TIGER (Felis tigris) — A large Asiatic carnivorous mammal of the cat family having a tawny coat striped with black.

The Siberian and Bengal tigers are among the most majestic of animals. They are symbols of strength, courage, and beauty. Their roar pounds the ears of the animal kingdom. Of all the tigers in the world, the roar of only one, the Union Endicott Tigers, can be heard in the Southern Tier. Gazing over the banks of the Susqhehanna, they will defend their den and challenge any creature of the wilderness. The Tigers pride themselves in academics, achievement, and athletics. The tales of their lives are now compiled within these pages in the hope that their saga will live on . . .

As the Administration can see, we have succeeded in giving the Class of 1993 a solid foundation for the rest of our lives.

SOPHOMORE OFFICERS

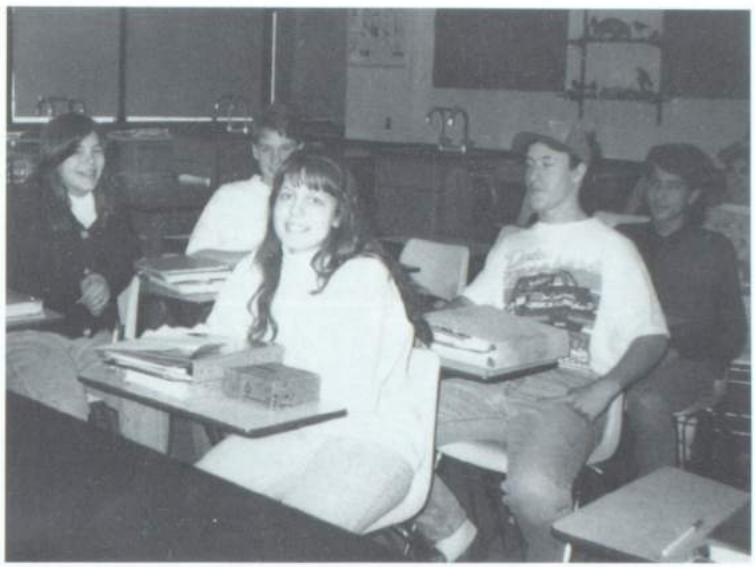

The Class of '95 is becoming even more unified this year in trying to raise $5,000 for our class. Under the leadership of President Mike Vallone, Vice-President Brandon Volp, Secretary Moira Campion, and Treasurer Melissa Knowlton, we have had lollipop sales and a wrapping paper sale.

More fund-raisers are planned for the spring, including a bottle drive and a dues drive.

FRESHMEN

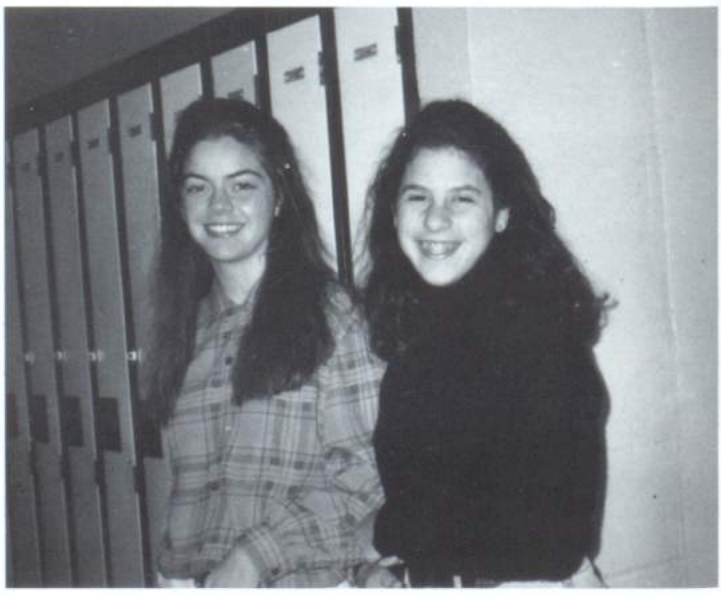

FRESHMAN OFFICERS

This year's officers of the freshman class are: President KD Zur, Vice President Emily Haight, Treasurer Nicole Pinto, and myself, Heather O'Riordan as Secretary. Throughout the year, we have raised money for our prom and class trip by holding bake sales, selling candy sticks, boxer shorts, hats, and much more. We could not have successfully completed these fundraisers without the help of our advisor Mrs. Rivenburg, and the entire freshman class. Thanks for your help. GO '96!!!

Happy Retirement

We'll Miss You!

"It takes the entire community to raise the child . . ."

Mr. Jim Downs has been a part of the educational community at Union-Endicott High School for more than 30 years. His retirement this year as Head-Custodian at the high school brings to a close his many years of caring and dedication to the children and to the staff at Union-Endicott.

We wish Jim health and happiness in his retirement.

Activities

The Yearbook staff is challenged every year through the production of the "Thesaurus." The Club's members add to their skills of graphic design, photography, and communication through its completion. When you, the reader, thumb through this book now or in the future, take a moment to think about the hard work and dedication of this small group of individuals. The staff has survived a year of strained relations and considerable setbacks to submit their deadlines on time. The senior members relinquish their positions to a small group of underclassmen who will pioneer next year's yearbook. We, the Chief Editors, wish them good luck, and thank all the staff members who upheld their responsibilities and worked until the end.

