Senior Class Officers

The class of 1999 is the last class of the millenium. We are all learning to work with each other to accomplish great goals. Throughout our four years in high school we have raised money for our class, by doing numerous fundraisers. Some of which include, hosting Halloween parties, the Christmas Dance, and the Snoball. We are also working together to accomplish a great Prom.
Some of us have watched each other grow since kindergarten, and even before, others we have only met this year. But we have all hopefully formed strong bonds with one another that we will carry with us for the rest of our lives.

Freshman Class Officers

As members of the class of 2002, we are excited to be finishing our first year at VEHS. Our transition to the high school was a little slow, but we have begun many fundraising efforts and activities. Our Tiger "Tycoon Cards," give discounts at many local stores. We're coming together as a class, and working as community volunteers. We're looking ahead to our senior year and more fun!

The Tigers had a great season despite a 6-13 record and a young team. The season was highlighted by big wins over Ithaca and Horseheads, a sweep of Corning West, a near upset of the powerhouse Corning East, and a five overtime thriller against Vestal. Many individual players got awards for performance and many are returning next season. The Tigers look to improve next season.

The 1998 Varsity Softball team had a very successful season. Despite all the adversity, we made it through as a team. Highlights were, chasing NFL football players around a hotel and greeting everybody in the downstairs lobby. We had tournaments in Williamsport and in Port Chester. We beat Ithaca and Vestal and came close to beating Binghamton. We finished with a record of 11-10.

The 1998 Boys and Girls Cross-Country teams had their greatest season in the history of the sport at UE. The girls won multi-team invitational's at S.V. Vestal, Sherburne, Marathon, Binghamton and Newark Valley. Next they shocked the experts by dethroning the perennial champion Ithaca to win the schools' first ever S.T.A.C Championship. Their greatest achievement, however, came at the state championship at Lake placid where they finished third in the state. At the federation championship of elite teams in New York City, the team finished 8th out of 32.

The team rose to number 10 in the State rankings and was invited to the prestigious New York State Federation meet in New York City.

The 1998 varsity football season is one that will last in the memories of the players and the coaches for a lifetime. This squad earned the opportunity to participate in the U.S.A game of the week at Disneyworld in Orlando, Florida. Even though the team lost the game and had to dodge the rain while in Florida, the trip was very successful, and was filled with memories. The remainder of the season both had its ups and its downs. The team had to play a very tough schedule and they only lost to Vestal, Maine Endwell, and Horseheads. However, the team beat Middletown, Ithaca, Elmira, and Binghamton.

This year's Golf team gave way to a lot of new faces. With 6 returning players and 10 rookies, 1st year coach Mr. Bradley led his club-toting troops through the trenches of STAC competition from which they emerged victorious: a 9-6 record. Each golfing Tiger will remember the friendships & personal experiences of the '98 season. Highlights of the season include an individual 2nd place finish by Mark Mrva, and a team 1st place finish at Section 4 Class "A" Championships. Tom Feheley getting himself some pars, Mike Golden's performance on the 2nd hold at Cornell, Pete Ludwig's courage in carding the first sub-forty round on Syoie's front side, Jason Benko's hole-in-one on the first day of practice (after showing up late), John Cashmere's witty comments, and Mr. Bradley's nutritious snacks and patented practice drills. Throughout the season we enjoyed cheering for a great football team. At the end of our season we placed second in our STAC competition at the arena. Overall, Florida, our football team, and competition made our 1998 season one of the best ever.

The beginning of the boy's varsity basketball season looked very promising. With help from JV players and Varsity players the team did very well, but with the dismissal of a few key players the team went down. The team as a whole did a decent job of recovering from such a downfall. We managed to end with an 8-10 record, just missing the wild card spot. This is what ended a sad season.

