## September Classes at the GFJ Tech Center!

### **Android Smartphone and Tablet Basics** Tuesday 9/11 from 2:00-4:00

Android is a popular operating system which is used on different mobile devices such as phones and tablets. The Android system was created by Google. This workshop will show you how to navigate through the various controls and effectively use an Android device. **Please bring your fully charged Android device (phone or tablet) with you.**

### **Easy Email with Gmail** Monday 9/10 from 4:00-6:00

It seems that we need an email address to do anything online. Come set up a simple Gmail account and learn how to make it work for you! If you already have GMail, PLEASE bring your username and password!!

### **Evaluating Health Resources** Monday 9/17 from 4:00-6:00

Searching the internet for answers to health issues can be dangerous, but in today's digital age getting fast information about what is ailing you is very tempting. Join us as our Community Health Certified librarian gives tips on how to make sure you are getting reliable and safe information.

### **Facebook Settings** Wednesday 9/5 from 2:00-4:00

Facebook can help you connect with family and friends, share pictures and stories, but how do you know if your account is safe? Come learn how to set up a Facebook account while keeping your identity safe and protecting your privacy. Some basic computer skills and an email address (and password!!) are required.

### **Files and Folders for Beginners** Wednesday 9/26 from 2:00-4:00

Are loose files all over your computer? Do you want to learn how to become more organized on your computer's desk top? This class will give you some tips on how to clean up your files and sort them into folders. No prior knowledge will be needed since we will start as basic as: what is a file and what is a folder?

### **iPad and iPhone Basics** Wednesday 9/12 from 2:00-4:00

This is an introductory tour of the Apple iPad and iPhone for beginners. Learn the basics of navigating, getting organized, and keeping an iPad and iPhone up to date. **Please bring your fully charged iPad or iPhone with you.**

### **Your Local Library Online** Thursday 9/27 from 4:00-6:00

Your library card can get you much more than books. Learn how to access ebooks, audiobooks, movies, digital magazines and more from the comfort of your home. These items can be downloaded to any Android or Apple device - for FREE! After downloading you can read, view and listen anywhere. **Bring your library card and if you have an Android or Apple device bring it with you.**

### **Ted Talks! Join the Conversation** Saturday 9/22 from 2:00-4:00

TED Talks are presentations that can inspire, excite, educate and sometimes astound! Come watch a selection of short talks on a variety of topics, enjoy a small snack, and share some great conversation!

### **Launchpad @ GFJ** Every Tuesday from 5:00-7:00

- Achieve your goals! On Tuesdays there is free tutoring and computer-based instruction available to help adults prepare for the TASC high school equivalency exam. Get the help you need to earn your high school diploma! Contact Craig Jefferson (jeffersoc.2014@gmail.com) or Jen Musa (musajm@sunybroome.edu) with questions or for more information.
