Rick was born in Buckinghamshire, England and was a proud graduate of the Royal Grammar School, High Wycombe, and the University of East Anglia, Norwich, England. Shortly after emigrating, he earned his M.A.T. from Binghamton University. A veteran Social Studies teacher at Union Endicott High School, Rick was much beloved by his students year after year. He delighted in keeping in touch with his students as they ventured into adulthood, many for years and decades. He acted for many years as U.E.'s Mock Trial advisor and particularly enjoyed shaping the skills of these special students. Rick will be greatly missed.

Amnesty International

As a member of Amnesty International you are part of a community of people who make a difference, and who care about dignity, solidarity, and justice. You are a part of a movement that gives hope to the human rights defenders that inspire us, and together we change the world. We write and sign letters to promote non-violent change and bring justice to the world.

Biology Club participates in the annual Riverbank Cleanup along the Susquehanna River. In addition, members have the opportunity to participate in activities not available during the regular school day such as culturing a Venus Flytrap, making edible bird feeders, and DNA electrophoresis. Another part of Biology Club is the ability to participate on an Envirothon Team. Envirothon is a competition held in April where teams of up to 5 students work together to answer questions about Wildlife, Aquatics, Soil, Forestry, and a Current Issue. Student participants learn about the environment and various impacts that threaten Environmental quality.

Drama Club

The UEHS Drama Club presented "Check Please" & "It's Not You, It's Me", two, one-act plays, in the UEHS auditorium.

Check Please" is the story of a guy and a girl who are set up on multiple blind dates, each one ending catastrophically. The different dates reveal their own flaws-whether it be one with multiple personalities, a kleptomaniac or a crazy football fanatic. It's Not You, It's Me" is a series of breakups, where the main characters, are repeatedly being dumped. Over time, they see a very skeptical pattern for why each breakup occurs because, "It's not you, it's me." -

Girl Up

Girls are powerfull When they're educated, healthy, and safe, they transform their communities. When girls stand up for girls in need, they empower each other and transform our world. Girl Up is a service club that strives to learn about and improve the education and opportunities for girls around the world and engages girls to take action. The club is affiliated with the United Nations. Club members have the opportunity to attend Girl Up conferences and UN conventions in WAshington DC.

History Club participates in many activities like the cleaning of WWII marks, fundraisers, work with Village or Union Historical Society on local history. The club also goes on trips to Boston or Washington DC.

lour of Code

The Haur of Code is a global movement reaching tens of millions of students in 180+ countries to encourage students land adults) to learn to code.

The Hour of Code started as a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science. It has since become a worldwide effort to celebrate computer science, starting with 1-hour coding activities but expanding to all sorts of community efforts. The Hour of Code takes place each year during Computer Science Education Week.

"Key Club is an organization that dedicates its time serving the community by fundraising and volunteering to make the world a better place."

Nearly 140 elementary students spent the morning at UEHS for a festive and wanderful holiday party. Hosted by the UEHS Key Club, high school students treated elementary students to making arafts, including decorating ornaments, areating foam snowmen and clay figurines, decorating sugar cookies, and more. High school students also had face and nail painting stations, games and dancing.

Academic French language immersion extracurricular program where Union-endicott students have the opportunity to travel to France and live in with a French family for 2 weeks. In exchange for this experience, the student and hi/her family hosts a visiting French student, also for 2 weeks allowing them to practice English. The exchange happens every other year, normally during Spring break. Other related events include on-going fundrasiing opportunities and planning for receptions and related field trips.

Italian Club

Italian Exchange

Mathletes is a club devoted to competing in solving unusual math problems by thinking outside the box. Students in Mathletes participate in competitions with local schools and then a state competition.

Medical Pathways

Union-Endicatt's Medical Pathways organization is made up of high achieving students interested in careers in the Health Industry. Through seminars, field trips, shadowing experiences and internships, students have hands on opportunities to explore medical professions and college programs. The program is flexible to meet students' varied interests. Students have explored careers in the fields of Medicine, Dentistry, Veterinary, Pharmacy, Nursing and Physical Therapy.