Volume XXIII, Supplement A Union-Endicott Student Publication, Endicott, NY 1993

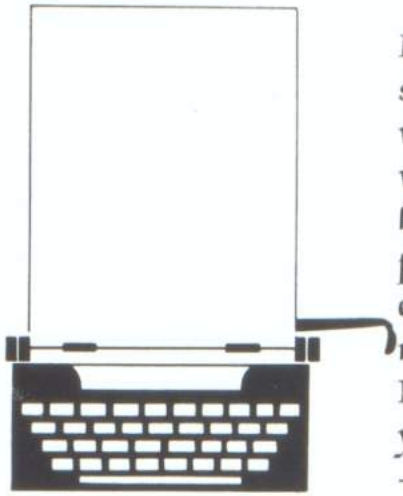

This year, the Tigereye had a new staff, a new look, and a new attitude! Working at the Valley News, the editorial staff was able to design the entire paper on computer, adding a new features section, an improved, combined arts and entertainment section, and more photos and graphics. Despite the pressure of deadlines, the staff strove to meet the goals of total school representation, freedom of speech, and above all informing the student body. The Tigereye hopes this year's editions were as entertaining to read as they were to produce.

Mock Trial

There is only one club where the Plaintiffs take the defendants to court for fun! Mock Trial is set up by the New York State Bar Association to encourage aspiring young lawyers (and witnesses). The club takes sides on a hypothetical court case and "battles it out against other area schools at the Binghamton Courthouse in the presence of a judge." The team has fun while learning the ropes of the legal system. Special thanks to our advisor, Mrs. Fitch, and our lawyers, for all their support, advice, and Saturday mornings at the Village Courthouse.

Members are: Standing, back row — Advisor Ms. Fitch, Lilly Osipov, Meg McGrath, Rob Haney, Kelly Smith; 2nd row, standing — Ben Ng, Dave Herman, Paul Catanese, Brian Mulligan; Sitting — Brian Doherty, Erinn Smith, Cary Taylor, Dan Wu; Sitting on floor — Steve Kapczynski, Val Strollo, and Sheetal Thakker.

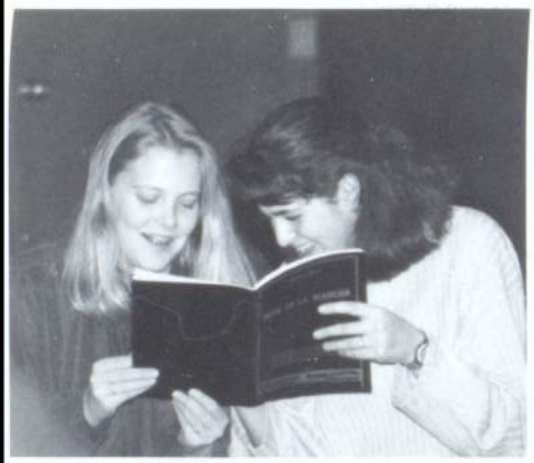

Drama Club

The 1992-93 school year for the Drama Club was an experimental year. The play that we had always produced in December was moved into early spring. The early winter months are to be the production dates for three one act plays, "If Sherlock Homes were a woman," "A Fast Train to the Poorhouse," and "Reunion at the Gallows." The Sherlock Holmes play is a senior girls-only play to demonstrate the exceptional talent of the graduating women actresses. The other two plays are also women's plays, because the number of girls who received parts in the past were small. The play slated for early spring was not yet scheduled at the time this synopsis was written, but it will be a dramatic play well suited for the excellent talent found in our graduating male actors.

MAN OF LA MANCHA

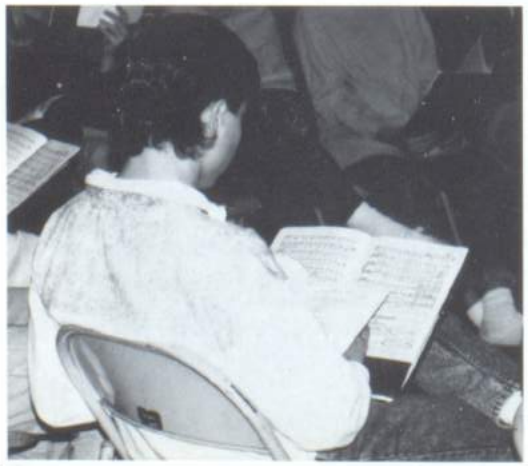

Written by Dale Wasserman
Music by Mitch Leigh Lyrics by Joe Darion
Original Production Staged by Albert Marre
Originally Produced by Albert W. Selden and Hal James

Miguel de Cervantes, aging and an utter failure in his varied careers as a playwright, poet, and tax collector for the government, has been thrown into a dungeon in Seville to await trial by the Inquisition for an offense against the church. There he is hailed before a kangaroo court of his fellow prisoners; thieves, cutthroats, and trollops who propose to confiscate his meager possessions, one of which is the uncompleted manuscript of a novel called "Don Quixote." Cervantes, seeking to save it, proposes to offer a novel defense in the form of an entertainment. The "court" accedes and before their eyes, donning makeup and costume, Cervantes and his faithful manservant transform themselves into Don Quixote and Sancho Panza and proceed to play out the story with the participation of the prisoners as other characters. Quixote and Sancho take to the road, on "horses" which dance a lively flamenco, singing "Man of La Mancha" in a campaign to restore the age of chivalry, to battle evil and right all wrongs. Back in Cervantes' dungeon the prisoners, dregs of humanity though they are, have been deeply affected by his story and restore to him his precious manuscript. Cervantes is summoned to his real trial by the Inquisition. The prisoners unite to sing him on his way with "The Impossible Dream."

