The U-E Circus

The circus is dead, or at least dying, but nowhere are its atmosphere and traditions better preserved than at U-E. . .the confusion of opening day. . .the demonstrations of mental agility shown in the classroom. . .the feats of strength and daring performed on court, field, or gridiron. . .the color and excitement of the Thanksgiving game. . .the menagerie as embodied in our mascot, the tiger. . .the humor of the class clowns. . .the stirring music of band and chorus. . .the glamor of the school queen. . .the suspense of wondering whether one will graduate. . .and, at last, the Grand Finale, the solemn graduation march. Seniors leave, but the show goes on!

We proudly present to you, the U-E Circus!

Dedication

To our mothers and fathers;
whose words of encouragement,
unselfish love, patience, and un-
derstanding have made it possible
for us to attain our goal and to
seek out new and more difficult
paths to follow; we lovingly dedi-
cate the U-E Thesaurus of '57.

MESSAGE FOR 1957 SENIORS

Over a period of years millions of people have sat under the "big-top" to watch the Ringling Brothers-Barnum and Bailey circus. A few months ago the circus management announced that it was discontinuing its tent shows and making plans to appear in auditoriums in various parts of the country. The circus will go on because it has adapted itself to changing conditions.

Life is like a circus. We become accustomed to the vocation of our choice, to a certain income, to a way of living, and then changing conditions force us to make new plans. If we can adapt ourselves to these conditions, we can be assured that we have a high degree of functional intelligence--the kind of intelligence which enables us to adapt ourselves to new situations.

While preparing ourselves to face changes in our material environment, we can gain a sense of security by remembering that there are some truths which do not change. These, which are largely in the field of philosophy and religion, give us a means of evaluating material changes and a basis for deciding whether to accept them or resist them.

LEFT to RIGHT: Mr. Harold McGowan; Mrs. Gertrude Calleo; Mr. Mearle Diles, president; Mrs. Lenore Kintzing; Mr. Anthony De Marco.

The Union Endicott Student Body owes a great debt of gratitude to these citizens who give so unselfishly of their time and energy to help provide us with a fine education.

Ringmasters

LEROY
WILGE

"Circus: a company of performers, a performance, the arena surrounded by seats."

During your three years of senior high, each phase has been in evidence. To reach your goal of graduation you have had certain tasks to do. The fulfillment of these has been shown in the results of your tests, in your concerts, plays, athletic contests and in your service to the community. After graduation as you move to the next arena may you be truly successful.

Mary L. Pitkin

TO THE CLASS OF 1957

The need of our country today is for more people to develop their creative ability. To do so, each of us must gain a sense of our own dignity and worth. Then we must have faith and belief in the impossible.

Many inventions have come about which at first were considered impossible, but someone's faith and persistent experimentation finally succeeded. We never attain our goals if we take the attitude that there is no use trying. Our country can progress only as individuals develop their skills and preserve their ideals. Let us all do our share.

JUNIOR CLASS OFFICERS

LEFT TO RIGHT: John Barsosky-Secretary, Gerald Hamilton-Vice-President, Mary Lou Welsh-President, Robert Matolka-Treasurer.

Juniors

The coming attractions under the high school big top are the "Juniors." Just back from training in our sophomore year we will provide thrills and chills and fun for everyone as we perform our feats.

There are thrills when our football team with Jerry Harris, Dave Buran, and Jerry Hamilton make that decisive touchdown; and our cheerleaders, Mary Lou Welsh, Carol Roma, Charlotte Moran, and Betty Bilek cheer us on to victory.

We all feel chills as we prepare for our final exams and have fun all year 'round as we go about our daily routine.

STAIRS ARE FOR CONVERSATION

Maureen O'Day, LaRaine Thuma, Stephen Cenova, Ronald Naylor, and Gloria Pozzi make fire hazards of themselves.

JUNIOR JAM SESSION

Forrest Greenslade, Richard Ostling, Mary Ann Fiacco, Patricia Weiss, Bruce Smith. AT PIANO: Victor Burke, Jane Mallory.

Class

As the sophomore year was preparatory to the junior year, so is the junior year preparatory for the senior.

It is during the junior year that all the abilities of the students are built, be they athletic, scholastic, musical or just plain leadership.

