Although hazed and faded by passing years,
Memories now become the basis of our dreams.
Tattered photographs stored deep within our minds
And etched forever in our souls.

Separation will not sever us, It will only make us stronger. We have built a relationship, a unity, That is impervious to indifference

and the sands of time.

YEAH, I WAS WONDERING IF WE COULD STOP THE LESSON HERE AND ADJOURN TO THE PLAYGROUND FOR THE REST OF THE DAY.

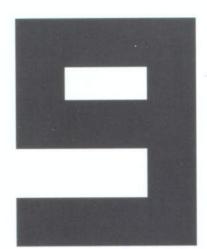

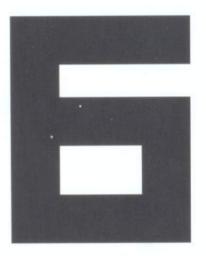

#### Sophomore Officers

The class of '96 is under new leadership. Our president this year is Jessie Gibore with Amy Sawicki as vice president. Laura Murphy is the treasurer and our secretary is Megan Warren. The sophomore class has been very active in school activities as well as thinking up fundraisers. We held two dues drives and our class ring sale was a big success. So far it's been a great year and it can only get better!

Class of '97

## YOU KNOW YOU'RE A FRESHMAN WHEN

- . you are nervous about the first day of school.
- . . you walk into the first floor cafeteria and are met with a roomful of hostile looks.
- . . you go to a sit in but you don't know what it's about.
- .. you're given directions to a class on the fifth floor, and you follow them.
- . you eat in the upstairs lunch room every day.
- . you say "hi" to a friendly face and they don't acknowledge your presence.
- .. you have to walk a mile to get to your locker and another mile just to get to your next class.
- . you still do your homework at home.
- .. you go to the fourth floor looking for a 100 classroom.
- . . all the requirements seem to go up.
- .. all the directions to your classes are "down to the first floor and look for the red door.
  - . you carry a bag lunch.
  - , you are unexpectedly introduced to a corridor wall.
  - you're waiting for Mom's ride after school.
- .. you're taking so many courses you don't have time for a lunch period.
  - . you don't dare talk to a senior.
- Lyou have no problem getting a prom date.
- ... you drag your best friend "out back" to watch an eclipse and finally figure out why most people avoid that part of the school.
- on the first day of marching band your shorts get dropped.
- you get caught every time you try to outsmart a teacher.
- . you wish you had senior privileges.

The yearbook staff had an excellent year but we worked hard to produce this year's THESAU-RUS. We chose an Environmen-tal theme for this year's book be-cause we feel that today in society recycling and the environment are becoming very important issues. Part of the Student Life section, pages 225-240, are printed on recycled paper in hopes that each time you look through your yearbook, it will remind you to recycle. Throughout the book, you will find facts that we feel will educate and inform you that the world is in environmental shambles and everyone should take responsibility for the future.

We hope you will enjoy the 1994 edition of the THESAURUS, and thank everyone, whatever your part was, in helping us put it ALL together. — Vickie Hagnevik, Warf — Editors Jennifer

### MARCHING BAND

The band's show was done to the music of Andrew Lloyd Webber. It included music from "Cats," "Phantom of the Opera," his "Requiem Mass," as well as other music written by this composer.

The band performed at our home and away football games, four field competitions, our "Carousel of Music," several local parades, the Jets game, as well as pep rallies and other school functions.

This year, about one third of the band was made up of either freshmen or students who had not been in the band before this year. What the band lacked in experience, they made up in enthusiasm and energy as well as a desire to perform well. That desire will act as a foundation for another exciting season next year. Good luck seniors — we'll miss you!

The UE Senior Winter Guard had a strong season this year! The 1994 program was performed to the song "A Hard Rain" by Eddie Brickell from the movie "Born on the Fourth of July." The lyrics of the son are a symbolic representation of the turmoil of the tough times we're living in. The members grew emotionally by portraying their message of hope that we as individuals can make the world a better place by our actions and by the way we react to the difficulties we encounter along the way.

The guard was proud to have a nationally renowned instructional staff. Staging design for the program was written by Michael Gaines from Centerville, Ohio. Equipment and Movement design was done by Debby Weirick, Joyce Kopcho, Peter Garrow and Gretchen Staring. The dance instructor was Nikki Rundell and Tod Harvey helped with the marching instruction until he moved to Arizona in February. Carol Sensbach, a NY State Federation of Contest Judge consulted on a monthly basis. Jeff Emlaw designed and made the costumes, and the backdrops were painted by artist Mark Harvey. Program Director for the UE Winter Guard is Gretchen Staring and the administrative coordinator is Ken Hooten. This is the guard's 11th year of competition in Mid-York Color Guard Circuit.