Musical

Marching Band

The 1992 Union-Endicott Tiger's Pride Marching Show Band had an excellent season both on and off the field. This year's show was entitled "A Salute to Disney," featuring the songs: "Supercalifragilisticexpialidocious" and "Feed the Birds" from Mary Poppins, "The Bare Necessities" from the Jungle Book, "Jig" from The Little Mermaid, "The Sorcerer's Apprentice" from Fantasia, and "When You Wish Upon A Star." After going the extra mile at band camp — literally — the 150 members marched at seven football games, performed at three competitions, and hosted the Carousel of Music. In November, the Band also took a strong Second Place at the 1992 N.Y. State Field Band Conference Championship Show at the Carrier Dome. The Band also performed as guests of honor at Hartwick College's first Homecoming football game in 15 years and marched in the annual Washington Avenue Holiday Parade. The school, staff, community, and, most importantly, the members of the Band, should be proud of this season's accomplishments — remember, "We ARE The Champions!"

JAM SESSION, Endicott Style!

We salute you!

I'm dancing on air!

Winterguard

The Flamingo Salute

When will practice end?

The 1992-93 Union-Endicott Winter guard is composed of twenty girls, eighteen of them with a permanent position and two alternates. All of the girls have also participated in the Tiger's Pride Marching Show Band. This year the Guard performs to the tune "Hoedown," a selection performed by Bobby McFerrin and Yo Yo Ma. With a relatively different theme than past performances, this year is proving to be a challenge for everyone involved. The show gives us all the chance to stretch our creative abilities to the limit.

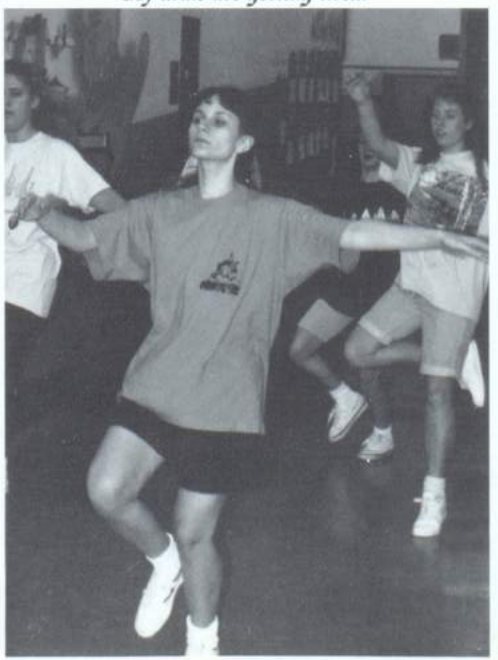

I can't remember the routine!

We're flying!

We participated in two student exchanges this year and co-sponsored the Donkey Basketball Game with the History Club. We also held our annual door decorating contest and our seasonal pep rallies. Because of the increased support this year, we have received many new ideas for fundraisers and activities. The members of the Student Government would like to thank the faculty, administrators, and students who helped bring about such a successful and fun-filled year.

Co-Op/YAP

Educators have recognized the advantages of on-the-job training as part of an occupational education. Mr. William Dupkanick coordinates two such training programs, Youth Apprenticeship and Co-Op.

Union Endicott High School began offering the Youth Apprenticeship Program (YAP) during the 1991-92 school year. Erica Anderson, Patty Ellis, and Ben Fawthrop were selected to participate. All three are currently enrolled in their second year of this program. Erica and Ben are currently employed at United Health Services, and Patty is employed at Security Mutual. Students in the YAP are eligible to receive two Regents credits for every two years in the program. In addition, all three can receive a fifth credit by completing an additional project that requires extensive work. Erica, Patty, and Ben can earn up to five credits, receive a stipend, and gain first-hand experience through the Youth Apprenticeship Program.

The Co-Op Program has existed for more than thirty years at Union-Endicott High School and has offered hundreds of students the opportunity to gain experience, earn money, and receive school credit for their efforts. During 1992-93, there were five students in the Co-Op Program. Jennifer Cerny, Nancy Tinklepaugh, and Johny Bolson have been working at the Broad Street computer Lab with Mr. Bert Lawrence, the District Computer Director. Jason Roosa works at Edigan's Foundry Plaza, and Tori Bekanich is working at Binghamton Savings Bank. Mathletes

The Mathletes Club consists of students in the Union-Endicott High School who have an interest in Mathematics and especially in mathematical competitions. The Club members compete in the Broome County Mathletes Contests which are held five times a year. The top sixteen individuals then compete on the All-Broome County Team in the New York State Mathletes Competition.

The Union-Endicott Mathletes also compete in the New York Math League Contests which are held six mornings a year. These results are compared against other regional schools. Other competitions include the Hartwick College Math Competition and the American High School Mathematical Examination. In the past, several students have qualified from this test and gone on to the American Invitational Mathematical Competition.

Sports

The 1992 girls varsity track and field season was full of surprises. This year was Coach Chuck Goodwin's last season coaching the Lady Tigers.

A few highlights from this year's season were: Sophomore Jamie Sherling showed potential in the 800, junior Kristy Pysczynski came closer to breaking the school's discus record, and junior Tiffany Hawthorne established a new school record in the triple jump. I hope that next season proves to be as great and as successful.

Varsity

The 1992 LIE Girl's V. Softball team continued their winning tradition by being crowned Div. I and STAC Champions. Our record for the season was 12-3 in STAC, and 16-7 overall. In the STAC semi-final game, we beat CV 6-2, and our shocking upset to 20-0 CT, score 3-0, gave us our STAC title. Our strong defense held our opponents for 27 scoreless innings, which amounts to about 4 games.