It is these leaders, the members of the Student Council, the representatives to the Athletic Council, the active members in the various clubs, and most important of all, the junior chosen school president, who will be the leaders in the center ring as "Seniors."

The circus usually comes to town on a hot summer day and everyone looks for a thirst quencher. A circus, with all its side shows, midways, and other out-of-the-way corners, is one of the best places to get lost.

In a similar manner, the new arrivals reach U-E's corridors, with an almost similar result--they feel lost.

It was a hot dry day in September when we arrived, so the first stop for many of us was the water fountain. When the bell rang for classes, the result was mass confusion. Everyone asked everyone else where the rooms were. Some peered at room numbers but most of them were just plain bewildered.

Class

The ring leaders of our circus (the sophomore class) were elected by the performers (that's us again). Robert Dodge-President, Joe Battaglini and Joe Hosay-Vice-President and Secretary respectively.

When we think of the performers being suspended because they missed their act, it reminds us of Mr. Woodard and detention, which truly seems to be a part of the sophomore year.

The circus performers usually look forward to the next town as a better and easier place to perform. As we daydream in our classes of the future, we look forward to an easier road ahead.

This road to success will come only through hard work and perseverance on our part.

This year's circus has given its last performance under the big top, but the sophomores are looking forward to a much better show in the future.

U-E's Student Government during the 1956-57 season has accomplished many feats. Elected to serve from each homeroom were the thirty-two members of the House of Representatives, and elected from the three classes were twelve members of the Senate. The Senior class elected six members to the Senate, the Junior class elected four, and the Sophomore class elected two members.

Highlight of the Student Government show for the year was the adoption of a banking system for the students to save for their graduating expenses. Another feature of the year's program was an assembly, held for sophomores to acquaint them with the high school and its organizations. U-E's Student Government was well represented at the Southern Tier Conference held at Central in October. The U-E Reporter, which is a weekly news sheet was re-instated in each homeroom. Season basketball tickets were put on sale by the Student Government to offer to the students a discount on the admission to the 9 home games.

Council

At Christmas time the group decorated the main entrance of the school building. To add to the spirit of Christmas the Student Government held its annual collection in the school for the needy families of our community. The March of Dimes drive was conducted by the Senators of the Student Government.

Presently the Student Government is organizing an Honor Society in the high school.

With the help of the Assembly Committee, the Student Government has promoted better relations with other schools in the Triple Cities, by holding exchange assemblies. Record-hops were held for school dances as well as dances after basketball games for the first time.

Thanks to Mr. Crooks' help and understanding as adviser of the Student Government, they have been able to present to the Student Body of U-E a well rounded and interesting program.

The club also put on a bake sale to raise money.

The club held meetings every two weeks and celebrated important Roman holidays with suitable festivities.

The members have worked hard to make the club a success but they have also managed to have a good time by working together.

