Everything has its time, or so it's said. There's a time to laugh and celebrate life, and there's a time to stop and reflect on the mistakes we have made in the past. There's time to sit with friends and talk about the "good times," and there's time to be alone and think about the future. High School has its time in our life too. We all pass through its four year duration, trying to make the best out of the time we have together here at U.E.

As Freshmen, we experienced a time of anxiety, a time of getting familiar with the new bigger school, and a time of learning to handle the busting about being a ninth grader. We made new friends, joined clubs and sport teams, and began learning the ropes of how to survive four years of high school.

During our Sophomore year, we began to fall in line with the upperclassmen. We felt more comfortable with the high school, and more importantly, we took on a new position of superiority with the new freshmen filling in our old shoes.

Junior year was a time of great pressure. It was a year filled with standardized tests, harder courses, and the realization that we better get working if we want to graduate next year. It did have its benefits, though. As a Junior, you were finally an upperclassman, a standing that brings many privileges here at U.E.

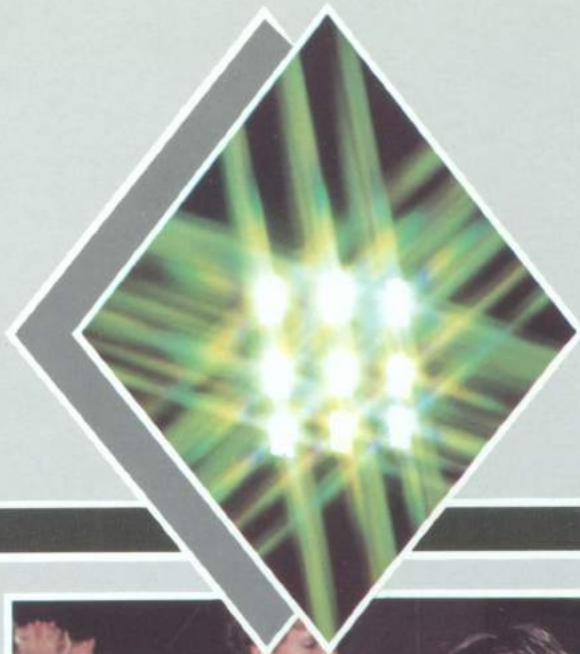

Finally, you become a Senior, the best position to be in. Senior year, "the year of study halls," brings forth a time of much freedom. At this point, you are both reflecting upon three years of fond memories at U.E. and looking forward into the future years with anticipation. You participate in the many special Senior Activities: the class trip, the banquet, and the prom. You have successfully made it through four years of high school and are ready to graduate into the real world. Though there is some sadness and anxiety, there are so many reasons to celebrate, because Seniors, this is our time!

JOHN LENZO

As our Senior year draws to a close, the Class of 1988 would like to thank the faculty, staff, our parents and everyone else involved in making our high school days what they were. Best of luck to the future seniors and all of their endeavors. Always remember as we close out the year: You never fail until you stop trying. Best wishes to you all!

— Terry McGuinness

Over the past four years the Class of '88 has held many fund raisers to raise money for our senior activities. We have sold photo buttons, hotdogs, and seat cushions. We have sponsored dances such as the "Snow Ball," and sold magazine subscriptions. The money raised is used to help pay for the prom and the senior banquet.

John Lenzo — To have a huge mansion in Beverly Hills, California, star in my own television series, be universally famous, and buy out Rodeo Drive and change its name to Lenzo Lane.

Terry McGuinness — To win LOTTO, live off my winnings and sit back and relax in a nice house along a quiet lake, with a nice dog, married to Jean's sister, and have a swimming pool filled with lime jello, and have the Beatles play reunion concert in my backyard.

Julie Joseph — To make more money than Dave R. and to go head-to-head with him in court and win the case!

Kelley Greco — To marry a certain football coach (ask Bidwell).

Becky Bidwell — To join Kelley Greco and hopefully wear Chris's pin "I date your Husband."

Theresa Martini — To live the life of my buddy Carolyn for one night.

Tracy Guilfoyle — To marry Charlie Sheen, travel the world, settle in California (Beverly Hills), and have an affair with Tom Cruise. Then go to college and pursue a career in computer science.

Karen Nezelek — To be adopted by the Cosbys.

Amanda Sullivan — To free the eastern satellite countries, abolish apartheid, liberate all political prisoners, and live happily ever after.

Joy Marean — To buy the "Toys for Joy" chain, travel the world, and be able to speak every imaginable foreign language, make millions from my international newspaper, and most importantly, to be happy.

Dawn Cilley — To own a chain of hotels, become one of the wealthiest people in America, and never ever do another yearbook layout.

Sheri Pickering — To win a 100 million dollars sweepstakes, move to Switzerland, buy a ski lodge, and marry a ski instructor.

