From July 3 - 17th, 15 high school students traveled to Beijing and Kunming, China. Chaperoned by Mr Wolf and Miss Varcoe, the students saw the Great Wall of China, The Forbidden City and Tiananmen Square, The Temple of Heaven, Dali, The Stone Forest and the Three Pagodas. Students spent one week with the families and students they hosted last year in Endicott. It is hopeful that this will be the beginning of regular exchange between the two schools.

History Club

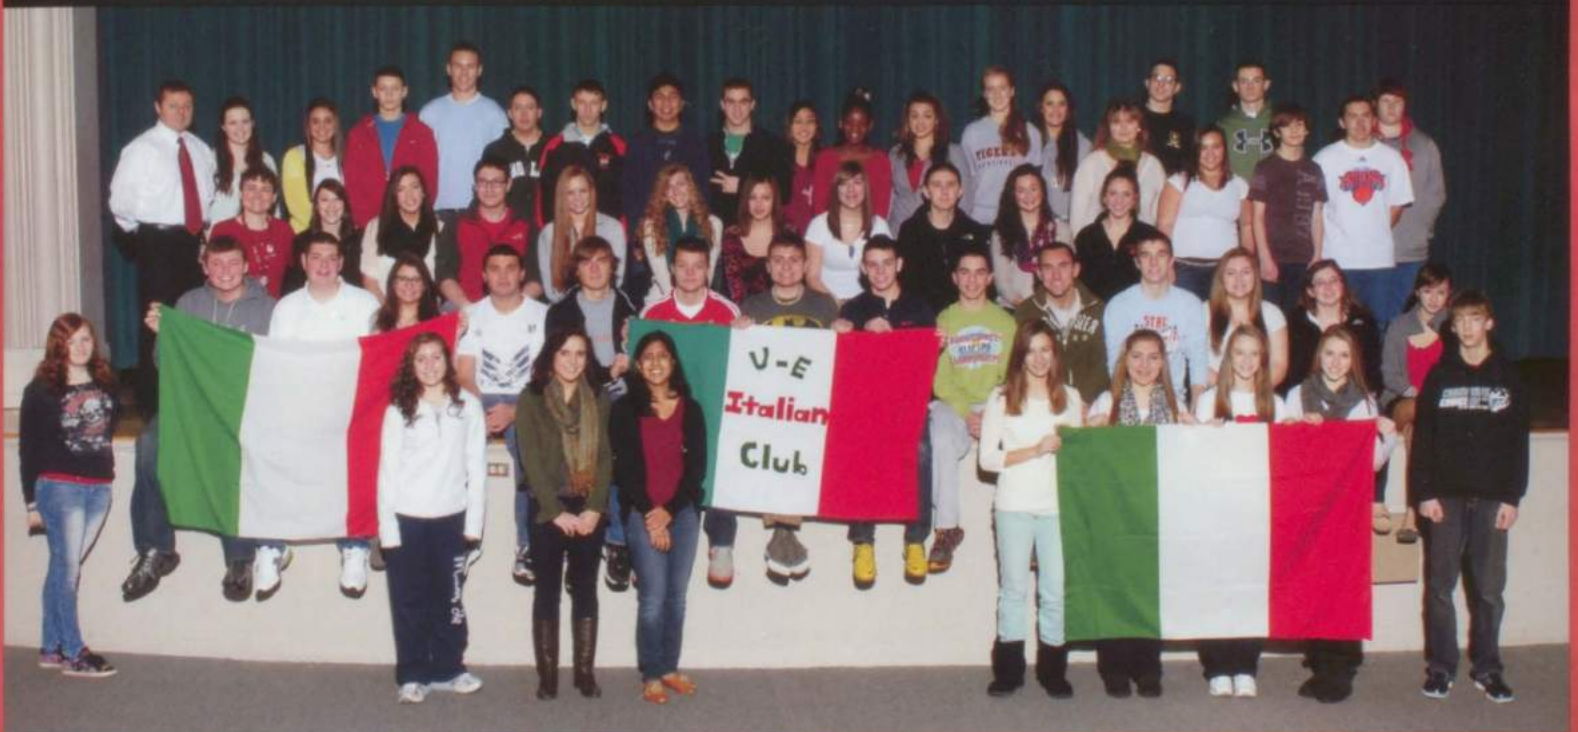

French Club

French Club welcomes anyone who is taking or has taken a French class. Activities are frequently held, such as the annual NYC trip in addition to hosting several parties. Dinners celebrating Noël and Celebrating Cultures have been held, in addition to get-togethers for Halloween and Mardi Gras. French Club is always present at Freshman Orientation, and has a café booth at Post Prom.