Talk to some of the members of one club at UE and they'll tell you they attend meetings just for the fun of it. Mock Trial is set up by the New York State Bar Association to encourage aspiring young lawyers (and witnesses) - or those who just want to play the roles. Club members play plaintiff and defendant in a different hypothetical court case each season and "battle it out" against other Broome County schools at the Binghamton Courthouse in the presence of a judge. The team has fun while learning the ropes of our legal system. Special thanks to our advisor, Mrs. Fitch, and our real-life lawyer, Mr. Conlon, for their support, advice and Saturday mornings at the Village Courthouse (with donuts!).

### Dracula visits Union-Endicott auditorium

By Kim Thrash

Beware of the night. The frightful sounds that you hear could very well be a vampire who has caught the scent of blood. . your blood. A large, uminous black cape whisks past and use him. Dracula is standing ight in front of you! Wait a second; his creature looks familiar. He walks he hallways of this school! Does that tean a vampire lurks nearby each v? No, they are in their coffins ring the day. So what is going on? we are witnessing the amazing dranatization of Dracula played by Josh

Plotkin and Kevin Eldred. These two students, along with a full cast, put a lot of hard work into making this play work.

There were four performances all together. On Friday, December tenth they performed for the students during the afternoon and then in the evening. The final show was on Saturday. Nearly all the characters were double-cast so each group performed for one student performance and one public performance.

The cast ranged from freshmen to seniors. For some, it was their very first time on stage and for seniors it was their last. Any of them would tell you that it is quite an experience being in a play. It is also a lot of hard work. They put in numerous hours here at the school rehearsing with the group. Each member of the cast also had to work on their own to memorize their parts.

Before they knew it, it was curtain time. The excitement, along with the nervousness, could be felt in the air. The hard work was now being put to the test. Would it be a success? Yes, it was. Everyone re-

ally got into their characters and gavit all they had. This was a more difficult drama than the drama club has done in the past. It demanded great talent from the cast to be able to portray the characters realistically. The cast combined drama, suspense comedy, and fun to the show and madit a hit among the audience.

All their effort, time, and swea was well worthit. If you missed out on this play, you missed out on som: great work! They did a great job! An the sound effects were great too! Hov How!! Good work wolves!

# "Fiddler on the Roof"

The UEHS Music Department will present the broadway musical, "Fiddler on the Roof" March 18 and 19 at 7,30 PM and March 20 at 3:00 PM in the high school auditorium. Set in Russia at the turn of the century, the story follows a poor Jewish family and the villagers of the small town of Anatevha as they struggle to face changes in their

Tevye, the dairyman, and his wife, Golde, experience the joys and sorrows of having their three eldest daughters Tzeital, Hodel and Chava marry and leave home. The daughters' three husbands, Motel, Perchik and Fyedka are viewed as a blessing and a disruption as their relationship tend to break with the established Jewish traditions.

Many other people are also directly affected by this break with tradition including Yente the matchmaker, Lozar Wolf the butcher, Avrahm the bookseller, Mordcha the innkeeper, the Rabbi, Mendal the Rabbi's son, and Shandel Motel's Mother. The threat of the outside world is represented by the presence of the Russians and the constable who must follow orders, even though they are not to his liking.

Fiddler is a tragic comedy as these brave people, who have an indomitable spirit, face their problems with a sense of humor and faith that a better day will come.

The U-E Concert Band is made up of some of the finest instrumental performers the high school has to offer. The band has had a number of fine performances throughout the year.

One of the highlights of the year was the performance of the "Kindalika Suite" at the annual Concerto Concert. The piece was written especially for the band by Mr. Harvey, our director of music. Also performing on that concert were Allen Archie, Jon Darrow, Katrina Peters and Josh Plotkin. All of these band members were featured as soloists.

The Concert Band performed at the Spring NYSSMA Festival on level 6 music. There were also a number of band members involved in county and state bands. Three students performed at the Conference All-State Festival held in December at the Concord Hotel. Ten of the band members performed at the Area All-State Festival at Ithaca College and 16 of the band members were selected for the Broome County Senior High School Band. In addition, many of the band members participated in the NYSSMA Solo Festival and received outstanding grades.

The 9th Grade Band has had a year filled with fine performances. The band performed music that included show tunes, marches, overtures, as well as other musical forms. The band made a great deal of progress throughout the year and prepared all of the students for participation in the Concert and Symphonic Bands next year.

Several of the band members participated in other band activities as well. There were 5 band members who participated in the Area All-State Band in Cortland, and 7 members were selected for Junior High All-County Band. Many of the band members also participated in the NYSSMA Solo Festival.

The UE Jazz Ensemble consists of students who show an active interest in performing music in the jazz idiom. Ensemble performance in styles like swing, rock, and funk are stressed.

This year the Jazz Ensemble was active as usual. They performed numerous times for concerts in Endicott. They participated in two jazz festivals at Mansfield University and at the College of St. Rose Jazz Festival in Albany, New York and performed at Union Square Park in NYC.