Class of '90

This year's class officers were:

President — Terri Hashem
Vice-President — Korey Zarzynski
Secretary — Shelley Muro
Treasurer — Stacy Fye

This year's sophomore class was occupied by fund-raising activities and obtaining their class rings. The 2nd annual Data Match, which was held near Valentine's Day, earned us a profitable sum of money. Our class advisor, Mr. Clayton, is greatly appreciated for having the patience to advise us. The Class of '90 became closer this year and we are to become more unified in the years to come.

Yearbook Staff

This year we had one of the largest staffs since about two years ago. Usually, people show up at the beginning but not when there is work to be done. We were only a little late on deadlines, but we got it done. We even kept our sanity (sort of). I'd just like to thank all of the people who helped get this yearbook together. Without your help, we could never have done it. Thanks, and good luck next year.

Editor-in-chief
Dawn Cilley

P.S. Thank you Mrs. Lesko and Miss Hamill for all of your help. We couldn't have done it without you.

Tigereye

The TIGEREYE school newspaper had a successful and productive year. The newspaper itself expanded to sixteen pages, the largest size ever for an edition of the TIGEREYE. Many students contributed articles for the paper; this made the newspaper encompass a wide variety of articles about students' interests. Five issues, each having a special quality, were published during the 1987-1988 school year.

As editor-in-chief, I would like to personally thank all the students who contributed articles to the TIGEREYE. A big thank you goes to all the section editors, typers, photographers, and production staff for helping make each edition a success. And, much gratitude goes to Mr. Archer, our advisor, for providing guidance and support in the making of each issue. It was great working with you!!

The 1987-1988 school year has been very exciting and challenging for Student Government. Our elected representatives and alternates were very busy with such activities as: Air Band/Dance Contests, Pep Rallies, Homecoming ceremonies, school pride projects aimed at reducing vandalism, student exchanges, and school spirit raffles.

In addition to these many activities, student government also undertook some new and challenging projects. The long awaited comeback of the Bonfire was extremely successful. The first floor cafeteria was repainted with school colors. A beautiful tiger highlighted the theme of school pride, and plans for a Battle of the Bands, where student musicians compete to win prizes, added enthusiasm for school pride.

Throughout the entire year, student government has worked hard on improving student staff relationships and preserving student rights. Student government can be a powerful voice at U-E as long as students continue to voice their opinions and get involved in improving our school.

— Julie Kuhns

Student Government is one of the largest clubs at U-E, with approximately 120 members. Officers for school year 1987-1988 are:

S A D D

SADD is a volunteer group working to put an end to drunk driving. Its objective is to make its cause publicly known through posters, cards, and other projects. Our main project this year was selling "bandits." These are colorful bracelets used to signify who was aware of the drunk driving problem and who is willing to fight it.

Hopefully, next year we will be able to carry out more projects encouraging students against drunk driving, but we can only do this with the support of the students and faculty, so please join us! Advisor: Miss Diane Fitch

The New York State Bar Association sponsors the Mock Trial Program. An imaginary court case is given to all the schools who wish to participate. Each school's team learns both sides of the case — the plaintiffs and the defendant's. At a competition, only half of a team, for example the defense, will compete against the plaintiff's side of the opposing team. Competition takes place in the Binghamton Court House in front of a real judge.

The case this year involves a public demonstration protesting the county jail's conditions. Spectators gathered at the site and began to throw debris and shout threats at the demonstrators. A police lieutenant asked the leader of the demonstration to lead her people out of the area. She refused and was arrested along with her followers. The question is who was right, the leader of the protest or the police lieutenant?

COOPERATIVE OFFICE SKILLS PROGRAM —

This program has the advantage of coordinating theory and practice for the benefit of the student, school, and employer. It is a plan whereby business students may receive Regents credit for actual work experience in approved jobs that are related to a course in which they are enrolled. Students who maintain satisfactory grades and earn a satisfactory job performance rating by their employer and supervising teacher may receive credit. One half unit is earned for working each 150 hours up to a maximum of two credits per year for 600 or more hours. The group meets periodically with the advisor, Mr. Bill Dupkanick, in school. Once, near the beginning of each school year, the co-ops and their parents/guardians meet with business teachers and school personnel to have an orientation meeting. Five different businesses participated during 1987-88 by providing employment for our business students.

Tiger Football

The Varsity football team, led by Captain Steve Hover, had a great season this year. They finished with an 8-1 record. Most of the games were exciting, come from behind victories, especially the Johnson City upset. Next year should be just as exciting with the starting quarterbacks returning.

This year's U-E Varsity soccer team, coached by Rick Materese, achieved a 16-5-2 record. After a slow start, the team reached the STAC Championship for the first time but came up short in an effort to beat the defending Golden Bears. U-E later avenged that loss by beating Vestal 2-1 for the Section IV title. This was the first time ever that U-E won the title. The team, headed by captains Adam Linko, John Moretin, Lee Shamp, and Mark Vaughn, reached the N.Y. State semi-finals before ending the winningest season U-E soccer has ever had. The team ended up ranked 20th in the state. We hope that next year's team can go one step further and capture the state title. Congratulations on an outstanding year!

