The class of 2011 has had a great four years working together to raise funds so we can have a senior year to remember. We started the year by hosting the annual talent show in the fall. Following the talent show, we hosted the annual poinsetta sale and the Snowball Dance in winter. We also hosted the singing telegrams on Valentine's Day. All of this led up to a great end of the year at prom. We would like to thank our advisors, Ms. Marcinkowski and Mrs. Morford, for all of their help.

Next came two dodge ball tournaments in November and March, followed by another dance in March. Lastly, came the highly anticipated class trip to Dorney Park followed by a dinner cruise in Philadelphia.

This year we sold a variety of candy to raise money for our sophomore class. We also made and sold Class of 2013 shirts. Our goal is to raise money for next year's class trip and prom senior year. We made it a point at the beginning of this year to tell our fellow classmates how we are doing and everyone realized that they need to take part in selling in order to raise money. The sophomore class was also a participant in Spring Fling.

The class of 2014 is a hard working and dedicated class. The class officers meet every Tuesday with class advisor Mrs. Hamilton-Jones. We discuss fundraising and other ways that can help our class. We have had a great first year at the high school and look forward to three more years. We will continue to work hard as a class, which will ultimately lead us to an extraordinary high school experience.

The UEHS French Club welcomes anyone who is taking or has taken a French class. Activities are frequently held, such as the annual trip to New York City in addition to hosting several parties. Dinners in honor of Noël and Celebrating the Cultures have been held, in addition to get-togethers for Halloween and Mardi Gras. French Club is always present at Freshman Orientation, and has a café booth at Post Prom.

The French Club also has several fundraising opportunities, such as chocolate sales and wristband sales. The proceeds have gone to several charities, including ones that have given water filters and school supplies to those in Haiti. The French Club reacted quickly to the earthquake last year, sending aid promptly. The Club also helps the Key Club by donating to the annual Holiday Party. Scholarships have also been awarded to deserving French students, for continuing French studies at universities, and for the UE French exchange.

The club meets twice a month. The officers for 2010-2011 are Becky Conrad, president; Kristin Talley, vice president; Kristen Stanton, secretary and Natalia Dashan, treasurer.

# Key Club

Key Club is devoted to helping people in the local community and internationally. The members have done this throughout the year participating and supporting the following activities: UNICEF, Breast Cancer Awareness, bowling with the mentally challenged, our annual holiday party, dollars for scholars, and many more. Great job and thank you for all of your support, key club members.

## Mathletes

The U-E Mathletes have an interest in problem solving techniques and enjoy participating in numerous competitions. All students are welcome to join. Each month, teams of 6 students journey to Johnson City High School to compete against other Broome County Schools in a competition consisting of 5 individual problems and one team or relay problem. The cumulative total of members points determines the yearly school and individual winners. The top 17 students from Broome County are then formed into a Southern Tier Team and compete in the State Mathletes Meet held in April at different places around the state.

With a number of members surmounting previous years, the Italian Club has flourished as a community service club, participating in Toys for Tots Drive and organizing several food drives for St. Anthony's Food Pantry. We also held an Easter egg hunt for our local community. Each and every event has been highly successful, and will continue to assist our community with USO coin drives, other food drive, and sending letters to nursing homes. In addition to the club's community involvement, club members will also be helping out with school events such as Spring Fling, Dollars for Scholars, and the Post Prom Party. In November, the club had its annual New York City trip, seeing the Christmas Spectacular and exploring Little Italy. This club has made a profound difference in our society.

We do many things in Recycling Club to help the environment as much as we can. We collect cans and bottles around the school. We have a school garden in which we grow an array of vegetables and we reuse many unwanted things. We also promote to the students the importance of making something new from the items that are collected for recycling instead of using new raw materials.

## Medical Pathways

Union-Endicott's Medical Pathway organization is made up of high achieving students interested in careers in the health industry. Through seminars, field trips, shadowing experiences and internships, students have hands on opportunities to explore medical professions and college programs. The program is flexible to meet our students' varied interests. Students have explored careers in the fields of medicine, dentistry, veterinary, pharmacy, nursing and physical therapy. This year's activities have included a field trip to Upstate College of Health Professions and Medicine as well as SUNY College of Environmental Science and Forestry, the Wilson Hospital Career Expo and the capstone senior seminar panel.