The '92 team had many all-stars. Danea Ciotoli and Jennifer Fitzgerald were named to the 2nd All-State team. Diane Curtin, Jennifer Fitzgerald, and Brenda Sylvester were awarded Div. I honors, and Marci Forbidussi and Danea Ciotoli were awarded STAC All-Conference honors.

The team as a whole was dedicated and gave a hundred-plus effort every time on the field with newcomers Marci Forbidussi, Christina Howe, Kelly McCoy, Dena Bango, Kim Davis, and Wendy Michalesx, plus the Sinicki pride veterans Nicole Monroney, Sue Shaffer, Brenda Sylvester, Danea Ciotoli, Jennifer Fitzgerald, Amy Young, Dne Curtin, and Tracy Forbidussi. The '92 team would like to thank Coach Chris Sinicki for working us hard and making us the best, and also, wish luck to next year's team.

The 1992 varsity lacrosse team had a very good season with important wins against Vestal and Chenango Forks. The team was coached by head coach Bart Guccia.

The 91-92 Tiger tennis season marked the return of UE into contention for the STAC championship with an impressive 11-3 dual meet record. The team recorded victories over Ithaca, Vestal, and M-E, losing only to Binghamton and Norwich. However, the Tigers avenged Norwich in the STAC semifinal and lost only to Binghamton in the STAC final.

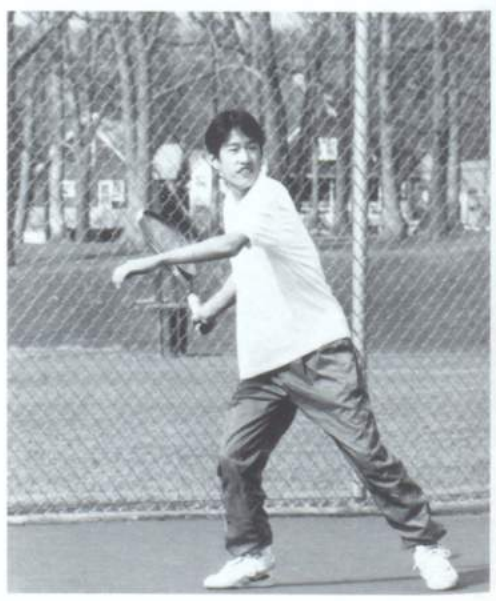

The Tigers ended their season with the title of STAC Runner-Up Champions. The team made a strong showing at Sectionals, with Chris Bender, Hoon Jung, Matt Brunner, Tri Dinh, Sean Higginson, and Abrash Khawaja all designated as STAC finalists.

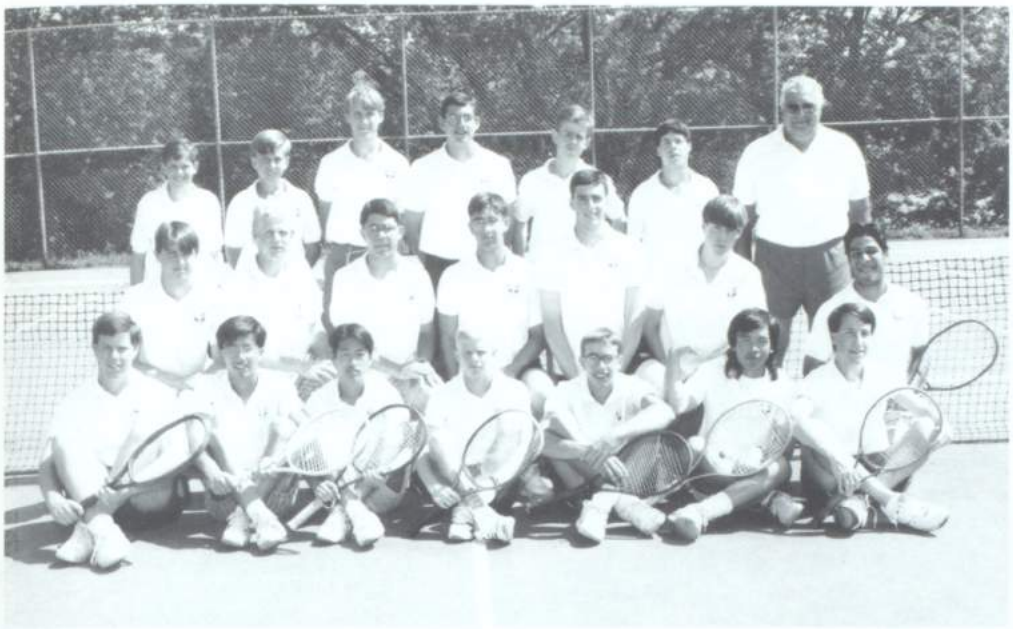

The 92-93 season looks very promising, as the Tigers look towards the STAC championship. Chris Bender, Hoon Jung, Matt Brunner, Sean Higginson, Abrash Khawaja and Ralph Hampp will be the six returning starters. The remaining spots will be filled by experienced, up and coming players led by Jeff Eggleston and the rest of last year's team.

Our 1991-92 JV baseball team was the best around. We proved this by compiling an 18-2 record. Our only losses came from Horseheads and JC. After winning the STAC division title, we got our revenge on JC in the STAC championship, where we beat them 13-5 (which proved we were the best team around).

Help came from everyone on the team including the three returning players, our captains, Wilson, DuBrava, and Thrasher. Our coach, Mr. Mullins, also offered a lot of insight into the baseball world which proved to be helpful along the line. So, overall, we had a successful season and a lot of fun.