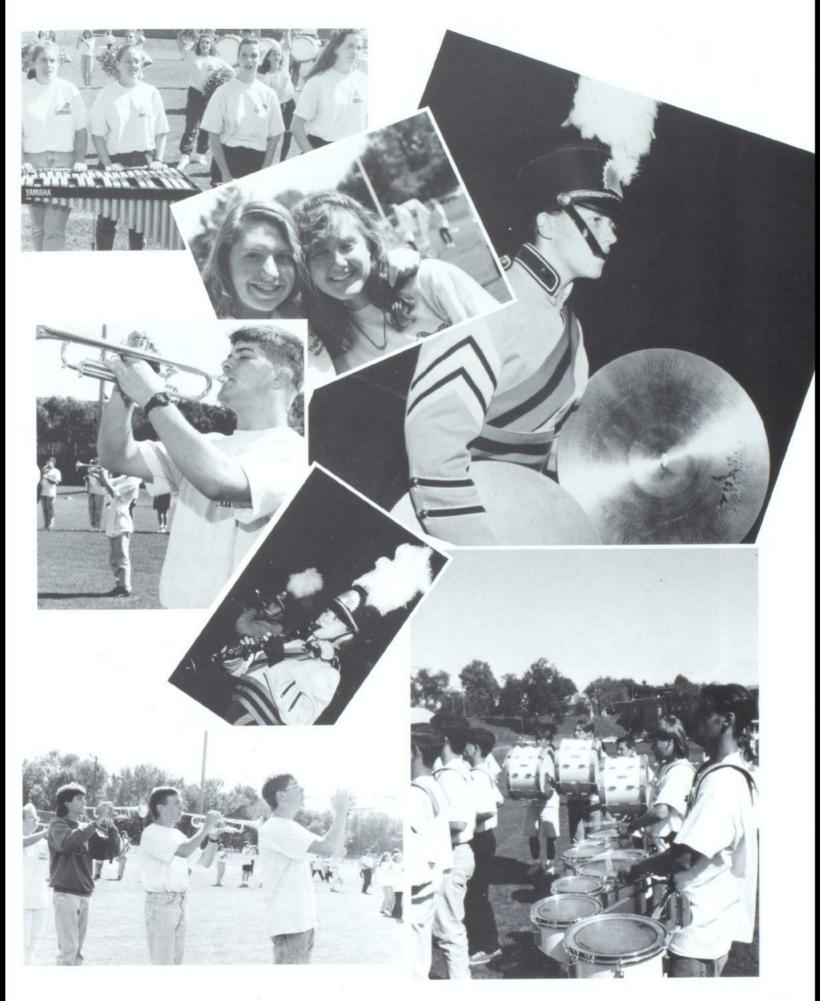

In April the jazz ensemble traveled to Washington, D.C. where they performed three concerts as part of Music Celebrations International festival commemorating the 50th anniversary of The Normandy Liberation and the Bicentennial of America's Capital.

The Student Government has gotten off to a great start this year. Spirit Week went very well. We had the most involvement that we have ever had. The main attraction during Spirit Week was the Penny Wars. This first time fund-raiser went very well. The Senior Class won the total earnings of \$2,207.81!!! Student Government sponsored the Homecoming Dance and held a bonfire the night before the Vestal football game. We are planning School Exchanges with Maine-Endwell and Vestal, we are sponsoring the Donkey Basketball game with History Club, we are having a door decorating contest and a Christmas tree decorating contest during the month of December, we are having a paper chain contest between the classes and also during the weeks of December we are having Christmas music played over the loudspeaker in between classes. As you can see we have a lot of activities planned for the year of 1993-1994. We would like to thank the advisors and the Administration for everything they do throughout the year and we would like to thank the students who have been involved in the activities of the club.

The National Honor Society is an honorary organization which recognizes student achievement. This fall forty-nine students were members of the Union-Endicott chapter of the National Honor Society. Honor Society members must demonstrate scholarship, leadership, good character, and service to their school or community. Members of Honor Society volunteer to tutor other students during the school year. During the fall, the club also sponsors a coat drive and sings carols at local nursing homes. During the spring, members select another service project which will benefit their school or community. Membership in Honor Society is a personal achievement, one which also benefits others.

The purpose of Amnesty International is to promote observance of human rights worldwide. By writing letters and signing petitions the members of Amnesty International work to release all prisoners of conscience, to make sure all political prisoners receive fair and prompt trials, to end torture, ill-treatment and execution in all cases, and to end all extrajudicial executions and disappearances. Our local chapter of Amnesty International has also organized many activities this year to raise the awareness of our classmates, including our celebration of Human Rights Day on December 10.

The UE Spanish Club is a social as well as an educational club. It provides the students with many opportunities to experience Hispanic culture. A main goal is to promote increased cultural understanding.

The club has a varied agenda that keeps the members busy. At our initiation dinner at Chi-Chi's, we honor our new officers for the year. We had a great time preparing original "esqueletos" for the Dia de Los Muertos. Also, we are creative with making other traditional handicrafts such as castanets. Our big event was to sponsor the Ballet Folklorico Mexicano which treated us and neighboring districts to regional dancing that included tying a "love-knot" with their feet and dancing with a burning candle on their head. It was the highlight of the year and a very enriching performance. As a fun, social event, we enjoyed popular American movies that were dubbed in Spanish. It really made us work our Spanish vocabulary. The students are always anxious for the holiday "posada" that includes a number of pinatas. On our annual trip to NYC in the spring, our emphasis is on the Hispanic element when we tour and eat dinner.