## Book Club

The Book Club consists of a small but loyal group of readers dedicated to reading and discussing books that are not usually taught in the classroom. From myths to mysteries, from philosophy to fantasy, this small club prides itself on reading the books that people are talking about now. This year's choices have included Walter Moer's *The City of Dreaming Books*, Tim Elmore's *The i-Y Generation*, and Mira Grant's *Feed*. The club meets monthly for approximately an hour after school, and meetings are open to anyone interested in the book scheduled for discussion.

# TigerTronics

U-E's Robotics Team competes in a unique sport of the mind in which students are met with real life engineering challenges. Students in TigerTronics meet with teachers and mentors who give advice on how to solve these problems. Early in January, the FIRST Robotics organization reveals the game for the year. Throughout the next six weeks, the team must decide how to use their skills and materials to build a robot to compete in the game. The first few days are spent doing team building activities and going over basic design ideas. The team works in the tech labs until 8:00 and 9:00 p.m. each day making sure that the robot will be ready on the ship date, forty-two days from the release of the game. The team then has one or two weeks to prepare for the regional competitions. TigerTronics is in its fifth year. This year, the TigerTronics will be competing in the Finger Lakes Regional in Rochester as well as the Philadelphia Regional at Temple. Students in TigerTronics experience the process of designing, building, testing, and using a new product while gaining real world experience and learning to work as a team.

This past year we have decorated skulls for Día de Los Muertos, and every year we hold a Posada Christmas Party and can be found with a booth on Culture Day. In addition, one of our most exciting activities is the trip to New York City to see a Broadway show. Our varied and unique activities make us a great club for our active members and we only hope to grow.

The membership of the Union Endicott High School Chapter of the National Honor Society has been earned by the effective demonstration of the four qualities held in high esteem by the Society: Scholarship, Leadership, Service and Character. Members must have a minimum 90.0000 average to be eligible to apply for membership, earned by the second marking period of the junior or senior year. Our members provide tutoring in all core subjects in various locations and periods, as well as before and after school. We supported the Key Club Children's Holiday Party by wrapping presents and volunteering at the party. We also have been working on a program to assist transfer students in being welcomed to the UEHS Tiger Family. We hope to have it in place for the 2011-2012 school year.