Marching

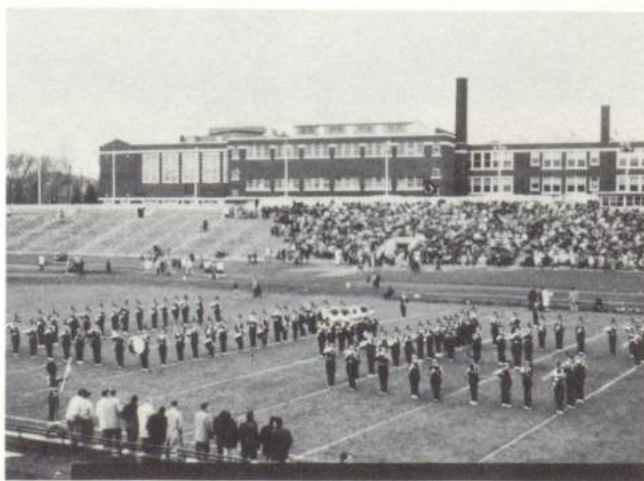

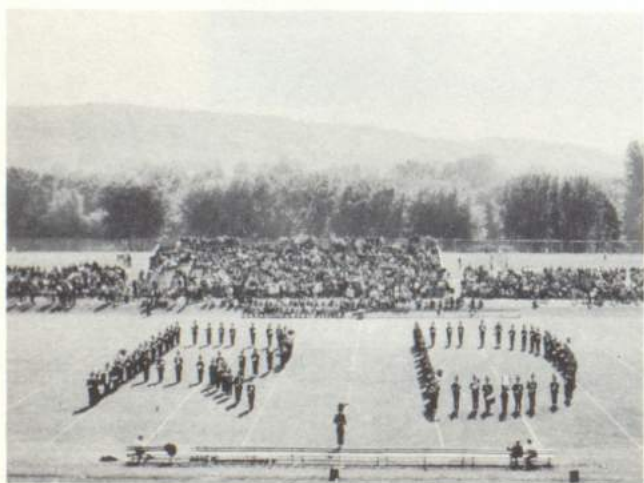

THE NEW LOOK

Drum major, Alan Stork was flanked this year by two twirlers, Audrey Karl and De Anne Kuzma.

This year's marching band again set the pace among Triple Citie high school bands. The 1956 season brought many changes including the addition of two championship twirlers, Audrey Karl and DeAnne Kuzma, who marched in front of the band with drum major, Alan Stork. Also, a snappier cadence, new entrance, more intricate formations and new dance routines were introduced. The band played for four home and three out-of-town football games, using a pre-game, and half-time pageant for each.

The magic touch of circus showmanship was easily recognized in U-E's classy Marching Band.

Band

Using the \$100 prize which they won for being the best school band in Endicott's Golden Jubilee Parade, the group joined with Three Thousand handsmen in the area to present a mass spectacle at the halftime on Cornell University's Band Day. The band also played for pep assemblies and parades throughout the year. This outstanding 91-member unit was under the guiding genius of Mr. R. Crawford Stahl, assisted by Mr. Harrison Schmoll and Mr. Acton E. Ostling.

THE STAHLOPHONE
Mr. Crawford Stahl and Mr. Harrison Schmoll were aided in 1956 by a new electronic megaphone.

Here are a few of the many formations that U-E fans looked forward to seeing on any Saturday during football season.

At the close of the football season, the Concert Band members were selected from the Marching Band and the musicians who were unable to perform with the Marching Band. Thus was formed one of the most outstanding groups in the area. Its 91 members were under the baton of Mr. Acton E. Ostling, one of 7 band leaders in the state to be honored with membership in the American School Band Directors' Association. The most important event was the second all-U-E Band Concert, which was held on April 5. In a manner similar to last year's concert, which proved so successful, the band presented a program composed primarily of recent band publications.

THE CONCERT BAND IN REHEARSAL

Mr. Ostling leads the band in the first stages of develop-ing a new concert number.

Band

Featured in the program were the drum section in a special novelty, and cornet and trombone solos by David Naylor and Peter Vivona, who was the first bandsman ever to arrange the band accompaniment for his own solo. These two and Kathleen Heimgartner represented our school in the All New York State Band for which over 800 students tried out. This "cream of the crop" band rehearsed and presented a concert at Syracuse last winter.

In addition, the Concert Band played concerts at several schools in the community, including a special concert for U-E students.

The most important night in the year for orchestra members was May 17, when they combined with the Choir to present Kurt Weill's folk opera, "Down in the Valley." In addition, the orchestra alone played a program of standard and light concert pieces including:

"El Relicario" by Padilla

"Iphigenia in Aulio" overture by Gluck

"Temptation" a Beguine by Treea and Brown

"Danse Macabre" by Saint-Saens featuring Thomas Morrow, concert-master

"Playera" by Granados. a solo by Kathleen Heimgartner, principal cellist

At a time many schools have eliminated string work from their curriculum, U-E continues to have one of the finest school orchestras in the area. Mr. R. Crawford Stahl has led this fifty-four member group in many activities. The orchestra provided music for virtually all of our assemblies including a special performance at the senior honor assembly. Concerts were performed at various schools in Endicott.

BEATING THE RAP

This drum class doesn't seem to have a "ruff" time perfecting their parts to concert pieces.

The Orange Tornado made this record in '56: U-E 19, Elmira Free Academy 20; U-E 6, North 6; U-E 21, Vestal 47; U-E 13, Johnson City 13; U-E 25, Utica Proctor 7; U-E 19, Elmira South Side 14; U-E 13, Ithaca 6; U-E 0, Binghamton Central 7. A record of three games won, three lost, and two tied gave U-E third place in the Southern Tier Conference.