We would like to thank everyone who participated in Spanish Club this year. We also encourage you to join again next year. Felices Vacaciones de Verano! Officers:

These programs have the advantage of coordinating theory and practice for the benefit of the student, school, and employer. These programs offer a plan whereby business students may receive Regents credit for actual work experience in approved jobs that are related to a course in which they are enrolled. Students who maintain satisfactory grades and earn a satisfactory job performance rating by their employer and supervising teacher may receive credit.

In the Co-op Office Skills Program, one-half unit is earned for working each 150 hours up to a maximum of two credits per year for 600 or more hours.

The purpose of the Youth Apprenticeship Program is to help high school students see direct connections between school learning and paid employment. Apprentices are provided with an opportunity to earn a 5-unit regents sequence by working during their junior and senior years and completing a special project in their senior year.

Participating businesses for 1993-94 include the Binghamton Savings Bank, the Computer Area at Broad Street in the Union-Endicott Central School District, and Binghamton General Hospital. Students in the programs are Amy Lee, Amy Squires, Brian Osier, and Charmaine Cole. The advisor for both programs is William Dupkanick.

The Mathletes Club consists of students in the Union-Endicott High School who have an interest in Mathematics and especially in mathematical competitions. The Club members compete in the Broome County Mathletes contests which are held five times a year. The top sixteen individuals then compete on the All-Broome County team in the New York State Mathlete's Competition.

The UE Mathletes also compete in the New York Math League Contests which are held six mornings a year. These results are compared against other regional schools. Other competitions include the Hartwick College Math Competition and the American High School Mathematical Examinations. In the past, several students have qualified from this test and gone on to the American Invitational Mathematical Competition.

This year, the UE SADD Chapter has been taken over by a new advisor, Mrs. Brozovic. Her devotion of time and effort has helped in completing many nonalcoholic events this year. Some of these include a new bulletin board, announcements, movie night, clean-up down Washington Ave., Snowball, Post Prom party, Ski Trip, trip to elementary schools, and our Mock accident.

Our major goal is to educate students about the dangers of drinking and driving. We are trying to get the point across to teenagers that drinking and driving kills.

Thanks to all of you who came out and supported SADD this year. We appreciate all your help.

This year, about 30 students from all grades said "Y.E.S." to saving the Earth, and joined UEHS' only environmentally-correct club. Youth Environmental Society. In addition to en-lightening students with Earth-facts and environment-conscious ideas, Y.E.S. works to make the school and the community surrounding it into a cleaner and safer place.

Over the summer of 1993, earth-scrunchy students from schools in Broome County banded together to form the regional Youth Environmental Society. With this newly formed coalition, we are able to make a bigger impact on our communities; and we had more fun too! The schools joined together to participate in Earth-scrunchy events, such as river clean-ups, trips to Waterman Center, trash pick-ups, and possibly a white-water rafting trip. All in all, regional YES had a pretty good first year.

At UEHS, we have been busy as well. In addition to a few fundraisers like our Human-i-tecs sales, the Rainforest Crunch sale and the plant sales, YES members participated in a recycling campaign and a tree-planting extravaganza. YES was also responsible for the successful Earth Day at UE, in which we exposed all UEHS students to the many facets of our environment and the efforts that are made to save it.

As you can see, YES is a big part of all the action here at UE. There are no dues, no deadlines and no political incorrectness, so why not join and say YES to a better tomorrow!

### Y. E. S. (Youth Environmental Society)

by Betay Bowman

The Youth Environmental Society at Union-Endicott is a fairly new club. As well as being a school club, Y. E. S. is also part of a Regional Environmental Group that includes Binghamton, Vestal, Seton, and Chenango Forks. We meet once a month to discuss new ideas and future plans. Last year, as part of the Earth Day Celebration, Y. E. S. organized an Earth Day Fair and a Human- A- Tees T-shirt sale. Both were a huge sucess.

The clubs activities for this year include purchasing new recycling buckets for the classrooms, tree and flower planting around the school grounds, a stadium clean-up, and of urse, another Earth Day Fair Club meetings are on Tuesday mornings at 7:40 in room 322. There are no dues to pay and everyone is welcome. It's not too late to join. With the help of the club advisor, Mrs. McCulloch, and co-presidents, Brian Mulligan and Betsy Bowman, we hope to accomplish everything. Remember, " Think Globally, Act Lo-

#### Youth Environmental Society (YES) update

By Brian Mulligan

Although the second semester hasn't been a very executions for the Youth Environmental Society, many ideas have come about which will ensure a busy spring. Through much planning, thinking and deciding, U-E only ecological club has put together a few fundraisers, projects and trips which will be ready for he spring.

