President: Tyler Weingart Vice-President: Jack Weingart Treasurer: Michele Caporali Secretary: Katie Schild

Public Relations: Justine Sinprasith

Advisor: Mr. McConnell and Mrs. Morford

The Senior Class has had a great year so far, getting ready for the prom and graduation. There have been many fundraisers including the annual poinsettia sale and Spring Fling. Senior Service Day and the Talent Show are just some of the many activities we are participating in this year. With determination, hard work, and a positive attitude from both the class and the officers, a lot has been accomplished this year.

With the help from the entire Class of 2007, our senior year has been a great ride. On behalf of Mr. McConnell, Mrs. Morford, Tyler, Jack, Michele, Katie, and Justine we would like to thank all of the volunteers, and we're looking forward to a memorable graduation.

Juniors

Advisor: Mrs. Penna President: Marie Pisani Vice President: Emily Roma Treasurer: Kathleen Murray Secretary: Sean McKeveny

Finally upperclassmen, the Class of 2008 has united. The juniors started out the year on a high note by putting on the Freshmen Orientation Dance. With over 300 students attending, Andrew King, our resident DJ, had the Tree Room rocking. Next came Homecoming with our best float yet. Inspired by the theme, "Rockin Into Homecoming" the Junior Class float depicted a football battle between a U-E tiger and our opponent, a blue devil; only this blue devil had on a dress to go with the float's theme music, "Devil with the Blue Dress On." In preparation of senior year activities, Gertrude Hawk and Java Joe fundraisers added to the class coffers. A class trip to Hershey Park in May topped off the year where U-E juniors joined juniors and seniors from other schools for an all-night event of rides, music and food.

The Sophomore Class has had a very productive year in fundraising money for their Senior Prom by selling class rings, cookie dough, and tiger paw magnets. They also have been involved in activities such as building the float for Homecoming. They hope the coming years will be just as exciting as this year has been.

Yearbook Club

Advisors: Mrs. Choi and Mr. Manchester Editor-in-Chief: Bryan Bojan

The members of UEHS Thesaurus Yearbook Club worked diligently to incorporate the theme "In the Spotlight" throughout the book. To continue with tradition, a coverd sign contest was held again this year. Instead of selecting on cover design, the members chose two cover designs – one for the cover and one for the divider pages. Thank you to all students that submitted entries!

Once again we created the entire Yearbook electronically. Staff members spent much time learning the software and planning the pages so this process could run smoothly. We hope you enjoy the 61st edition full-color Yearbook that our staff members spent many hours creating for you.

In addition to creating the Yearbook, members also participated in the Grim Reaper Day and an end of year celebration at Chuck-E-Cheese! All members will remember when in need to "Go ask Choi."

A special thank you to those "seasoned" staff members that we can always count on. In edition, thank you to Brian Schaller and Joany Bunzey – you will be missed! A very special thank you goes out to Bryan Bojan for his dedication and perseverance!

FBLA

Advisor: Ms. Ansbro

The U-E Chapter of Future Business Leaders of America (FBLA) is a very excited and energetic group. We attended the Fall District Conference at Hartwick College in October. In the spring our members competed at the district level in various academic competitions. Thanks to the grant awarded to us by Tech Prep that allowed us to take our experiences to the Spring Leadership Conference at Kutchers and compete against students from across New York State. Fortunately, Jon Shattuck proudly represented U-E at the National Competition in Nashville, Tennessee!

While the club may be "all business", the funniest moments were the flaming Taurus and when the van broke down! To future members: "Your future is our business!"

Science Olympiad

Advisor: Mr. Tibensky

Science Olympiad is a team of students that competes in several events throughout the year. Students are assigned events; some involve knowledge and practical application of areas of science including Earth Science, Biology, Chemistry, and Physics, and others involve building a device of structure prior to competition. The team competes against local teams, and based on their performance, can go to the State Competition at West Point, and even a national tournament.

Men's Group

Advisors: Mr. Lenzo, Mrs. Lucas, Mrs. D'Alessandro

The Men's Group is a discussion group that meets after school once a week for students in grades 9-12. In getting up with the time it has been improving upon its new medium, the on line edition to get news out even faster! The staff the year worked very hard and diligently to provide the best possible news. A special thanks to all the editor contributors, and of course the Journalism class. The Tiger Eve shall keep advancing towards the future be the best in newsprint there is today.

Dance Team

Advisors: Ms. Zebrowski

This year the Dance Team performed at various events and functions. In the future, the Dance Team hopes to enter competitions.

