February Classes at the GFJ Tech Center!

Android Basics for Smartphones and Tablets Wednesday 2/14 from 1:00-3:00

- Android is a popular operating system which is used on different mobile devices such as phones and tablets. The Android system was created by Google. This workshop will show you how to navigate through the various controls and effectively use an Android device. ***Please bring your Android device (phone or tablet) with you. Make sure your device is charged.***

Atomic Training: Learn Tech at Your Own Pace! Wednesday 2/21 from 4:00-6:00

- Atomic Training provides short tutorials and over 500 lessons on a wide variety of topics from Word and Excel to Internet searching, photo editing, Facebook, resume writing, and more! It is free, and easy to access through the GFJ Library website. ***An email address is required for registration. A GFJ Library card is required if you choose to register off-site.***

Become an eBay Seller Thursday 2/8 from 5:00-7:00

- It is a great time to declutter, clean out and make some cash for those holiday bills! Come learn the basics about listing on eBay, setting up accounts and creating appealing listings. You are welcome to bring a small item, or some pictures of something that you would like to sell on your camera or phone. This class is for beginning eBay-ers.

Facebook: Tips and Tricks Wednesday 2/28 from 4:00-6:00

- Facebook can help you connect with family and friends, share pictures and stories. Come learn how to set up a Facebook account while keeping your identity safe and protecting your privacy. Some basic computer skills and an email address are required.

Transparent Language Online: Learn a Language for FREE! Friday 2/16 from 2:00-4:00

- **Transparent Language Online**, available for FREE through the Four County Library System with a 4CLS library card, is an online resource ready to teach you over 100 languages via a wide variety of courses and activities. Transparent Language allows you to work at your own pace, and keeps track of your progress. There's even a free Transparent Language app for your mobile device! If you've ever wanted to study a foreign language, this is the class for you. ***An email address is required for registration. Please bring your library card to class.***

Welcome to Windows 10 Friday 2/23 from 2:00-4:00

- Come to this class to learn the basics about Microsoft's newest operating system, Windows 10, and the brand-new browser, EDGE! We will explore settings and tips that will make Windows 10 easier for you. You may bring your laptop if you wish, but it is not required.
