French Exchange

Union-Endicott High School is partners with the College/Lycée de St. Elme in the city of Arcachon, France. Our partner school is located on the beautiful coast of southwestern France near the city of Bordeaux. Our students welcome French students & travel to France on alternate years. This year in the spring of 2014 we will receive 13 students from St. Elme who will come and live with our U-E families for 10 days. Our exchange students will travel to New York City to meet their French exchange students for the first time. Then, we will see a Broadway show together and have lunch at the Hard Rock Café before we all board the bus to bring them back to Endicott. They will experience the American high school that they've only seen in the movies: classes, concerts, sports games, club activities and typical American families. We will take several field trips with our French friends to places such as Corning, Ithaca, Cornell University, and Niagara Falls. Next year our students will spend several days in Paris to see such sites as la tour Eiffel, l'Arc de Triomphe, Notre Dame de Paris and many more before traveling to Arcachon to live with French families for 10 days. There, they will visit the sites of the southwestern region of France: Bordeaux, St. Emilion, the Basque region, the Arcachon Basin, and much more! Vive la France!

2014 participants: Paige Arnold, Orion Barber, Jackie Benson ,Amanda Curtis, Carolian Doane, Evan Dolphin, Tyler Hubeny, Chris Kosteva, Marlie Lukach, Evan Smales, Jessica Schneider, Emily Stilloe, Alenna Sze-Tu, and Taylor Towery.

Yearbook

The UEHS Yearbook Staff proudly announces the arrival of its 2014 yearbook, *The Thesaurus*.

The Thesaurus covers the highlights of 2014 with hundreds of photos about academic accomplishments, club activities, school sports, special events and class histories. A yearbook is always special because it captures the life and time of the school, the class, and the achievements of the students. *The Thesaurus* is even more important because it's about the student and a very important year in their lives.

The Union-Endicott, 2014 *Thesaurus* was produced by the Yearbook Staff under the direction of Advisors Keith Manchester and Diane Golden. It was edited by Editors-In-Chief Colleen Dougherty and Mary Kozaitis.

Editor's Note

We had a very successful year again creating the 68th edition of the Union-Endicott High school Thesaurus. Although we have faced some problems and challenges, we have worked hard to create what we believe is the best yearbook to date.

Special thanks to Mr. Manchester for his computer skills and putting up with all of our craziness, (which has been a lot)! Also another special thanks to Mrs. Golden for her artistic skills and being able to take our ideas and help us put them on the page. We wouldn't have this amazing yearbook without them. Also thank you to some staff members who have gone above and beyond to contribute to this publication.

As seniors and three-time editors, we would like to thank everyone who has put their time and effort into this yearbook. We can not believe our time here is coming to a close and we are so happy to have been a part of this club. Good luck Class of 2014 and best wishes to future staff members of the Union-Endicott Thesaurus.

We did it Class of 2014!

Sincerely,
Colleen Dougherty and Mary Kozaitis