## Hockey

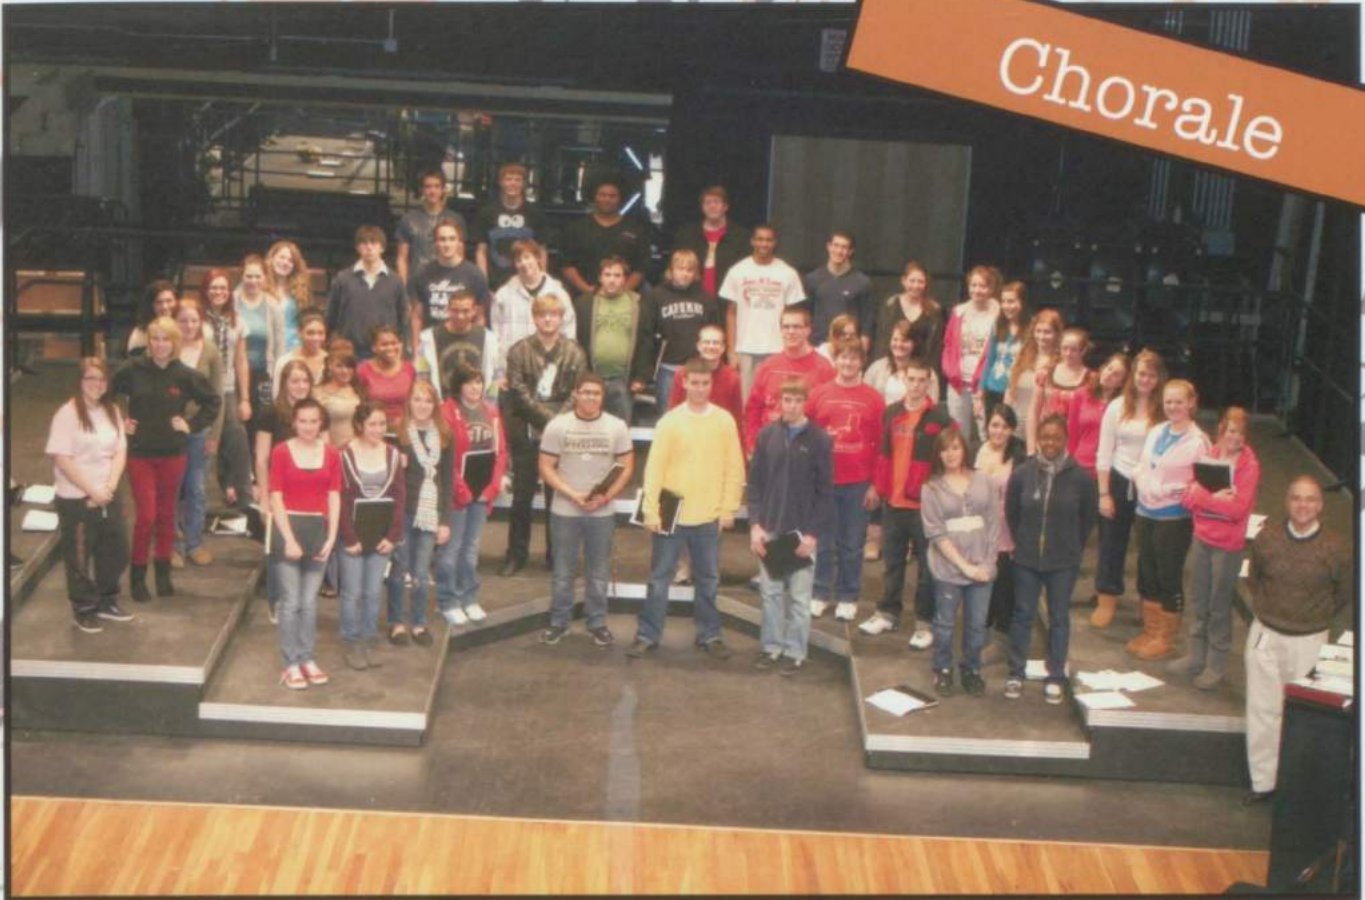

The U-E Hockey team started off the season not so good. They never gave up though and kept working hard to improve themselves. They finished the season in 6th place with a record of 6-13. When playoffs came they lost their first game of the double elimination bracket to CF. They were one loss away from being done but they didn't give up and kept working hard at practice to get themselves ready for their next game against M-E. They won a hard fought game vs. M-E and then won against JC in an exciting game that went to a shootout. They had to play CF the next day which they haven't beat yet this year. Everyone in the locker room knew that they could win and they played a hard game and won 1-0. The next day they played for a chance to go to the championship game to face CV but they couldn't get past the Vestal Golden Bears falling 4-1. The Tigers finished the year in 3rd place and had a good run in the playoffs.

# Yearbook

This year's *Thesaurus* staff has had a great year. We have had many contributors and many hours spent taking pictures as well as scanning submitted pictures for the seniors. Dominated with senior leadership and freshman youth and exuberance we have tried to produce a student created book that will be cherished for years to come. Advisors for this year's club were Mr. Manchester and Mrs. Golden with Sarah Asher and Kelsie Fitzgerald as co Editors-in-Chief.

# Mock Trial

The purpose of Mock Trial is to provide students with hands-on opportunities to further their understandings of the law, court proceedings and our legal system while working on their speaking, listening, reading, and reasoning skills. County competitions are held in the spring at the central courts in Binghamton. County champions advance to regional competitions, with six teams meeting in Albany for the statewide finals each May. The case this year, *Pat Parker v. Village of Empireville*, is a civil case involving a high school student bringing suit against the village for amending a parking law that the student believes is a violation of their right to due process. Both the defense and the plaintiff teams will develop their arguments for the case and come up with their own central theme for court.