The UE JV basketball team had a very good season. We finished with a record of 10-4, with the only losses coming to Binghamton and Ithica twice. Overcoming injuries and adversity the Tigers missed a chance to play for the Championship by a combined 4 points. The Union Endicott Boys' Swimming and Diving team had an outstanding season. All of our rookies, rich with talent, added to the power of the team's arsenal of veterans. Team unity was strong as our relatively small squad was able to take down teams twice our size. We went 10-0, wich was the team's first undefeated season in ten years. The Varsity Volleyball team had a very rewarding and successful season this year. The Seniors of the team led the way to a 10-7 record, with only 2 losses. Being 10th in the state proved that the Lady Tigers were a force to be reckoned with. They crushed their rival the Golden Bears in the semi-finals. Thanks go out to the coach, and best of luck to the Graduating Seniors.

music clubs Band

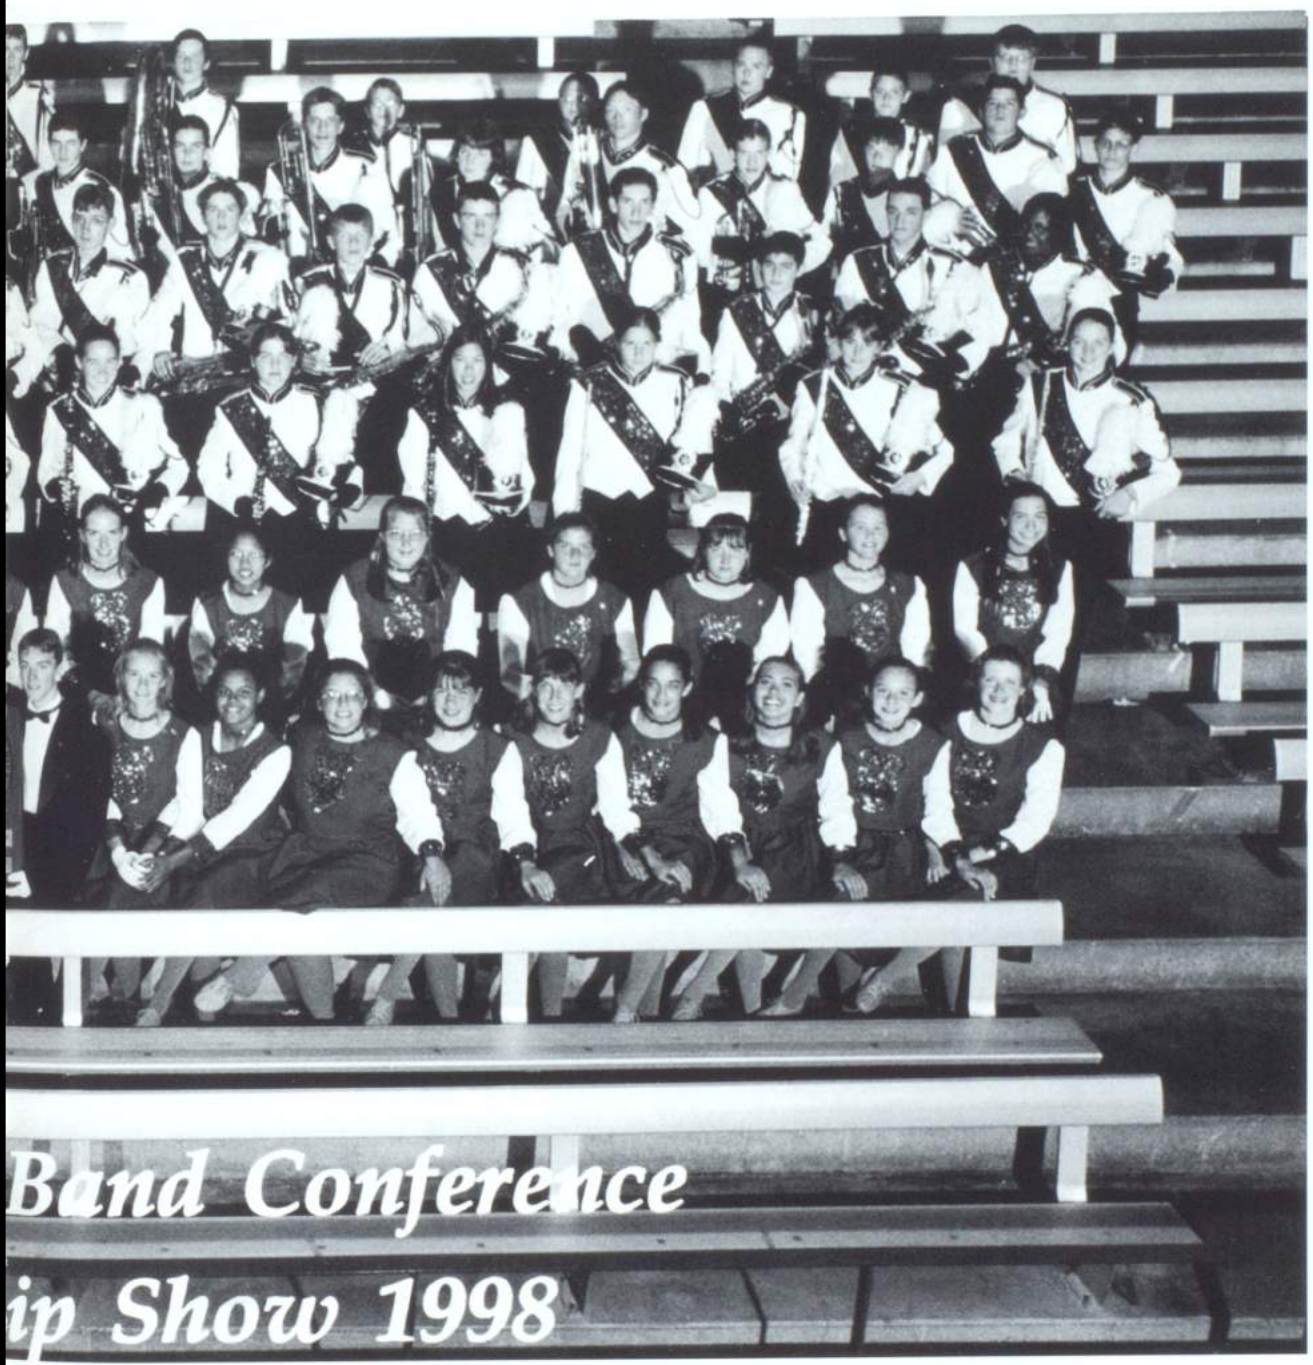

Union Endicott High School

The "Tiger's Pride" had an active season. Rehearsals began in July. The summer rehearsal finished with an exciting show for all of the parents at band camp. The marching band season included performances at home football games, the Homecoming Parade, Veterans Day Parade, Christmas Parade and Columbus Day Parade at which the band placed 2nd. In addition, the marching band performed at field shows in New Hartford, Auburn, Jordan-Elbridge and Homer. The performance at the state championships was one that many of the band members will remember for a long time.

Tiger's Pride

Band Conference
ip Show 1998

