Ancestry.com: Trace Your Genealogy Saturday 5/14 at 1:00

• This workshop is an introduction to the Ancestry Library Edition database, which is FREE to use at the library. Users can search U.S. census records, Social Security records, birth and death records, immigration records, military and other vital records for genealogical research. Target audience is BEGINNERS. *Please bring your library card to class.*

Android Smartphone and Tablet Basics <u>Wednesday 5/4 at 5:00</u>

• Android is a popular operating system which is used on different mobile devices such as phones and tablets. The Android system was made by Google. This workshop will show you how to navigate through the various controls and effectively use an Android device. *Please bring your Android device (phone or tablet) with you.*

Dropbox and Cloud Sharing Saturday 5/21 at 1:00

• Dropbox is a service that keeps your files safe, synced, and easy to share. This class will show you how to use this Cloud storage to save and share your photos, docs, and videos and never lose a file again.

Editing and Sharing Digital Photos Thursday 5/19 at 4:00

• Don't keep your photos trapped on your phone or camera! This introductory class will show you how to easily edit and share your digital photos with free programs and websites.

Get CRAFTY Online! Monday 5/23 at 5:00

• The Internet is a gold mine of free patterns, craft ideas and websites on which to buy and sell crafts! Come explore and share some fabulous sites like Etsy, Pinterest and Ravelry that will help you create great gifts and decorations!

Introduction to Computers <u>Wednesday 5/11 at 5:00</u>

• Since this Basics course will explore the parts and functions of computers, help users begin to use basic programs, and demonstrate short-cuts and tips to make computer use easier, it is best for those with little or no computer experience.

Introduction to Flash Drives <u>Thursday 5/26 at 6:00</u>

• Do you have questions about how flash drives work? Do you have a flash drive but aren't exactly sure how to use it? This workshop will cover the basics of flash drive use. Please bring a flash drive if you have one.

iPad/iPhone Basics, Part 1 Tuesday 5/10 at 10:00 or Wednesday 5/18 at 5:00

• This is an introductory tour of the Apple iPad and iPhone for beginners. Learn the basics of navigating, getting organized, and keeping an iPad and iPhone up to date. An iPad will be loaned to those who do not bring a device. *If you have an iPad or iPhone please bring it to the workshop.*

iPad/iPhone Basics, Part 2 Tuesday 5/17 at 10:00 or Wednesday 5/25 at 5:00

• If you feel you have mastered the basics presented in Part 1, move on and learn even more. This workshop will focus on the settings app, which allows personal customization of your iPad or iPhone. Only those who have gone through the Part 1 workshop can attend. An iPad will be loaned to those who do not bring a device. *If you have an iPad or iPhone please bring it to the workshop.*

Online Safety and Security Saturday 5/7 at 1:00 or Tuesday 5/24 at 6:00

• This class will discuss tips and best practices in order to stay safe while you are online. There will also be a conversation about free tools that can help prevent viruses, malware, spyware, etc. by detecting and eliminating them from your computer.

Snapchat for Beginners <u>Tuesday 5/31 at 6:00</u>

• Snapchat is a social media tool that allows you to share short video messages with your family and friends. Share a silly video with friends or the world. Have fun. *Please bring a smartphone or tablet if you have one.*

Ten Awesome Things You Can Do at Gfjlibrary.org—for Free! Saturday 5/28 at 10:00

• The library's website, gfjlibrary.org, is much more than just a place to look for books! There is also a whole world of learning opportunities and fun resources available free of charge to George F. Johnson Memorial Library patrons. In this class we will learn how to use the website to study a new language, learn computer skills at home, do genealogical research, check out emagazines—and so much more! *Please bring your library card to class. If you don't know your PIN, please contact the circulation desk.*

Twitter for Beginners <u>Tuesday 5/3 at 6:00 or Thursday 5/12 at 10:00</u>

• Twitter is a micro blogging site that allows you to express your interests, discuss with friends and learn about others, all within 140 character posts. Learn how to create and use a Twitter account.