With very few veterans back, three on offense and four on defense, U-E improved each game; and, except for the Vestal game, had a fine season, losing by very small scores to Elmira Free Academy (the Sectional Champions) and Binghamton Central.

Quarterback Craig Briggs was chosen most improved player of the year, and won a position on the Conference All-Star Team.

Mr. Vito Popelka was coach of the small but valiant crew on the Junior Varsity Football Squad this year. They bared their horns in battle with the Varsity squad in practice sessions and fur flew. Remember, you big, handsome hunks of Sophomores, the more on the squad the mightier.

LIFE'S DARKEST HOUR

WHO IS THE LUCKY GUY ON THE BOTTOM?

Varsity Basketball Team

KNEELING, Left to Right: Coach Harold Goodfellow "Barney", Craig Briggs, Robert Dinga, Michael English, Adrian Menechetti, Anthony Cerasaro, Patrick Donovan.
STANDING: Jon Redolphy, Pat Palazzo, Robert Dryer, Joseph Martinak, Paul Mersereau, Douglas Huffcut, William Hannum.

Faced with the chronic complaint of U.E. basketball teams, lack of height, the 1956-57 squad has done a terrific job under Coach Goodfellow, justly deserving the title, "The Surprise Team" of the conference.

Starting off the season, they upset favored, Central 64 to 56, which hadn't been done in many years. They continued on vying with North for first place right through the season.

One score spot in the season was the Cortland sectionals. Though U.E. was beaten by Cortland, 60 to 72, and Ithaca, 61 to 73, it was mainly by the overwhelming number of fouls charged to them and used to advantage by the other teams.

Scores as we go to press: U. E. 64, Binghamton Central 56; U. E. 56, North 63; U. E. 65, Johnson City 61; U. E. 52, Vestal 56; U. E. 58, Ithaca 50; U. E. 78, Owego 64; U. E. 61, Cortland 60; U. E. 50, Elmira Southside 49; U. E. 68, Norwich 46.

Fighting on floor for ball: Michael English, No.23, Robert Dinga, and to far left Patrick Donovan.

Shooting with back to camera Patrick Donovan: following up shot, Michael English.

Junior Varsity Basketball

STANDING Left to Right: M. Horan, D. McPherson, T. Linko, C. VanCampen and J. Romeo. KNEELING: J. Goodfellow, J. Battaglini, W. Beason, T. Massis, C. Hills, and Coach, V. Popelka.

The 1956-57 Junior Varsity Squad suffered an unfortunate season. Although they exhibited excellent spirit and sportsmanship under the fine tutelage of Coach, Vito Popelka, it was not enough to produce a winning record.

U-E 38, Binghamton Central 53; U-E 52, Binghamton North 65; U-E 39, Johnson City 54; U-E 64, Vestal Central 59; U-E 44, Ithaca 68; U-E 28, Owego 62; U-E 45, Binghamton Central 62; U-E 38, Elmira Southside 52; U-E 45, Norwich 51.

Track Team

FIRST ROW Left to Right: J. George, W. Terry, V. Fiori, B. Terpak, G. Benjamin, C. Saddlemire, P. Calleo, T. Mooney, D. Piatt, D. Koban, W. Szachara. SECOND ROW: D. Huffcutt, F. Alessi, W. Brunner, A. Annese, G. Harris, J. Balsley, A. Stork, F. Hoffman, J. Skobern, D. Zevan. THIRD ROW: Coach, M. Rotundi, J. Acton, T. Underwood, E. Breno, D. Jueckstock, J. Allen, F. Weiss, W. Anderson, W. Bouton, E. Pitsley; Coach, J. George. FOURTH ROW: Coach, B. Parkhurst, J. Berry, P. Lucas, M. Dittrich, M. Brown, J. Conwicke, N. Tarcha, D. Howrilka; Coach, T. Conwicke.

The 1956 Team had a fair season, with few returning lettermen. It won three of six team meets; over Ithaca and Johnson City in dual meets; and Johnson City in the Triple Cities Meet.

As individual places, the Tigers had men in the Class A Section IV Meet at Vestal, the Sectional Meet at Cornell, and the State Meet at West Point.