Freshman Tiger Football

The Freshman Tigers had a very successful 1992 season. We were previously an 8th gr. team with only eight 9th graders. We lost our first two games by a touchdown each, but as the season progressed and our athletes gained valuable experience, we picked up the tempo. Over the last four games we lost only to Binghamton, a game which we dominated throughout but lost on two long touchdown runs.

On a cold, misty day last November, the Tigers capped a great comeback season with their finest performance of the year, a shutout victory over a previously undefeated Vestal team. The offense and defense both played superbly with the final score being 20-0. That victory evened our season record at 3-3 and perhaps gave us our most satisfying season in quite some time. This team "grew up" immensely both physically and emotionally during the season turning around a 0-2 start and finishing up at 3-3.

Coach Hoyt and I are very proud of these young men and the great effort they put forth all season. We wish them well and will be closely following their football careers at Union-Endicott.

Boys Varsity Football

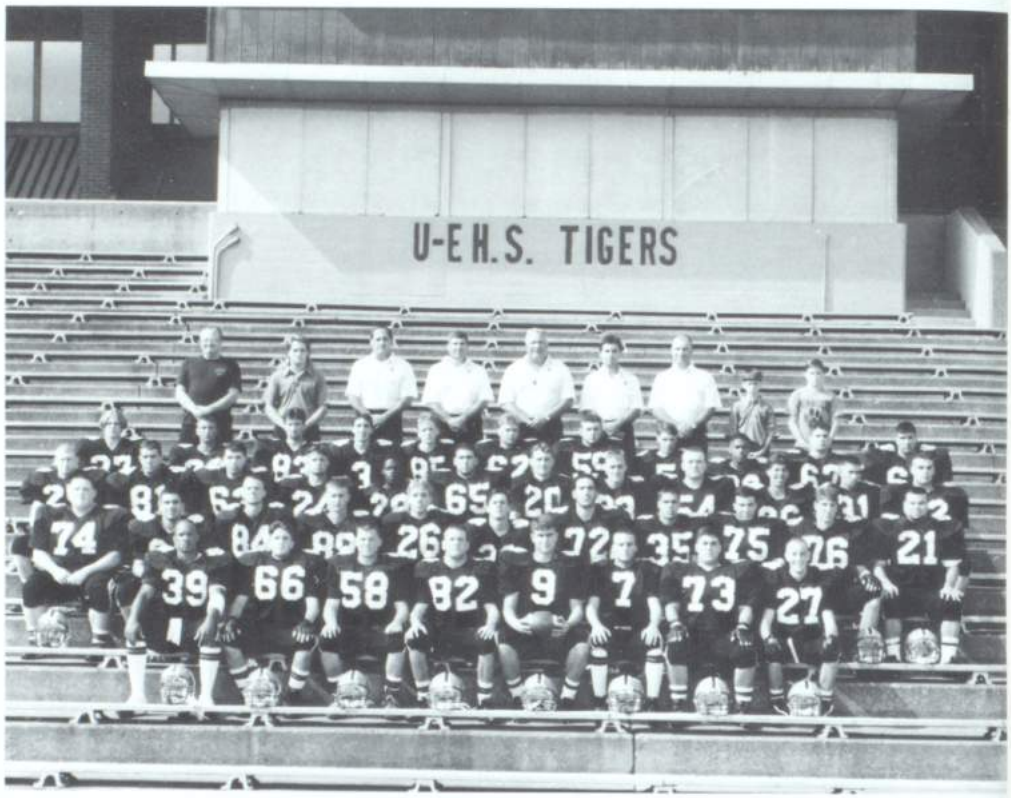

This 1992 TIGER FOOTBALL TEAM will take its proud place in history for many reasons: No previous football team had traversed as many miles by bus as this team. After the first few weekends had passed by, someone discovered that these young men and their coaches had already logged over 1,000 miles around the state. Because of difficult financial times, all of these long trips were made in the comfort of U-E's finest fleet — "THE YELLOW HOUNDS." The media picked up on this unusual fact immediately, by labelling this team "King of the Road." For several reasons, we had to wait until October for a home opener. Unheard of! Our nearest neighbors, M-E and Vestal, found out that the Tigers could perform well at home, too, as they set the pace, to the tune of an aggregate score of 84-15. An all time U-E Football record was broken vs. M-E, as this team recorded the most points ever for one quarter. (35 pts!!)

The finale vs. Vestal was billed as "The Last Stand" by the media, in reference to my impending retirement after 33 years at the helm. The score in this last game so steeped in tradition, pales in importance. What is of much more significance is the manner in which these young men executed every phase of the game. Their performance was really a statement, their signature. It said, "We have been knocked down twice in a row, but we aren't going to stay down. Despite all of the distractions of the last three weeks, we are going to rise above them. This is what the PRIDE of the TIGER is all about. We have come to play."

— And play, they did! They have made an indelible mark. I have never been more proud of a group of young men — not ever. They will always be very special to me.

Varsity Football Cheerleading

This year's varsity football cheerleaders had a very successful season. We had a strong team with many returning members. We were even lucky enough to have three boys on our team. Being on a co-ed team was a new and interesting experience for all of us.

We also volunteered our time for many community service activities which included cheering for the Sunshine Olympics, participating in the CHOW Walk.

Our season came to an exciting end by winning second place at the annual STAC Competition. We wish Miss Putrino and next year's cheerleaders good luck.

This year's golf team didn't have one of its greatest seasons because a few of our players had trouble finding the magic that allows them to play championship golf. Although we didn't win the championship, we did beat the champions — Ithaca twice in head-to-head play. I guess that makes **us** the real champions.

Leading this year's team were seniors Bryon Cole, Christian Mathieu, Jim Morris and Chris Pegram. College golf should be great nest year, with these seniors leading their teams to victory. Next year's U-E team also looks good, with this year's MVP, Matt Jones and John Totolis, leading the way.

