## Dedication

Michelle McLain

October 25, 1956—July 10, 1974

Many people wrote of their affection and respect for their friend, Mickey McLain. The following paragraph, written by a U-E graduate, Larry Mancini, seemed to sum up their feelings well:

"I have fought a good fight, I have finished my course, I have kept the faith . . . " (II Timothy 4:7). These words speak so much how Mickey lived her life. Towards the last days of her life she put forth an attitude of love, hope, and faith in the God for whom she lived. Mickey was a special kind of person, always thinking of others before she thought of herself. A great friend of mine, she often was a help to me when I needed someone most. Many people will miss Mickey, I miss her a lot. However, I have a great joy that someday I will meet her in Heaven.

Life—so they say  
Is but a game and they let it slip away

We may never pass this way again . . .

School is like a puddle . . .  
A rainbow of emotions, colors,  
and creeds,  
Laughing,  
smiling,  
competing,  
Studying,  
drinking,  
eating,

uniquely individual.

Yet in school,  
as drops in a puddle,  
they are joined as one.

Uniquely individual . . .

So I wanna laugh while the laughin' is easy  
 I wanna cry if it makes it worthwhile  
 I may never pass this way again  
 That's why I want it with you  
 'Cause you make me feel like I'm more than  
 A friend  
 Like I'm the journey and you're the journey's  
 end  
 I may never pass this way again  
 That's why I want it with you

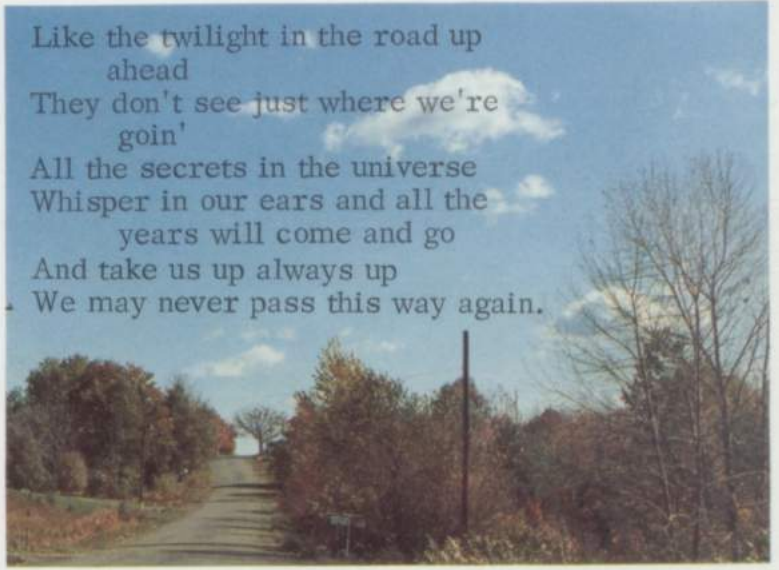

The home of the Tigers . . .

Like the twilight in the road up  
ahead  
They don't see just where we're  
goin'  
All the secrets in the universe  
Whisper in our ears and all the  
years will come and go  
And take us up always up  
We may never pass this way again.

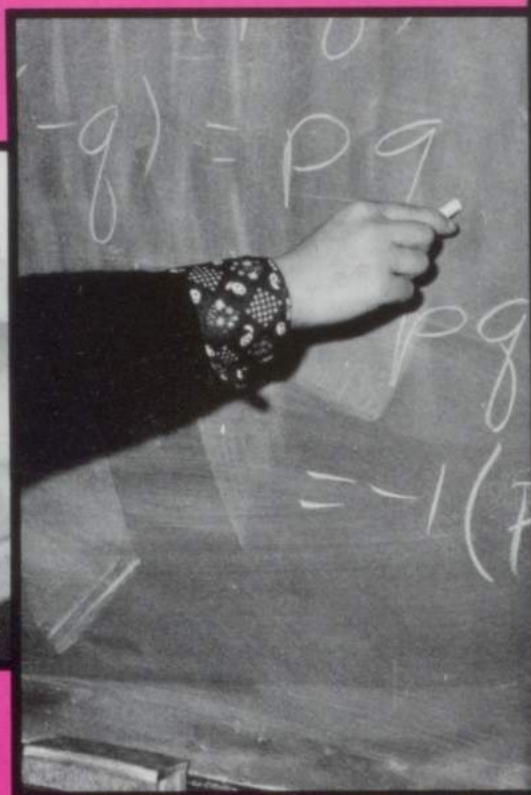

And all the years will come and go . . .

