LAUNCHPAD @ GFJ

Dear George F. Johnson Memorial
Library Community,

GFJ has recently started a new TASC program at the library! You may be asking yourself, what exactly is TASC? Test Assessing Secondary Completion (TASC), has replaced the General Education Development (GED) exam. This is the new mode for obtaining a High School Equivalency Diploma. TASC classes are led by Jen Musa, who also serves as the library's board president. Classes are held every Tuesday from 5-7PM in the library's Tech Center. Students are tutored in the subjects of reading, writing, math, science, and social studies. After completing the program students are then ready to take the TASC exam.

The program has already produced one graduate! Prospective students can register for the program online at gfjlibrary.org/tc. Please contact the library at (607)757-5350 to receive more information about the program.