Girls Soccer

This season was a unique one for the Girls Varsity Soccer Team. For the first time in our history, we had a male coach, Mr. Glenn Kehley. Tremendous coaching, combined with superior team talent, resulted in a 14-5 season. Four of our losses were to the second best girl's team in the state. In addition to our great record, we made it to STAC finals. After the finals, we went on to the Section IV title game. Kim Eynard (MVP) reset her goal scoring record with 44 goals this season, and Mary Samiani with 15 assists placed second in STAC. Superior returning talent has us looking forward to an even better season next year.

Varsity Football Cheerleaders

Varsity Football Cheerleaders —

Unlike last year's squad, the football cheerleaders had no guys this year - just fourteen girls. The Tiger, Emily Kacyvenski, was full of spirit and a great support for the girls.

This summer, the girls went to cheerleading camp at Pine Forest where many hours were spent coordinating cheers, jumps, and stunts. The hours spent practicing every day paid off for the girls. They placed second in a competition in Elmira against eleven other squads.

The cheerleaders raised money through bake sales, candy sales, and selling carnations. They ended their season by cheering at the Broome Developmental Center for the Special Olympics.

It was a great season for the cheerleaders, and the seniors would like to wish the best of luck to the juniors and thank them and Miss Putrino for a great year.

STAC Champs!

The U-E girls varsity tennis team has never enjoyed a more successful season than this one. Under the direction of coach Diane Coe, the Tigers finished with a 16-1 record; their only defeat was at the hands of Binghamton. U-E later defeated Binghamton again to claim its first STAC Title. Later, at the State Qualifiers, Laura Giordano and Sharon Metz just fell short of winning the finals. Consequently, Laura and Sharon participated in the state high school tournament in Syracuse. Our individual records were outstanding this year. Erika Adkins had an undefeated season while 1st doubles Cheri Hryck and Laura Giordano only suffered one loss. Our exhibition also added great depth to our team when they were called upon to fill in for injuries. This group of 15 girls has made this season one of the best U-E has ever seen.

This year's team played well considering the inexperience of most of the players. They started off the season a little shaky but pulled off a strong finish after getting used to playing with each other against other teams. The team will lose seniors Kim Brinsko, Rebekah Corbin, Nicole Egleston, Kellie Hackenson, and Sharon Metz. Next year's team should also do well since everybody gained experience this year.

Varsity Cheerleaders

As usual, we started our year by attending a four-day cheering camp at Pine Forest. It was a very rewarding experience. We came out with some good ideas for the coming year. Once the basketball season began we were kept extremely busy. We worked out two dances and a cheer dance. We cheered at the Broome Developmental Center in their annual basketball tournament. We would like to thank Miss Putrino for doing a great job and we wish the juniors the best of luck next year!

Air Band

The Winter Air Band was as full of surprises as it always is. Between the slam dancing and technical problems the evening was full of good bands. Road Pizza gave an exhibition of slam dancing and performed a song called "Caught in the Mosh" by Anthrax. On the opposite side of the spectrum Cheryl Muscio did a ballet dance to the Summer of '42. There were songs from Genesis performed by the Broken Hearts and a song by Rush performed by the winning band Exocet. There were also several blasts from the past with the groups The Fab Four and the second place winners The Extremes. There was also a special appearance made by Mrs. Silverstein and a mysterious admirer to the song "I Think We're Alone Now." All in all, it was an evening of good music and fun times.

You guys are unbelievably special to me,
and I'll never forget our fun. Here's to you
guys and the rest of the Class of '88!

You've shown me things within my-
self, that I've never known before.
When "evil-doers" tempted me, you
quickly shut the door. You've under-
stood my feelings, and through you I
have too. And you have stood behind
me, in all I wished to do. These things
have meant the world to me, but soon
our times will end. And you have been
what I needed most, for you have
been my friends!

I love you,

Pete, Jeff and John
I just wanted you to know you mean
everything and more to me. You made
my good times great and made my

been. I'll never forget all the good times
we've had, especially the orange peels,
spray painting the locker (Pete), locker
rumbles, the "things we threw over the
lockers," "good and you," Surf and Turf
power failure, Brother's 2, Jeff's bed-
room window at 12:00, the blow horn at
my party, the fire extinguisher, spin the
bottle, throwing empties at Pete, and
our hotel party. You guys are the great-
est friends anyone could have. I don't
even want to think of next year without

we will keep in touch. Most of all, in my

Rise and Shine, it's daylight in the swamp!
As your high school days are drawing to an end,
It's hard to imagine what's coming around the bend.
But we can all see how great you'll become,
Basing our judgments on what you've already done.
You're looking forward to college, both the work and the play,
And it's with love and best wishes that we're sending you away.
But there's one thing we hope you've thought out with great care,
You'll be leaving your sister with nothing to wear!
A word of advice before you roam,
Don't forget to come back home.
Love ya,