The '92 Girls Varsity Soccer team once again made UE history. For the second year in a row, they tallied an impressive 19-1-1 record and claimed four titles. The team achieved this success due to the combined efforts of Coach Glenn Kehley and co-captains Kelly Starchok and Megan Benas.

The Lady Tigers showed their STAC dominance by surmounting all of the challenges enroute to winning the Div. I, STAC, and Sect. IV titles. Ten of the Lady Tigers received individual honors on the local All-Star teams and abroad. After completing local play the girls went on to win the Regional title and a berth in the State tournament. The team also had the honor of giving Coach Kehley his 100th win in just six seasons.

The Tigers lost the state semi-final by a score of 2-0. During the season, the team was ranked #1 in the state and fourth in the nation.

The Tigers will be losing seven seniors this year. We hope their present success carries over into their collegiate years. Good luck to Megan Benas, Kristi Conard, Kim Davis, Betsy Decker, Jennifer Gibson, Andrea Schoultz, and Kelly Starchok. We, the seniors, would also like to wish the best of luck to the '93 Girls Varsity — we know you can go all the way!

JV Football

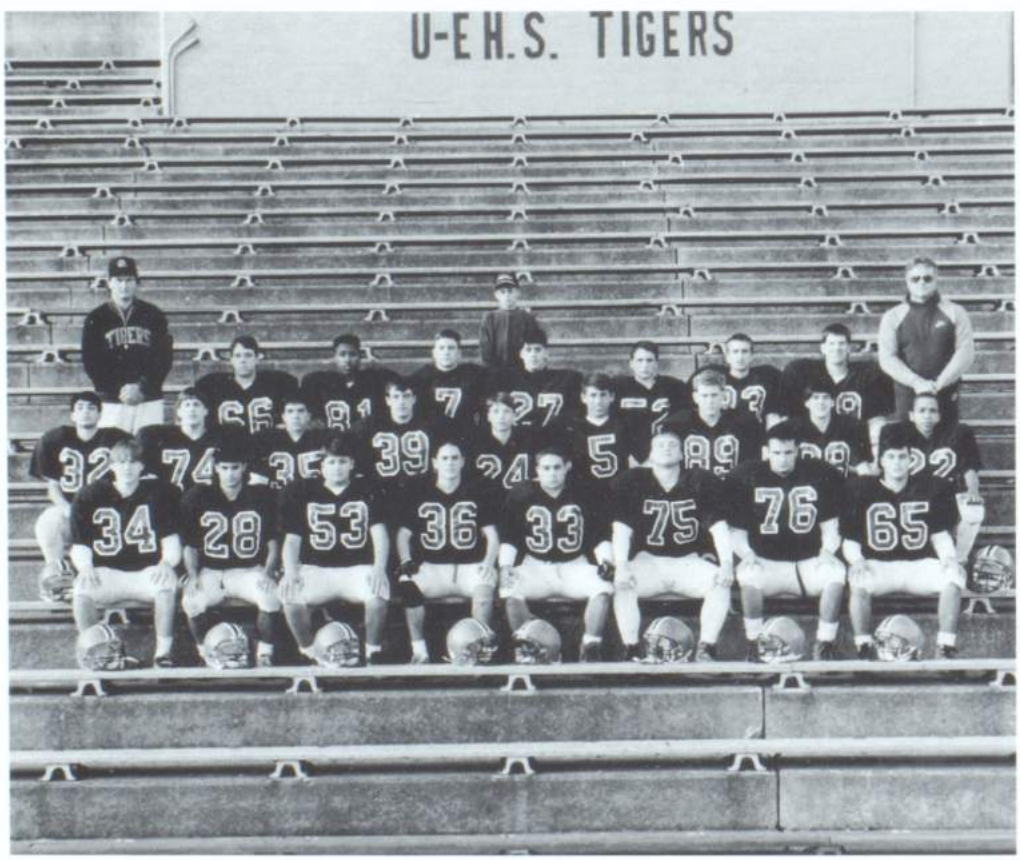

The 1992 UE JV Football Team finished with a 4-3-1 record. (One of the losses was to Binghamton in a non-league game 20-16. The jv's also played Binghamton to a 0-0 tie which was the regular conference.)

The most exciting win of the year was home against the Horseheads jv's. Horseheads was winning the game 9-0 with 6 min. left in the game. The UE JV's scored a touchdown and the extra point with 4 min. to play, stopped Horseheads, then kicked a 25 yd. field goal with 19 sec. left to win the game 10-9.

Good luck to next year's team.

This year's varsity bowling team had a touch year, but while the varsity team struggled, the J.V. team has done an exceptional job. This year's lineup for varsity stayed just about the same except for the addition of juniors Ken Fontana and Scott Lee. Veteran juniors Joe Bensley and Craig Sackett will be forming a new team losing seniors Shawn Bensley, Dave Demars, Jon Kubis, and Jim Morris.

Mrs. Honnick, our new coach, has come at a good time and will have many talented prospects for next year. Good luck to Mrs. Honnick and good luck to the Varsity Boys and Girls teams in Sectionals.

The 1992-1993 Tiger Hockey team had to overcome the loss of John Gervaise, Joe Roberto, and John Folli, who all went to prep schools.