The French Club has several fundraising opportunities, such as chocolate sales and wristband sales. The proceeds have gone to several charities. The Club also assists Key Club with their annual holiday party. Scholarships have been awarded to deserving French students, for continuing French studies at universities and for the French Exchange trip. The club meets twice a month.

Italian Club

Italian Club is a group that does community service such as participating in the Toys for Tots Drive and organizing several food drives for St. Anthony's Food Pantry. Every event has been a success and will continue to assist the community with USO coin drives, other food drives, and sending letters to nursing homes. In addition to the club's community involvement, club members assist with the Spring Fling, Dollars For Scholars, and the Post Prom Party. In December, the club made its annual trip to New York City. Overall, the club has made a profound impact on our society.

Italian Exchange

Mathletes

U-E Mathletes have an interest in problem solving techniques and enjoy participating in numerous competitions. All students are welcome to join. Each month, teams of 6 students journey to Johnson City High School to compete against other Broome County schools in a competition consisting of 5 individual problems and one team or relay problem. The cumulative total of members' points determines the yearly school and individual winners. The top 17 students from Broome County are then formed into the Southern Tier Team and compete in the State Mathletes Meet, held in April in various places across the state.

Key Club

Key Club is a group that meets regularly with Mrs. Brozovic in order to better serve their community and to give back to others. They hold the annual Key Club Holiday Party, attend the Breast Cancer Walk, donate to local animal shelters, and donate gift baskets throughout the year.

Medical Pathways

Union Endicott's Medical Pathways organization is made up of high achieving students interested in careers in the health industry. Through seminars, field trips, shadowing experiences, and internships, students have hands on opportunities to explore medical professions and college programs; the program is flexible to meet students' varied interests. Students have explored careers in the fields of medicine, dentistry, veterinary, pharmacy, nursing, and physical therapy.

National Honor Society

The National Honor Society is an organization that recognizes the academic accomplishments of juniors and seniors. Upon achieving an overall average of 90.0000 or higher, students are eligible to apply for membership. Applicants must demonstrate leadership, community service and character. New members are inducted each Spring. Members work on two community service projects a year. For the Fall of 2012, seniors worked on a project for Danielle's House in Binghamton.

Recycling

We do many things in Recycling Club to help the environment as much as we can. We collect cans and bottles around the school. We have a school garden in which we grow an array of vegetables and we reuse many unwanted things. We also promote to the students the importance of making something new from the items that are collected for recycling instead of using new raw materials.

Riverbank Cleanup

Science Olympiads

Science Olympiads is a competitive team that goes to Athens, Regionals, and sometimes States, to compete on various Science-related events. The students are judged based on scientific accuracy and creative problem solving. We are always looking for under classmen to participate on our team and we welcome anyone and everyone.

The Saurus

The UEHS yearbook staff proudly announces the arrival of its 2013 yearbook, *The Thesaurus*. *The Thesaurus* covers the highlights of 2013 with hundreds of photos and stories about academic accomplishments, club activities, school sports, special events and class histories. A yearbook is always special because it captures the life and times of the school, the class, and the achievements of the students. But *The Thesaurus* is even more important because it's about the student and a very important year in their lives.