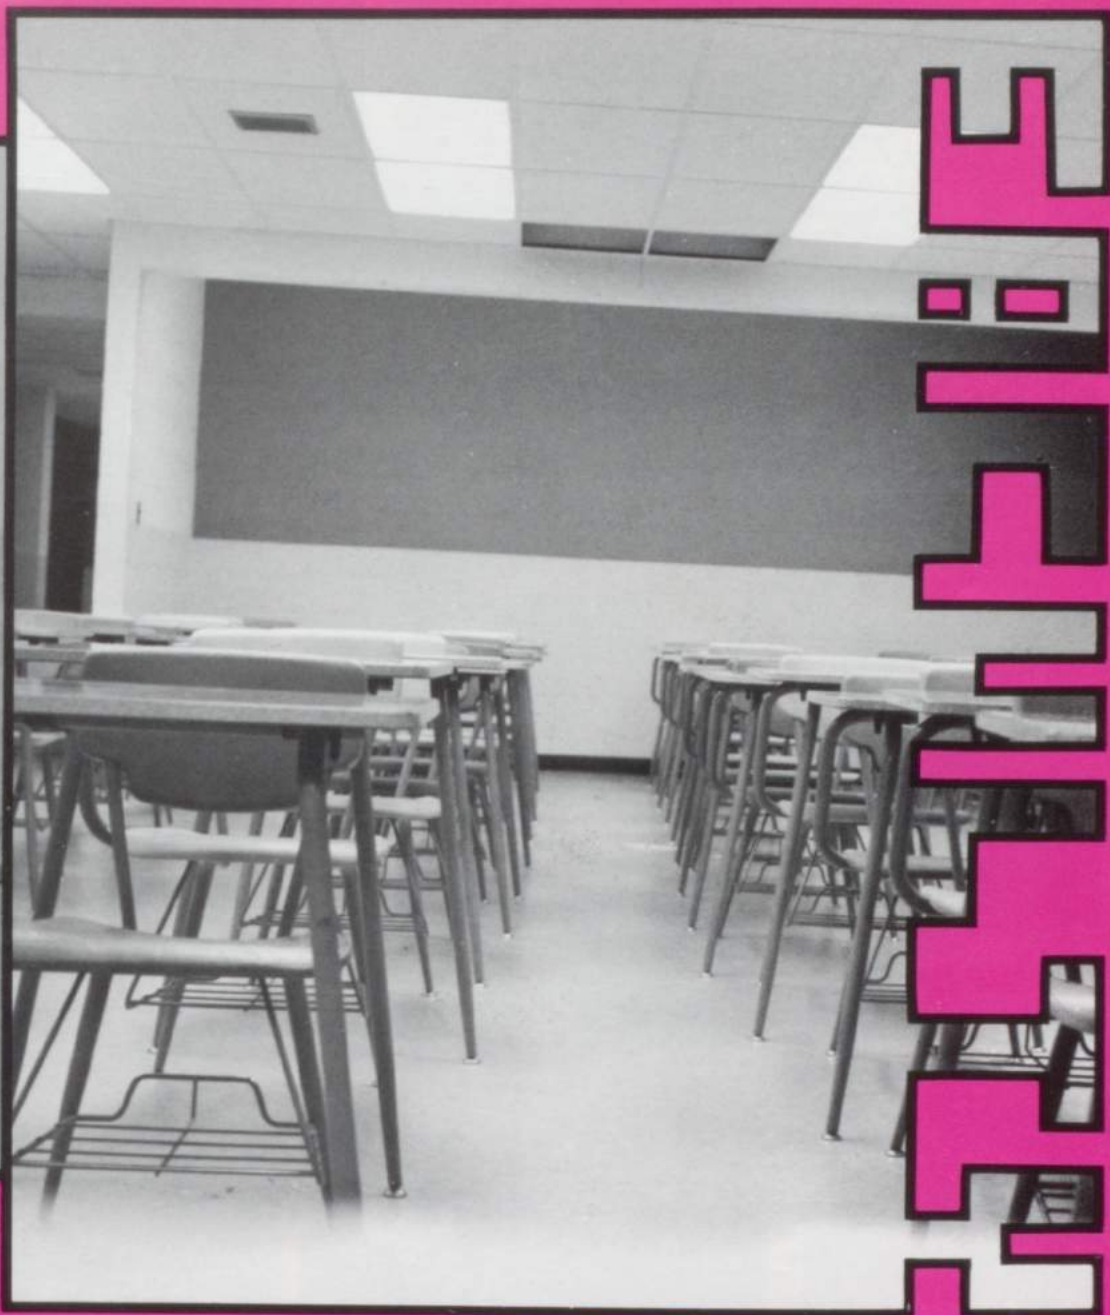

Friends are like pieces of paper;  
the more you value them  
the more worth while they are.  
Burn them and they disappear--  
use them and they become  
worn and fly away,  
Save and keep them  
and you're the richer,  
Stab them and they never heal,  
Throw them away and they never  
return

The Vestal pre-game ceremony congratulated the Seniors on the football team, the cheerleading squad and the band.

The last 6 points were added to the 47-6 smear over M. E.

Bob Veruto's last touchdown of the season which broke Vestal's 25 game winning streak.

This season really started in the minds and hearts of every underclassman and the coaches a long time ago--to be more specific, it began immediately after the last whistle had blown, ending the U-E vs Vestal Game in 1973, which brought the curtain down on a most frustrating season for the Tigers, in which we won only 3 games, and lost 6. When the coaches began holding their staff meetings in the summer, their major concern, naturally, was lack of experience, especially on offense, with only 2 starters returning, and lack of size.

Almost everyone around here had "written U-E off" before the season began. However, what they could not have possibly known was one thing of which the Coach was certain: you can't keep a whipped TIGER down for long. Under the steady force, the constant exhortations, the leadership of Coach Fran Angeline and Captain Bob Veruto, it was obvious, after just a few weeks of pre-season practice beneath a hot August and early September sun, that the fine parts of an awesome machine were meshing. In fact, after just three weeks of practice, Coach Angeline made this observation: "I'd say that at this stage we are very pleased with the progress. We have more experience on defense and the offense has been coming right along. We may surprise a few people and return to power."

On Saturday night, September 21, our TIGERS proved that "they were back", by coming from behind to beat an Ithaca Team 27-7, an Ithaca Team which boasted approximately 95% of their players returning from their 1973 Team which had beaten us. This was our first win over Ithaca in 8 years. The 2 most important ingredients in a WINNER were really fortified on that evening--POISE and CONFIDENCE, and it looked as if big things were going to happen. The rest is history. The progress of this relatively "green" team was almost phenomenal, not only from day to day, but week to week.

We were picked as underdogs against 4 teams, as the season progressed, and in these 4 games posted scores of: 27-7 (Ithaca), 47-22 (Johnson City), 50-6 (Homer), 8-8 (Vestal), while averaging almost 40 points per game to finish an UNDEFEATED SEASON and SHARING the CHAMPIONSHIP with VESTAL, in a finale, which was reportedly viewed by almost 100,000 fans (both live and on TV), and which will probably go down in history as the greatest high school game ever witnessed in these parts. This was Coach Angeline's second Undefeated Season, and fourth championship.

Of these young men, especially the 19 SENIORS on the squad, Coach Angeline has summed it all up by saying: "No group of young men, along with their coach, has ever been through so many frustrations, trials, and tribulations, as this 1974 group. No group of young men has ever had such a lack of size and experience. No group of young men has ever given so much themselves, has ever worked or played any harder, has ever been more courageous, more dedicated, than this group. They have believed in themselves and their coach, whereas others began doubting last year. They have smashed every existing U-E and several LEAGUE records in history . . . but the most important RECORD they have broken, the INTANGIBLE ONE that will not show in the books, is . . . their PRIDE! We have never been more PROUD of a group than of these FINE YOUNG MEN."

The U.E. J.V. Football team was undefeated in league play in 1974 winning the STAC championship. They lost one non league game to Johnson City, a team they defeated in regular league play. The little tigers shut out five of their opponents and scored 216 points in their 9 games.

The offense was led by sophomore Jerry Paradis who averaged just over 100 yds. per game. The defense was anchored by freshman Mike Cannivino at linebacker and sophomore Mark Mikucki our ace defensive back.

The very successful season was the result of a very fine team effort. In J.V. Football it was really the "Year of the Tiger".

# Spirit and effort carried Girls' Tennis through.

The team is very young, having lost only two starters this year. It is expected that they will improve vastly as they did this season. Even though their win-loss record is low, they still managed to finish seventh in the league and improved over last year's record.

The wrestling team this year kept its undefeated streak alive. The team had a record of 13/0 and won both the S. T. A. C. championship and Section Four Class AA tournament. The reason behind this was due mostly to the closeness of the team this year. They acted and responded as a team during the wrestling matches and after each event. Close teamanship and, of course, great wrestling by our team were the major reasons for our outstanding record this year. --Mark Palombo

# Marching Band

The 1974-75 school year was a busy and eventful period for the Union-Endicott Bands. The Marching Band started the season off with their fourth consecutive N.F.L. half-time appearance at Buffalo. On a beautiful sunny afternoon in early October, the first "Marching Bandorama" was held in Ty Cobb Stadium before an enthusiastic shirt-sleeve crowd of four thousand. Following the football season, the Showband led the 1974 Endicott Christmas parade, being observed by an estimated five thousand spectators. After a number of successful Fall paper drives and the Thanksgiving fruit sale, the Marching Band gave their first Highlights Concert in the auditorium. The marching band season ended with the Showband's appearance before seven hundred thousand spectators in Miami, Florida as a part of the 1975 Orange Bowl parade. An estimated thirty million people saw the "Tigers Pride" on national television. Early in March, the Stage Band performed in their first competition held in Auburn, New York. Later that month, all three bands performed in concert before a capacity audience in the U-E gym. The Union-Endicott Bands hosted the Dover Delaware High School Band in March with the Dover Band returning the invitation in late April. The U-E Bands combined for their annual Concert-in-the-Park held at Glendale Park with the Concert Band performing for the annual Honors Assembly a few weeks later. A Select Band performing for the annual Honors Assembly a few weeks later. A Select Band helped to end the school year with a pre-Commencement featuring senior soloists.

