Registration is required for all Tech Center classes

## **Fun, Free, and USEFUL!** Thursday 1/23 from 1:00-3:00

- There are millions of apps available for your new iPhone, iPad or Android device, but which ones should you choose? This class will showcase some of the most popular apps for all devices that will make your life easier and help you enjoy your phone or iPad more!

## **Intro to Google Photos** Tuesday 1/28 from 1:00-3:00

- Now that you have hundreds of great holiday photos on your phone, come learn how you can save, organize, edit and share them for free with Google Photos. Keep all your memories from all cameras together and never lose another photo! A Gmail account is required, so please bring your Gmail username and password.

## **Smart Speakers: Smart Choice** Tuesday 1/14 from 1:00-3:00

- Smart speakers are becoming more and more popular. Find out what they are and how they work. A smart speaker is a standalone voice-activated device such as Amazon Echo or Google Home. It can be a helpful tool. They are inexpensive and very easy to set up. The more you use a voice assistant, the more you will see how valuable it can be in everyday life.

## **Watch Movies Online for FREE!!!** Thursday 1/9 from 1:00-3:00

- You do not have to pay for Netflix. As long as you have an internet connection, you can stream movies without paying a dime. Most of the available movies are older with no recent releases. That said you can still watch some gems without spending an extra penny. Find out what services offer totally free and legal movies that you can watch on smart TVs, media streamers and mobile devices. Some of these services offer TV shows as well. Workshop registration is required.

## **Windows 10 Basics** Monday 1/20 from 5:30-7:30

- Come to this class to learn the basics of Microsoft's newest operating system, Windows 10, and its new browser, EDGE! We will explore settings and tips that will make Windows 10 easier for you. You may bring your laptop if you wish, but it is not required.

## **Launchpad @ GFJ** Every Tuesday from 5:00-7:00

- Achieve your goals! On Tuesdays there is free tutoring and computer-based instruction available to help adults prepare for the TASC high school equivalency exam. Get the help you need to earn your high school diploma! Contact Jen Musa ([musajm@sunybroome.edu](mailto:musajm@sunybroome.edu)) with questions or for more information.