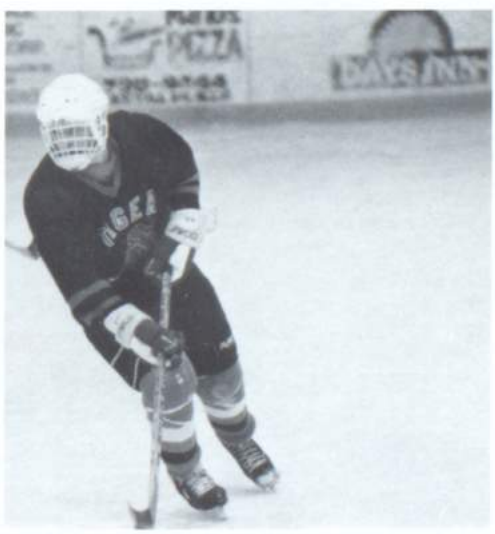

The team went on to a 16-1-1 finish in the regular season, and won the championship after moving up through the losers' bracket of the play-offs. This was the second straight league championship for the Tigers. The hockey team will have to make some adjustments again next year, for we will lose seniors Steve Campbell, Marc Dizer, John Battaglini, Eric Olsen, and Jason Ogonoski. Next year's team will do their best to handle the changes, and maybe bring home a third winning season.

The U-E Boy's Varsity Swim Team began their season with many new faces that were essential to fill the void left by graduated talent. Swimmers and divers molded together forming a solid team as the season progressed. We ended the season with a STAC record of 8-3, winning the STAC title for the first time in 6 years and placed 2nd in the Class A Sectionals. The team was led by Senior Captains Kevin Baxter, Mark White, and Sean Higginson, who had his season cut short by illness. This year the varsity wrestling team had a good year despite the loss of a lot of their team members last year. The team owed a lot of their wins to the talent in the lower weight classes. The team's losses were close and usually down to a few points. Early in the season they lost Lucas Hendzel and Joe Bango to injuries. Last summer some of the varsity and J.V. team members travelled to Texas for a competition. Jim Materese and Ryan Ciotoli won first place in the STAC tournament at Johnson City. Dylan Urban won the Elmira and Burnt Hills tournaments. Overall they tried their best and it showed through. Good luck to Jamie and Nick next year.

JV Cheerleading

The "92-93" JV basketball cheerleaders had yet another great season. We started off slow with sicknesses and injuries, but our coach, Miss Kolupski, helped pull us together and work harder as a team.

We achieved our goal at the Arena this year by taking 1st place. We would like to say that cheerleading takes a lot of hard work and dedication, and if it weren't for our coach who keeps us in line, we would never have achieved the goals we wanted to achieve. Good luck to next year's squad.

What Was . . .

Presidential Politics — 1992 style. President George Bush and his running mate, Dan Quayle, were the incumbents. The Challengers were Arkansas Gov. Bill Clinton and Tennessee Sen. Al Gore as his running mate. And then there was Ross Perot, the on-again and off-again independent candidate. First he was a candidate, then he dropped out. Then, about five weeks before election day, he dropped back in. Some called this billionaire businessman from Texas a spoiler; some called him a savior. But at the end the challengers were victorious. At noon on January 20, William Jefferson Clinton took the oath of office and became the 42nd President of the United States. As cannons thundered in salute, George Herbert Walker Bush surrendered power and stepped into history.

What In '93

Unemployment was one of the major issues during the 1992 presidential campaign. The unemployment rate has been on the rise from 5.2 percent, when President Bush took office in 1988, to over 7 percent on election day, 1992. And according to Labor Department projections, there will be 30 percent more college graduates than college-level jobs from now until the year 2005.

The Environmental Protection Agency issued rules aimed at curbing industrial air pollution. The new rules outlined when businesses must obtain state pollution permits under the Clean Air Act.

When the jury of the Rodney King case found the four white officers innocent of any wrongdoing, three days of rioting hit Los Angeles. When it ended, 52 people were dead, 2,383 were injured, 18,807 were arrested, and the amount of property damage was estimated at $785 million.

Hurricane Andrew's 54-hour rampage left an estimated 180,000 homeless in Florida alone. At least 51 deaths were directly attributed to the storm (41 dead in Florida and 10 dead in Louisiana). The amount of damage was estimated at $20 billion in Florida and nearly $2 billion in Louisiana.

In early 1992, Boutros Boutros-Ghali became the world's top diplomat — the Secretary General of the United Nations. The former Egyptian deputy prime minister quickly earned high marks for firmness and new ideas. The 69-year-old diplomat was chosen by the Security Council as a transitional, compromise figure and is expected to serve only one five-year term.

