishes good luck to our only graduating senior Jonathan Raymondi and would like to thank Mr. Peransky for his constant hard work.

Message to the Seniors

- We can barely begin to tell you all our wishes for you.
 - We want you to use your heart as a compass to find your way in the world.
- We want you to be self-reliant, self-motivated and self-sufficient but know that you will never be alone.
- We want the people who share your days to know they are in the presence of a very special person.
- We want you to know you will have opportunities to achieve, but obstacles may get in the way of your dreams; you will need to believe in yourself.
- We want you to realize how capable you are and that your possibilities are limitless.
- We want you to keep responding in a positive way to the challenges life always brings.
- We pray you won't rush your future. You have a strong foundation of family and friends and joy that will always last.
- We wish we had words to describe how much we love you each and every day. But that feeling is so strong and its meaning is so magnificent, it can be hard to know just what to say.
 - So many treasures await you in your journey of life, and being blessed with you has been ours.
