# April Classes at the GFJ Tech Center!

## **Ancestry.com—Library Edition—for Beginners** Friday 4/7 from 12:00-2:00

- This workshop is an introduction to the Ancestry Library Edition database. Users can search U.S. census records, Social Security records, birth and death records, immigration records, military and other vital records for genealogical research. This workshop is targeted to BEGINNERS and those who have not used the Ancestry Library Edition, which is available FREE at the library.

## **Android Phones and Tablets: Tips—PART TWO** Thursday 4/20 from 2:00-4:00

- This collection of tips will help you use some of the best features packed into your Android tablet or phone. Learn how to do more with your tablet or phone without spending money on apps and accessories. **Please bring your charged Android tablet or phone with you to the workshop.** A question and answer session will be included.

## **Atomic Training: Free Computer Training at Your Own Pace!** Saturday 4/15 from 11:00-1:00 OR Tuesday 4/25 from 1:00-3:00

- Atomic Training provides short tutorials and over 500 lessons on a wide variety of topics from Word and Excel, to Internet searching, photo editing, Facebook, resume writing, and more! It is free, and easy to access through the GFJ Library website. **A GFJ Library card and an email account are required** for registration.

## **Discover the Wonder of Pinterest!** Saturday 4/22 from 2:00-4:00

- Pinterest makes it a snap to find, save and share thousands of ideas for crafts, decorating, remodeling, cooking, fitness, education, books, movies, and just about *anything* you may want to find on the Internet! **A working email account is required to use Pinterest!!**

## **Explore Free Google Tools** Saturday 4/29 from 12:00-2:00

- Google Tools will help you find directions or virtually tour a city, search for and read books online, find bargains when shopping and more! Plus, there are Google Tools that will help you create, organize and save documents, presentations, calendars, and more. All Google tools are free and easy to use, so come learn how Google can help you!

## **Facebook—Your Questions Answered** Tuesday 4/4 from 6:00-8:00

- Facebook can help you connect with family and friends, share pictures and stories. Come learn how to set up a Facebook account while keeping your identity safe and protecting your privacy. **Some basic computer skills and an email account are required.**

## **Get Paid for Online Shopping: Really!** Thursday 4/13 from 6:00-8:00

- If you shop online why not get paid for it? One of the easiest ways to get more out of your buying experiences is to use cashback websites. They help you “earn back” the money you spend so you can make your shopping budget stretch further. This workshop will outline the pros and cons of using these sites. We will also cover some automatic coupon savings tools.

## **Welcome to Windows 10** Monday 4/10 from 12:00-2:00

- Come to this class to learn the basics about Microsoft’s newest operating system, Windows 10, and the brand new browser, EDGE!
