

A stylized, high-contrast illustration of a tiger's face in black and white, set against a textured orange background. The tiger's eyes are large and intense, and its fur is depicted with bold, jagged lines. A large, white, serif capital letter 'T' is superimposed over the center of the tiger's face.

The background of the page is a dark charcoal gray. It features a radial pattern of numerous thin, light gray lines that originate from a central point near the bottom and fan out towards the top corners, creating a sense of motion or energy. Overlaid on this pattern is the text "Clubs & Activities" in a white, elegant script font. The text is positioned in the upper half of the page and is underlined by two parallel, slightly wavy red lines that extend across the width of the text.

Clubs & Activities

AMNESTY INTERNATIONAL

As a member of Amnesty International you are part of a community of people who make a difference, and who care about dignity, solidarity, and justice. You are a part of a movement that gives hope to the human rights defenders that inspire us, and together we change the world. We write and sign letters to promote non-violent change and bring justice to the world.

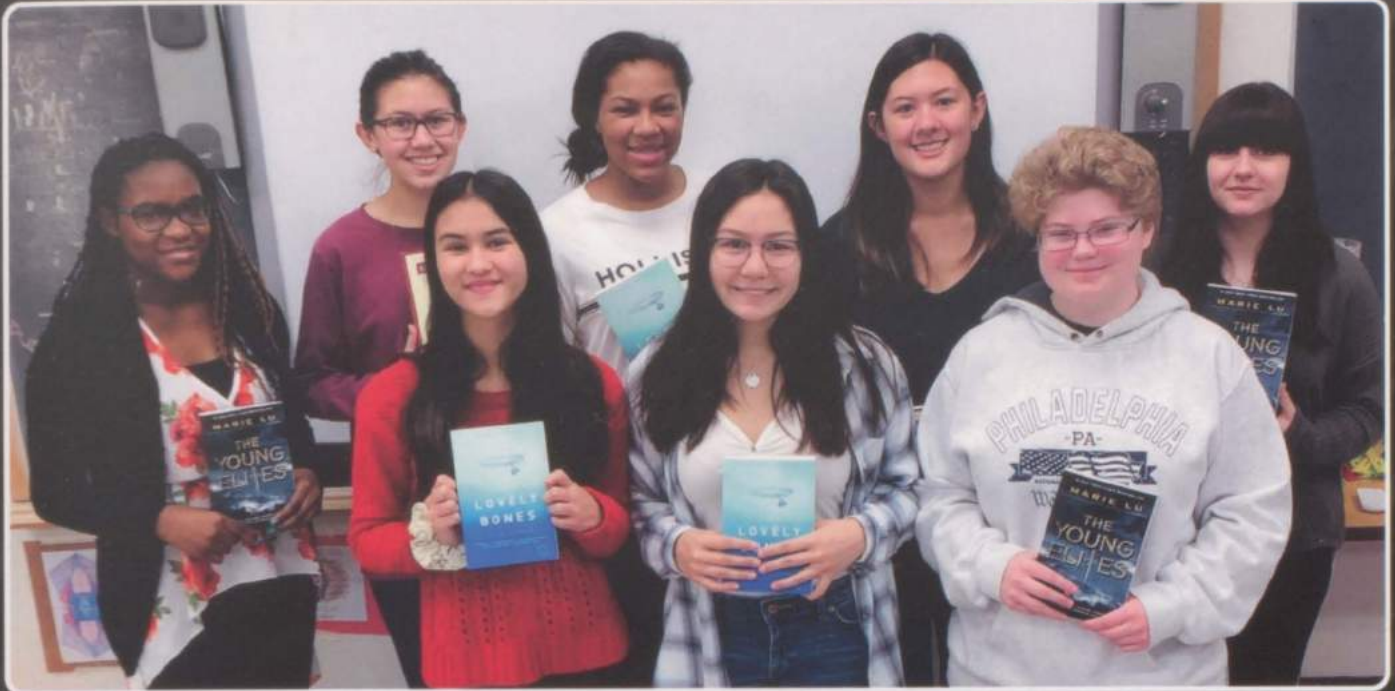

BIO CLUB

Biology Club participates in the annual Riverbank Cleanup along the Susquehanna River. In addition, members have the opportunity to participate in activities not available during the regular school day such as squid dissection, culturing Venus Flytraps, making edible bird feeders, and DNA electrophoresis, etc. Another part of Biology Club is the ability to participate on a Team. Envirothon is a competition held in April where teams of up to five students work together to answer questions about wildlife, aquatics, forestry, soils, and a current environmental issue. Student participants learn about the environment and various impacts that threaten environmental quality.

BOOK CLUB

The Book Club consists of a small but loyal group of readers dedicated to reading and discussing books that are not usually taught in the classroom. From myths to mysteries, from philosophy to fantasy, this small club prides itself on reading the books that people are talking about now. Past choices have included *Mazurunner*, *Grasshopper Jungle*, *The Hitchhiker's Guide to the Galaxy*, *Love Letters to the Dead*, and *Hungry*.

FRENCH CLUB

While in Italy, students live with a family, attend school and visit famous places (Venice, Florence, Rome, Vatican City and Innsbruck.) UEHS Italian students host their Italian friends in October for three weeks with trips to Albany, Corning, Cornell, BU, Niagara Falls and Washington, DC.)

KEY CLUB

Key Club is an international, student-led organization that provides its members with opportunities to provide service, build character and develop leadership. The Key Club hosted a holiday party. The program is flexible to meet students' varied interests. Students have explored careers in the fields of medicine, dentistry, veterinary, pharmacy, nursing and physical therapy

MOCK STATE SENATE

The purpose of the Mock Senate is to give students the opportunity to get a brief perspective about how the New York State Senate works by introducing legislation, meeting in committees, debating and voting on bills. The hope of the Mock Senate is to have students foster an interest in public policy and public service.

MOCK TRIAL

The purpose of Mock Trial is to provide students with hands-on opportunities to further their understanding of the law, court procedures, and our legal system while honing their speaking, listening, reading, and reasoning skills. County competitions are held in the spring at the central courts in Binghamton. County champions advance to regional competitions, with six teams meeting in Albany for the statewide finals each May.

NATIONAL HONOR SOCIETY

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. These characteristics have been associated with membership in the organization since its beginning in 1921

RPG

The RPG club is a social club for students who like playing role playing games such as Dungeons & Dragons, Star Wars Roleplaying Game, and Pathfinder. These are tabletop games where the players use their imagination to form a simulated adventure and take part in collaborative storytelling, but more importantly, these are games you can play with friends.

SCIENCE OLYMPIAD

This club is perfect for students who may want to work in the field of medicine, engineering, and mathematics.
