Senior Class Officers

President- Melissa Palombo

The 1998 Senior Class Officers have enjoyed leading our class in several activities. The Freshman-Senior Dance and Magazine Sale were successful ways to begin our senior year. Winter activities included the Christmas Dance, Snowball, and the Senior Service Auction. The Talent Show, Senior Banquet, Senior Trip and Prom ended a great year. The officers would like to thank our teachers, advisors, and fellow classmates for a very memorable senior year. Good luck to all members of the Class of 1998 in all their future endeavors.

Junior Class Officers

President- Anna Franzonello
Vice- President- Nicole Frey
Secretary- Marissa Cornacchio
Treasurer- Ashleigh Hengel

The class of '99 got off to a slower start than we had expected but we are planning a jampacked spring of fundraisers and activities. We found out, once again, that our class and Halloween parties just aren't a big profit making combination. But, with much help from Mrs. Piller and Mrs. Crabb, we were able to run a successful booth at the JFS Craft Fair. Throughout the winter and spring sports seasons we will be selling UE Tiger seat cushions. We are also working on plans for a golf tournament and garage sale. We will also try to have, for the first time in many years, a Junior Prom. The officers would like to thank all juniors and parents who have helped during the '97- '98 school year.

Sophomore Class Officers

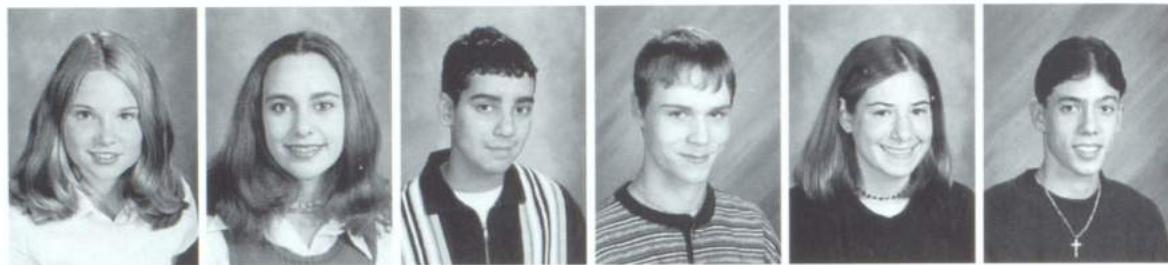

President- Lindsey Stepanovsky
Vice President- Rob Burke
Secretary- Julianne Bramante
Treasurer- Katie McDonough

This year the sophomore class has gotten off to a great start! We are planning a lot of successful activities. Our goal is to get as many people in the sophomore class involved as possible. We are ordering class rings this spring. Our class had a very profitable bake sale and tournament in the spring, and another candy sale. The class officers are working hard for the class of 2000 to make our graduating class the best it could possibly be.

From The Principal's Desk...

You, the graduating class of 1998 are heading into the 21st century where the tools to survive will include knowledge, problem-solving skills and compassion for others. You will need to find the balance between healthy competition and cooperation; the balance between individualism and regard for your fellow human beings. We wish you well. Remember, you only pass this way but once.

Varsity Baseball

Mr. Folli's team this season was a very close group. The squad was unified and worked hard the entire season to achieve many prestigious awards. The team consisted of eight seniors, eight juniors, and two sophomores. All players contributed in any way possible and helped to make the season a successful one. The highlights of the season were winning the section 4 championship over Horseheads and winning the STAC championship. We thank Coach Folli and Joe Mancini for a great season.

JV Baseball

Determination, effort, and talent led the JV Tiger baseball team to the ultimate accomplishment — a 6-1 victory over Vestal on May 28 that earned us the STAC championship title. Led by Coach Mullins and a strong pitching staff backed by an almost errorless defense, the season culminated with 14 wins while avenging three or four early season losses. Such JV strength should ensure future varsity success!

How would you feel if you were undefeated and your arch rival, whose record paled by comparison, beat you at your game? Now you know how Vestal's JV softball team felt when the Lady Tigers' season-ending 5-1 triumph spoiled their previously undefeated season. Under the direction of Coach Dinneen, the team finished with 10 wins and 5 losses. They were just one game away from making the STAC playoffs.

1997 was another great year for the Varsity track team. Both Boys and Girls went undefeated in dual meets and were crowned STAC champions. One of the biggest wins of the year was over rival Ithica in a dual meet. Everyone on the team worked really hard with coach Miller leading the way. Hopefully U-E can Continue to dominate Varsity track in the years to come.