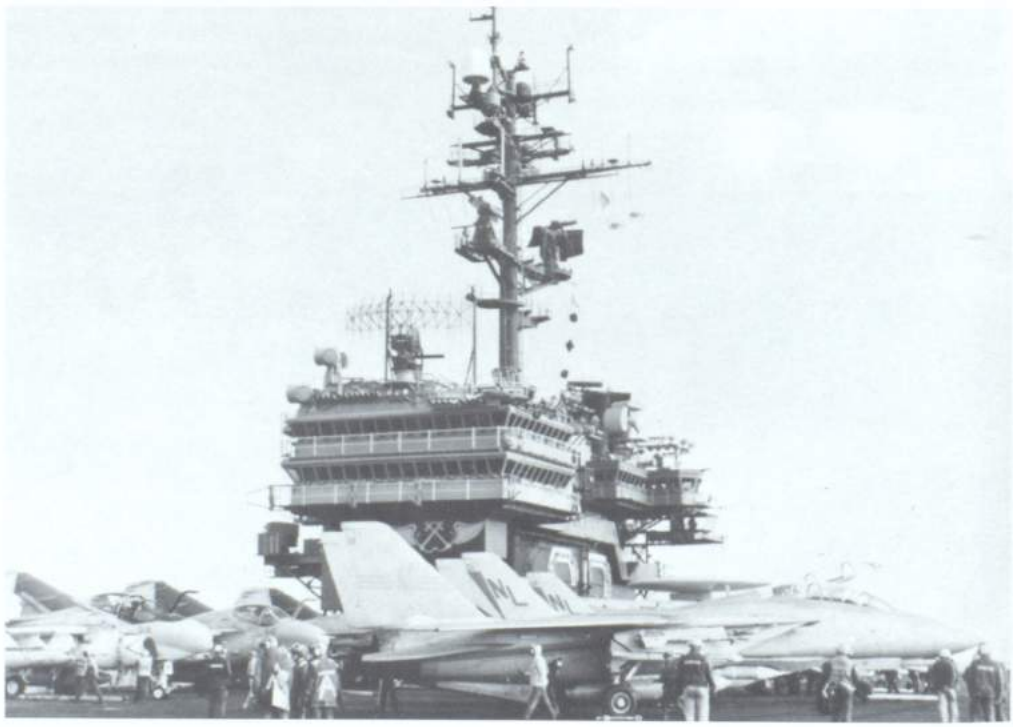

In 1991 Boris N. Yeltsin was elected president of the Russian Federation. One of his top priorities was economic reform. But the gloomy economic condition reflected the grave difficulties he and his government faced in trying to build a market economy on the ruins of the failed Soviet Communist system. While attempting to establish ties abroad, Yeltsin's reforms at home increased prices by as much as 1,500 percent during the first part of the year 1992.

In a speech to Parliament not after his June election, Itszak Rabin let it be known that Israel had a new boss with a hard-nosed approach to Mideast peacemaking. Rabin said he wanted peace in the Middle East. As part of that goal, he stressed the importance of stopping the spread of nuclear weapons in that part of the world. It was one more reason, he said, "for the urgent need to end the Arab-Israeli conflict."

With the end of the Mideast War in February, 1991, President Bush has urged the downfall of the 55-year-old leader. But within Iraq, Saddam Hussein appears to have grown only stronger since the removal of his troops from Kuwait. However, he lives under a constant threat of death by the Iraqi opposition leaders and a host of other enemies.

U.S. and allied aircraft attacked strategic targets in Iraq in early January. The first attack hit a nuclear complex near the capital city of Baghdad, followed by other hits on Iraqi missile sites. Many of the U.S. aircraft that flew raids over Iraq were based on the U.S.S. Kitty Hawk.

Civil war spread across Yugoslavia, a nation of six republics and two provinces that had been plagued for centuries by historic, ethnic, religious, and economic differences. Nationalist, anti-communist parties won elections in 1991 in all republics except Serbia, the largest, and Montenegro, the smallest. Then Croatia and its neighbor Slovenia declared their independence. The traditional rivalries were strongest between the 9 million Serbs, who belong to the Orthodox church and the 5 million Croats, who are Roman Catholic. Tens of thousands of people became refugees and the killing continues.

The U.S. Marines arrived in Somalia on December 9, 1992. The starving African country was ravaged by famine and widespread looting of food from international relief agencies. The U.S. Marines offered a security force to insure safe food distribution.

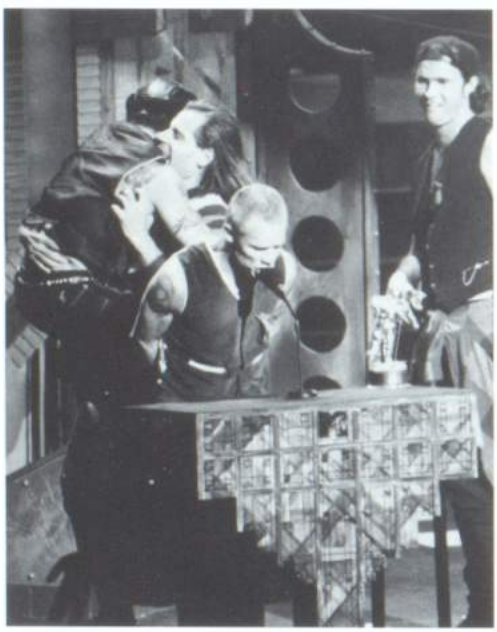

An oil tanker carrying nearly 25 million gallons of crude oil lost power and was blown onto the rugged coastline of the Bay of Quendale, 100 miles north of Aberdeen, Scotland. The 100 island Shetlands group in the North Sea is sparsely populated but abounds with birds, seals, fish, and other wildlife.

Basketball great Larry Bird retired from the Boston Celtics after a 13 year career. "When I played, I played as hard as I could. That's what I want to be remembered for." For the last two seasons of his career, the 35 year old was plagued by back problems. His brilliant passing, pinpoint shooting and rebounding made him the consummate team player.

Barcelona, Spain, hosted the Summer Olympics in 1992 and it proved to be a bonanza for the United States. Carl Lewis may not make it to the next Olympics but he won two gold metals this time, one for the long jump and one for the 400 meter relay. And in diving, Mary Ellen Clark won the bronze from the 10 meter platform.

The final whistle at the Vestal game blew many months ago. When you read this, I have already made my "last stand," as the media dubbed this final game, in reference to my retiring from football. Since then, I have heard from people near and far, and have been honored by my friends, colleagues, and family. However, the most enduring tribute for me is the continued camaraderie with you students and my colleagues at Union-Endicott. I just wanted you all to know that I have enjoyed every minute of directing your football program for the past 33 years.

Good luck, especially to you Seniors. Thank you and good-bye.