Our season started off well with our annual trip to Pine Forest Cheer Camp where we worked hard, had a great time (despite the torrential rain), and were named "Camp Champs". From then on, our team grew closer and built on our skills to come up with an amazing competition routine which we perfected while also cheering on our football team, holding our annual Cheer Clinic, participating in the Homecoming Parade, and honoring our Seniors --- Liz Albrecht, Bella D'Introno, Erin Lovesky, Jenna Moody, Gabby Orlando, Cassie Smith, Miranda

Schuhle, and Tate Sherman --- on Senior Night. All of our efforts paid off as we won 1st Place at the Fall STAC Cheerleading Competition with an incredible routine that included four two-man stunts for a total of five stunt groups, the first time ever done in Competition. We followed up this win with another 1st Place finish at the CNY Fall Cheer Classic in Herkimer to end our season. Our head coach for the season was Kim Schofield and assistant coach was Nicole Baldwin.

Madison Salmon and Ali Krowiak were named All-Conference while Crystal Spearbeck and Jennifer Amend were also invited to play at sectionals.

# Girls Varsity Tennis

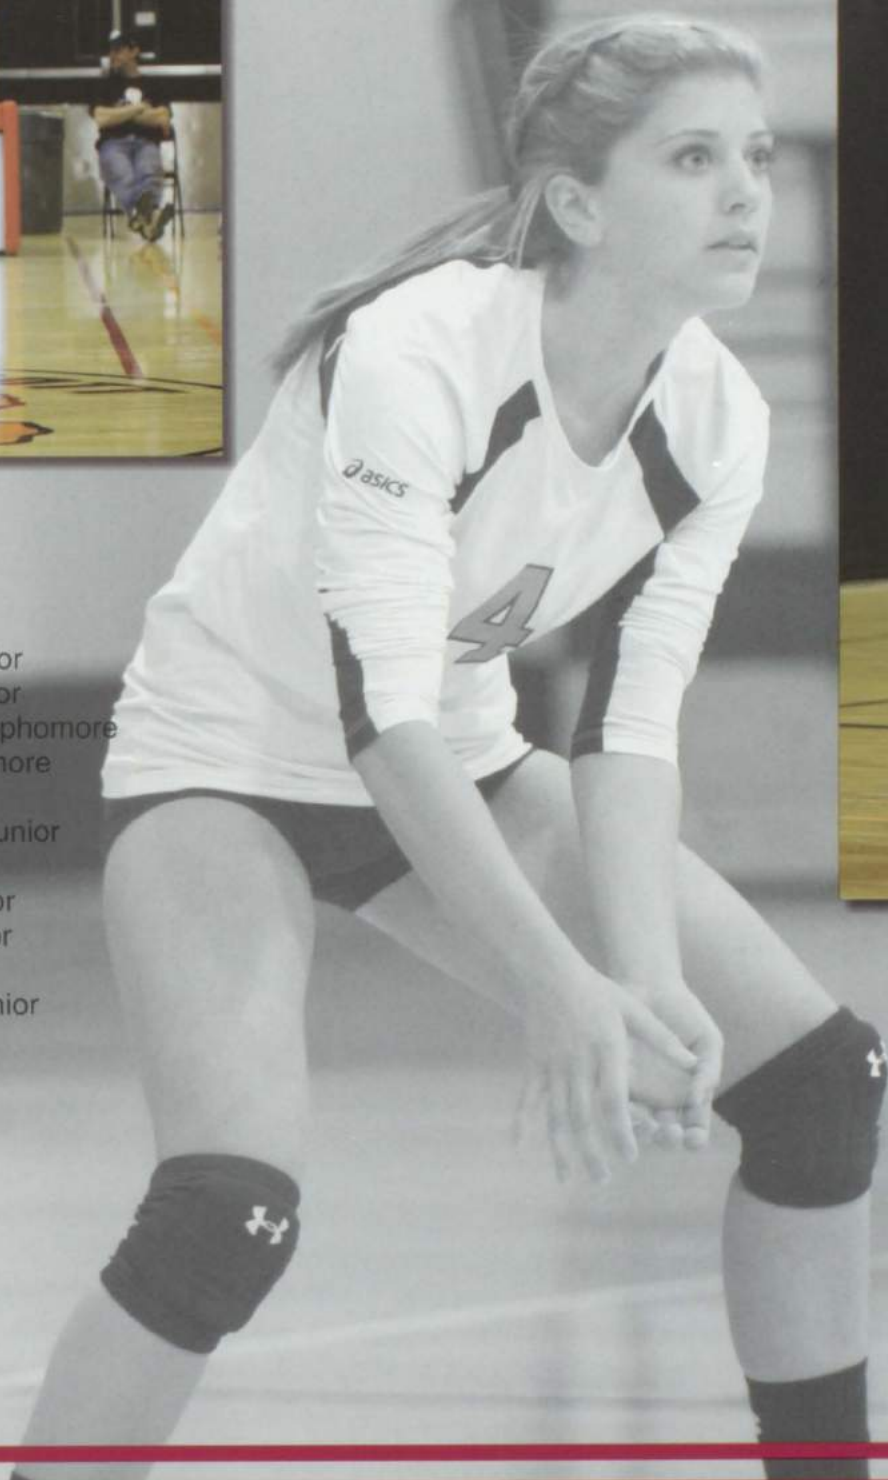

The varsity finished with a 9-4 record and ended the season with a loss in the Section 4 final to Vestal. Jill Darpino was named All-Conference while Bridget Gartman was picked to the All-Division team. The Tigers were proud of making it to the gold bracket finals at the Horseheads Classic, hosting a 15-team varsity tournament and having the largest turnout for tryouts across all three levels: modified, JV and varsity.

We had an amazing season, winning both the states and STAC competitions. We started off a brand new team, with no returnees. We worked our hardest all year to prove how good we can be. Our hardwork paid off in the end when we won first place.

The 2010-2011 Union-Endicott Girls Varsity Basketball team had a successful season this year. The girls achieved a winning season, led by new varsity coach Christopher Murdock. This year we had 12 wins and 8 losses but every game, we would play are hearts out and leave it all on the floor. We fought hard and never gave up all the way to the end. Our team improved tremendously this year. Every day we worked hard in practice to accomplish the goals we set for ourselves and our team. This season we became a family who supported, encouraged, and believed in one another.