U-E Hockey

The Tiger Hockey Team has brought home the Broome County Hockey Association Championship for four straight years. Great coaching along with speedy offense, hard-hitting defense and the best goaltending in the league gives little hope to opposing teams. The Tiger's team is led by captains Mac Cerasaro, Tyler Plew, Mark Reel and Kyle Williams and through hard work and team spirit the 2006-07 championship was almost ours again, falling in the final to Vestal.

Step Team

The Step Team is a team that uses hands and feet to make music. These movements reflect unity, style, and rhythm. Step Team has performed at various events, such as pep rallies, the Christmas party, hair show, and Albany. The most memorable moment was the first performance of the year. "If you don't like something, change it. If you can't change it, change your attitude. Don't complain."

Spanish Club

Advisor: Señora Delancy President: Jack Weingart Vice-President: Colin Schafer Secretary: Hibah Ahmed Treasurer: Caitlin Costello

It has been another busy and successful year for the U-E Spanish Club! The Christmas Posada in December, after school movie showings in Spanish, and the Spring New York City trips have made this a memorable year for the club staff & all the members. The club takes the most advantage of the city when it goes, hitting up the best shopping spots, going to tour Madison Square Garden, and going to NYC landmarks such as Rockefeller Center, St. Patrick's Cathedral, and Times Square. As a fundraiser, members were given the opportunity to sell Gertrude Hawk candy. It has been a very culturally enriching year, as well as a fun year. Our door is always open. We hope to see all of our old members return, and would love to see many new members in the Fall of 2007 for another exciting year. Remember: Get involved - It's cool to experience a different culture.

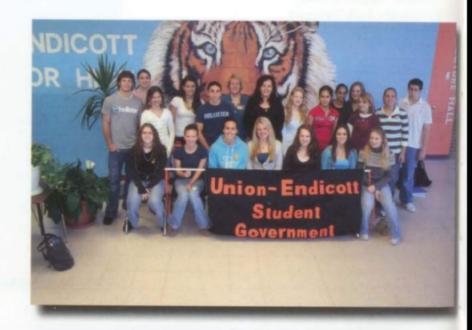

ADSIP

Remember to Make Wise Choices!

French Club & Exchange

The French exchange program was begun many years ago at U-E and we are very happy that we are once again hosting French students and traveling to stay with them and attend their school.

The U-E students visited France; this year specifically Paris and Normandy including the WWII sites of the American Cemetery and D-Day Beaches before living the life of a French teenager at the homes of their French friends in Epernay, France. During their 18 days in France, the students spoke French to Mrs. Guidici, their leader, to each other and, of course, to all the French people they came in contact with. What a great way to see another part of the world and put into practice what they'd been learning in French class all these years.

The French Foreign Exchange is a great program and we hope to continue it for many years to come.

Mathletes

Advisor: Mrs. Rittinger

The U-E Mathletes is a club whose members have an interest in problem solving techniques and who enjoy participating in numerous competitions. All students are welcome to join.

Each month two teams of 5-7 students journey to Johnson City High School to compete against the other Broome County Schools. The competition consists of 5 individual problems and one team or relay problem. The cumulative total of member points determines the yearly school and individual winners. The top 17 students from Broome County are then formed into a Southern Tier Team and compete in the State Mathletes meet held in April at various places around the state (comprised of 3-4 U-E students). In 2006, the Broome County team placed 1st in the state.

Each month members also participate in the New York Math League Test which is administered in each school and the results are mailed to the central office.

In February the American High School Math Exam is administered. This is a 90 minute national test that over 50,000 students take. Students who qualify are then eligible for a scholarship and also to go to the next level test eventually leading to a spot on the United States Math Olympic Team (1 U-E student qualified in 2005).

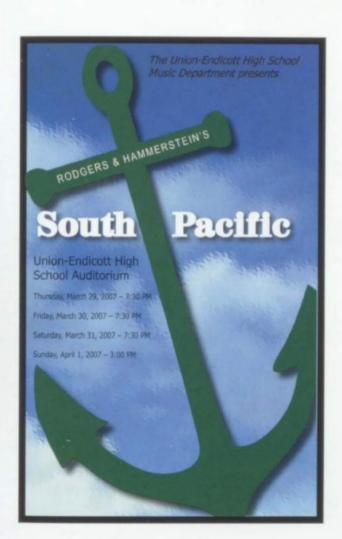

U-E has continued the tradition of success in competition. In 2006, U-E took home first place in the Ithaca College Math Day competition. To culminate the year, an awards ceremony is held. Senior class Mathletes members each receive a prize.

Even though the competition is tough, there have been memorable moments. One in particular is Matt Powell cheering at the meets. To future members – remember – "we use math everyday".