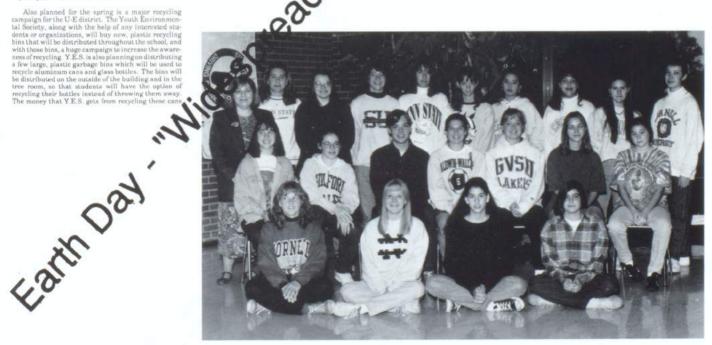

After last year's successful sell of the Human-i-tees shirts, the fundraisers that we considered seemed to pale in comparison to such a great success. We contacted such groups as Green peace, the Student Environmental Action Coalition, Save the Rainforests Foundation and Sawe the River Campaign, looking for ideas that would be perfect for this year's fundraiser. Finally, we came across a few new items of clothing that looked as though they would be like the Human-i-Teea, only better. The S.E.A.C. sells varioust-shirts, hats, buttons and stickers which are both eye-eathing and environmentally correct and most importantly, cheap! We may sell the merchandise during our Earth Fair in the spring, and hopefully, our idea will be a success. After last year's successful sell of the Human-i-tees

Also planned for the spring is a major recycling campaign for the U-E district. The Youth Environmental Society, along with the help of any interested students or organizations, will buy new, plastic recycling bins that will be distributed throughout the school, and with those bins, a huge campaign to increase the awareness of recycling. Y.E.S. is also planning on distributing a few large, plastic garbage bins which will be used to recycle aluminum cans and glass bottles. The bins will be distributed on the outside of the building and in the tree mom, so that students will have the option of recycling their bottles instead of throwing them away. The money that Y.E.S. gets from recycling these cans

and bottles will be used to purchase more bins to be distributed all around the school.

Has anybody heard of a pen made out of corn? Well, everyone soon will when the Youth Environmental Society starts to sell them either by hand or via the school store! The corn pens are made out of real corn and taste like corn too! They are an eye-catching yellow-and green pen which lasts until you are finished with it; then it disintegrates rather quickly, thus helping the reduction of landfills.

If any student has any interest in joining Y.E.S. still can! There are no dues to pay and the club is with warm and caring people, as obvious of our off Meetings are in Room 322 on Tuesday mornings, so on up and get Earth-scruchy!

The 1993 varsity lacrosse team was faced with the graduation of a few seniors but still fielded a good team from the J.V. team. The team had a few wins and some defeats but the most memorable win was over the Golgen Bears of Vestal in a 9-7 win. The team still has a large majority of underclassmen that should be able to deal with loss of the seniors.

### Freshman Track

The Freshman Track Team consisted of thirtysix boys and girls competing in their choice of twelve events. Scores of the meet are tabulated by combining the separate girls and boys results. The team had a great season with wins over: M-E, CV, JC, Ithaca and SV, while losing only to Vestal. In the CV Invitational the team placed third out of thirteen teams. At the end of the season, ME placed second in the Div. I meet and third in the STAC.

Freshman Boys/Girls Track team members: Dawn Alfonsetti, Jackie Baldoni, Dawn Bartlett, Colleen Charpinsky, Claudia Chonka, Mike Ciotoli, Adam Coney, Karen Cornacchio, Nicole Cucura, Erin Dilmore, Andy DiMattina, Maia Diorio, Chris Dunlap, Nick Evanitsky, Jason Hontz, Jim Johnson, Shannon Kindl, Karin Krulikowski, Joe Mooney, Uzoamaka Nzegwu, Heather O'Riordan, Kristie Putrino, Joe Rieber, James Roe, Damian Santucci, Jessica Smith, Kari Staib, Kati Staib, Kathleen Terrenoire, Carolyn Treuhaft, Bill Vanderrest, Angela Ward; Coach: Larry Hynes.

Combined Boys | Girls Results: 1st meet won by UE over ME and CV; Chenango Valley Invitational — 13 schools participated, UE Placed Third; 2nd meet — won by UE over JC and Ithaca; UE Relay Carnival, UE placed 3rd; 3rd meet — Vestal won, UE second place, SV third; Div. I Meet — UE came in second; and STAC Meet, UE placed third.

The 1993 U-E Freshman football team had a very successful season. We finished the year with a 4-1-1 record, our only loss coming at the hands of Vestal on the last game of the season! It was a heartbreaking loss for the Tiger Eleven, as Vestal pulled out a 12-8 victory in the last 90 seconds. The only other "blemish" was an 8-8 tie against the Patriots of Binghamton. The defense allowed only 6 touchdowns all season and the offense moved the ball effective each game. Coach Hoyt and I are very proud of this talented group of student athletes and we are looking forward to following their careers as they move on to JV and Varsity. Good Luck Guys; you are the BEST!