The outstanding men on this year's team were William Terry, Douglas Koban, Thomas Mooney, Mark Ditt-rich, Anthony Annese, Vincent Fiori, Joel Conwicke, and Joseph Berr.

Cross Country

FIRST ROW, left to right: William Dunham, Gary Corder, Vincent Giordano, Robert Brown, John Sedlak, James Calvin, Carl Hackling, James Morris, James Warkle. SECOND ROW: Kenneth Ferguson, William Brunner, Mark Dittrich, Captain Anthony Annese, Vincent Fiori, Mark Brown, Nicholas Tarcha, Paul Lucas, Mr. Theodore Conwicke.

U-E's cross country team this year was the strongest in many years. Coach Theodore Conwicke and returning lettermen Anthony Annese, Vincent Fiori, Mark Dittrich, William Brunner, Paul Lucas, and Mark Brown had been waiting for this season for three years. Vestal had been state champions for the past two years, and U-E's big six had been awaiting their senior year when they felt they would be strong enough to beat Vestal. They did beat Vestal, for the first time since 1947 at the Triple Cities meet, and again at an unofficial contest at the state meet.

Anthony Annese, captain of the team, had a fine season, winning five out of the seven races he ran, and setting five new records.

The team won three out of six meets, a quadrangular meet with Cincinnatus, Windsor, and Greene Central; a dual meet with Ithaca; the Triple Cities Meet.

When Stewart Bowen and Robert Ritlinger, top flighters of '56, were lost to the squad through sickness and moving respectively, U-E's chances didn't look so bright with the "maples". Because of these circumstances, however, the field was left open for keen competitors to take their places.

As a result, the squad, whose able president is George Robinson, is displaying lots of hustle and has beaten its major opponent, Johnson City, two to one in the opening match.

As Vestal is growing stronger, the year promises to be an interesting one all around.

Bowling Team

FIRST ROW, left to right: Charles Brady, Nerton Bowen, Victor Van Vestrout, Mark Sheiman, Donald Panko, Jack Rosencrantz, Sebastian Micalizzi. SECOND ROW: David McDonald, Donald Howrillka, Allen Stork, George Robinson, Charles Stemple, Donald Sandwick, John Barsosky. THIRD ROW: James Mahool, Gaerry Honnick, Robert Drum, Donald Fiehl, William Bouton, Richard Laszewski.

Varsity Baseball Team

FRONT ROW, Left to Right: Albert Noce, Wayne Redolphy. SEC-
OND ROW: Karl Reester,
Jon Redolphy, Peter Vi-
vona, Anthony Musa,
Richard Battista, Charles
Muleski. THIRD ROW:
Charles Talbott, Nicholas
Materese, Craig Briggs,
Arthur Reigal, Robert
Butchko, Andrew Ripic.

U-E's 1956 Baseball Team finished its season with a four won and eight lost record. One reason for this hot and cold season was that there were only two returning lettermen. The team did gain much experience which should get them off to a good start next year. North won the play off of a three way tie for first place, and took first place in the eastern half of the conference. U-E took fourth place. The scores were as follows: U-E 1; North 2; U-E 1; Elmira South Side 11; U-E 13; Vestal 6; U-E 1; Binghamton Central 5; U-E 4; Johnson City 3; U-E 3; Elmira Free Academy 13; U-E 4; Vesta, 3; U-E 2; Johnson City 4; U-E 5; Binghamton Central 6; Vestal 3; U-E 2; Johnson City 4; U-E 5; Binghamton Central 6; U-E 5; North 8; U-E 5; Ithaca 1; U-E 3; Cortland 6.

The Junior Varsity played hard, coming to the end of the season with a record of four wins and six losses. The scores were: U-E 1, Cortland 8; U-E 1, Ithaca 3; U-E 15, North 1; U-E 4, Binghamton Central 2; U-E 7, Johnson City 12; U-E 9, Vestal 12; U-E 1, Johnson City 11; U-E 3, Binghamton Central 5; U-E 5, Vestal 7; U-E 2, North 5.

J. V. Baseball Team

FRONT ROW, Left to Right: William Fetsko, Thomas Finko, David Buran, Edward Tomaski. SECOND ROW: Donald McPherson, Robert Duffek, Theodore Vaughn, Jack Nagle, Gerald Hamilton, Joseph Harmy. THIRD ROW: Bruce Smith, John Wiley, Patrick Palazzo, Robert Dodge, Anthony Cicciarelli, William Macan, Coach Maurice Hamilton.