The Mack State Senate is a group funded by the UEEF as part of the Learners Advisor Today Leaders Tomorrow project. The purpose of the Mack Senate is to give students the opportunity to get a brief perspective about how the New York State Senate works by introducing legislation, meeting in committees, and debating and voting on bills. The hope of the Mack Senate is to have students foster an interest in public policy and public service.

The purpose of Mock Trial is to provide students with hand-on opportunities to further their understanding of the law, court procedure, and our legal system, while honing their speaking, listening, reading, and reasoning skills. County competitions are held in the spring at the central courts in Binghamton. County champions advance to regional competitions, with six teams meeting in Albany for the statewide finals each May.

National Honor Society

The National Honor Society INHSI is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. These characteristics have been associated with membership in the organization since its beginning in 1921.

Recycling Club

The goal of the Recycling Club is to minimize the impact the High School has on the environment. We collect, sort, and recycle the bottles and cans in the building. We also use a variety of methods to educate students and staff on how to reduce their own impact on the environment and how to lead a sustainable lifestyle. At the end of the year, a select group from the club goes on a hiking trip to the Adirondacks to experience low impact hiking and camping.

Students involved in SADD work throughout the year to promote non-destructive decision-making in school, as well as out of school with the student body at U-E. Students involved in the group will participate in fundraising activities during the year to raise money for the the Post Prom activities held at the high school in May. Post Prom participation with prom attendees is important to ensure students stay safe after the Prom.

Science Olympiad

Science Olympiad is a team competition in which students compete in events pertaining to various scientific disciplines, including earth science, biology, chemistry, physics, and engineering. The students are judged based on scientific accuracy and creative problem solving. Over 7,300 middle school and high school teams from 50 U.S. states compete each year.

Spanish Club

The purpose of Tea Club is to provide a safe and happy place for students to drink hot beverages, eat delicious treats, and chat with friends. All are welcome. This club is a great way to unplug and unwind.

igerEye

After a short hiatus, "The Tigereye," UEHS student newspaper, is back in business. The high school newspaper club is up and running again with 25 club members, as well as a number of freelance writers, dedicated to producing two issues of the newspaper this school year. The paper will include news on clubs, sports, outstanding students, and current events. New members are always welcome. Students are encouraged to join the club and see their writing published and read by the wideranging audience that is Union-Endicott High School!

igerTronics

UEHS Members Brown, Jacob Doniels, Sowyer Howell, Austin Korol, Philip Lee, Jason Mayer, Tim Melby, Benjamin Richardson, Caleb Rita, Alyssa Sinchi, Ashley Smart, Devon

Overall, TigerTronics finished as the top 6th seed out of 40 teams, and completed the tournament as quarterfinalists. The team's tournament alliance selection included a team from Pittsburgh, Pennsylvania, and a rookie team from Shenzhen. China. Although not going home as the tournament winner, TigerTronics was rated as one of the most capable robots able to adeptly handle both game pieces (a foot wide plastic gear that gets placed, and large wiffle balls launched into a 7 foot high goall. TigerTronics won the Spirit Award and will compete again next year with all the knowledge and competitiveness gained this year.

Veterans Club is a group of students who formed an organization to raise money and awareness for veterans, as well as support active service members of the military. The Veterans Club donated money raised through a spaghetti dinner to the BCVMA, which arranges funeral ceremonies for local veterans.

The UEHS Yearbook Staff proudly announces the arrival of the 2017 yearbook. The Thesaurus. The Thesaurus covers the highlights of 2016-2017 with hundreds of photos of clubs, athletics, activities, and special events. A yearbook is special because it captures the life and times of the school, the class, and the achievements of the students. The Thesaurus was produced by the Yearbook Staff under the direction of Advisors Diane Golden and Margaret Kage. Becoming a Yearbook Club member allows you to learn about and produce a real life product that reflects your moment in history while at UEHS. Members will be involved in every aspect of the yearbook production: layout and design, technology, finance, photography, time management, and team dynamics.

Through youth leadership training like YES LEADS (formerly known as ADSIP) we teach our kids the dangers of drug and alcohol abuse. Each year, YES! trains over 50-100 Union-Endicott middle and high school students to serve as positive role models for younger students. These students in turn work with hundreds of elementary and middle school students through presentations and activities like youth empowerment and bullying prevention to promote safe choices.