The varsity cross-country team enjoyed a great season this year. Some exciting events included an overnight trip to the huge McQuaid Invitational in Rochester, a 2nd place finish for the girls at STAC and a fourth place finish for the guys. The highlight of our season was when we returned home from the Newark Valley Invitational with two championship titles.

Nine senior runners will be graduating this year, and they will be missed, but we'll be back and ready to go next season.

Beat those Patriots!!!

Team effort

The 1993 "Tiger Football Team" will take its place as one of the fine teams in Union Endicott's proud history of football. They posted a 7-2 won-lost record, with its two defeats coming by a combined total of 13 points. They can be summarized as a never-say-die team that played with tremendous intensity and heart. The hallmark of this squad was the ferocious defense that it played. Their opponents averaged just 2.7 yards per attempt, and only scored a total of 57 points. Two all time records were broken by this squad: 1. Fewest yards passing by opponents for a season of 409 yards. 2. Fewest total yards by opponents for a season of 1086 yards. The offense also was more than formidable this season. They average 276 yards per attempt. The team was undefeated against their non-league opponents, ME, Owego, JC and Middletown, and as a culmination to their fine season, they destroyed a high riding Vestal team 35-0.

They have made their mark in Tiger Football history and their coaches are extremely proud of these fine young men.

This year's Varsity Football Cheerleaders had a very successful season. We all worked hard; and pulled together when things got rough. We participated in many community services and along with our football team, we traveled to CFJ elementary school to perform a pep rally.

A special thanks to Miss Putrino for helping us to perform our very best and getting us through our bad days.

Our hard work could be seen as we concluded the season by taking 2nd place at the 1993 STAC Cheerleading Competition.

This fall, the U-E golf team began a new era. With a new Coach, Mr. Yelverton, and only two returning starters, seniors Matt Jones and John Totolis, 1993 looked to be a rebuilding year. Our 7-7 record resembled our rebuilding, but success quickly followed as we finished the season by winning the section 4 class A title over a very strong Ithaca.

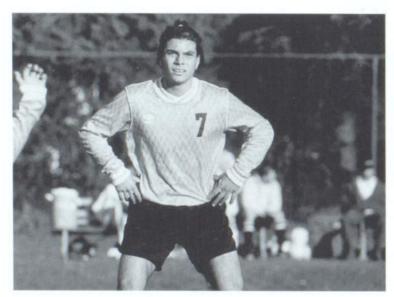

This year, the team was led by two All-Division I selections, John Totolis and Matt Jones, who was also the MVP for the last two years. Matt and sophomore Rich Schappert will continue their golf seasons with trips to Cornel in the spring for the State Championships, a reward for their good blay in the fall.

With only two starters graduating, next year's team looks to be very strong. Juniors Paul Deamer, Garrett Modlo, and John Bertoni, look to lead the Tigers to another promising season and continue this new era with nothing less than success.

The 1993 UE Boys' Varsity Soccer team enjoyed the most successful and exciting season in UE history. Finishing with a record of 22-2, they managed to capture the Div. I title, STAC Championship, Sect. IV Championship and continued through the State playoffs to the state championship game in Buffalo.

Throughout the season, the Tigers were continually ranked in the State, finishing at No. 2, and peaking at 17th in the nation. This team will be the model for which other UE soccer teams will be judged.

The 1993-94 Girls Varsity soccer team had another great season. We had a fairly young team this year, as well as a new coach. The team consisted of 5 sophomores, 5 juniors, and 8 seniors. The team finished the season with a 20-2-1 record and a ranking of #11 nationally. Once again, the team was STAC champions, Sect. IV champions, Div. I champions and state semi-finalists. This season was a very long one, lasting over 3 months. Good luck to the 1994-95 Girls Varsity soccer team. We had a great season and it will always be remembered.

Take Off!

The 1993-94 Girls Varsity Swim team is the largest team in recent years. The team consists of 15 veterans, 7 of which are seniors and 14 rookies. The team is spear-headed by head coach foe Peranksi and diving coach Dan Waugh.

Though the victories were few, the season had many highlights and great meets. Bindi Blizzard, Kelly Marshall and Laura Yehle all received Div. I honors for their accomplishments in their respected events. Underdog Laura Yehle won the 100 yd. breaststroke at the Sectional meet and advanced to State meet where she fared well among great competition. Blizzard was also named Co-MVP along with fellow senior Jennifer DuBrava.

Graduation will claim 7 strong seniors whose leadership and ability will be missed. However, the 1994 Tiger swimmers are looking forward to a great season due to the large number of girls returning.

A special good-bye and thank you to Coach Waugh who will be leaving the team after 4 seasons. His presence will be missed by all next year.