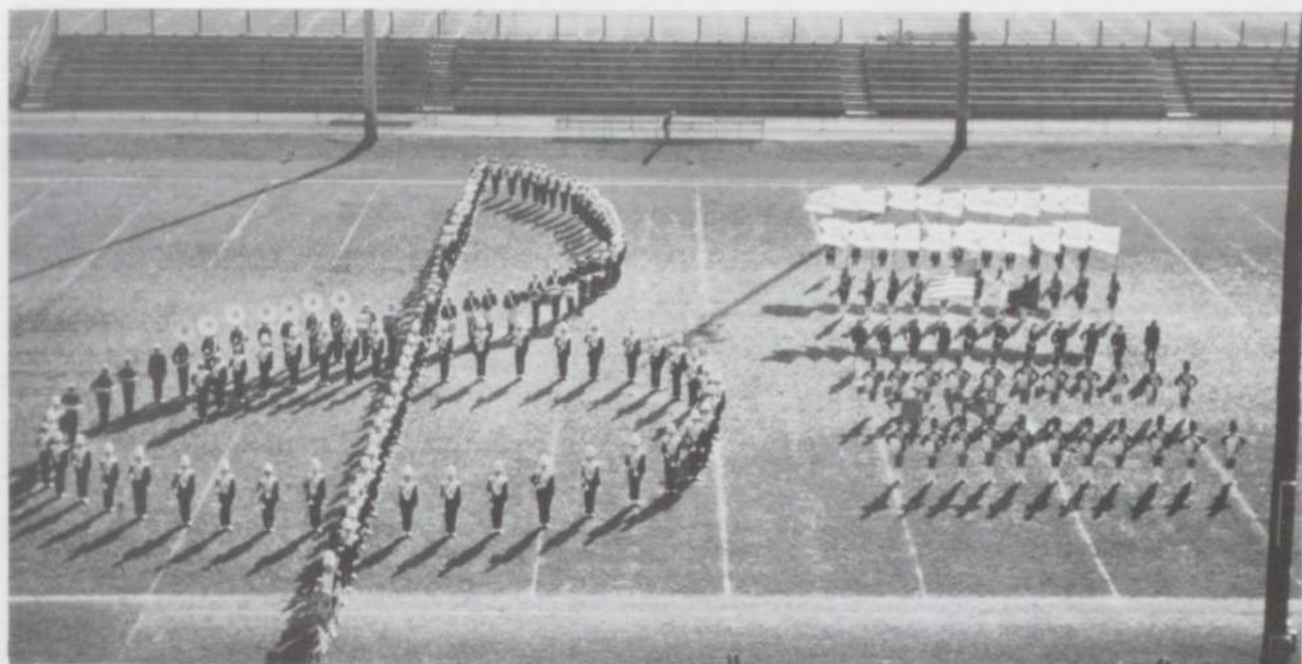

Mr. Vergona, Mr. Scagnoli, Band Director, and Mr. Slecta, Asst. Band Director attempt to restore one of Florida's natural wonders with little help from Mr. Wilson.

The marching Band leaves the field after Pre-game.

Drum Majors, Lori Briggs and Rick Naramore provided Mr. Scagnoli with invaluable assistance during Marching Band Season.

The Tiger's Pride Showband march in the festive Orange Bowl Parade in Miami, Florida.

A highlight of the Tiger Showband is the Tigerettes, marching in the Washington Avenue Parade.

# Chess Club

John Schattuck is astounded by his opponent's cunning move.

Bev Hasch, Rick Bargar, Kris Kropat, Joe Jones, and Carl Haycook plan their strategy for the next chess match.

This year the U-E Chess Club participated in five competitive matches with schools in the western division of the Southern Tier Scholastic Chess League. Information concerning chess activities in the greater Binghamton community such as U.S. Chess Federation tournaments was also disseminated through the League. When not participating in regular matches, members practiced various aspects of their game; novices learning primarily through active participation with more experienced members, some of whom possess USCF ratings.

FIRST ROW--Joe Jones (Pres. ), Carl Haycook, Rick Bargar, Scott Ross, Bev Hasch (Vice Pres. ). SECOND ROW--John Schattuck, Chris Kropat, Mr. Johnson (Advisor).

One of the offerings of the Business Education Department is the Co-operative Office Skills Program. There were 25 UEHS seniors working half days at either IBM or the Broome County Nursing Home this year. Students had to be enrolled in either Shorthand 2, Office practice 2, or Accounting 2 to be eligible for the program. Co-ops gained valuable experience, earned one credit for working and earned hundreds of dollars, half of which had to be banked so that the students could learn money management.

In its third year now, the IBM Work Experience Program affords selected U-E senior boys the opportunity of learning about the world of work as co-op employees of this large corporation. Every spring, applications for this program are accepted and candidates are selected on the basis of their high school academic performance and their letters of recommendation. Boys selected to represent our school are then sent to IBM for interviews--after which the final selection is made. This year we have ten boys in the program. They work half days and attend classes here the remaining half. Their experiences through the year, they will admit, are varied and quite rewarding.

# History Seminar

Kathy Roma, president of History Seminar, informs interested members of upcoming activities.

A very successful year was shared by the 140 members of History Seminar due to capable advisors, Mr. Archer and Mr. Carpenter.

This year's History Seminar-History Club focused its activities on a spring trip to Virginia. The four-day trip had as its main destination the Williamsburg area, including the restored colonial village and the historical Busch Gardens. A brief stop-over at Virginia Beach provided many students with their first view of the Atlantic Ocean. To help defray the estimated \$8,000 cost, the club's one hundred members have had various fund-raising activities including bake sales, candy sales, T-shirt sales, a dance, and a car wash.

# Key Club

Mr. Cardone discusses important matters with members of the Key Club.

During the past year, the U.E. Key Club has been most active in community and school affairs. Its hard-working members accomplished many goals which were beneficial as well as fun. At the end of the last school year, the club co-sponsored an extremely successful Chicken Bar-B-Que at Glendale Park. By their hard-working efforts, the Key Clubbers sold almost 900 chicken dinners, and raised an adequate sum for a worthy cause. This season's undefeated football team also had a great football program which included color pictures, records, and statistics. This 22-30 page program was given statewide recognition. Many club members put in invaluable time working on and selling the programs. Along with this, Key Clubbers also sold 1,000 Tiger Pennants. As a result of these fund-raising efforts, the Key Club had their second annual Awards Dinner at King Arthur's Restaurant in mid-December. Also at Christmas, the club delivered \$100 worth of turkeys to needy families. Many active Key Clubbers have also done some volunteer work at Arena 74, Arena 75, and the Louis Picciano Boy's Club. Recent fund raising which included a dance and car wash, helped to send approximately 20 members to a statewide Key Club Convention. Key Clubbers also chaperoned for the prom, as well as many other school functions and community activities.