This years JV team faced extreme adversity throughout the season but overcame it all, even with some of the key players injured. Intensity was also played a role in the season mostly generated by the team captain Chris Ponzi. Strength on both sides of the ball proved to make the difference in each and every game. We would like to thank all our coaches this year for inspiring us.

Looking things over verry carefully.

This years golf team is one of the best teams to come of UE since the early 90's. We had a strong team that played hard. We could not of beat Ithaca without all of us there. Five of the six players are returning STAC champions or division 1 all-stars.

Please let me hit this.

UE Tigers win Class A Section 4 title in a game against Elmira Southside with a score of 61-50.

This year the boys varsity basketball team dealt with many obstacles but ended up with a great season. With hard work, discipline, and a new coach, the team managed to be one of the top teams in the area. This season ended with a STAC record of 11-3 and an overall conference record of 14-6. The season included two losing games with Vestal, but the Tigers finally came out of the cage to beat those Bears 64-52 in the semi-final playoffs. This year, the Tigers made it to the Class A Championships which hasn't been done since the 88-89 season. We wish all the seniors good luck, and to those returning, go get 'em, Tigers!

Boys JV Basketball

The UE JV boys basketball team finished their season 7 points short of a STAC playoff berth ending with an 88-81 overtime loss to Ithaca. Late season losses to Bing, and Owego dug us into a hole a little too deep to dig out. Our captains, Chris Onysko, Matt Morley, and Nick Greco did, however, provide a competitive spark before and during every game. Overall, the JV boys finished 11-6.

Girls Varsity Volleyball

The 1997-1998 season was definitely a rebuilding year for our team. We had a young team consisting of only 10 players, 4 returning, 6 up from JV, and a first year Varsity Coach Franey, moving up also from Jv. But, with the talent we possessed and our determination we ended the season with a 6-7 record. We participated in the Owego, U-E Holiday, and Windsor Tournaments, where we had a lot of fun. We also made it to the Section 4 Semi-Finals and battled Ithaca for the fifth time in a tough match. Good luck next year!

This year's band consisted of 53 members. The band performed 4 concerts including a performance during "music in the schools week" at the Oakdale Mall. The music performed ranged from movie themes to marches and more serious concert band literature.

There were 10 members selected for Broome County Junior High Band. This is the best representation we have had in a number of years. There was also one member selected for the area All-State Band in Cortland. The band made a lot of progress as a performing ensemble. Many of the members will be a part of the concert and symphonic bands next year.

Congratulations Graduates!

This year I was blessed with the birth of my first child, Sophia. She has been just an amazing addition to my life. Before she arrived I was sure that my life was pretty cool without kids. I had lots of time, lots of fun, and even a bit more money. What could be better?

A quote I came across just recently sums a lot of that up for me. "You never appreciate the love of your parents until you become a parent." Wow, was I taken by surprise when this little girl was born. My life changed instantly, and completely for the better. It never occurred to me that I might not be right about having a child. I was so sure that I was going to be happiest with little to no respon-

sibilities, and a problem free life (well, as few problems as I could manage).

As you graduate, or move to the next grade, closer to your graduation, my unsolicited advice to you is to remain open minded. When I was your age I was SURE that I wanted to be a science teacher. I was for a while, but guess what? Here I am in the bagel business. And I am happy that I am not a teacher anymore. A great job, just not for me.

Allow yourselves to experience life, and try new things. Try not to be judgmental with others, and don't be afraid to try and possibly not succeed. Learning is always a success, even if you learn that you went to six years of college to not be a science teacher.

Laugh a lot, especially at yourselves.

Life is serious enough without extra pains. Let yourself be who you are, and let yourself change. Don't get too locked into anything, except love.

I hope that someday that each of you becomes as happy as I have become. Never at 18 did I think that I would be here now in my life. Enjoy your ride, don't stress.

As you meet your destiny here in Endicott, take a deep breath and get ready for the rest of your life. The Universe tends to unfold as it should, and you shouldn't fight it. Peace good luck forever...

CHARLIE

PS: Thanks for all your support, we all had a great time having you in for your lunches. See ya around!

'97 Football player who is named Joe,
I was amazed how this linebacker plugged the hole.
You made the fans hearts sing.
For this you were elected King.
In fulfillment of your coaches' dreams,
you played for the Glory of your team.
I watched the games with excitement and fun
and for this reason, I am proud of you my son.
You played hard, with all your might.
Even when you partied all night,
you stood out from all the rest
and it wasn't because you failed a math test.
You're a man now, so sit down and think.
When you drive, please don't drink.
Education is the most important thing.
So go to college and make our hearts sing.
This fall, Beckie and I will hunt our little patch
my love for you can never be matched.

Congratulations!
