From the Director: 2018 marked GFJ's 104th year of service to the greater Endicott community. The library went through some major changes this year. We said goodbye to our previous director, Ed Dunscombe, who retired after 38 years of service to the George F. Johnson Memorial Library community. I took over as Library Director in June, and I'm so happy to be your Director! I look forward to serving you for many years to come. In 2018 we remained dedicated to fulfilling our library's mission to the GFJ community. We partnered with SUNY Broome professors to offer their Launchpad program to our patrons. This program allows for free tutoring services to adults who are looking to attain their high school equivalency. This program has already produced two graduates! GFJ upgraded its public computers in 2018 and continues to meet the computing needs of our community. This year we also expanded our social media presence. The library now has an active Instagram page. Plans for 2019 include partnering with the Village of Endicott on a grant application to reconstruct the library's parking lots, with construction targeted to begin in Spring 2020. We have already received a \$200,00 grant that will help fund the parking lot project. We will also be fixing our leaky roof this year as well. Thank you for your patience as we look to improve the library. The full annual report is available online or at the circulation desk in the library. — Seth Jacobus