The candidates for membership are carefully selected based on their academic achievement, service to the community, leadership in activities, and good character.

A primary function of the National Honor Society is to be of service to the school, to fellow students, and to the community. This past year, many worthwhile projects were undertaken by its members. Some of these endeavors included tutoring students in the Union-Endicott district, assisting with instruction in the special education classes, and aiding counselors in the arduous task of spring and fall scheduling for the entire high school body. Several individual members visited nursing homes in the community in order to share some of their time with the elderly.

The Flying Club is a loosely structured group of students interested in the various aspects of flying.

Most work involves the understanding of navigation, weather phenomena affecting flying, the instrumentation of an airplane and the rules and regulation for the Federal Aviation Administrations Examination, which is necessary for a pilot's license.

Experience is given in both flying a plane and in recognizing the various roles at a typical airport. This is achieved by visiting a control tower and radar vectoring room.

The student Government also participated in the Broome County Youth Council on Smoking and Health. A group of students attended meetings at the Trinity House in Binghamton and also an all day workshop which was held at the Johnson City High School.

# Art Seminar

Dick Miner is content with the progress of his painting.

Mike Daily concentrates on the structure of his drawing.

Art Seminar provided students with a variety of activities beyond class requirements. An occasional evening would find the studios with students working on various projects; at times an evening was spent with a model posing for life drawing, or there could have been a demonstration by a potter, painter, or photographer. An activity of the illustration students was a painting of a mural on the library wall at the George F. Johnson elementary school.

Finally, when spring arrived several carloads of parents and students headed for the coast of Maine for four days of sketching the rocky coastline, the fishing boats, lobster pots, light houses, walking on the beach and eating lobster.

In short, Art Seminar was meant to leave students with pleasant experiences and memories.

The scenic Baldhead Cliff visited annually by the Art Seminar is noted for being ninety feet high.

Fisherman Cove in Ogunquit, Maine is also visited annually by the Art Seminar.

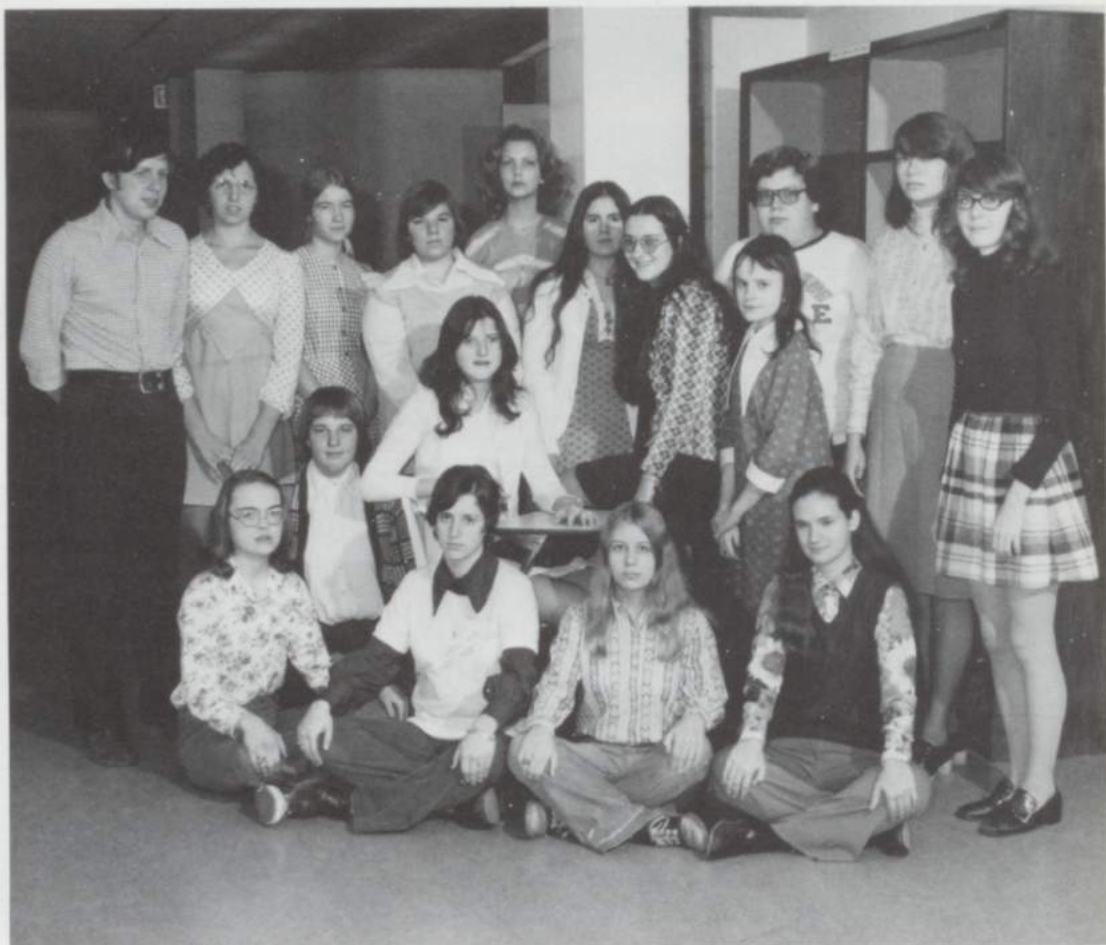

# Biology-Ecology Club

Dave Tripp was a sincere and dedicated member of this year's Student's for Environmental Action.

Members of the Biology-Ecology Club discuss ways to help preserve the beauty of the environment.

The U.E.H.S. Students for Environmental Action (SEA) had as its main objective to keep alive the feeling of ecological awareness which has dwindled rapidly in the past few years. The club expanded its activities to include outdoor field trips and hikes culminating in a field trip to Cape Hatteras, North Carolina. Fund raising activities included bake sales, pizza sales, car washes, and a St. Patrick's Day dance. Paper drives were also a source of funds for the club.

The U.E.H.S. chapter of Future Homemakers of America (FHA) was part of a national organization of high school students interested in Home Economics. Our chapter accomplished many things during our first year. We attended a District meeting, prepared the float to represent U-E in the Christmas parade, helped a needy family with toys and clothes at Christmas, sold stationery, tooled leather belts, sponsored a trip to Peddler's Village, served as high school guides, made Christmas ornaments, and much more. Our interests centered around improving our personal, family, school, and community relationships in any way we could.

# The Yearbook Staff

The 1975 THESAURUS staff started their work in the spring of 1974. Actually, two members started preparing for their roles during the summer of 1973--Joni Sloma, Editor-in-Chief and Gina Nicholas, Assistant Copy Editor, attended a conference on yearbooking in Rochester. Much planning went into the preparation of each individual part of the THESAURUS by Joni and her advisors, Mrs. Ann Lewis and Mr. Joseph Rose. Senior pictures were taken during the summer; underclassmen pictures, sport pictures, activity pictures, and candid pictures were taken during the school year. Then the task of sifting through piles of pictures for the best ones began. Putting captions under the pictures took the imagination and skill of Joni Sloma, Gina Nicholas, and Barb Strollo. Barb Machalek, Jennifer Battle, Ralph Signorelli, and Debbie Powell spent hours counting money, checking off pictures, and posting payments to students' accounts.