This year's Varsity Basketball Cheerleading team was full of incredible talent and strength. From the beginning, we were able to create a close-knit team that supported both the Boys and Girls Varsity Basketball schedule while creating an amazing Competition routine filled with incredibly difficult stunting, advanced tumbling, and exciting cheer elements. This team worked extremely well together, even making unexpected last-minute changes right before our back-to-back Competitions at the end of the season. At the first of our two Competitions, we were awarded 1st Place at the CNY NY State Cheerleading Championship held in Utica, New York. The

following week, we executed a flawless version of this same difficult and creative routine and were awarded 2nd place in the STAC Competition. This year's team can certainly be sure that no one will ever forget their accomplishments and the level to which they have brought U-E Tiger Cheerleading. Our seniors this season were Liz Albrecht, Sarah Asher, Danielle Babcock, Bella D'Introno, Erin Lovesky, Jenna Moody, Gabby Orlando, Miranda Schuhle, and Tate Sherman. We would also like to thank our head coach, Kim Schofield, and our assistant coach, Nicole Baldwin, for a great season.

The 2010-2011 Boys Varsity Swimming and Diving team was coached by Joe Peranski. The team was led by their senior captains Kyle Ferraro and Kory Meade. In facing many strong teams from the area, the team found their toughest competitors to be themselves. In every meet they had, the swimmers would strive to beat their best times and goals. The most memorable moments of the season were their wins against Greene, Johnson City and Chenango Valley. The team finished 6th at sectionals with 90% improvement. Kory Meade, Austin Thomas, Mike Agnew, and Ibe Stungury all finished in the Top 8 in their individual events. Good luck to the seniors who will be attending college in the fall and good luck to all the returning swimmers and divers. The team wishes for JP to have a long, healthy and happy retirement.

Led by a strong senior class, the U-E Wrestling Team had an outstanding season. The wrestling team finished with a 14-7 record including wins over several teams ranked in the state. For the fifth straight year, U-E won the Metro Division, beating Vestal in an exciting match. Other big wins included closely contested matches against Greene and Fulton. At Sectionals, U-E had place winners at 11 of the 15 weight classes which led to a second place finish. Leading the way was Tyler Bayer who won the tournament and earned a trip to the state tournament in Albany.