Varsity Softball

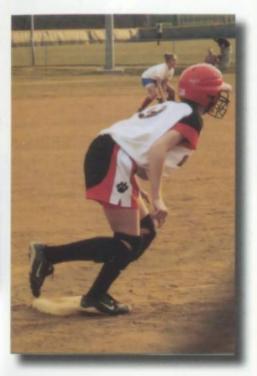

The Girls Varsity Softball Team Coach was Mr. Testa. Team co-captains of the year were Shannon Mathers, Stephanie Kolodziejski, and Desiree Lee, our three seniors.

The biggest rival of the year was
Horseheads, whom always proved to
be the team to beat. The highlight of
the season was coming back from a 0-4
game on senior night against Chenango
Valley beating them 6-4. Overall, the
season was amazing and fulfilling. A
quote that we have followed this season
is "life's only limitations are the ones
we make."

Overall our season was a successful and a beneficial learning experience. Initially the season was very unstable but it eventually turned around to finish strong with a 12-8 record. The main rival was Vestal because they were proven to be tough competitors. The quote that described the season was, "Character is what you do when no one is watching."

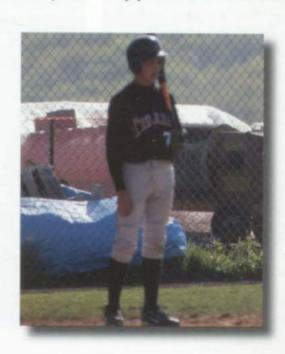

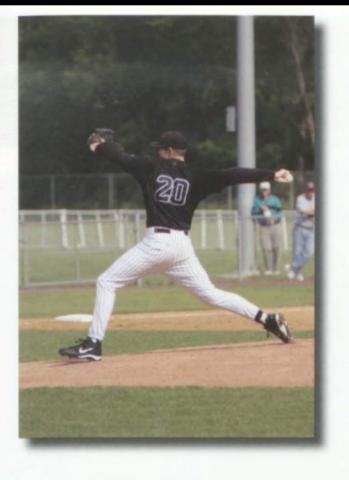

Varsity Baseball

The Varsity Baseball Team Coach was Mr. Folli. The Assistant coaches were John Schofield, Dave Amaro, and Bill Minor. There were nine seniors on the team. The toughest competitor of the season was Johnson City because they had great pitching and a potent line-up. The team did not have a designated "team captain" since all members of the squad worked together striving towards top performance. The highlight of the season was the baseball banquet where Mr. Folli was given a grand farewell to honor his retirement from teaching and coaching. Although the talent and record of the team is envied by many, the season ended in disappointment. Nonetheless, the team had a kinship that created memories never to be forgotten. The quote the team lived by was: "Play your best baseball in May."

Your time has come, your day is near,

Remember this, from me to you,
You're truly blessed in all you do.

Which one are you or our names mixed up,
Are you the younger or the older pup?
For all these years you've looked like me,
Has driven me crazy and up a tree.
You're the last of an era and done so well,
I'm proud you're my sister, what the hill!

Luv Chooch

When you read this, I won't be here,
But don't you fret, as I'll be near.
All your tears shed and dropped like rain,
You've done a great job, regardless of pain.
As you walk to receive diploma in hand,
I'll always be there to strike up the band!
Luv Lizzy

How you've always said, it's not fair,
I want mine like Brenda's long dark hair.
Or how you messed up all my shoes,
When I told mom, you cried the blues.
Now you're grown and oh so smart,
You'll always be my cute little fart!

Senior Editor: Bryan Bojan Cover Design: Rob Little

Ad Designs: Kathryn Carpenter

Although we have had many stresses over this year's publication of the yearbook, we have finished our 61st edition of the Union-Endicott *Thesaurus*. Many special thanks goes out to Mrs. Choi and Mr. Manchester for putting up with everything thrown at them.

Thanks to the following members of the Yearbook staff for their countless hours of hard work and dedication: Amy Asher, Carolyn Thiel, Alayne Monserrate, Brian Schaller, Joany Bunzey, Renee Antonaitis, Caitlin Costello, Kenny Roman, Meghan Coyle, Casey Marks, Jordan Ross, Dylan Bridges and Kathryn Carpenter.

An extra special thanks goes out to Amy Asher, Carolyn Thiel, and Alayne Monserrate for all extra time that they put into the yearbook. Without them, there would not have been a yearbook.

As Senior Editor of this year's publication, I hope that you enjoy the work that has been put into it. It has been a great four years at UEHS and in Yearbook Club, starting with Mrs. Finkelman and Mrs. Lesko and then with Mrs. Choi and Mr. Manchester. You're all great! Good Luck to the Class of 2007!

Sincerely, Bryan Bojan (Senior Editor)