It has been estimated that our yearbook takes 3,200 staff hours to produce but many members agree that it takes much more. The majority of this work falls on the shoulders of the Editor-in-Chief, the Treasurer, and the student photographers. The current yearbook has a budget of approximately \$8,000.

Yearbook advisor, Mrs. Lewis, and Photography advisor, Mr. Rose, contributed support, effort, and guidance to the entire yearbook staff.

Photographer, Ken Curatolo, carefully selects acceptable negatives to print for the yearbook.

Copy Editor, Barb Strollo, Editor, Joni Sloma, and staff member, Patty Brown, coordinate their efforts in preparing copy for the yearbook.

Treas.), Deborah Powell, Jodie Kotasek, Dana Chadwick, Patricia Brown, Pam Saikley, Doreen Hamarich, Maria Marzocca. FOURTH ROW--Barb Machalek (Treas.), Joni Sloma (Editor-in-chief), Mary Lynne Diorio, Emily Henry.

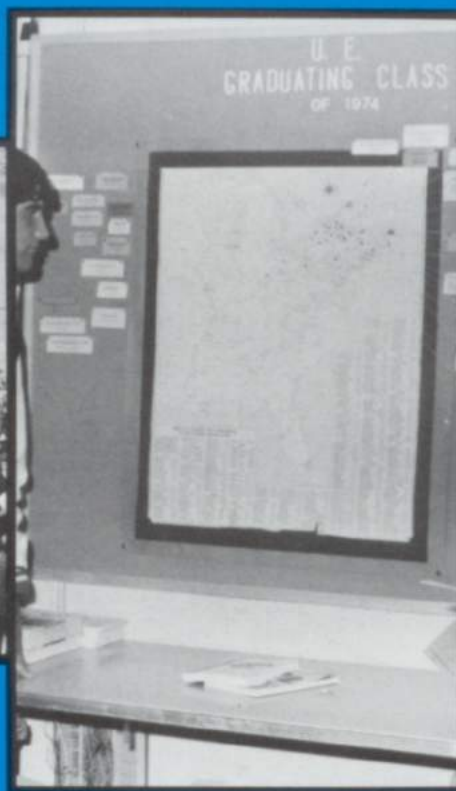

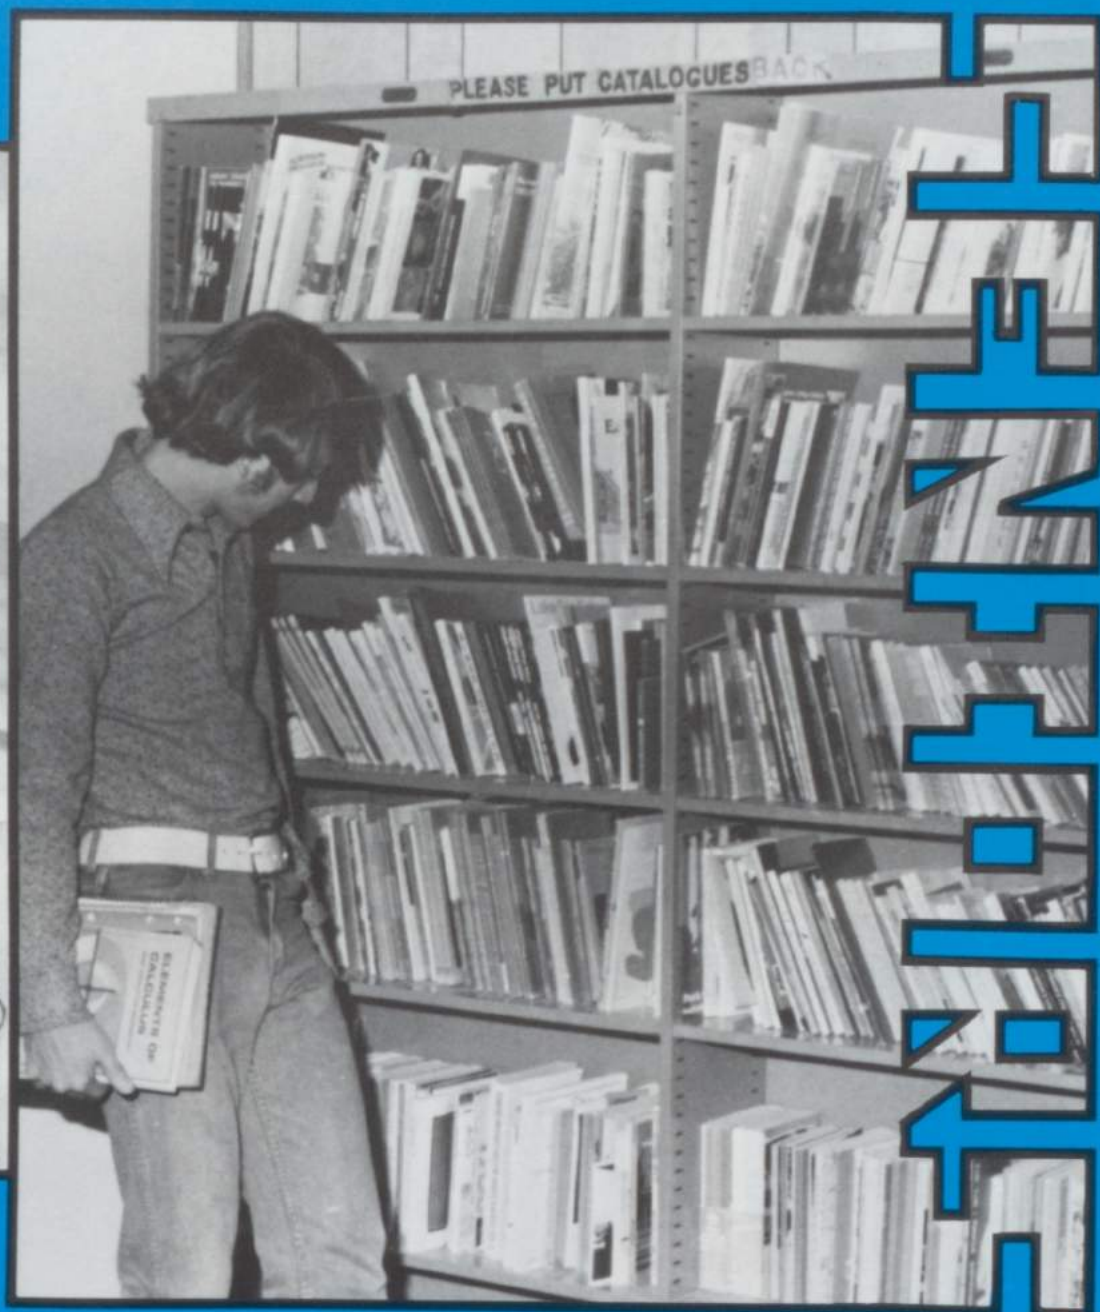

Emily Henry, a member of the layout staff organizes the Senior section.