Although the band placed 6th, they performed very well. The theme of the field show this year was a tribute to the music of the British Isles. It included music by Gustav Holst, Percy Grainger, as well as other music that was written relative to the wealth of music we have received from Great Britain.

Orchestra

Orchestra members traveled to NYC in Novemeber to see the Broadway Show " Jekyll and Hyde."The group also performed in several concerts throughout the school year and performed with guest bassist, Michael Fitapaldi at the annual District String Festival.

Team witnesses base their drama-like responses on all info. in their supposed sworn statements (affadavits). Past cases have involved the issues of drug searches, protest permits, sexual harrassment, equal rights for the handicapped, and criminal activities like mugging and drunk driving. Saving the Best For Last

Life goes by so fast at the high school.
Just yesterday we were being looked down upon,
By the Seniors, and now, up to as the leaders.
Our spirits we brought will have a lasting effect.
The fields of green hold our memories of great battles,
Between two opposing teams.
The music of out hearts will play on forever,
Echoing through the ever silent hallways.
All of us together have come a long way.
Our first journey is over as a new one begins.
We shared the best and worst of time as a whole.
The spirit of the tiger will forever burn in our hearts.
At the end we must represent ourselves with pride,
Reach for our goals, make our dreams a reality,
And live up to the name we have made for ourselves.
Then they will truly see,
That they were saving the best for last.....

To the class of 1999.
May we never give up,
And work at being our best.....