#### GIRLS' VARSITY BASKETBALL

This year's varsity Lady Tigers had a large core of returning players due to the graduation of only two seniors from last year's squad. After a few losses early in the season, the team came back to win eight games in a row. With big victories over Norwich, Chenango Valley, and a sweep of Division III, the Lady Tigers proved they were a threat to every team in STAC. Unfortunately, this win streak was one game short of making STAC playoffs. But with a tough defeat of Ithaca at SUNY Binghamton, the team made sectional final playoffs at the Arena. Once again, the Lady Tigers faced Binghamton undefeated Division I leader, and long time rival.

The team is led this year by seniors Stacey Anastos, Stacy Chase, Christina Howe, Jen Newkirk, Susan Shaffer, and Stephanie Suflita. This is the largest group of graduating seniors in four years. But with remaining players, the Lady Tigers look forward to more years of winning seasons under the coaching of

Mike Bradley.

## Varsity Boys' Bowling

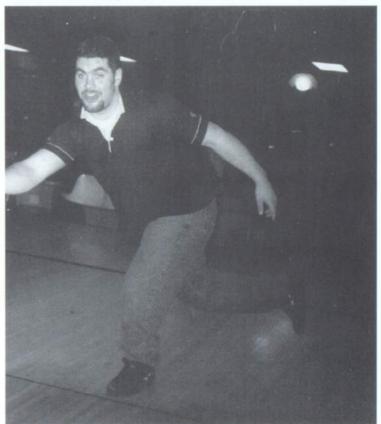

The boys' varsity bowling team had a tough year, but they ended up with a winning record of 61-23, they placed second. In STAC, first in Class A, and first at State Qualifiers. They finished seventh at the State Championships. Unfortunately, the Tigers will be losing three seniors: Ken Fontana, Joe Bensley, and Craig Sackett. Other team members include: Scott Lee, Kevin Nunn, and Joe Barker.

# Varsity Cheerleading

Varsity cheerleaders are: Erin Becker, Aimee Bertrand (not pictured), Melissa Burnett, Chrissy Ciotoli, Sarah Guccia, Shawn Hastings, Jen King, Kim Massar, Sarah McCabe, Paige McKercher, Nicole Norton, Gina Sementelli, Leanne Wowk, Julie Zappia; Coach: Felicia Putrino.

The "93-94" Varsity basketball cheerleaders had a very successful season once again.

We started off the season by doing several community service projects. This year's squad was very talented. We had the experience and willingness to work hard as a squad, and with the help of Ms. "P," we worked harder to prepare for competition. We achieved our goal once again at the arena where we tied for first with the Dryden squad.

In all, it was an exciting and memorable season. If there is one thing we will all remember from this exciting season, it is to always JUST PUMP IT UP!

Choaches — John Schappert, Jim Eckert, Tim Barrett; Team Rep. — Jerry Billings.

The 1993-94 Tiger hockey team had a very good season considering the loss of five very good seniors and our head coach, Tom Reynolds, who left UE to coach at SUNY/Cortland.

This year, under the direction of head coach Ed Schappert, and assistant coach John Schappert, the team started off with a few losses then pulled together to finish the year in a tie for 3rd place with Binghamton. The team will lose seven seniors: Adam Baker, Sean Acton, Dave Billings, Travis Fata, Jeff Kurkoski, Shane Loughren, and Chris Wright. Several of our senior players were elected to play in the all-stars.

Ready for the game.

Our 1993-94 season has been very successful this year. Our hard work at practice has paid off! We are 18-4 overall and defeated JC to win the title of STAC Champions. We played in three tournaments this season, and we took 1st at our home tournament; 2nd at Liverpool, and 3rd at Windsor. We are now going on into sectionals in an attempt to win the Sect. IV title. All of the graduating seniors would like to thank the underclassmen and most of all "M" for all their hard work in making this the most successful season we've played in.

#### BOYS VARSITY SWIMMING

This year's Boys Varsity Swim Team was smaller than it has been in the past. However, what we lacked in numbers, we made up for in talent. Individual performances, combined with a genuine team effort, resulted in a productive season. With 9 wins, and 3 losses, the UE Swim Team was able to become STAC champions for the second year in a row. Our only loss in STAC was to Ithaca.

The 1994 UE Swim Team had a successful season where diligence and teamwork paid off. We wish our departing seniors and next year's swim team good luck.

#### Boys Varsity Wrestling Takes Class A Sectionals

#### by Staphanie Suflita

The wrestling team finished an impressive season this year with an overall record of 9-4. These wins included a strong victory over Owego, who had previously beaten Norwich, a top ranked team. Many dual meets brought action to the mats for the Tigers, but a highlight was the close chance at an upset of Johnson City in the dual meet and STAC tournament. U-E did get revenge on the Wildcats with an upset win in the Class A Sectionals. The Tigers finished second place overall in STAC with many champions in their weight classes. They include: Jim Materese at 105, Dylan Urban at 112, Ryan Ciotoli at 119, and Jermaine Bryant at 138. Congratulations to these wrestlers and the rest of the team for their hard work to accomplish a winning season!

## JV Cheerleading

Our 1993-94 JV basketball cheerleading season was full of hard work and a lot of laughs. We started off with a couple of injuries, but we got back on track. We would like to thank our coach, Ms. K — "Donna," and our fans for another wonderful season. Good luck to next year's JV squad!!