Coordinating copy and layouts is one of the primary tasks of yearbook staff workers, Sue Sterling and Kim Jones.

As the school year closes, we, the Senior Class of 1975, reflect upon the various goals which we have pursued throughout our high school years. Both individually and collectively, we have sought to improve ourselves in the various fields which have helped to make us a functional part of society. Athletics, academics, clubs, and various other activities were an integral part of this preparation.

Despite the confusion of the building process which forced us to be separated in our Junior year, we were once again united in this our Senior year--the most significant of all.

And now we must go forth into society, realizing fully well that our past endeavors will serve as guidelines for the future experiences which we will encounter on the uncertain horizons before us . . .

As the end of the 1974-75 school year approached, I began to realize that as seniors we were getting closer and closer to the last time we'd ever be a true part of U-E High School. To most students, the academics wouldn't be missed, but our class, the club meetings, pep rallies, and sports activities will hold a special place in our memories. We can save all of the programs, newsclippings, and momentos that we've collected throughout our three years here, but we must accept that we can never relive our experiences at U-E and "we may never pass this way again". --Editor, Joni Sloma

We May Never Pass This Way Again . . .

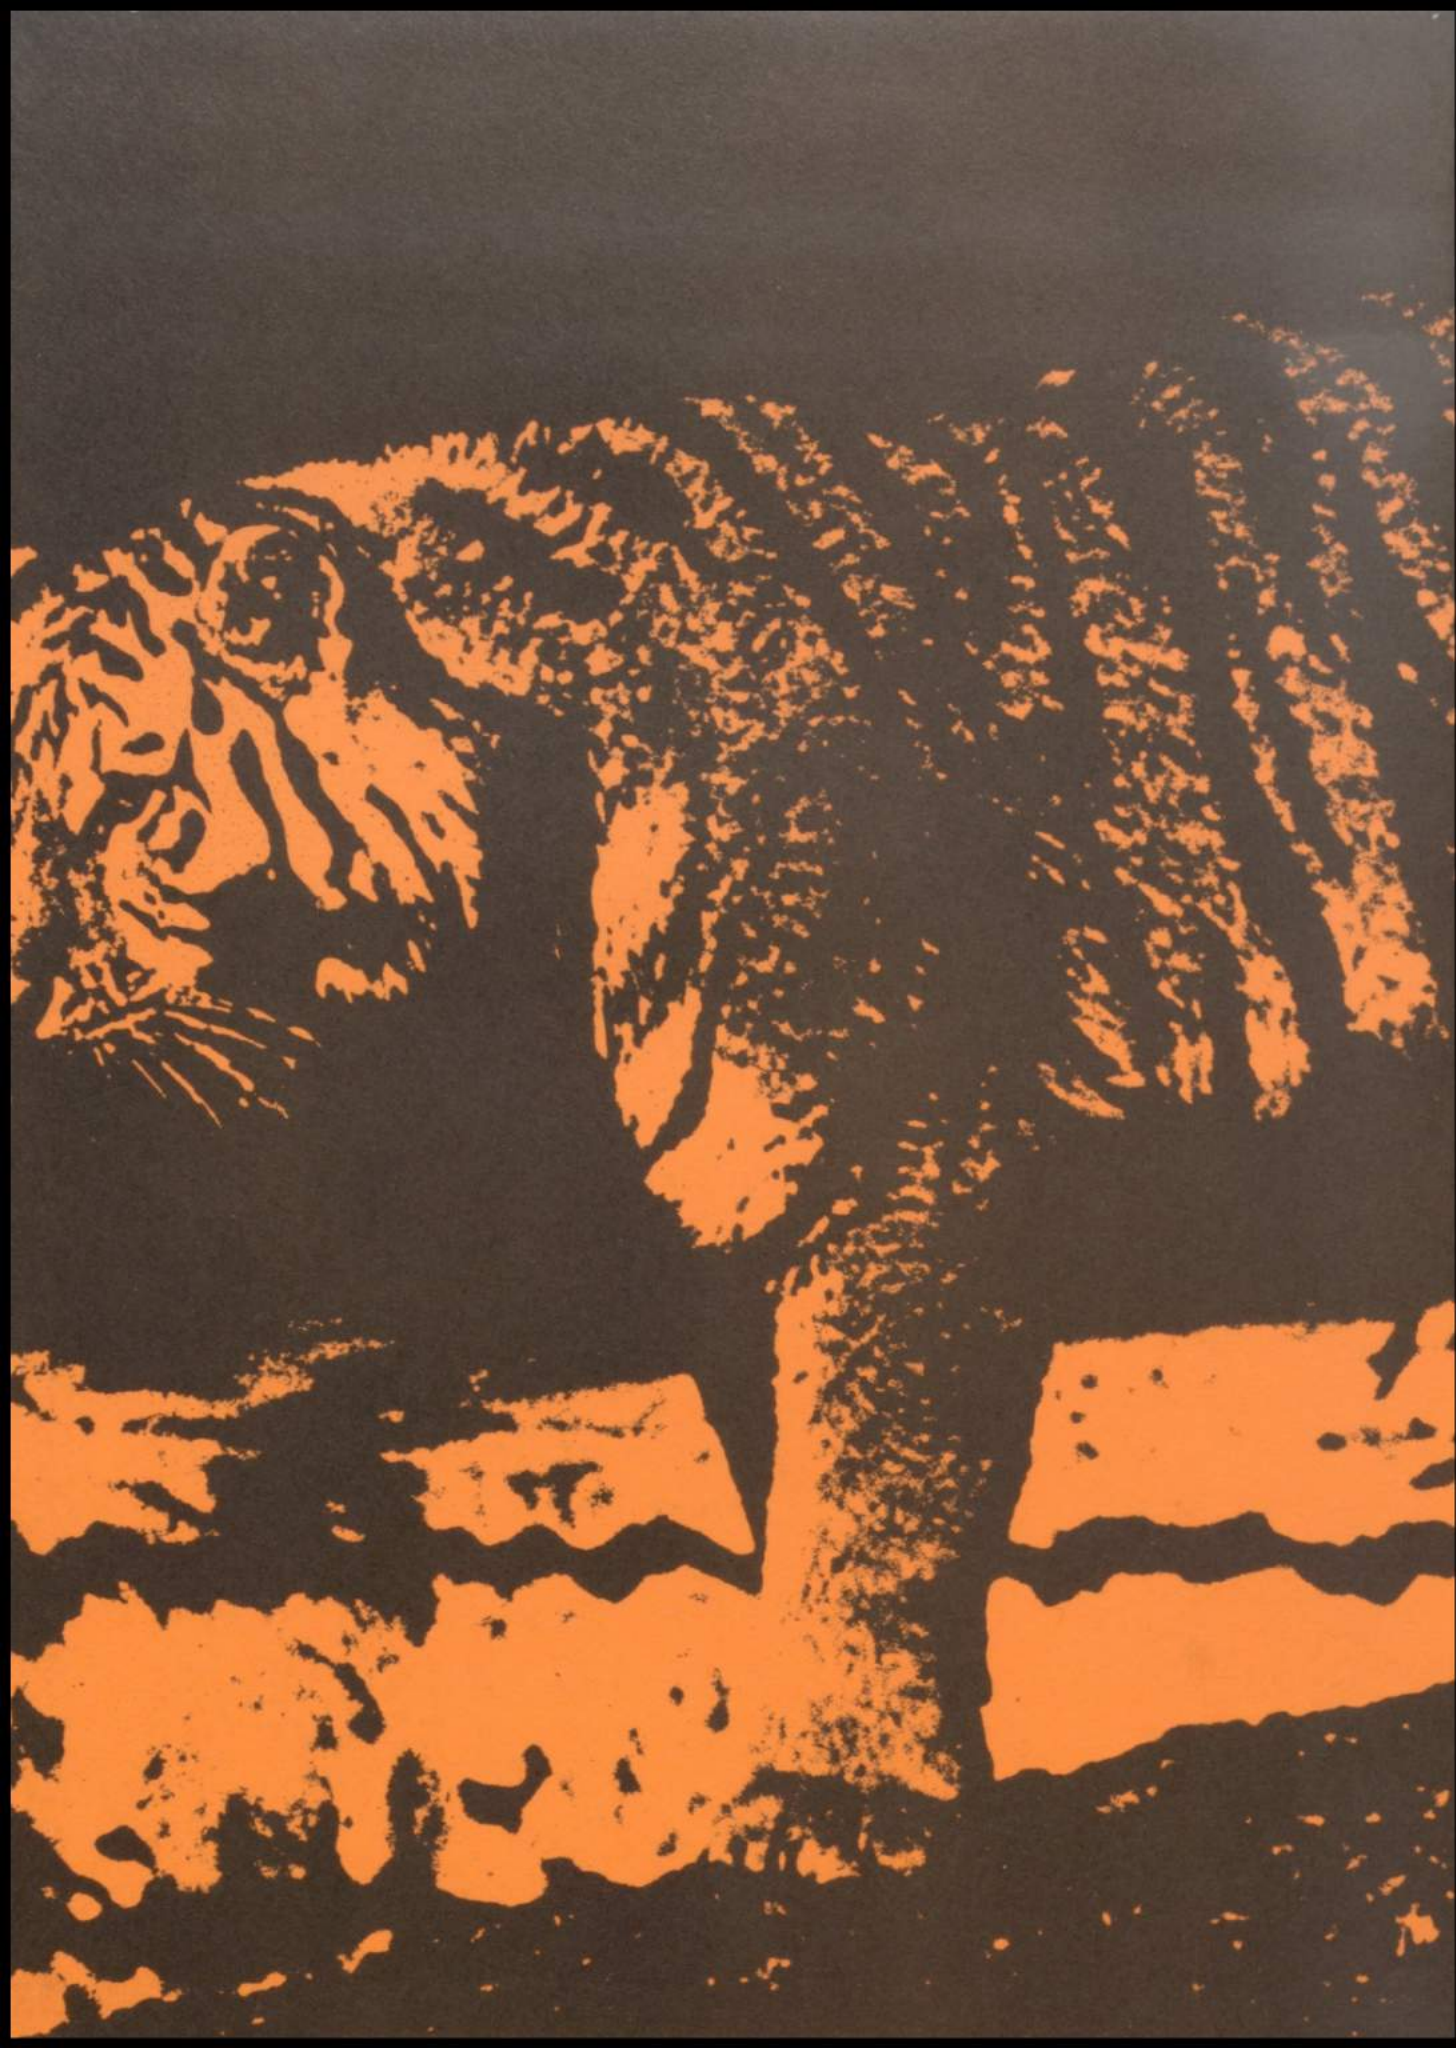

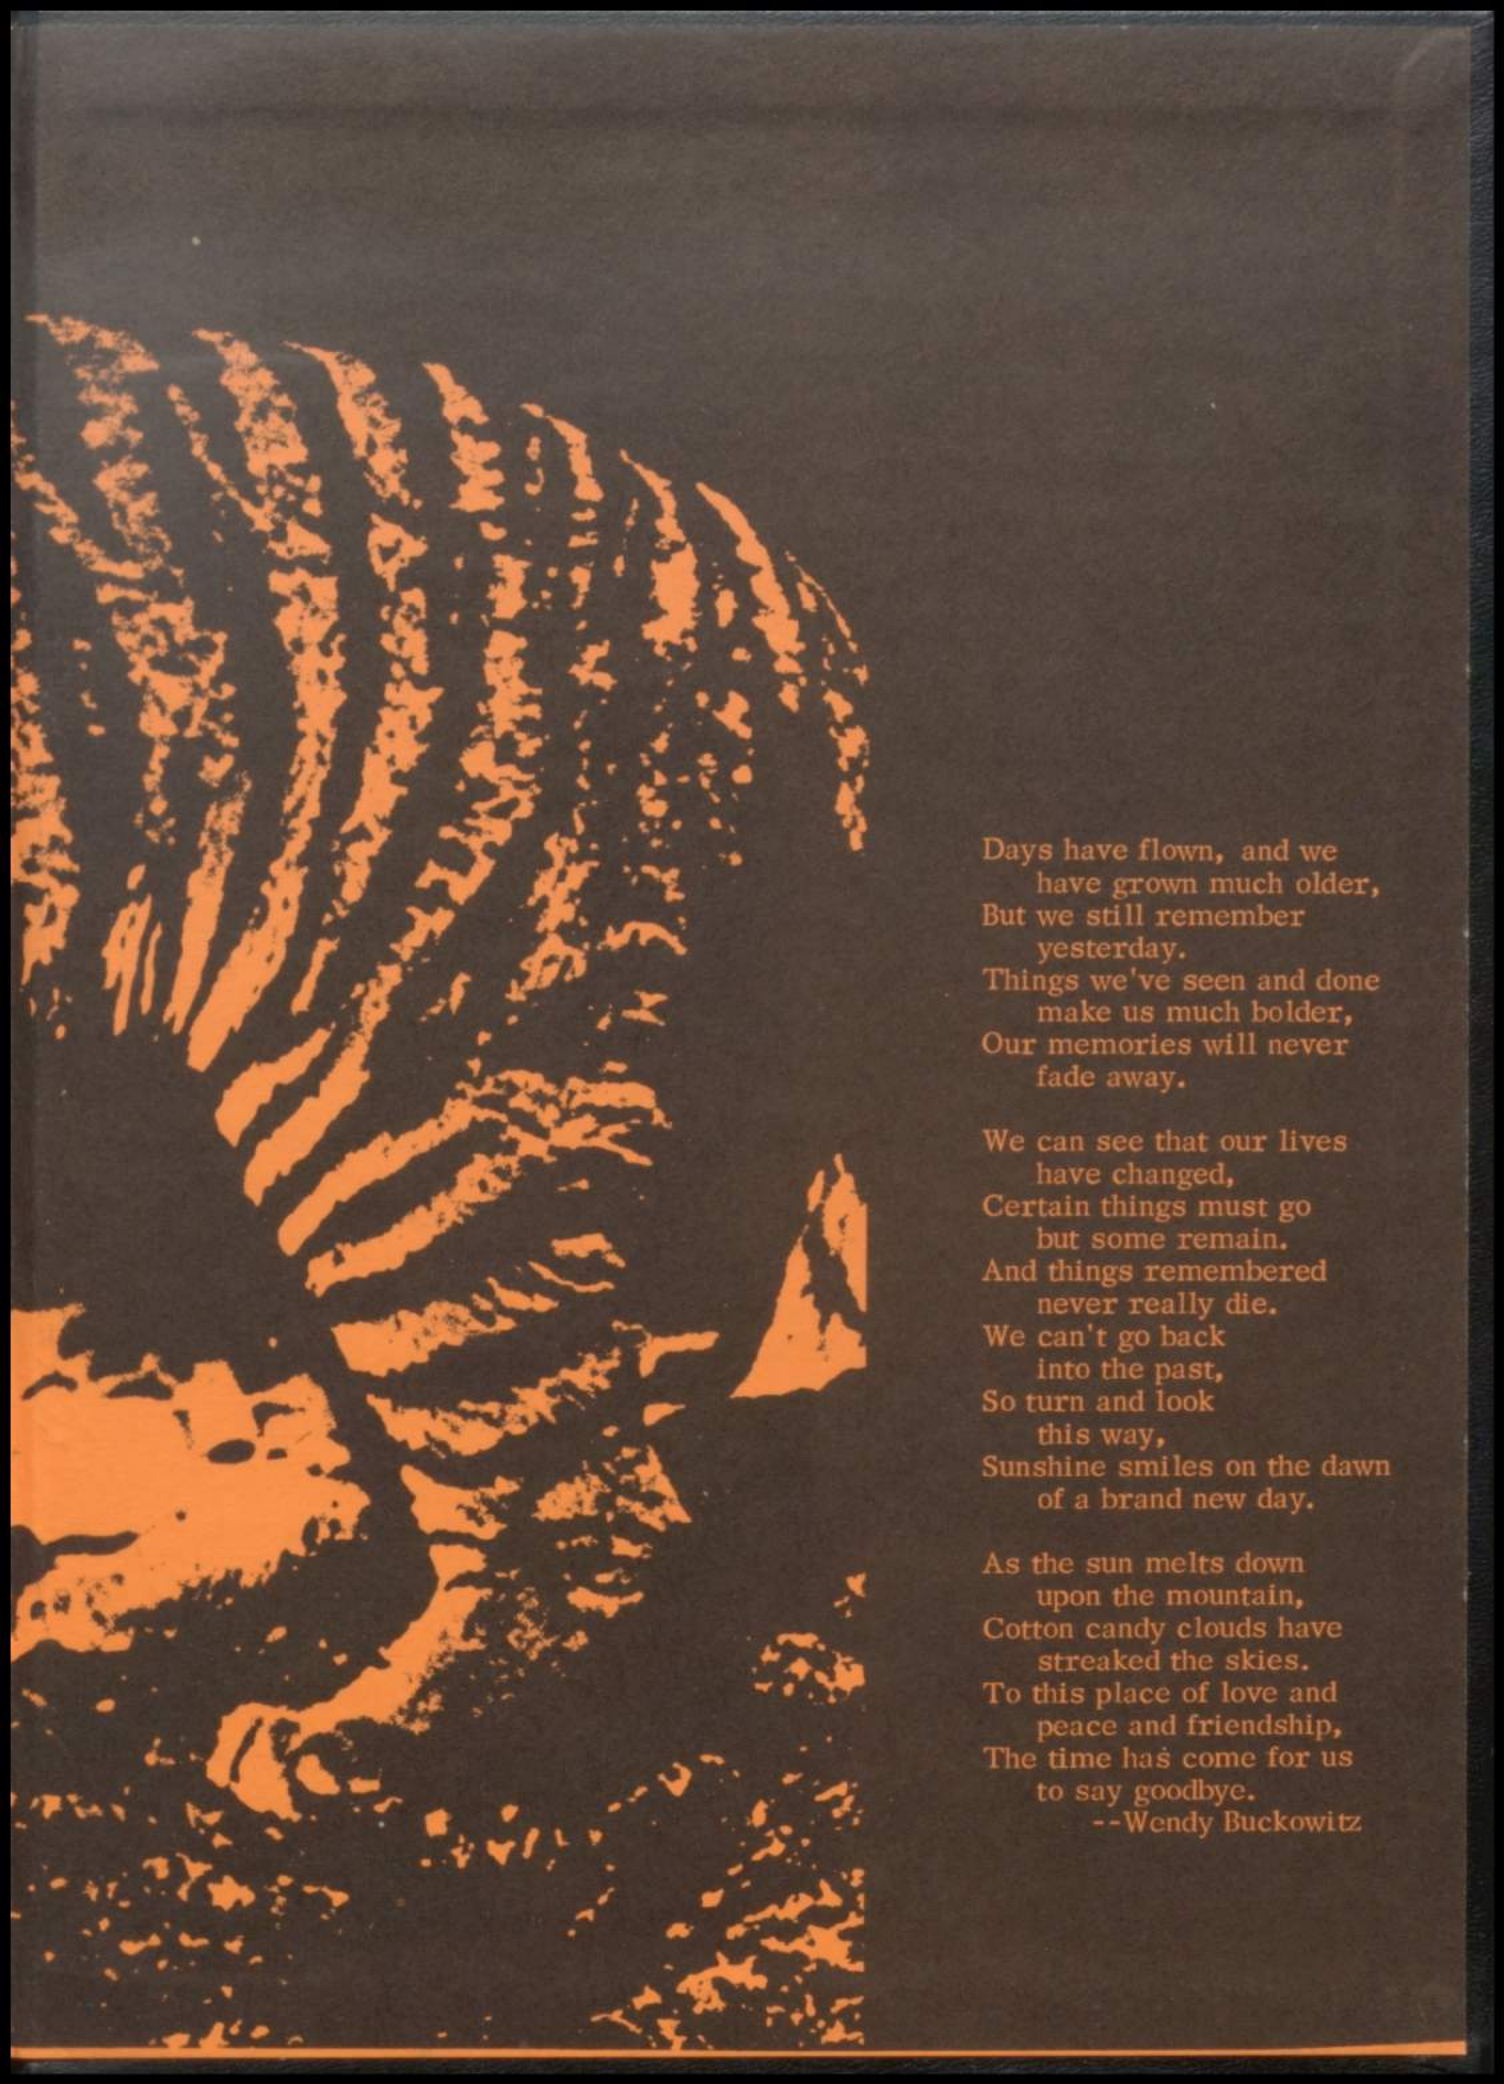

Days have flown, and we  
have grown much older,  
But we still remember  
yesterday.

Things we've seen and done  
make us much bolder,  
Our memories will never  
fade away.

We can see that our lives  
have changed,  
Certain things must go  
but some remain.  
And things remembered  
never really die.  
We can't go back  
into the past,  
So turn and look  
this way,  
Sunshine smiles on the dawn  
of a brand new day.

As the sun melts down  
upon the mountain,  
Cotton candy clouds have  
streaked the skies.  
To this place of love and  
peace and friendship,  
The time has come for us  
to say goodbye.