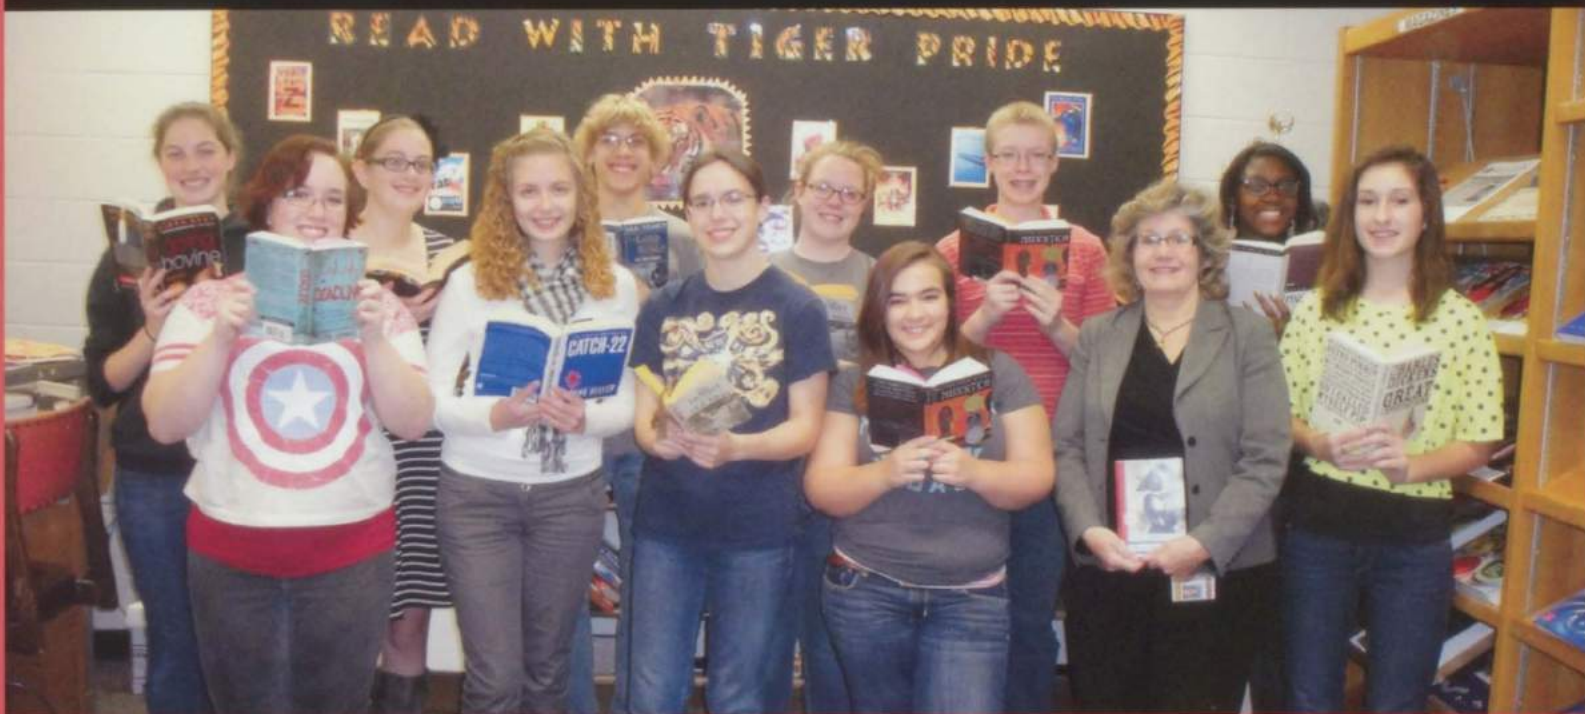

The Union-Endicott 2013 *Thesaurus* was produced by the yearbook staff under the direction of Advisors Diane Golden and Keith Manchester and edited by Editors-In-Chief Colleen Dougherty and Mary Kozaitis.

FOOTBALL VARSITY

The Union-Endicott Varsity Football Team had a very successful season this year. They were captained by Dan Davis, Nick Jordan, and Nick Yesensky. This year's Tigers went 4 and 0 against the Double A schools, and were undefeated in Conference play. They also won 3 championships this year: The Division 2, The Section 4 Class A, and The Regional A. They outscored their opponents by a 35 to 18 margin, and won the most games by a U-E team since 2000. A number of records were broken including: Quarterback Joey Orlando, Passing yards in a season, 1326, Touchdown passes in a season, 20 and Touchdown Passes in a career 28. Nick Yesensky is now the record holder in touchdowns in a game, 3, against Ithaca, and touchdown receptions in a season 11. But most important is what the seniors accomplished. They did something here that had not been done since 1995, win a regional playoff game. They left their mark and elevated the program to a new, current level of excellence. Notably Dan Davis was voted MVP by his teammates, and Mike Cheslock the top back. All of the seniors played a vital role in the success of this year's team. Their play, commitment, and personalities will be missed by everyone. They are great young men, with very bright futures.

Dear Beautiful

There are no words to explain how much I miss you. There's not a day that I don't think about you. I miss that loud beautiful voice so much. I will never meet anyone like you. I still cry when I have a lot on my mind because I don't have someone like you who used to make me smile through everything. Our memories stay close to my heart.

Forever and always!