Golf

STANDING: Jack Breno, Ronald Demkovich, Thomas Nestor. IN FRONT: Robert Ritlinger, Robert Dinga.

The 1956 edition of the U.E. golf machine again dominated area schools. Despite the passing of such giants as Ronald Terpak and Joseph Nestor, Coach Nicholas Di Nunzio brought forth another top notch five. Only a single loss at Ithaca High kept the all-junior team from finishing with another undefeated year. The team, however, gained its revenge in a dual meet here, and again in the Section 4 Tourney at I.B.M. They went on to represent the section in the N.Y.P.H.S.A. State meet and finished a good fourth. Juniors, Ronald Demkovich, Jack Breno, Edward Eckert, and Robert Dinga, all returned this Spring. The fifth member of the team, Junior, Robert Ritlinger, moved to Minnesota, but will no doubt be replaced by Thomas Nestor, following in the footsteps of his older brother, Joseph.

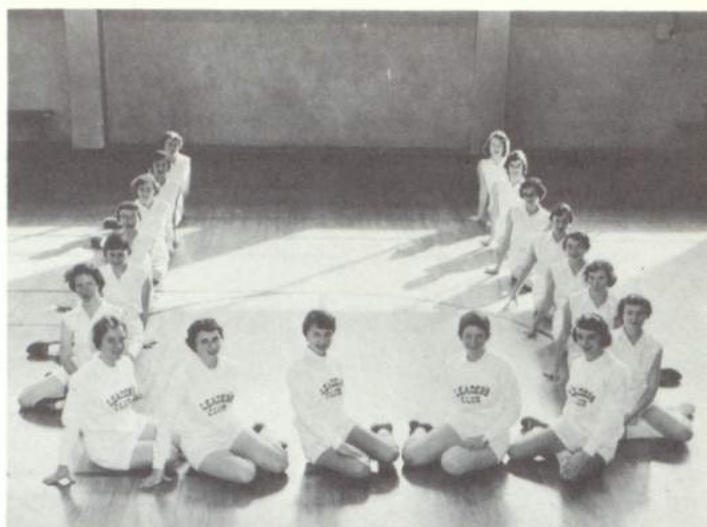

The cheerleaders contributed a great deal to this year's strong school spirit, the best in several years. The four returning seniors included co-captains Pat Hanley and Judy McMahon, plus Gretchen Kalb and Gail Piatt. The four new faces added to this year's squad are juniors, Mary Lou Welsh, Charlotte Moran, Carol Roma, and Betty Bilek. The cheerleaders were loyally present at all varsity football and basketball games, and participated in all pep assemblies and rallies. The squad also helped to keep the school spirit tops by selling colorful orange and black shakers. Throughout the year they sponsored two dances to raise money for their annual picnic. All in all, Mr. Camadella can surely be proud of his girls!

The girls have several means for raising the funds necessary for such an event, their suits, and for awards. One is to sell refreshments at the home football games. Another project is to sell sweatshirts with the U-E emblem.

The special Leaders Club trophy is awarded by Miss Pitkin on graduation night to the senior girl considered the most outstanding member of Leaders Club.

An annual event since 1956 is the Leaders Club assembly in which all the members participate.

ESPECIALLY IN YOUNGSTERS' LUNCHES

Lunches at school need not be lacking in nourishment. Fill a vacuum bottle with sweet, fresh milk; butter sandwich bread generously.

Well-nourished children are alert children and it's Cornell's job to help keep them at their healthy best.

**A THOUGHT
FOR THE...**

Class of '57

New graduates, trained to think—eager with new ideas, you are indeed the wealth of the nation in its richest form. Businesses and professions will profit immeasurably from the fresh thought and youthful energy you will bring to them.

This is an appropriate time when every young man and woman might well stop to think, "Now is the moment to be aware of what America is and what it means to live here."

This is the time for us to reaffirm our enduring faith in the free spirit, free life and free enterprise that are America. It is time for us to be grateful for the right to call our own the proud banner that ever has been, and is today, a rallying symbol for free men.

Congratulations to you!
