June Classes at the GFJ Tech Center!

Become a Computer Expert with Atomic Training Thursday 6/23 at 4:00

- Atomic Training provides short tutorials and over 500 lessons on a wide variety of topics from Word and Excel, to Internet searching, photo editing, Facebook, resume writing, and more! It is free, and easy to access through the GFJ Library website. A GFJ Library card and an email account are required for registration.

Borrow eBooks and Audiobooks for Free! Tuesday 6/7 at 1:00

- Download books for FREE to read or listen to on your computer, e-reader, smartphone, or music player. In this workshop learn how to use the Overdrive app to download titles, place holds, and manage your account. Bring your own device (with connector cords if needed). Please bring your library card and PIN with you!

Dropbox and Cloud Sharing Saturday 6/11 at 1:00

- Dropbox is a service that keeps your files safe, synced, and easy to share. This class will show you how to use this Cloud storage to save and share your photos, docs, and videos and never lose a file again.

Easy Email with Gmail Monday 6/27 at 5:00

- It seems that we need an email address to do anything online. Come set up a simple Gmail account and learn how to make it work for you!

Etsy, Pinterest, and Other Crafty Sites Wednesday 6/29 at 5:00

- The Internet is a gold mine of free patterns, craft ideas and websites on which to buy and sell crafts! Come explore sites such as Etsy, Pinterest, Ravelry and others that can help you find and share great craft ideas for free!

Facebook—Your Questions Answered Thursday 6/2 at 4:00 or Monday 6/20 at 5:00

- Facebook can help you connect with family and friends, share pictures and stories. Come learn how to set up a Facebook account while keeping your identity safe and protecting your privacy. Some basic computer skills and an email address are required.

Introduction to YouTube Thursday 6/9 at 6:00

- YouTube is a vast video library that allows you to watch professional and amateur videos. Learn how to search and navigate YouTube. Also learn how to create an account, so you can save, comment and make your own videos.

iPad/iPhone Basics, Part 2 Wednesday 6/1 at 5:00

- If you feel you have mastered the basics presented in Part 1, move on and learn even more. This workshop will focus on the settings app, which allows personal customization of your iPad or iPhone. Only those who have gone through the Part 1 workshop can attend. An iPad will be loaned to those who do not bring a device. If you have an iPad or iPhone please bring it to the workshop.

Mango Languages Wednesday 6/8 at 5:00 or Thursday 6/30 at 6:00

- FREE online to Endicott library patrons, Mango is ready to teach you up to 71 languages through brief casual scenes, repetition, vocal comparisons, videos, and more. You can work at your own pace, and Mango keeps track of your progress. If you've ever wanted to have fun while studying a foreign language, this is the class for you!

Online Streaming Explained Tuesday 6/21 at 3:00

- You've probably heard of the term 'streaming' but aren't too sure what it means. Does it allow you to watch something live online? How does it work? This workshop is designed to answer your questions.

Searching the Internet Using Google and Other Search Engines Wednesday 6/22 at 5:00

- This workshop will focus on Google search tips and introduce you to a few different types of search tools that can be used. The advantages and disadvantages of each tool will be explained.

Tips for iPhone and iPad Tuesday 6/28 at 3:00

- This collection of tips will help you use some of the best features packed into Apple's iPad and iPhone. Learn how to do more with your iPad and iPhone without spending money on apps and accessories. Bring your iPhone or iPad if you have one and make sure that your software is up to date with iOS 9.3.2.