The Junior Varsity Boys Basketball team had a fantastic year! The season started out slow with losses in three of our first four games. However, the Tigers turned their season around winning ten of the last twelve games finishing with an 11-5 record. Victories over Corning and arch rivals Maine-Endwell and Vestal (2) were highlighted wins in a very hard schedule. The successes we had came down to the hard work, perseverance and leadership of the team led by captains Rob Malvasio, Nick Jordan and Pat Saunders. Additionally, freshmen Matt Eastman, Joey Orlando, Osama Barwari and John Lavo were key contributors on the court and showed tremendous promise. Coach Morley says "I couldn't have asked for a better group of young men, I was extremely proud of what we accomplished this year."

Union-Endicott's 2010 Varsity Baseball team had a season marked by many highlights under the leadership of Head Coach Tim Harkness and captains Pete Roma and Gavin Corbin. The team entered the season with high expectations; their eyes set on a section 4 championship.

For the first time in 4 years, the Tigers were able to beat their cross-town rival Vestal, twice during the year behind strong pitching from Pete Roma and solid team defense. The Tigers reached many team and personal goals during the season and all nine seniors contributed to the team's success.

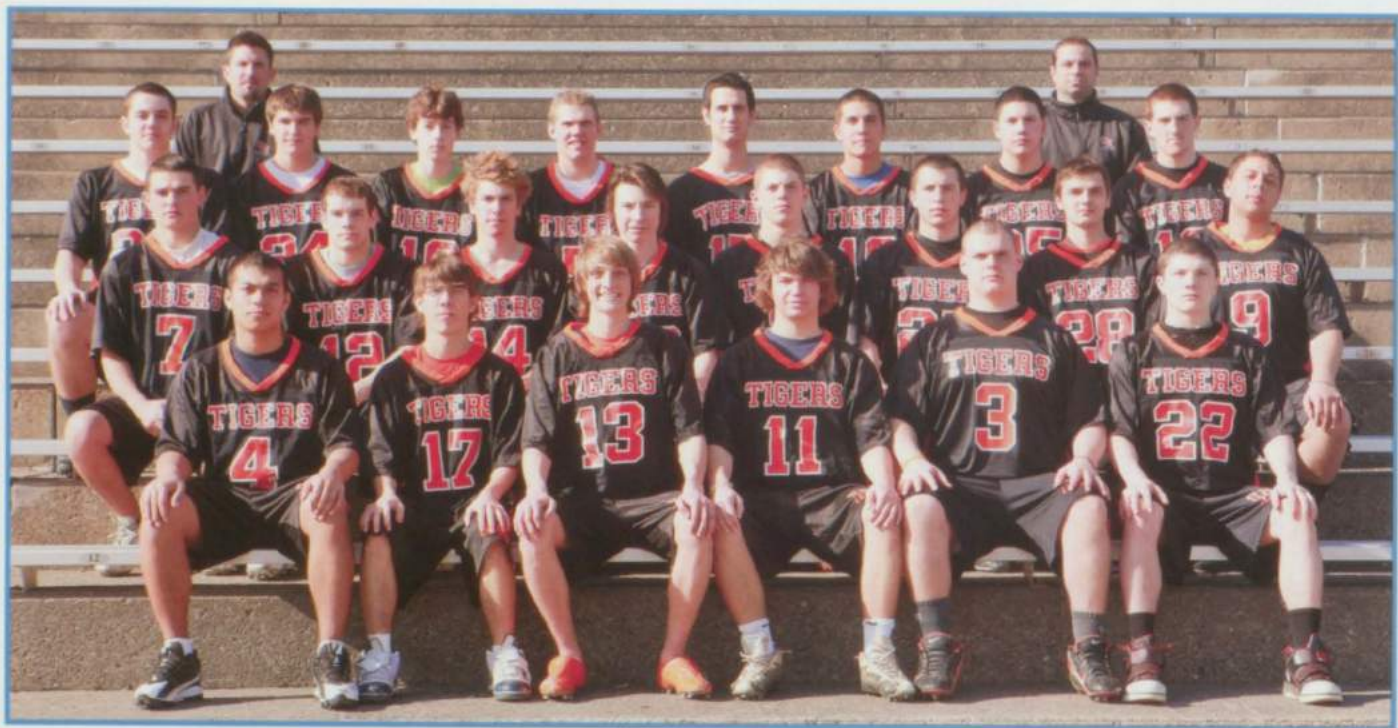

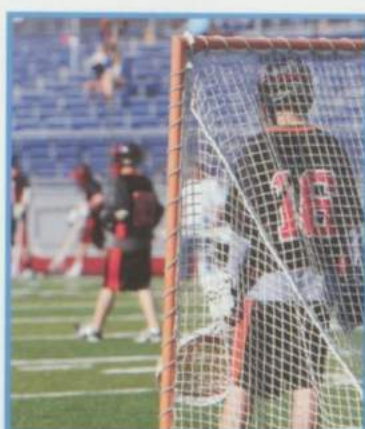

The season ended with a tough loss in a section 4 semifinal game at Ithaca. The team came into the game prepared and confident, having beat Ithaca twice earlier in the year, but came up just short, failing to make some key plays in the game. The tigers finished the 2010 season with a record of 11 and 9. Looking forward to next year, the 2011 team will return 10 players with varsity experience, poised to put a new date on the banner.

# Varsity Baseball

Words cannot express how proud I am of this team! The majority of the 2010 team experienced a winless 0-19 season in 2009. A core group of players came together and started their training and preparation for the 2010 season a week after the 09 season ended. Through off season training, camps, tournaments and winter leagues these young men came into the 2010 season ready to compete.

We had many highlights of the season, but the main highlight was beating Vestal in two consecutive games. The first win came in the final regular season game in which we clinched a second seed and home field advantage for the first round of Sectional play. The second win was during the sectional semi-final game which advanced the Tigers to the Sectional championship game.

Some of the individual awards were Troy Calkin (goalie) Section IV all tournament team, Justin Cook (attack) and Brian Conzola (midfielder) were selected to the All Section IV team.

I want to wish all of my seniors the best of luck in their future endeavors and I know the personal characteristics these men demonstrated on the field will carry them very far in life and no matter what challenges or disappointments they face I know they will be resilient.