#### KEEPING SCORE

Helping to keep the environment clean became an important goal and a corporate mandate for many companies. Johnson & Johnson, McDonald's Corp. and leading users of paper-based products took an unprecedented environmental initiative and joined together to boost their use of recycled paper. Working with the Environmental Defense Fund, the companies will help devise ways to increase their use of recycled paper and encourage their suppliers to use more environmentally sound methods to make paper products.

Are you a round the clock trash factory? Americans throw out 160 million tons of garbage a year, 3.5 pounds apiece each day. Each American uses about 190 pounds of plastic per year and about 60 pounds of it is packaging we discard as soon as the package is opened. Where are we going to put it all? Even states with seemingly plenty of room are running out of places to bury their trash. Find out where your trash goes, then produce less of it

Lumberjacks clashed with environmentalists in the Northwest part of the country over the fate of some of the nation's oldest forests. President Clinton tried to bring the two sides together to agree on the future of the region's oldgrowth forests, which have provided both timber for the logging industry and homes to the threatened spotted owl and other species.

Bill Clinton became the 42nd president of the United States in 1993. The former governor from Arkansas struggled through his first few months in the White House, suffering a defeat for a jobs bill and delays in his health care reform efforts. But by September, the 47-year-old president was a seasoned veteran. His tax reform bill passed, the health care package was being fine-tuned and there was peace in the Mideast. Upper Right: Hillary Clinton

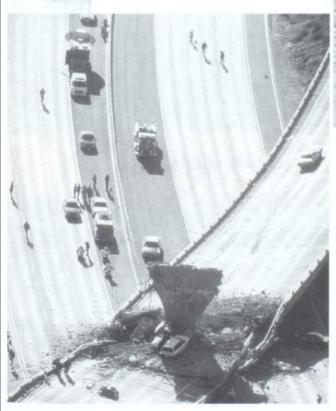

Al Gore, whose roots run as deep in Washington as in his native Tennessee, became the nation's 45th vice president, bringing an insider's expertise to the Clinton White House. He brought to the job an expertise in environmental and technology issues. With his 16-year congressional career behind him, Gore provided a strong portfolio in foreign policy and arms control.

Janet Reno — Attorney General

Wildfires swept through Southern California in November. The 26 major fires scorched patches from Ventura County to the Mexican border. Flames consumed a total of 200,000 acres and damaged or destroyed more than 1,000 buildings. At least three people were killed. Nineteen of the fires were believed to have been arson. Thousands of firefighters from around the state fought the blazes without pause for days. And unpredictable winds whipped the flames from hillside to hillside and house to house.

Floods hit the Midwest in late spring and early summer — thousands of farms and homes were lost, fields were swamped and towns were submerged. The states that got hit the hardest were Iowa, Illinois and Missouri, causing billions of dollars worth of damage. As the waters began to recede, barges began moving along the Mississippi River and people began digging out their mudfilled homes. President Clinton signed a \$5.7 million aid package to help the victims.

Forty seconds that shook Los Angeles. AT 4:31 on Monday morning, January 17, an earthquake registering 6.6 on the Richter Scale jolted residents of Southern California from their sleep. It was not The Big One, but it left at least 55 people dead, brought down major freeways and destroyed or damaged thousands of homes. The quake caused an estimated \$30 billion in damage. In the city of Los Angeles, 4,500 apartments and houses were declared uninhabitable. School district officials estimated building damage at \$700 million.

### MARINE BIOLOGY TRIP '93

Each year, 10 students are selected to attend the Marine Studies Enrichment Program in Montauk, Long Island. The following students went this past summer: Sandy Squires, Amy Tordonato, Nicole Pier, Amy Gillespie, Sarah Boland, Nicole Monroney, Melissa Padwa, Michael Loughner, Chris Bender, and Kathryn Zur. For one week during August, U-E students camped at Camp Tekawitha with Mrs. Cindy Schlagter and students from Windsor and Chenango Valley. Besides learning many things about marine biology, the students were able to visit nearby aquariums and even go on a whale watch. However, we didn't spend our whole week in the labs, and enjoyed a lot of free time at the beach. A good time was had by all, and the trip goes highly recommended to next year's group.

The 1994 THESAURUS staff wishes to express thanks to the UE faculty, staff, students and parents for their enduring patience and cooperation. Without your help, this publication would not be possible.

We would like to take this opportunity to thank patrons who have purchased advertising space, and we urge everyone to patronize them. We also thank Varden Studios for the many hours their photographers spend at UEHS. Homecoming, club pictures, candid sports photos, the film and processing of is all done complimentary and we express our appreciation for it all.

Class of 1994 —

You're looking great!

Class of 1995 it's your turn now!

**Looking Good** isn't everything to you. But it's the <u>only</u> thing our creative photographers focus on. We will take the time to make sure you look <u>great</u> in your senior portrait—at a price you can afford.