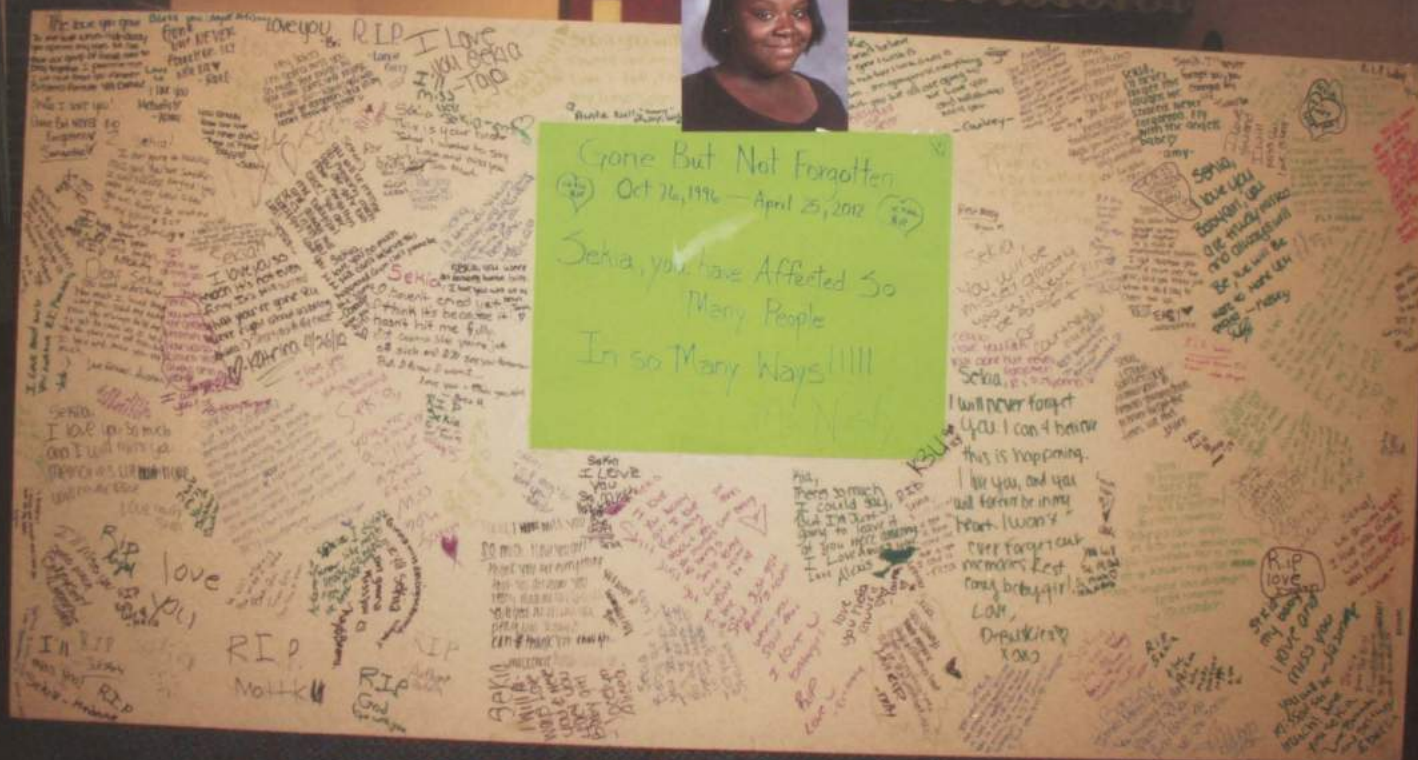

No worries, I'm holding down the crew and family. Keep us safe angel. Love you forever and always.

Rest in Paradise!

Love,
Erianna Shantasha Cooper

Your passing put pain in my eyes
but your presence made my heart smile
you will never be forgotten because
in my spirit is where you lay
and my thoughts the lord reconstructs
to make it the shape of you.

Your laugh makes the clouds open up and your hugs
always seem to excite me
just like the day you trusted me to cry in my arms.

I held you and tried to do everything
to take the pain away.

I rubbed your face and said

"baby girl it will be okay" as your tears fell on my hand.
And 'till this day I can still see the stain of our love.

But like you, being happy and jolly,
the next day I saw you smile again.

Like heaven above you're worshiping God again,
and like the angels you will shine again.

You will cry no more.

And like the stars you will shine again
with your ability to love unselfishly.

And I don't need to worry about if you're in peace or not
because his word was tattooed all over your heart.

And my heart is content with you, the one who was sent, you are
the greatest love story ever told
and the greatest love story ever known.

Rudy Hessler Jr.

You gazed into a mirror as a boy and are now reflected back by the eyes of a wonderful man; a man of honor and love whose free spirit shows the world who he truly is. A man who has painted smiles on many faces, sparked much laughter, warmed many hearts and infused joy in the souls of those you've touched. Always live free, from your heart, without regret... and do so always knowing we love you. Now, go shine that soul of yours to the world!

TheSaurus Editor's Page

We had a very successful year again creating the 67th edition of the Union-Endicott High School Thesaurus. Although we have faced many problems and challenges, we have worked hard to create what we believe is the best yearbook to date.

Special thanks to Mr. Manchester for his computer skills and putting up with all of our craziness, (which has been a lot)! Also another special thanks to Mrs. Golden for her artistic skills and being able to take our ideas and help us put them on the page. We wouldn't have this amazing yearbook without them. Also thank you to some staff members who have gone above and beyond to contribute to this publication.

As a junior, two time editor, I am excited to start up again next year. Thank you to everyone who has put their time and effort into this yearbook. Good luck Class of 2013 and see you next year!

*Sincerely,
Colleen Dougherty*