This year on Varsity we focused on bringing our play to the next level and loving the game of lacrosse. The girls had a number of goals this year that we fell a bit short on. We learned that it is not enough to say you want to have success but you must take the necessary steps to BE SUCCESSFUL. Most importantly we have a group of seniors leaving us this year, many of whom were part of the team that won the first sectional championship for this program. Our seniors are what we like to call lifers. A lifer is someone who will support the program and who we will stay in touch with us throughout their lives. Our captains this year were Section IV All-Star and Academic All-American Mollie Kettle and Section IV All-Star, Academic All-American and the first All-American in the programs history, Danielle Mastro. Our record this season was 7 9. Carpe Diem Tigers!.

To Samantha Paige

We've come to learn, my daughter,  
that there's nothing you can't do.

When you decide to achieve it and  
think it's right for you.

You never quit, you never run, with  
your best you always try.

You're strong, you're brave, you're  
tenaciously true, and always asking "why?"

We've watched you walk and run,  
and now reach out for the stars

Don't sit this one out, dare to dance,  
always know just who you are.

You swim with grace and power, and  
sometimes it seems upstream

The music you make will set your  
pace and take you to your dream.

Stay humble, be kind, and understand that  
sometimes life will seem a trial,

But know your talents will paint the world as  
brightly as your smile.

Eighteen years ago our lives were blessed,  
and we're amazed at all you've done.

Today, dear daughter, we celebrate  
with pride the woman you've become.

With Joy and Pride and All our Love,

Congratulations!

# 2011

two thousand eleven

We have had a very successful year again with creating our 65th edition of the Union-Endicott High School Thesaurus. After losing so many senior staff members and starting off with almost an entirely new staff, we worked well together. We didn't let that stop us from producing another fantastic yearbook.

Special thanks to Mrs. Golden with her art skills and Mr. Manchester with his computer skills. We wouldn't have a good yearbook without them. Also, we would like to recognize and thank some of the staff members that have gone above and beyond to contribute to this publication: Colleen Dougherty, Mary Kozaitis, Bethany Evans, Samantha Darpino, Cheryl Mitrus and Tinesha Erskine as well as many others.

As senior editors we hope that everyone appreciates all of the hard work that has been put into this year's yearbook by all of our members. Keep up the good work and keep making our yearbook looking good!

GOOD LUCK CLASS OF 2011

Sincerely,  
Sarah Asher and Kelsie Fitzgerald  
Co Editors-in-chief
