Beginning in January 2022 the downstairs meeting room (Scott room) will be getting an update (new heating/cooling system, new carpet and an interactive display board). We will also be adding a bathroom adjacent to the meeting room. Due to the construction, there will not be any meeting rooms or study rooms available from January until construction is completed. Also, there will be no book sales during the construction period. We will not be accepting any donations after December 2021. Thanks for your patience and understanding during this time.
